-

Explanatory Note

This Current Report on Form 8-K is being filed to disclose the authorization of additional repurchases under our Stock Repurchase Program.

Item 8.01. Other Events.

General Information About Our Stock Repurchase Program

On January 21, 2009, we announced that our Board of Directors authorized the repurchase of up to \$2,500,000 of our Common Stock from time to time in open market, block, or privately negotiated transactions. Under this Stock Repurchase Program, the timing and extent of any repurchases depends on market conditions, the trading price of the company's stock, and other factors, and subject to the restrictions relating to volume, price, and timing under applicable law.

Increase in Stock Repurchase Authorization

Our Board of Directors has authorized up to \$5,000,000 of additional repurchases under our Stock Repurchase Program. We intend to finance any stock repurchases with cash provided by operating activities or maturing marketable securities. Our Stock Repurchase Program does not have an expiration date and does not obligate us to purchase any shares. The Program may be modified or discontinued at any time without notice.
