related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CenturyTel, Inc. Union Group Incentive Plan as of December 31, 2001, and the changes in net assets available for benefits for the year ended December 31, 2001 in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) for 2001 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the 2001 basic financial statements taken as a whole.

CENTURYTEL, INC.  
 UNION GROUP INCENTIVE PLAN  
 Notes to Financial Statements  
 December 31, 2001 and 2000

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROVISIONS OF THE PLAN

Basis of Presentation

The CenturyTel, Inc. Union Group Incentive Plan (the "Plan") was established on June 1, 1983. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and present the net assets available for benefits as of December 31, 2001 and 2000 and changes in net assets available for benefits for the year ended December 31, 2001. The Plan has made estimates in preparing the accompanying financial statements in accordance with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

The assets of the Plan are invested by the Trustee in various investment programs (funds) which are described in Note 2.

The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

Participation

Participation in the Plan is available to each eligible employee of

## Edgar Filing: CENTURYTEL INC - Form 11-K

CenturyTel, Inc. (the "Company") whose compensation and conditions of employment are covered by certain collective bargaining agreements.

In order to participate in the Plan, an employee must execute a Salary Deferral Agreement with the Company. In the Salary Deferral Agreement, which is executed either on-line or by telephone, an employee agrees to a deferral of between one percent and sixteen percent of his base pay. The amount of compensation deferred by each participant is credited to an account (Elective Deferral Account) maintained for each participant by the Trustee.

As of the end of each payroll period, the Company contributes to an account (Employer Match Account) for each participant a contribution equal to 55% or 66% (as defined by the applicable collective bargaining agreement) of each such participant's contribution during such payroll period; however, this matching contribution applies only to the first 6% of such participant's base compensation contributed to the Plan by the employee.

During 2001 the Company contributed \$1,032,896 to the Employer Match Account.

An employee is permitted to transfer to the Plan as a contribution his interest in another plan qualified under Section 401(k) of the Internal Revenue Code, as amended (the Code). Such contribution must qualify as a "rollover" contribution described in Section 402(c) or 408(d)(3) of the Code. Such a rollover will be credited to a rollover account on behalf of the participant (the Rollover/Transfer Account).

The interest of a participant in his Elective Deferral Account and his Rollover/Transfer Account is fully vested and non-forfeitable at all times.

The interest of a participant in his Employer Match Account vests as follows:

| Years of Service<br>----- | Percentage Vested<br>----- |
|---------------------------|----------------------------|
| Less than 1               | 0%                         |
| 1                         | 20                         |
| 2                         | 40                         |
| 3                         | 60                         |
| 4                         | 80                         |
| 5                         | 100                        |

In the event of death, disability, or upon reaching age 65, the Employer Match Account becomes fully vested.

### Reports to Participants

Participants are furnished with quarterly statements which set forth the status of their accounts in the Plan.

### Forfeitures

A participant's non-vested account balances shall be forfeited as of the date upon which the participant's employment has terminated with the

## Edgar Filing: CENTURYTEL INC - Form 11-K

Company. Forfeiture amounts shall be utilized first to satisfy any restorations for the year and any remaining forfeitures shall be applied to offset future employer contributions or pay plan expenses.

### Distributions

If the employment of a participant with the employer ceases because of death, retirement, disability, termination of employment or for any other reason, the participant's vested interest in the Plan may be distributed to him or to his beneficiary in a lump sum or in periodic installments. If the participant dies without designating a beneficiary, his beneficiary shall be, in the order listed, (i) his spouse, (ii) his children, or (iii) his estate.

### Withdrawals

A participant who is an employee and over age 59 1/2 may make withdrawals from his vested investment accounts prior to normal distribution requirements being met. In addition, a hardship withdrawal may be made from an Elective Deferral Account or a Rollover/Transfer Account only as a result of financial hardship related to unreimbursable educational expenses, medical expenses which are not reimbursable by insurance, the need to pay for the funeral expenses of a family member, the prevention of eviction or foreclosure from the Participant's principal residence, or for the purchase of the participant's principal residence. The determination of the existence of a financial hardship and the amount required to be distributed to meet the need created by the hardship shall be made uniformly and without discrimination at the sole discretion of the Plan Administrator.

### Loans to Participants

The Plan has a provision whereby a participant can borrow from his Elective Deferral Account or Rollover/Transfer Account. The maximum loan is 50% of the vested account balance, up to \$50,000. The loans are repaid through payroll deductions and the interest rate is the prime rate published in the Wall Street Journal on the last day of the previous quarter plus 1%. The loan repayment period may not exceed five years except for loans for the purchase of the Participant's principal residence which may be for any period not to exceed fifteen years.

### Trustee

The Trustee of the Plan, as of December 31, 2001, was T. Rowe Price Trust Company (T. Rowe Price). The Board of Directors of the Company may remove the Trustee and appoint a successor trustee. The Company and the Trustee have entered into a Trust Agreement which provides for the establishment of a Trust for the purpose of holding and investing the contributions to the Trust pursuant to the provisions of the Plan.

### Administration

The Company has appointed a committee to administer the Plan. The individuals who administer the Plan serve at the discretion of the Board of Directors of the Company and may be removed by the Board of Directors at any time. The administrative costs of the Plan are paid by the Company.

### Market Value Determination

Investments in CenturyTel, Inc. Common Stock (CenturyTel Common Stock) are valued at the closing market price on December 31, 2001 and 2000,

## Edgar Filing: CENTURYTEL INC - Form 11-K

respectively. Other investments in the funds, which consist of shares of mutual funds, are valued by the Trustee based on the market value at year-end of the underlying assets of each fund. Purchases and sales of securities are recorded on a trade date basis. Loans to participants are valued at principal amount outstanding which approximates market value.

### Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to change, suspend or terminate the Plan at any time, subject to the provisions set forth in the Employee Retirement Income Security Act of 1974. However, the Company is required to comply with all relevant provisions of the applicable labor agreements.
