- (3) The principal occupation represents the employment for the last five years for each of the named directors and executive officers. Directorships presently held in other registered corporations are also disclosed.

Directors and officers of 1st Source and their affiliates were customers of and had transactions with 1st Source and its subsidiaries in the ordinary course of business during 2003 and in compliance with applicable federal and state laws and regulations. Additional transactions are expected to take place in the ordinary course of business in the future. All outstanding loans and commitments

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility, or present other unfavorable features. Credit underwriting procedures followed were no less stringent than those for comparable transactions with other borrowers.

Mr. Kapson is President and a principal shareholder of Jordan Motors, Inc., an automobile dealership. 1st Source Bank has established an ongoing relationship with Jordan Motors in which Jordan Motors facilitates the purchase of automobiles by car rental companies that are commercial lending customers of the Bank. Where the customer chooses to utilize this arrangement, the purchase price of such vehicles is funded by the Bank as a loan to the customer on customary terms. During 2003 the Bank loaned customers approximately \$4.0 million for the purchase of automobiles from Jordan Motors, which amount included service fees paid to Jordan of less than \$18,000 in the aggregate. Also during 2003 the Bank purchased vehicles in an aggregate amount of approximately \$456,000 from Jordan Motors for lease to various commercial finance customers of the Bank on customary terms. Revenues from all of the foregoing represented less than 0.16% of 2003 revenues of Jordan Motors.

BOARD COMMITTEES AND OTHER CORPORATE GOVERNANCE MATTERS

In January 2004 the Board of Directors adopted Corporate Governance Guidelines to ensure and document the Company's existing high standards for corporate governance. The Corporate Governance Guidelines are in accordance with the listing standards of the Nasdaq Stock Market and SEC rules. The Corporate Governance Guidelines are available on the Company's website at www.1stsource.com.

DIRECTOR INDEPENDENCE -- The Board assesses each director's independence in accordance with the Corporate Governance Guidelines. The Corporate Governance Guidelines define an independent director as one who has no relationship to the Company that would interfere with the exercise of independent judgment in carrying out responsibilities as a director of the Company and who are otherwise "independent" under the listing standards of the Nasdaq Stock Market. The Board has determined, after careful review, that each member of the Board is independent as defined in the Company's Corporate Governance Guidelines, with the exception of Mr. Murphy and Mr. Jones, who are employed by the Company. Accordingly, nine out of the eleven current members of the Board are independent directors.

BOARD COMMITTEES -- 1st Source and its major subsidiary, 1st Source Bank, share the following permanent committees made up of board members of both organizations. Executive and Governance, Nominating, Audit, Human Resources and Executive Compensation Committee members are appointed annually after the Annual Meeting of Shareholders.

(4) An ad hoc subcommittee of the Executive Committee met twice during 2003 to discuss corporate governance issues.

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

- (6) On January 29, 2004 the Board combined the Human Resources Committee and Executive Compensation Committees, effective immediately after the 2004 Annual Meeting of Shareholders.

MEETINGS OF THE BOARD OF DIRECTORS AND DIRECTORS' COMPENSATION -- The Board of Directors held eight meetings in 2003. No incumbent directors attended fewer than 75% of the aggregate total meetings of the Board of Directors and all committees of the board of 1st Source on which they served. Directors receive fees in the amount of \$10,000 per year, and \$750 per board meeting and committee meeting attended (\$1,000 per Audit Committee meeting attended). Committee chairpersons receive \$1,000 per meeting (\$1,750 per Audit Committee meeting attended). Total fees paid in 2003 were \$243,750.

7

ANNUAL MEETING ATTENDANCE -- Per the Company's Corporate Governance Guidelines, directors are expected to attend the Annual Meeting of shareholders. The Chairman of the Board presides at the Annual Meeting, and the Board of Directors holds one of its regular meetings in conjunction with the Annual Meeting of shareholders. All members of the Board at the time of the Company's 2003 Annual Meeting of shareholders attended that meeting.

CODE OF ETHICAL CONDUCT -- The Board of Directors has adopted a Code of Ethical Conduct for Financial Managers, which is available on the Company's website at www.1stsource.com. The Code of Ethical Conduct for Financial Managers constitutes a code of ethics as defined in Section 406(c) of the Sarbanes-Oxley Act of 2002 and applies to the Chief Executive Officer, Chief Financial Officer, Controller and other individuals performing similar accounting or financial reporting functions for the Company.

SHAREHOLDER COMMUNICATIONS -- Communications to the Board of Directors from shareholders are welcomed. All written communications should be directed to the attention of the Chairman of the Executive and Governance Committee. The Chairman of the Executive and Governance Committee shall either (i) relay a shareholder communication to the full board or an appropriate committee chairman, or (ii) where he feels that the communication is not appropriate to relay, at least provide a copy of the communication and an indication of his proposed disposition to the General Counsel, or another independent director, either of whom may forward the communication to any other directors if they deem it prudent or appropriate to do so. The Chairman of the Executive and Governance Committee shall forward all recommendations for board nominees submitted by shareholders to the Chairman of the Nominating Committee.

NOMINATING COMMITTEE INFORMATION

The Board of Directors formed an independent Nominating Committee in January 2004. Its responsibilities were formerly carried out by the Executive Committee. The charter of the Nominating Committee is available on the Company's website at www.1stsource.com. All members of the Nominating Committee (see "Board Committees" above) comply with the independence requirements of the Nasdaq Stock Market listing standards.

The purpose of the Nominating Committee is to identify, evaluate, recruit and select qualified candidates for election, re-election, or appointment to the Board. The Nominating Committee may use multiple sources for identifying and evaluating nominees for directors, including referrals from current directors and executive officers and recommendations by shareholders. Candidates recommended by shareholders will be evaluated in the same manner as candidates identified by any other source. In order to give the Nominating Committee adequate time to evaluate recommended director candidates, shareholder

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

recommendations should be submitted in writing at least 120 days prior to the next Annual Meeting to be held on or about April 28, 2005. Nominations should be addressed to the attention of the Chairman, Executive and Governance Committee, c/o 1st Source Corporation.

The Nominating Committee will select new or incumbent nominees or recommend to the Board replacement nominees considering the following criteria:

- o Whether the nominee is under the mandatory retirement age of 70;
- o Personal qualities and characteristics, accomplishments and reputation in the business community;
- o Current knowledge and contacts in the communities or industries in which the Company does business;
- o Ability and willingness to commit adequate time to Board and Committee matters;
- o The fit of the individual's skills with those of other directors and potential directors in building a Board that is effective and responsive to the needs of the Company; and
- o Diversity of viewpoints, background, experience and other demographics.

The new nominees for election at the 2004 Annual Meeting (David C. Bowers, Terry L. Gerber, Craig A. Kapson, John T. Phair, and Mark D. Schwabero) were recommended by the Chief Executive Officer and by non-management directors and approved by the Nominating Committee.

8

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees 1st Source's financial reporting process on behalf of the Board of Directors, retains and oversees the Company's independent auditors and approves all audit and non-audit services provided by the independent auditors. The Board of Directors has adopted a Charter for the Audit Committee to set forth its authority and responsibilities. A copy of this Charter is included in this proxy statement as Exhibit A. All of the members of the Committee are independent as defined in the listing standards of the Nasdaq Stock Market and SEC rules. The Board has determined that David C. Bowers, Daniel B. Fitzpatrick, Lawrence E. Hiler, Rex Martin, Dane A. Miller, Timothy K. Ozark, and Toby S. Wilt qualify as audit committee financial experts, as defined by SEC guidelines.

The Committee reviewed the audited financial statements in the Annual Report with management. The Committee also reviewed the financial statements with 1st Source's independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Committee also considered with the auditors their judgments as to the quality, not just the acceptability, of 1st Source's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and 1st Source, including the matters in the written disclosures required by the Independence Standard Board, and considered the compatibility of nonaudit services provided by the independent auditors to 1st Source with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

(1) Mr. Murphy, Mr. Jones, Mr. Qualey and Mr. Stifel signed employment agreements in April 1998. Mr. Griffith signed an employment agreement in March 2001. Mr. Murphy's agreement provides for a \$570,000 base salary at December 31, 2003, with annual increases of not less than 5% each year, and cash bonus payments based on a formula computed in a manner similar to the

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

awards to executives under the Executive Incentive Plan and Long-Term Executive Award Program. Mr. Murphy waived his right to a base salary increase in 2003. Under the other four agreements, Mr. Jones, Mr. Qualey, Mr. Stifel and Mr. Griffith receive base salaries of \$306,500, \$220,000, \$204,000 and \$230,000, respectively, at December 31, 2003, with annual increases each year as may be determined by 1st Source, and cash and stock bonuses determined under the Executive Incentive Plan and the Long-Term Executive Award Program. The agreements permit gross-up payments necessary to cover possible excise tax payments by the Executives and to reimburse the Executives for legal fees that might be expended in enforcing the agreements' provisions or contesting tax issues relating to the agreements' parachute provisions. Mr. Murphy's agreement is a five-year agreement which is extended an additional year each year unless either party gives notice not to extend. The agreements for Mr. Jones, Mr. Qualey and Mr. Stifel expire on December 31, 2004. Mr. Griffith's agreement expires on March 31, 2004. In each case their agreement will be extended from year to year thereafter unless either party gives notice not to extend. If any of the Executives terminate employment because of any adverse change in their

10

status, he will continue to receive his base salary for a period of twelve months after his termination. If any of the Executives terminate employment within one year of a change in control (which term includes any third party which becomes beneficial owner of 50%, or in the case of Mr. Murphy, 20% or more of the outstanding stock of 1st Source, the election of a majority of new directors in connection with a sale, merger, other business combination or contested Board of Directors election, or any approval of any transaction which results in a disposition of substantially all of the assets of 1st Source), he will receive severance pay in cash equal to 2.99 times his "Annualized Includable Compensation" (as defined under the Internal Revenue Code of 1986, as amended.) The agreements also include restrictive covenants which provide, among other things, that the Executives not compete with 1st Source in bank or bank-related services within certain designated counties of Indiana or divulge confidential information or trade secrets for a twenty-four month period (in the agreement of Mr. Griffith, an unlimited period with respect to confidential information or trade secrets) after termination of employment. In the event of disability, the Executives will receive their base salary for up to one year, in addition to other disability programs in effect for all officers of 1st Source.

- (2) 1st Source has an Executive Incentive Plan (the "Plan") and the 1998 Performance Compensation Plan which are administered by the Executive Compensation Committee (the "Committee") of the Board. Awards under the Plan consist of cash and "Book Value" and "Market Value" shares of Common Stock. "Book Value" shares are awarded annually on a discretionary basis and typically are subject to forfeiture over a period of five (5) years. In 2003, the Executive Compensation Committee extended, subject to Board and shareholder approval, the forfeiture period for the award made in 1997 by four (4) years for all members of the Executive Incentive Plan except Mr. Murphy, Mr. Jones and Mr. Qualey, who forfeited the remaining 20% of that award. It also extended the forfeiture period for the awards made in 1998, 1999, 2000 and 2001 by four (4) years for all members of the Executive Incentive Plan except Mr. Murphy, who forfeited the remaining 60% of the 1998 award in January 2004. "Book Value" shares may only be sold to 1st Source, and such sale is mandatory in the event of death, retirement, disability or termination of employment. 1st Source may terminate or extend the Plan at any time. During February 2001 and February 1996, 1st Source granted special long-term incentive awards (the "Awards") to participants

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

in the Executive Incentive Plan administered by the Committee. The 2001 Award was granted for the attainment of the company's long-term goals for 2000, which were set in 1995. The 1996 Award was granted for the attainment of the company's long-term goals for 1995 which were set in 1990. Each Award was split between cash and 1st Source Common Stock valued at the market price at the time of the award. Such shares are subject to forfeiture over a period of ten (10) years. The first 10% of these shares was vested at the grant of the Award. Subsequent vesting requires (i) the participant to remain an employee of 1st Source and (ii) that 1st Source be profitable on an annual basis based on the determination of the Committee.

1st Source also has a Restricted Stock Award Plan (the "Restricted Plan") for key employees. Awards under the Restricted Plan are made to employees recommended by the Chief Executive Officer and approved by the Committee. Shares awarded under the Restricted Plan are subject to forfeiture over a four (4) to ten (10) year period. Vesting is based upon meeting certain criteria, including continued employment by 1st Source.

The bonus amounts shown represent the annual cash awards under the Plan, the 1998 Performance Compensation Plan and other cash bonuses. Vested stock under the Plan, the Awards and the Restricted Plan are included in the LTIP Payouts column. The value placed on "Book Value" shares is the book value per share as of December 31 of each year. The value placed on market value shares is market value as of December 31 of each year. Mr. Murphy receives this vested amount in cash.

Unvested stock holdings under the Plan, the Awards and the Restricted Plan as of December 31, 2003, are as follows:

11

NAME	BOOK VALUE SHARES	MARKET VALUE SHARES	CALCULATED VALUE
Christopher J. Murphy III	23,993	12,456	\$632,382
Wellington D. Jones III	14,328	4,472	313,835
Allen R. Qualey	10,718	3,748	243,426
Richard Q. Stifel	6,917	1,926	146,497
John B. Griffith	2,675	3,609	118,263

- (3) Amounts shown in All Other Compensation for Mr. Jones, Mr. Qualey, Mr. Stifel, and Mr. Griffith represent 1st Source contributions to defined contribution retirement plans.
- (4) Mr. Murphy did not receive a cash bonus for 2003. The amount in the "All Other Compensation" column for Mr. Murphy largely relates to termination at the end of 2003 of the split-dollar insurance benefit for which 1st Source has been obligated to Mr. Murphy since 1998. Because of changes in the tax treatment and other regulations affecting split-dollar insurance arrangements, 1st Source and Mr. Murphy agreed to terminate the existing split-dollar insurance benefit on terms that also satisfied the company's obligation to him under the 1998 Performance Compensation Plan. Mr. Murphy earned a bonus for 2003 under the 1998 Performance Compensation Plan of \$478,850. At the direction of the Executive Compensation Committee of the Board, and by agreement with Mr. Murphy, the company's obligation for such bonus, as well as its obligation to fund premiums for the life insurance benefit, were fully satisfied by the company's assignment to Mr. Murphy (or his designee) of its right to receive repayment out of any death benefit of the aggregate amount of previously funded premiums for the policy. \$963,487 of the \$977,487 included in All Other Compensation for 2003 for Mr. Murphy directly relates to the termination of the split-dollar arrangement. Of the

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

\$963,487, \$758,478 reflects the value of the premium receivables assigned to Mr. Murphy. The company paid the remaining \$205,009 to satisfy a loan against the cash surrender value of the policy used by Mr. Murphy's designee trust to fund the 2002 premium for the policy. In connection with termination of the split-dollar arrangement, Mr. Murphy will incur tax liability on the \$963,487 distribution. Because the taxes were not envisioned when 1st Source awarded the split-dollar insurance benefit to Mr. Murphy in 1998, the Executive Compensation Committee also decided to reimburse Mr. Murphy for his payment of such taxes. The Committee and Mr. Murphy agreed that any amounts up to \$656,000 he may earn in 2004 or subsequent years, if needed, under the 1998 Performance Compensation Plan will also serve to satisfy the Company's commitment to reimburse this additional tax liability. The foregoing, including final payment of the tax liability either in 2004 or a subsequent year, fully satisfies all obligations to Mr. Murphy for the split-dollar insurance benefit. The remaining \$14,000 shown in All Other Compensation represents 1st Source contributions to defined contribution retirement plans.

- (5) The amount of All Other Compensation for 2001 includes \$9,051 representing the deemed value of the benefit received in 2001 determined for the period from the payment of premiums in 2001 until the obligation to repay such premiums was reassigned to Mr. Murphy in 2003. See footnote 4. This amount is reduced from \$105,369, the amount shown for such value in prior years. Such value was presented in prior years based on the actuarial value of an interest free loan from the time the premium was advanced to the time the premium was actuarially projected to be repaid years hence. The result was that the compensation deemed received by Mr. Murphy in prior years appeared higher because of this assumption which is no longer valid. 1st Source did not pay premiums for Mr. Murphy under the split dollar insurance plan in 2002. The remaining \$15,191 and \$14,000 shown in All Other Compensation in 2001 and 2002 for Mr. Murphy represent 1st Source contributions to defined contribution retirement plans.
- (6) Mr. Griffith became an executive officer in 2001.

EXECUTIVE COMPENSATION COMMITTEE REPORT

1st Source officers are reviewed annually by their immediate supervisor. Due to the performance of the Company in 2002, the salary review for members of the Bank's Policy Committee was delayed by at least six months. Reviews for the three most senior officers were delayed by at least one year. The review includes an assessment of management performance and achievement of individual, group and Company goals.

The performance review is a normal part of 1st Source's Salary Administration Program. Positions are rated and placed in a salary range. Annually, with the Board's approval, management establishes a salary performance grid that sets the range of merit increases that may be given to officers depending on their individual performance and their position (lower, middle or upper third) in their respective salary range.

The categories of performance under the Company's review program are:

- o Substantially and consistently exceeds job requirements
- o Often exceeds job requirements
- o Meets and sometimes exceeds job requirements
- o Meets some job requirements, improvement is required
- o Does not meet minimal job requirements

Management awards salary increases as determined under the guidelines of the Salary Administration Program in conformance with the salary performance grid in effect for the year and the annual budget.

All of the officers reported herein, including Mr. Murphy, are under the 1st Source Salary Administration Program. In his case, he is evaluated by us against

13

a series of objectives set in the Company's annual budget plan and in its long-term strategic plan as annually approved by our full Board. In January 2003, we reviewed Mr. Murphy's salary. Under his employment contract described elsewhere in this proxy statement, Mr. Murphy has a right to receive a minimum annual increase of 5%. Mr. Murphy waived his right to a 5% increase for this review due to the Company's 2002 credit performance and recommended to us that he be given no increase. We accepted his recommendation and no increase was granted. In January 2004, Mr. Murphy again waived his rights under the contract to a 5% increase and asked that his review be delayed until the second quarter of 2004. We accepted his recommendation. Consequently, no increase was given, and he may be reviewed in the second quarter of 2004.

Bonuses under 1st Source's Executive Incentive Plan (EIP) are determined annually following the close of the year. The bonus is calculated based on the officer's "partnership level" adjusted for the Company's performance relative to plan and for the individual's performance relative to weighted objectives set at the beginning of the year. In Mr. Murphy's case, the base bonus is calculated at a "partnership level" of 25% of his salary. For each 1% that the Company varies from its profit plan for the year, the base bonus is adjusted up or down by 2.5%. Since the Company performed well below its plan for the year, Mr. Murphy asked that no award be made him under the Company's Executive Incentive Plan. We accepted his recommendation and no award was made in 2004 for 2003 performance.

Also, under the EIP, 50% of the Executive Incentive Plan bonus is paid in cash

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

at the time of the award. The other 50% is paid in book value stock and is subject to forfeiture over the succeeding five (5) years. The forfeiture lapses ratably for each year the employee remains with the Company and for each year, or period of years, the Company grows its net income by a targeted minimum per year. During this period, the "at risk" portion of the bonus, delineated in book value stock, is transferred to the participant as the forfeiture period lapses. In Mr. Murphy's case, while determined in book value stock, the award is paid in cash as the forfeiture lapses. Due to the Company's performance in 2002, the remaining 20% of the award made in 1997 would be forfeited. Last year Mr. Murphy asked that the forfeiture period for these awards be extended for four (4) years for all members of the Executive Incentive Plan except himself, Mr. Jones, and Mr. Qualey, as they are the most senior officers of the Corporation with credit and management authority and should bear full responsibility for the Company's performance. The recommendation for the extension was made in an effort to encourage the management team throughout the Company to accelerate their efforts to return 1st Source to its former earnings levels. We approved this extension, as did the Board of Directors, and the Shareholders. We also extended the forfeiture period for the awards made in 1998, 1999, 2000 and 2001 by four (4) years for all members of the Executive Incentive Plan except Mr. Murphy, who forfeited the remaining 60% of the 1998 award in January 2004.

Mr. Murphy was also eligible for a cash bonus under the 1998 Performance Compensation Plan previously approved by the Shareholders and based on goals established by us at the beginning of 2002. For 2002, the award level set was 2.5% of net income, or the same percentage as set for the 3 previous years. However, due to the continuing credit problems experienced by the Company, Mr. Murphy recommended that no award be made and waived his right to receive any. The Committee concurred and no award was made in 2002. For 2003, Mr. Murphy was to receive 2.5% under the 1998 Plan. Due to the Company's inability to continue to provide the Split-Dollar Insurance program originally agreed to in 1998, Mr. Murphy and 1st Source agreed to terminate the split-dollar arrangement on terms that also satisfied the Company's obligation to him under the 1998 Performance Compensation Plan. Under the terms of that plan, Mr. Murphy earned a bonus of \$478,850. Mr. Murphy waived payment of the cash bonus but agreed to accept the transfer of the Company's right to recoup its premium payments previously made under the split-dollar plan as an in-kind payment under the 1998 Performance Compensation Plan. This allowed the Company to meet its obligation under the Plan, provide a benefit to Mr. Murphy that it had been obligated to since 1998, and release the Company from having to make any further payments for the split-dollar insurance. All this had become necessary due to changes in tax treatment and other regulations affecting split-dollar insurance arrangements. The distribution of the Company's interest of \$963,487 in future cash benefits is taxable to Mr. Murphy. Since taxes were not envisioned when 1st Source awarded the split-dollar insurance benefit to Mr. Murphy in 1998, as it was a tax advantaged plan, we agreed to reimburse Mr. Murphy for payment of such tax. Any amounts up to his tax liability of \$656,000 that he may earn in 2004 (or subsequent years, if needed) under the 1998 Performance Compensation Plan, which was set at 2.5% of net income for 2004, will serve to satisfy the Company's commitment to reimburse this additional tax liability.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Securities Exchange Act of 1934 requires executive officers and directors to file reports of ownership and changes in ownership of 1st Source Corporation stock with the Securities and Exchange Commission and to furnish 1st Source with copies of all reports filed. Based solely on a review of the copies of such reports furnished to 1st Source and written representations from the executive

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

officers and directors that no other reports were required, 1st Source believes that all filing requirements were complied with during the last fiscal year, except that Mr. Jones, Mr. Qualey, and Mr. Stifel each filed late one report covering one transaction.

PROPOSAL NUMBER 2: REAPPROVAL OF 1998 PERFORMANCE COMPENSATION PLAN MATERIAL TERMS

1st Source has a 1998 Performance Compensation Plan (the "Plan") previously approved by the shareholders. The purpose of the Plan is to promote the interests of 1st Source and its shareholders through the attraction and retention of executive officers and other key employees (the "Employees"), to motivate the Employees using performance-related incentives linked to performance goals, and to enable the Employees to share in the growth and

16

success of 1st Source. There was one participant in the Plan as of December 31, 2003. The Plan is administered by the Executive Compensation Committee, which is comprised entirely of outside, independent directors and may in its sole and complete discretion grant awards to Employees each year. Payment of awards is not contingent upon 1st Source's ability to deduct the awards.

It is 1st Source's intention that awards made under the Plan constitute "performance-based compensation" as defined by Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Performance-based compensation is compensation that is paid solely on the account of the attainment of one or more pre-established, objective performance goals. To meet the Code's definition, the material terms of a performance-based compensation plan must be disclosed to and approved by the shareholders of publicly held corporations such as 1st Source before the compensation is paid. The material terms of the Plan are identical to those previously approved by the shareholders and are described below.

Any awards made to Employees under the Plan will be performance-based compensation subject to the attainment of one or more pre-established objective performance goals including one or more of the following criteria: (i) net income, (ii) pre-tax income, (iii) earnings per share, (iv) return on equity, (v) return on assets, (vi) Economic Value Added and/or increase in Economic Value Added, (vii) increase in the market price of 1st Source's common stock, (viii) total shareholder return (stock price appreciation plus dividends), and (ix) the performance of 1st Source in any of the items mentioned in clauses (i) through (viii) in comparison to the average performance of companies combined into a 1st Source-constructed peer group.

All performance measures, formulas and determination of eligibility for a performance period will be established by the Committee in writing no later than ninety (90) days after the beginning of the performance period or by such other date as may be permitted under the Code. Performance measures may be based on one or more of the business criteria listed above. No performance measures will allow for any discretion by the Committee to increase any award, but discretion to lower awards is permissible. The payment of any award under the Plan to an Employee will be contingent upon written certification by the Committee prior to any such payment that the applicable performance measure(s) relating to the award have been satisfied. The maximum annual award under this Plan to any single Employee will not exceed \$5 million in any year.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE IN FAVOR OF REAPPROVAL OF THE MATERIAL TERMS OF THE 1998 PERFORMANCE COMPENSATION PLAN.

For the year ended December 31, 2003 and the three (3) preceding years, the audit was performed by Ernst & Young LLP. 	2003	2002
Audit Fees	\$200,500	\$185,500
Audit-Related Fees	94,870	78,500
Tax Fees	11,610	56,060

Audit-related fees included fees for pension and statutory audits and accounting consultations. Tax fees included review of 1st Source's federal and state tax returns and tax advice on other federal and state tax issues.

accountants. Under this policy the annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, company structure, or other matters. Any other services provided by the independent accountants will require specific pre-approval by the Audit Committee unless the type of service has received general pre-approval from the Audit Committee. In addition, a pre-approved type of service will require specific pre-approval if the current year fee level for the type of service will exceed the approved fee level established annually by the Audit Committee. Requests or applications to provide services that require approval by the Audit Committee will be submitted to the Audit Committee by both the independent accountants and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. All fees paid to the independent accountants for their 2003 services were pre-approved by the Audit Committee in accordance with this policy.

Representatives of the firm of Ernst & Young LLP will be available to respond to questions during the Annual Meeting. These representatives have indicated that they do not presently intend to make a statement at the Annual Meeting. The Committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and stock exchange listing standards

At least annually the Committee shall obtain and review a report by the independent auditors describing:

The firm's quality control procedures.

The Committee shall provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the Committee.

The Committee shall review with the independent auditor any audit problems or difficulties and management's response.

The Committee shall receive a report from the independent auditor, prior to the filing of its audit report with the SEC, on all critical accounting policies and practices of the Company, all material alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the independent auditor, and other material written communications between the independent auditor and management.

The Committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertion.

The Committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

20

The Committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q.

The Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.

The Committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

The Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.

The Committee shall prepare a report to be included in the Company's annual proxy statement, as required by SEC regulations.

The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

The Committee shall receive corporate attorneys' reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

The Committee shall, as needed, review with the Company's General Counsel, legal matters that may have a material impact on the financial statements, the Company's compliance policies, and any material reports or inquiries received from regulators or governmental agencies.

The Committee shall on an ongoing basis review for potential conflict of interest situations and approve all "related party transactions" between the Company and any director, executive officer, shareholder who owns more than 5% of the Company's stock, or director nominee, as such term is defined in Item 404 of SEC Regulation S-K.

The Committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.

The Committee shall review and reassess the charter at least annually and obtain the approval of the Board of Directors.

LIMITATION -- Nothing in this charter is intended to alter in any way the standard of conduct that applies to any of the directors under Ind. Code ss. 23-1-35 or ss. 28-13-11, as applicable, as amended, and this charter does not impose, nor shall it be interpreted to impose, any duty on any director greater than, or in addition to, the duties or standard established by such provisions.

ADOPTED BY THE BOARD OF DIRECTORS this 29th day of January, 2004.

1ST SOURCE CORPORATION 1998 PERFORMANCE COMPENSATION PLAN

1. PURPOSE. consist of two or more members. The Committee will have the sole, final and conclusive authority to administer, construe and interpret the Plan. All members of the Committee must be non-employee, outside directors as defined in applicable IRS Regulations.

3. ELIGIBILITY. The Committee in its sole and complete discretion will select full-time Employees of the Company and its subsidiaries, who in its opinion, can contribute significantly to the growth and profitability of, or perform services of major importance to, the Company and its subsidiaries. No non-employee director of the Company will be eligible to participate under the Plan. No member of the Committee will be eligible to participate under the Plan.

4. PERFORMANCE-BASED COMPENSATION. Any awards made to Employees under the Plan will be performance-based compensation ("Awards") subject to the attainment of pre-established objective performance goals, including one or more of the following criteria:

(i) net income; (ii) pre-tax income; (iii) earnings per share; (iv) return on equity; (v) return on assets; (vi) Economic Value Added and/or increase in Economic Value Added; (vii) increase in the market price of the Company's common stock; (viii) total shareholder return (stock price appreciation plus dividends); and (ix) the performance of the Company in any of the items mentioned in clauses (i) through (viii) in comparison to the average performance of companies combined into a Company-constructed peer group.

All performance measures, formulas and determination of eligibility for a performance period will be established by the Committee in writing no later than ninety (90) days after the beginning of the performance period or by such other date as may be permitted under Section 162(m) of the Internal Revenue Code of 1986 and the regulations. Performance measures may be based on one or more of the business criteria listed herein. No Award to any single Employee will exceed \$5 million in one calendar year. No performance measures will allow for any discretion by the Committee to increase any Award, but discretion to lower Awards is permissible. The payment of any Award under the Plan to an Employee with respect to a relevant performance period will be contingent upon certification by the Committee prior to any such payment that the applicable performance measure(s) relating to the Award have been satisfied. Payment of the award will not be conditioned upon it being deductible by the Company. Notwithstanding any other provision of the Plan, the Committee may impose such conditions on any Award, and the Board may amend the plan in any such respects, as may be required to satisfy the requirements of Section 162(m) of the Internal Revenue Code (or any successor or similar rule relating thereto).

If an Employee's employment with the Company is terminated by reason of death or total and permanent disability that occurs before the end of a Performance Period, the Employee will be entitled to a pro rata award based upon the number of days elapsed at the time of termination. The amount of any Award due a deceased Employee will be paid to the beneficiary designated by the Employee in writing to the Company, or if none, the Employee's Estate.

The foregoing right of indemnification will not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company Articles of Incorporation or Code of By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

8. EXPENSES OF PLAN. The expenses of administering the Plan will be borne by the Company.
