This Tender Offer Statement on Schedule TO relates to a planned tender offer by Adam Merger Corporation and a wholly-owned subsidiary of Acxiom Corporation, a Delaware corporation ("Acxiom") for the shares of common stock of Digital Impact, Inc., a Delaware corporation ("Digital"), to be commenced pursuant to the Plan of Merger, dated as of March 25, 2005, by and among Acxiom Corporation, Adam Merger Corporation and Digital Impact, Inc.

This Schedule TO attaches correspondence, dated March 28, 2005, that was sent by Charles H. H. associates of Acxiom. This correspondence was accompanied by a copy of the joint press release, dated March 28, 2005, of Acxiom and Digital that has previously been filed by Acxiom on Schedule TO.

The tender offer described in the attached correspondence for the outstanding shares of Digital Impact, Inc. has commenced, and the correspondence is neither an offer to purchase nor a solicitation of an offer to purchase. An offer to purchase will be made only through an Offer to Purchase and the related Letter of Transmittal. Acxiom is asking shareholders to read the following documents, when they become available, regarding the tender offer and to indicate whether they will contain important information:

- * Acxiom Corporation's Tender Offer Statement on Schedule TO including the Offer to Purchase and Notice of Guaranteed Delivery
- * Digital Impact's Solicitation Recommendation Statement on Schedule 14D-9.

These documents and amendments to these documents will be filed with the United States Securities and Exchange Commission when the tender offer commences. When these and other documents are filed with the SEC, they may be viewed on the SEC's website at <http://www.sec.gov>. Free copies of each of these documents (when available) can also be obtained from the issuer for the offer, which will be announced.

The correspondence contains forward-looking statements that are subject to certain risks that could cause actual results to differ materially. These forward looking statements include, among others, statements regarding the timing and benefits of the transaction and projected growth in the demand and market for online marketing services. Important factors, among others, that could cause actual results to differ materially from these forward-looking statements include: the risk that the conditions to the tender offer set forth in the agreement will not be satisfied; changes in market conditions during the period between now and the closing; the ability to retain key management and technical personnel; adverse reactions to the proposed transaction by customers, suppliers and strategic partners; development of new products; approvals for the transaction; the possibility that the integration of Digital Impact, Inc. and other businesses may not be as successful as planned; and the other factors specified in the press release and the accompanying correspondence. Acxiom undertakes no obligation to update the information contained in this press release or this forward-looking statement.
