Item 1.01 Entry into a Material Definitive Agreement.

On March 19, 2015, Electronic Arts Inc., a Delaware corporation (the “Company”), entered into an unsecured committed \$500 million revolving credit facility (the “Revolving Credit Facility”) pursuant to a Credit Agreement (the “Credit Agreement”), by and among the Company, the lenders from time to time party thereto and JPMorgan Chase Bank, N.A., as Administrative Agent. The Revolving Credit Facility replaces the Company's existing unsecured committed \$500 million revolving credit facility (the “Prior Credit Facility”), which was due to expire on February 29, 2016. No amounts were ever drawn under the Prior Credit Facility. The Revolving Credit Facility terminates on March 19, 2020 (the “Maturity Date”). The Credit Agreement also contains an increase option permitting the Company, subject to certain requirements, to arrange with existing lenders and/or new lenders for them to provide up to an aggregate of \$250 million in additional commitments for revolving loans. Proceeds of loans made under the Credit Agreement may be used for general corporate purposes. No loans were made under the Credit Agreement at closing. The Company's obligations under the Credit Agreement will be guaranteed by certain of its domestic subsidiaries meeting materiality thresholds set forth in the Credit Agreement. As of the closing date, there were no guarantors. The loans bear interest, at the Company's option, at the base rate plus an applicable spread or an adjusted LIBOR rate plus an applicable spread, in each case with such spread being determined based on the Company's consolidated leverage ratio for the preceding fiscal quarter. The Company is also obligated to pay other customary fees for a credit facility of this size and type. Interest is due and payable in arrears quarterly for loans bearing interest at the base rate and at the end of an interest period (or at each three month interval in the case of loans with interest periods greater than three months) in the case of loans bearing interest at the adjusted LIBOR rate. Principal, together with all accrued and unpaid interest, is due and payable on the Maturity Date. The Company may prepay the loans and terminate the commitments, in whole or in part, at any time without premium or penalty, subject to certain conditions.

The Credit Agreement contains customary affirmative and negative covenants, including covenants that limit or restrict the Company and its subsidiaries' ability to, among other things, incur subsidiary indebtedness, grant liens, dispose of all or substantially all assets, make investments and pay dividends or make distributions, in each case subject to customary exceptions for a credit facility of this size and type. The Company is also required to maintain compliance with a capitalization ratio and maintain a minimum level of total liquidity.

The Credit Agreement contains customary events of default, including, among others, non-payment defaults, covenant defaults, cross-defaults to material indebtedness, bankruptcy and insolvency defaults, material judgment defaults and a change of control default, in each case subject to customary exceptions for a credit facility of this size and type. The occurrence of an event of default could result in the acceleration of the obligations under the Credit Agreement, an obligation by any guarantors to repay the obligations in full and an increase in the applicable interest rate.

J.P. Morgan Securities LLC, BNP Paribas Securities Corp., Citigroup Global Markets Inc. and Morgan Stanley Senior Funding, Inc. are acting as joint bookrunners and joint lead arrangers for the Revolving Credit Facility.

Certain of the lenders under the Credit Agreement and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Company or the Company's affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

The preceding description of the Credit Agreement is a summary only and is qualified in its entirety by reference to the Credit Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On March 19, 2015, in connection with the Company's entry into the Revolving Credit Facility, the Company terminated the Prior Credit Facility and all agreements related thereto. Reference is hereby made to the Company's Form 8-K filed on August 30, 2012 for a description of the terms of the Prior Credit Facility.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is incorporated herein by reference.
