Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Pursuant to grants by New Jersey Resources Corporation's (the "Company") Board of Directors on November 11, 2014, on December 18, 2014, the Company entered into (i) performance share award agreements with performance criteria based upon the Company's total shareholder return ("FY 2015 TSR Performance Shares") and with performance criteria based upon the Company's cumulative net financial earnings ("NFE") per basic share ("FY 2015 NFE Performance Shares") with each of the Company's named executive officers (as defined in Item 402(a)(3) of Regulation S-K), (ii) a deferred stock retention award agreement with each of the named executive officers other than Ms. Mariellen Dugan, (iii) a restricted stock award agreement with each of the named executive officers, and (iv) a performance-based restricted stock agreement with performance criteria based upon annual NFE growth with Mr. Laurence M. Downes, (such awards, together, the "Awards") all pursuant to the Company's 2007 Stock Award and Incentive Plan.

Performance Shares

The FY 2015 TSR Performance Shares vest, if at all, at the end of a 36-month performance period beginning on October 1, 2014, and ending on September 30, 2017, based on relative Company total shareholder return versus the established comparator group used for compensation purposes.

The FY 2015 NFE Performance Shares vest, if at all, based upon the Company's cumulative NFE per basic share over the thirty-six month period beginning on October 1, 2014, and ending on September 30, 2017.

On their vesting dates, the FY 2015 TSR Performance Shares and FY 2015 NFE Performance Shares are payable in shares of the Company's common stock ("Common Stock") in amounts ranging from zero to 150 percent of the number of granted performance shares. Additional shares of Common Stock may be awarded on the vesting dates with respect to the computed value of dividend equivalents accrued (measured against the Company's Common Stock) during the performance measurement periods, subject to the Company's achievement of prescribed performance goals. If the Company's performance does not meet the minimum threshold level, no shares will vest.

Deferred Stock Retention Awards

The deferred stock retention awards consist of deferred stock units. Each deferred stock unit equals one share of Common Stock and will accrue dividends. The deferred stock retention awards will become payable in full in shares of Common Stock on October 15, 2017, provided that the named executive officer complies with certain covenants, including a non-competition restriction.

Restricted Stock Awards

With the exception of a grant of restricted stock to Ms. Dugan, which will vest in its entirety on October 15, 2017, subject to her continued employment, the restricted stock awarded by the Company to each of the named executive officers will vest in three equal installments on October 15, 2015, October 15, 2016 and October 15, 2017, subject to continued employment of the named executive officer, in each case except under certain conditions.

Performance-Based Restricted Stock Award

The performance-based restricted stock awarded to Mr. Downes may vest in up to three equal installments on September 30, 2015, September 30, 2016, and September 30, 2017 if the performance goal of increased NFE per basic share for the fiscal year ending September 30, 2015, over the prior fiscal year is achieved, and subject to his continued employment, except under certain conditions.
