7 1/2% senior unsecured notes due 2009. The notes are fully and unconditionally guaranteed on a senior unsecured basis by Kansas City Southern and certain of its subsidiaries. KCSR applied the net proceeds from the offering of the notes to repay outstanding indebtedness under its existing senior unsecured credit facilities and other secured indebtedness. Concurrently with the note offering, KCSR amended and restated its existing senior unsecured credit facilities to provide greater financial flexibility. The amended and restated credit facilities consist of a \$100 million revolving credit facility and a \$150 million term loan. The term loan under the amended and restated credit agreement will have a maturity of approximately 6 years.

## Edgar Filing: KANSAS CITY SOUTHERN - Form 8-K

### KCS PRICES \$200 MILLION NOTES OFFERING

Kansas City Southern announced today that it had priced \$200 million of senior notes due 2009 at par with a coupon of 7 1/2%. The notes will not be callable before maturity except that up to 35% may be redeemed using equity proceeds until 2005 at a price of 107.5%. Proceeds of the offering will be used to repay bank debt and other senior indebtedness and to pay placement fees and expenses associated with the offering. The notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act.

KCS is a transportation holding company that has railroad investments in the U.S., Mexico, and Panama. Its primary holding is Kansas City Southern Railway. Headquartered in Kansas City, Missouri, KCS serves customers in the central and south central regions of the U.S. KCS' rail holdings and investments are primary components of a NAFTA Railway system that links the commercial and industrial centers of the U.S., Canada, and Mexico.

This press release includes statements concerning potential future events involving the Company, which could materially differ from the events that actually occur. The differences could be caused by a number of factors including those identified in KCS's December 31, 2001 Form 10-K and the current report on Form 8-K dated December 11, 2001, each filed by the Company with the Securities and Exchange Commission (SEC). The Company will not update any forward-looking statements in this press release to reflect future events or developments.
