PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

To Be Held on April 30, 2003

This Proxy Statement is furnished to shareholders of West Bancorporation, Inc., an Iowa corporation, (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on Wednesday, April 30, 2003, at 5:00 o'clock p.m., local time, in the conference room at the headquarters of the Iowa Independent Bankers at 1603 22nd Street, Suite 202, West Des Moines, Iowa, and at any adjournment or postponement thereof (the "Meeting"). This Proxy Statement and form of Proxy enclosed herewith are first being sent to the shareholders of the Company entitled thereto on or about March 10, 2003.

Only shareholders of record at the close of business on February 24, 2003, are entitled to notice of and to vote at the Meeting. There were 16,060,271 shares of the Company's Common Stock (the "Common Stock") outstanding at the close of business on that date, all of which will be entitled to vote at the Meeting. The presence, in person or by proxy, of the holders of a majority of such outstanding shares is necessary to constitute a quorum for the transaction of business at the Meeting. Holders of the shares of Common Stock are entitled to one vote per share standing in their names on the record date on all matters to properly come before the Meeting. If the holder of shares abstains from voting on any matter, or if shares are held by a broker which has indicated that it does not have discretionary authority to vote on a particular matter, those shares will be considered to be present for the purpose of determining whether a quorum is present, but will not be counted as votes cast with respect to any matter to come before the Meeting and will not affect the outcome of any matter.

If the accompanying Proxy is properly signed and returned and is not withdrawn or revoked, the shares represented thereby will be voted in accordance with the instructions indicated thereon. If the manner of voting such shares is not indicated on the Proxy, the shares will be voted FOR the election of the nominees for directors named herein. Election of any nominee for director and ratification of the independent auditors will require the affirmative vote of a majority of those shares voting at the Meeting in person or by proxy.

The Company will bear the cost of solicitation of proxies. In addition to the use of the mails, proxies may be solicited by officers, directors and regular employees of the Company, without extra compensation, by telephone, e-mail, facsimile or personal contact. It will greatly assist the Company in limiting expense in connection with the Meeting if any shareholder who does not expect to attend the Meeting in person will return a signed Proxy promptly.

A shareholder may revoke his or her Proxy at any time prior to the exercise thereof by filing with the Secretary of the Company at the Company's principal office at 1601 22nd Street, West Des Moines, Iowa 50266, Attn: Secretary, either a written revocation of the Proxy or a duly executed Proxy bearing a later date. A shareholder may also withdraw the Proxy by attending the Meeting and voting in person. Attendance at the Meeting without voting in person will not serve as the revocation of a Proxy.

ELECTION OF DIRECTORS

The Board of Directors of the Company currently consists of eleven members. The term for the persons elected as directors is until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified or until their earlier resignation, removal from office, death or incapacitation.

The By-laws of the Company provide that the number of directors of the Company shall not be less than five and not greater than 15. The Board has currently set the size at eleven members.

The Board of Directors recommends a vote FOR the nominees listed in the table on the next page.

Proxies in the accompanying form will be voted FOR the election of these individuals, unless contrary instructions are given thereon. If any nominee or nominees shall become unavailable for election, it is intended that the proxies will be voted for the election of the substitute nominees as the Board of Directors may propose. Any shareholder has the option to withhold authority to vote for all nominees for directors, or to withhold authority to vote for individual nominees for directors. The effect on the election of directors of casting votes against nominees or of withholding authority to vote for nominees is that the shareholder is considered present at the meeting and considered for meeting quorum requirements, but the vote is not a vote in favor of the nominee for purposes of determining whether the nominee has received the favorable vote of a majority of shares present at the meeting needed for the election.

Information concerning the nominees for election, including their age, year first elected a director and business experience of each during the previous five years as of February 24, 2003, is set forth in the following table. Each of the nominees is currently serving as a director of the Company and its subsidiary, West Des Moines State Bank ("West Bank" or "Bank"), except Thomas E. Stanberry, who is not currently a director of West Bank. Mr. Stanberry has been nominated for election at the Bank's annual meeting in May 2003.

During 2002, each of the directors of the Company attended at least 75% of all meetings of the Board of Directors and meetings of committees to which such director was appointed.

The Board of Directors has not established a nominating committee. Additional information concerning each of the committees and the directors serving on them are described below.

During 2002, the Audit Committee consisted of Jack G. Wahlig, who acted as Chairperson, Frank W. Berlin and Connie Wimer. The Audit Committee recommends independent auditors to the board, reviews with the independent auditors the plan, scope and results of the auditors' services and reviews the Company's financial reporting and internal control functions. In addition, the Audit Committee is expected to monitor the quality of the Company's accounting principles and financial reporting as well as the independence of, and the non-audit services provided by, the Company's independent accountants. During 2002, the Board of Directors adopted a written Audit Committee Charter. A copy of the Charter is attached to this Proxy Statement as Exhibit 1. The Audit Committee met four times during 2002.

During 2002, the Committee was also involved in succession planning for the Chief Executive Officer position. The Compensation Committee met seven times during 2002.

The Board of Directors performs the duties normally performed by a nominating committee. The Board of Directors will consider, as part of its nomination process, any nominee submitted by a shareholder of the Company. No formal procedure for submitting such nominations has been established by the Board of Directors.

Compensation of Directors

The Directors of the Company were not paid a fee by the Company during 2002. Directors of the Company also serve as directors of the Bank and received fees during 2002 of \$350 for each meeting attended (ten meetings held) plus \$2,400 per year and \$300 for other committee meetings attended. Directors who are also officers of the Company do not receive director's fees.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors reviews the Company's compensation and benefit policies, including the individual salaries of the executive officers, and submits recommendations to the Board of Directors.

Executive Officer Compensation

The Compensation Committee has established a compensation program consisting of an annual base salary and the opportunity to earn incentive compensation. The base salaries are intended to be competitive and consistent with amounts paid to executives performing similar functions in comparable companies. The incentive compensation is contingent upon the attainment of targeted net income and personal performance objectives established early in the year.

Chief Executive Officer Compensation

The compensation arrangement for Mr. David L. Miller, Chief Executive Officer of the Company during 2002 was comprised of two components. The first component was a salary of \$106,295 per year that is part of a lifetime employment agreement

Edgar Filing: WEST BANCORPORATION INC - Form DEF 14A

entered into between the Bank and Mr. Miller in 2000. The second component was an incentive payment equal to 2% of the net income of the Bank for the year 2002, payable in 2003. In 2001, the incentive component was 3% of the net income of West Bank. This was payable to Mr. Miller in 2002 and amounted to \$452,500. In years subsequent to 2002, the incentive component will no longer be effective.

The Compensation Committee of the Company believes the Chief Executive Officer and other executive officers of the Company and the Bank receive appropriate compensation for their responsibilities and the resulting financial performance of the Company. The Compensation Committee is composed of three independent directors.

Connie Wimer, Chair
Orville E. Crowley
Robert G. Pulver

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee are set forth in the preceding section. There are no members of the Compensation Committee who were officers or employees of the Company or the Bank during the fiscal year, who were previously officers or employees of the Company or the Bank, or had any relationship otherwise requiring disclosure hereunder.

EMPLOYMENT CONTRACTS

The executive officers named in the Summary Compensation Table, with the exception of Mr. Miller, have entered into employment contracts with the Bank. The provisions are similar for each executive, except for salary which is shown in the table above, and call for compensation in the event of a change in control of up to two year's salary, compensation in certain cases of termination by the Company and by the executive, and an agreement by the executive not to compete against the Company during the term of the executive's employment and for a period of one year after termination of the agreement, in the event of voluntary termination by the employee. The term of the individual contracts ranges from one to three years.

EMPLOYMENT AGREEMENT

Mr. Miller's employment arrangement is covered under an employment agreement with the Bank whereby, in exchange for advisory services, he receives compensation of \$106,295 per year, indexed for inflation. In addition, under the agreement, Mr. Miller is entitled to certain other benefits including club memberships, a company car every two years, not to exceed a cost of \$30,000, trust services provided by the Bank, and legal and accounting services up to a cost of \$10,000 annually. The agreement continues until the death of Mr. Miller unless terminated by the Bank for material breach by Mr. Miller or in the event he is convicted of a felony, or by Mr. Miller for material breach by the Bank. For the year 2002, the agreement also called for Mr. Miller to receive incentive compensation equal to 2% of the net income of the Bank. In years subsequent to 2002, the incentive component will no longer be effective.

EMPLOYEE BENEFIT PLANS

The Company sponsors a 401(k) profit sharing plan covering substantially all of its employees. The plan was originally established as a profit sharing plan effective January 1, 1965. It was amended to add 401(k) provisions as of April 15, 2000. The plan allows for employee contributions that are employer matched up to certain levels. The plan provides for profit sharing contributions as the Board of Directors determines annually.

LOANS TO DIRECTORS AND OFFICERS AND OTHER TRANSACTIONS WITH DIRECTORS AND OFFICERS

Certain directors and executive officers of the Company, their associates or members of their families, were customers of, and have had transactions with, the Bank from time to time in the ordinary course of business, and additional transactions may be expected to take place in the ordinary course of business in the future. All loans and commitments included in such transactions have been made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. In the opinion of management of the Company, such loan transactions do not involve more than the normal risk of collectability or present other unfavorable features.

The Bank leases two branch facilities from a company that is 33 1/3% owned by Mr. Coppola. Mr. Coppola also serves as the president of the lessor. Annual lease payments on those two branch facilities totaled approximately \$149,000 for 2002. One lease expires in 2004 and the other expires in 2018. Both leases contain options to renew for up to 25 additional years. Terms of the leases were consummated prior to Mr. Coppola being named a Director in 1996.
