Item 4. Description of Securities.

Not required.

Item 5. Interests of Named Experts and Officers.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The following is a summary of Section 145 of the General Corporation Law of the State of Delaware (the "DGCL").

Subject to restrictions contained in the DGCL, a corporation may indemnify any person, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection therewith if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, in connection with any criminal action or proceeding, had no reasonable cause

to believe that such person's conduct was unlawful. A present or former director or officer who is successful on the merits or otherwise in any suit or matter covered by the indemnification statute, shall be indemnified and indemnification is otherwise authorized upon a determination that the person to be indemnified has met the applicable standard of conduct required. Such determination shall be made by a majority vote of the board of directors who were not parties to such action, suit or proceeding, even though less than a quorum, a committee of such directors designated by majority vote of such directors, even though less than a quorum, or if there are no such directors, or if such directors so direct, by special independent counsel in a written opinion, or by the shareholders.

- 3 -

Expenses incurred in defense of any action, suit or proceeding may be paid in advance upon receipt by the corporation of a written undertaking by or on behalf of the recipient to repay such amount if it is ultimately determined that the recipient is not entitled to indemnification under the statute. The indemnification provided by statute is not exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of shareholders or disinterested directors or otherwise, and shall inure to the benefit of the heirs, executors and administrators of such person. Insurance may be purchased on behalf of any person entitled to indemnification by the corporation against any liability asserted against him or her and incurred in an official capacity regardless of whether the person could be indemnified under the statute. References to the corporation include all constituent corporations absorbed in a consolidation or merger as well as the resulting corporation, and anyone seeking indemnification by virtue of acting in some capacity with a constituent corporation would stand in the same position as if such person had served the resulting or surviving corporation in the same capacity.

The Company's Certificate of Incorporation provides generally that a director shall not be personally liable to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) for acts or omissions not in good faith which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

Section 6.4 of the Registrant's Amended and Restated By-Laws provides for indemnification by the Registrant of each person who is or was a director.

In addition, the DGCL and the Company's bylaws authorize the Company to purchase insurance for the Company's directors and officers insuring them against certain risks as to which the Company may be unable lawfully to indemnify them. The Company has purchased insurance coverage for its directors and officers as well as insurance coverage to reimburse the Company for potential costs of corporate indemnification of the Company's directors and officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index on page 9 hereof.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers and sales are being made, a post-effective amendment to this registration statement:

- 4 -

(i) To include any prospectus required by Section 10 (a) (3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof), which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a) (1) (i) and (a) (1) (ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: STIFEL FINANCIAL CORP - Form S-8

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
