## EXPLANATORY NOTE

This Amendment No. 1 to Form 8-K amends the Current Report on Form 8-K filed by First Busey Corporation (the “Company”) to the Securities and Exchange Commission (“SEC”) on January 24, 2012 (the “Original Filing”). The press release, dated January 24, 2012 (the “Press Release”), which had been attached as Exhibit 99.1 to the Original Filing inadvertently omitted the discussion of the following items under the heading “Operating Performance”: (i) gains on sales of residential mortgage loans and (ii) salaries and wages and employee benefits. Those items were included in the Press Release when disseminated through other channels.

A complete version of the Press Release is attached hereto as Exhibit 99.1 and is incorporated in Item 2.02 by reference. Other than the inclusion of the two discussion items set forth above, there are no other changes to the Press Release that was included in the Original Filing.

The press release made a part of this Current Report on Form 8-K includes forward looking statements that are intended to be covered by the safe-harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward looking statements include but are not limited to comments with respect to the objectives and strategies, financial condition, results of operations and business of the Registrant.

These forward looking statements involve numerous assumptions, inherent risks and uncertainties, both general and specific, and the risk that predictions and other forward looking statements will not be achieved. The Registrant cautions you not to place undue reliance on these forward looking statements as a number of important factors could cause actual future results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward looking statements.
