Item 1.01. Entry into a Material Definitive Agreement.

#### Agreement

On February 28, 2011, Olin Corporation (“Olin”), Olin SunBelt II, Inc., a wholly-owned subsidiary of Olin (“Olin SunBelt II”), PolyOne Corporation (“PolyOne”) and 1997 Chloralkali Venture, LLC, a wholly-owned subsidiary of PolyOne and formerly known as 1997 Chlor Alkali Venture, Inc. (“1997 LLC”) entered into a Purchase Agreement (the “Purchase Agreement”), and consummated the transactions contemplated by the Purchase Agreement.

Prior to the closing, Olin SunBelt, Inc., a wholly-owned subsidiary of Olin, and 1997 LLC each owned a 50% interest in the Sunbelt Chlor Alkali Partnership (the “Partnership”). Concurrently with the execution of the Purchase Agreement, Olin SunBelt II bought all of 1997 LLC’s interests in the Partnership (the “Acquisition”) on that date (the “Closing”). As a result, Olin now owns, indirectly, all of the assets of the Partnership.

#### Purchase Price

Olin acquired PolyOne’s 50% interest in the Partnership for an aggregate purchase price of:

- \$132,324,000 in cash at Closing, plus
- the assumption of PolyOne’s guarantee of \$42.6 million of notes issued by the Partnership, plus
- potential annual earn-out payments for three fiscal years, if the Partnership meets certain cash flow thresholds.

In addition, PolyOne will receive its share of distributable cash generated by the Partnership from January 1, 2011 through the Closing.

#### Earn-out Payments

For each of the fiscal years 2011, 2012 and 2013, PolyOne is entitled to receive an earn-out payment based on the Partnership’s achievement of certain cash flow objectives for such fiscal year.

#### PolyOne Notes Guarantee

Olin has agreed to indemnify PolyOne for any payments or other costs under the Guarantee, dated as of December 22, 1997 (the “Guarantee”), made by The Geon Company (now known as PolyOne) in favor of the purchasers of the Series G Guaranteed Secured Senior Notes due 2017 issued by the Partnership (the “Notes”), to the extent any payments or other costs arise after the Closing from a default or other breach under the Notes. The current aggregate principal amount of the Notes is \$42,658,000.

PolyOne and Olin have agreed to use their reasonable best efforts after the Closing to obtain the noteholders' consent to transfer the Guarantee to Olin. The Purchase Agreement provides that the transfer will occur if the holders of the Notes and the Series O Guaranteed Secured Senior Notes due 2017 consent to the transfer. Upon the transfer and assumption of the Guarantee by Olin, Olin's indemnification obligations with respect to the Guarantee will terminate. If the transfer is not approved, Olin's indemnity will remain in effect.

#### Representations and Warranties; Covenants

The Purchase Agreement contains certain customary representations and warranties. The representations and warranties of the parties relate primarily to their ability to consummate the Acquisition and related transactions and include representations and warranties regarding:

- organization, good standing and corporate power
- authority to enter into the Purchase Agreement and consummate the Acquisition,
  - enforceability of the Purchase Agreement,
- no conflicts with or defaults under governing documents or material agreements, or violation of law or judicial order,
  - brokers' fees,
  - ownership of the Partnership interests, without encumbrances, and
- to each party's knowledge, no material undisclosed litigation or liabilities of the Partnership.

The Purchase Agreement also imposes certain customary covenants on the parties to the Acquisition regarding the allocation of expenses, tax matters, post-Closing cooperation and confidentiality. In addition, Olin and PolyOne (on behalf of their respective affiliates) have provided mutual releases.

In connection with the earn-out, the Purchase Agreement requires the Partnership to continue to operate in the ordinary course of business and consistent with past practice from the Closing through December 31, 2013.

#### Indemnification

The Purchase Agreement requires Olin and PolyOne to indemnify each other and their respective affiliates and representatives against any loss in respect of breaches by such party of any representation, warranty or covenant in the Purchase Agreement. Olin will also indemnify PolyOne for pre- and post-Closing Partnership liabilities. The parties' indemnification obligations generally survive indefinitely and are not subject to any deductible, cap, basket or other limiting mechanisms.

---

The indemnification rights represent the parties' sole remedy under the Purchase Agreement, other than for claims of, or causes of action arising from, fraud, willful or intentional misrepresentation or concealment or willful or intentional failure to perform.
