ITEM 1. BUSINESS

SearchHound.com, Inc. is the result of the June 1, 2000 merger of Pan International Gaming, Inc. ("Pan International") and Searchound.com 2000 Ltd. This transaction was treated as a "reverse merger" for financial accounting and reporting purposes. Specifically, SearchHound.com 2000, Ltd. was treated as the acquirer of Pan International due to the fact that the shareholders of Searchound.com 2000, Ltd. received 70.3% of the total shares outstanding upon consummation of the merger. Accordingly, the focus of this report is solely on the ongoing business of SearchHound.com, Inc. (prior to the name change - Searchound.com 2000 Ltd.).

Prior to the reverse merger, the Registrant (PAN International Gaming) spent considerable effort and specifically during the period between January 1, 2000 through May 31, 2000 pursuing a reverse merger transaction with Searchound.com 2000 Ltd., and the acquisition of SoloSearch.com, Inc.

The "reverse merger" with Searchound.com 2000 Ltd. was consummated on June 1, 2000. In fiscal 2000 and prior to June 1, 2000, Pan International was not engaged in operating activities and there were no revenues or business operations. Immediately following the reverse merger with PAN International Gaming the Company changed its name to SearchHound.com, Inc. effective June 6, 2000.

Searchound.com 2000, Ltd. was formed on April 11, 2000 to affect the purchase of the intellectual property and website assets representing the Searchound.com backbone architecture. The shareholders of Searchound.com 2000, Ltd. completed the purchase of these intangible assets on June 1, 2000 for total cash consideration of \$3,000,000 and simultaneously contributed the assets to SearchHound.com 2000, Ltd. in exchange for 70.3% of Searchound.com 2000, Ltd., common stock.

Effective July 11, 2000, pursuant to a Stock Purchase Agreement dated as of May 4, 2000, SearchHound purchased all of the issued and outstanding capital stock of SoloSearch.com, Inc., a Missouri corporation ("SoloSearch"), from Cohen Capital Technologies, L.L.C., Kirk C. Reivich, and October Capital, L.L.C., for an aggregate of 72,388 shares of restricted common stock and \$300,000 cash. Total consideration paid was \$14,699,650 based on the market price of SearchHound (closing price on May 3, 2000) and the \$300,000 cash consideration. Subsequent to the transaction, SoloSearch became a wholly owned subsidiary of SearchHound. Founded in 1999, Kansas City-based SoloSearch.com is an intelligent Internet search and content management tool.

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

The new management team devoted significant resources to building the management team, integrating the two businesses, and developing revenue streams during the periods of July 2000 through September 2000. Operating revenues began in September 2000. SearchHound.com, Inc. (the "Company" or "SearchHound") operated an online technology based enterprise business that is a destination for Webmasters and small business owners who want to make their Website more accessible to Internet users. SearchHound has its principal offices located in Overland Park, Kansas and serves as a holding company for various internet-based businesses.

During 2001, management devoted substantial attention to growing revenues through acquisitions and in that respect, completed six separate acquisitions during the year ended December 31, 2001:

On February 9, 2001, SearchHound acquired all of the issued and outstanding shares of capital stock of Godado UK, Ltd. ("Godado") for total consideration consisting of 3,731 unregistered shares of SearchHound common stock. Godado is located in the United Kingdom and operates a "pay-per-click" search engine throughout Europe.

On March 15, 2001, SearchHound acquired all of the issued and outstanding shares of capital stock of FreeAirMiles, Inc. for total consideration consisting of 18,433 unregistered shares of SearchHound common stock. FreeAirMiles, Inc. is an interactive web surfing and research tool, which provides members with the incentive of earning free air miles for visiting participating websites.

On June 30, 2001, SearchHound acquired all of the issued and outstanding shares of capital stock of MoneyMessage, LLC, FastCashOffers.com and EarlyBirdDomain.com for total consideration consisting of a warrant to purchase 2,239 unregistered shares of SearchHound common stock and an earn-out agreement for a period of 24 months following closing. The earn-out is equal to 10% of the net income recorded and collected over the first 18 months and reducing to 5% for the remaining 6 months. The warrant price is set at \$14.07 per share which was equivalent to average trading price over the last 30 days prior to closing. The warrant carries a two-year term commencing on the June 30, 2001 closing date.

On September 28, 2001, SearchHound acquired substantially all assets (exclusive of accounts receivable) of Mesia.com, Inc. for total consideration consisting of the following: 1) a warrant to purchase 5,224 unregistered shares of SearchHound common stock at a price of \$10.05 per share and a term of two years, 2) 1,716 unregistered shares of common stock, and 3) an earn-out agreement equal to one share and one warrant (based on the average trading price at date earned) awarded for each \$1 dollar of revenue generated for the 18-month period subsequent to the acquisition from the acquired entities existing revenue streams. Such warrants contain a strike price equivalent to market at the date granted. Mesia.com, Inc. is based in Reston, Virginia and is considered a leader in direct email marketing via its websites; Mesia.com, Utopiad and PortofOne.com.

On December 20, 2001, SearchHound acquired substantially all assets (exclusive of cash and fixed assets) of SpeakGlobally, LLC for total consideration consisting of the following: 1) a warrant to purchase 1,493 unregistered shares of SearchHound common stock at a price of \$2.68 per share and a term of two years, 2) 1,493 unregistered shares of common stock, and 3) an earn-out agreement equal to one share and one warrant (based on the average trading price at date earned) awarded for each \$1 dollar of revenue generated for the 12-month period subsequent to the acquisition from the acquired entities existing revenue streams. Such warrants contain a strike price equivalent to market at the date granted. Speak Globally, LLC is based in Kalamazoo, Michigan and St. Petersburg, Russia and operates as an internet-based web development company.

On March 28, 2001, SearchHound acquired 49% of the issued and outstanding shares of capital stock of JobBank USA, Inc. ("JobBank") and agreed to acquire the remaining 51% on March 28, 2002, for total consideration consisting of 29,851 (subject to adjustment, as defined) unregistered shares of SearchHound common stock. The number of shares issued in consideration was subject to adjustment based on the share price of SearchHound reaching and closing above \$2 per share within a specified period and JobBank maintaining minimum revenues prior to March 28, 2002. Total consideration was not to exceed 59,702 shares nor less than 29,851 regardless of the conditions. JobBank is located in Florida and is a national online recruiting and employment network that provides a wide range of career-related services to job candidates, employers and recruitment firms. The Company and the Seller did not agree as to the adjustment provisions of the contract due to the Company not attaining the required share price levels nor the acquired reaching the minimum revenue levels specified in the contract. The Seller filed a lawsuit relative to this transaction during 2002. The Company and the Seller entered into a settlement agreement on September 17, 2002, which effectively rescinded the purchase transaction and the 29,851 shares of Company stock issued in the transaction was returned to the Company in consideration for the return of the JobBank USA, Inc. stock. In addition, the Seller was required to pay the Company \$1,056 to reimburse the Company for health insurance provided and \$10,000 for use of the Company's marketing database.

During 2002, the Company's Board of Directors changed its strategy due to poor operating conditions and operating results in its primary businesses coupled with difficulties in raising capital through debt and equity sources. The Board of Directors adopted the new strategy during 2002, which committed to the disposal of all of its current businesses and to seek a merger/acquisition transaction with a Company having better financial resources. As of December 31, 2002, the Company has disposed of most of its operating businesses and ceased all operating activities. The businesses that have not been disposed of at December 31, 2002, have been reduced to their estimated fair value. The consolidated financial statements reflect the businesses sold or to be sold as discontinued operations. Revenues attributable to the discontinued operations aggregated \$1,103,041 and \$257,927 for the years ended December 31, 2001 and 2002, respectively. Net losses attributable to the discontinued operations aggregated \$13,499,302 and \$4,616,499 for the years ended December 31, 2001 and 2002, respectively. During January 2003, all remaining businesses have been disposed.

The Company consummated the following transactions in order to implement the Board of Director's committed plan to restructure the Company and seek a merger candidate:

On May 31, 2002 the Company entered into an asset sale agreement, which sold certain assets related directly with two of the Company's subsidiary operations (Mesia.com and SpeakGlobally.com) to Brad Cohen. Mr. Cohen was an officer and director of SearchHound.com, Inc. prior to the sale. The net book value of the net assets sold to Mr. Cohen approximated \$52,750 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Cohen in settlement of the following: 1) an employment agreement with Mr. Cohen dated September 1, 2000, 2) all accrued but unpaid compensation owed to Mr. Cohen which approximated \$100,000 as of the date of sale, and 3) a promissory note payable to Cohen Capital Technologies, LLC in the amount of \$285,000 as of the date of sale.

In addition, SearchHound.com, Inc., agreed to pay Mr. Cohen \$7,500 in cash, in exchange for, and in sole consideration and settlement of any other liabilities of SearchHound.com, Inc. to Mr. Cohen that may exist as of May 31, 2002, including the liabilities that accrue pursuant to a Promissory Note to Mr. Cohen with a principle amount of \$147,030.41, dated March 20, 2002, and any liability that may exist pursuant to the Employment Agreement between SearchHound.com,

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

Inc. and Mr. Cohen dated September 1, 2000. The net effect of the sale of these assets to Mr. Cohen was a gain of \$446,430, which was classified as a gain from disposal of discontinued operations in the Statement of Operations for the year ended December 31, 2002.

Concurrent with the asset sale agreement with Mr. Cohen, Mr. Cohen tendered his resignation from SearchHound.com, Inc. and as a member of the Board of Directors.

During 2002, the Board terminated the employment contract of Dave L. Mullikin. Under the settlement Mr. Mullikin's salary ceased accruing on August 15, 2002 and the severance provision was forgiven. It was replaced with a consulting agreement between the Company and Mr. Mullikin whereby Mullikin will continue in his position as acting chief executive officer of the Company. The agreement calls for Mr. Mullikin to 1) contract outsourced services to maintain selected ongoing operations of the Company, 2) attempt to sell the assets of the Company and 3) focus on a merger opportunity for SearchHound. The terms of the Consulting agreement include the following provisions: Mr. Mullikin agreed to remain on the Board and Mr. Mullikin would receive a monthly compensation of \$1.00 and health benefits.

As of November 14, 2002, Mr. Mullikin agreed to amend his Consulting Agreement and extend its term indefinitely, retaining the monthly compensation of \$1.00, but discontinuing the health benefits provision.

On January 3, 2003 the Company entered into an asset sale agreement, which sold the following assets of the Company to Solutions.com, LLC, an entity controlled by David L. Mullikin :

- a. Certain domains including: www.searchhound.com, www.solosearch.com, www.godado.co.uk, www.freeairmiles.com, and www.moneymessage.com ,
- b. Customer lists, email names and addresses (for each domain)
- c. Software, programming code, intellectual property (for each domain)
- d. Certain computer and office equipment

Mr. Mullikin is a director of SearchHound.com, Inc. and is its acting Chief Executive Officer. The net book value of the net assets sold to Mr. Mullikin approximated \$8,000 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Mullikin in settlement of the remaining outstanding principal balance owed by the company to Mr. Mullikin pursuant to a certain Promissory Note dated July 11, 2000 with a principle balance of \$179,359 together with all accrued but unpaid interest. Previously, the Company had made partial reductions to the unpaid note balance by the issuance of 181,292 shares of SearchHound.com, Inc. common stock and a cash payment of \$7,500.

In addition, Mr. Mullikin agreed to cancel the rental payments owed to him by the Company for its use of web hosting and office space.

On January 3, 2003 the Company also entered into an asset sale agreement, which sold the following assets of the Company to Summit Ridge Technologies Group, LLC (an unaffiliated entity):

- a. EarlyBirdDomain.com domain,
- b. Database for EarlyBirdDomain.com including all subscribers (active, inactive, and unsubscribed), and
- c. EarlyBirdDomain clients, customers

The net book value of the net assets sold approximated \$0 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets in exchange for nominal cash consideration.

The Company's Board of Directors approved a one for sixty-seven share reverse

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

stock split. The split is for shareholders of record on December 27, 2002 and was effective on December 30, 2002. The consolidated financial statements reflect this reverse stock split on retroactive basis.

During January 2003, the Company issued an aggregate of 380,094 shares of common stock in consideration for the cancellation of outstanding notes payable approximating \$175,000, accrued interest approximating \$22,850 and accrued wages payable of \$114,500.

On March 3, 2003, the Company filed Amendment No. 3 to its Registration Statement on Form S-8, which increased the shares available to be issued by 250,000. The Form S-8 Registration Statement provides the Company common stock for issuance to employees, consultants and Board Members for services rendered to the Company. The Form S-8 authorizes the issuance of common stock for services, provides for a grant of incentive stock options, non-qualified stock options, restricted stock, performance grants and other types of awards to officers, key employees, board members, consultants and independent contractors of the Company. During March 2003, the Company issued 225,000 shares to consultants for administrative, accounting and public relations services in lieu of cash compensation aggregating \$63,000.

PLAN OF OPERATION

During 2002, the Company's Board of Directors changed its strategy due to poor operating conditions and results in its primary businesses coupled with difficulties in raising capital through debt and equity sources. The Board of Directors adopted the new strategy during 2002, which committed to the disposal of all of its current businesses and to seek a merger/acquisition transaction with a Company having better financial resources. As of December 31, 2002, the Company has disposed of most of its operating businesses and ceased all operating activities. The businesses that have not been disposed of at December 31, 2002, have been reduced to their estimated fair value. The accompanying financial statements reflect the businesses sold or to be sold as discontinued operations. Revenues attributable to the discontinued operations aggregated \$1,103,041 and \$257,927 for the years ended December 31, 2001 and 2002, respectively. Net losses attributable to the discontinued operations aggregated \$13,499,302 and \$4,616,499 for the years ended December 31, 2001 and 2002, respectively. During January 2003, all remaining businesses have been disposed.

In recent years the Company has incurred substantial operating losses, a working capital deficit and experienced negative cash flows from operations. Current cash balances and available credit are insufficient to fund the Company's cash flow needs for the next year. The Company has ceased all operations and has or is in the process of disposing of all of its operating businesses at December 31, 2002. Management is currently seeking a merger and/or acquisition partner that has greater financial resources in order for the Company to continue operations. These factors raise substantial doubt about the ability of the Company to continue as a going concern. Management believes that it has reduced ongoing operating expenses to a level that can be sustained until such time as a suitable merger/acquisition partner is identified and a transaction is consummated. However, no assurance can be given that the Company will be successful in consummating a merger/acquisition transaction or that it will be able to fund its ongoing operations until a merger/acquisition transaction can be accomplished. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

The Company is currently seeking a merger partner and has had discussions with several candidates but have no formal or informal agreements or understandings with respect to a potential merger transaction. After completing the January 2003 disposal and share issuance transactions, management believes that it has reduced outstanding debt and ongoing operating costs to a level that will provide the Company adequate time to pursue and complete a merger transaction although, there is no assurance that the Company will be able to complete these

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

plans. Should Management be unsuccessful in consummating a merger transaction, the Company will likely cease as a going concern.

ITEM 2. DESCRIPTION OF PROPERTIES

Effective January 1, 2002, the Company entered two separate lease agreements with officers and directors of the Company to lease space to be utilized for office purposes at a rate totaling \$5,134 per month. The initial term of the lease was one year with a two-year renewal option (at the Company's option) at a rate totaling \$10,000 per month. Rental expense totaled \$28,397 for the year ended December 31, 2002. The agreement between the Company and Brad Cohen was terminated effective with his resignation on May 31, 2002. The agreement between the Company and Mr. Mullikin was terminated on January 3, 2003.

ITEM 3. LEGAL PROCEEDINGS

On March 28, 2001, SearchHound acquired 49% of the issued and outstanding shares of capital stock of JobBank USA, Inc. ("JobBank") and agreed to acquire the remaining 51% on March 28, 2002, for total consideration consisting of 29,851 (subject to adjustment, as defined) unregistered shares of SearchHound common stock. The number of shares issued in consideration was subject to adjustment based on the share price of SearchHound reaching and closing above \$2 per share within a specified period and JobBank maintaining minimum revenues prior to March 28, 2002. Total consideration was not to exceed 59,702 shares nor less than 29,851 regardless of the conditions. The Company and the Seller did not agree as to the adjustment provisions of the contract due to the Company not attaining the required share price levels nor the acquired reaching the minimum revenue levels specified in the contract. The Seller filed a lawsuit relative to this transaction during 2002. The Company and the Seller entered into a settlement agreement on September 17, 2002, which effectively rescinded the purchase transaction and the 29,851 shares of Company stock issued in the transaction was returned to the Company in consideration for the return of the JobBank USA, Inc. stock. In addition, the Seller was required to pay the Company \$1,056 to reimburse the Company for health insurance provided and \$10,000 for use of the Company's marketing database.

Certain claims, suits and complaints arising in the normal course with respect to the Company's services have been filed or are pending against the Company including its subsidiaries. Generally, these matters are all covered by a general liability insurance policy. In the opinion of management, the resolution of all such matters would not have a significant effect on the financial position, results of operations or cash flows of the Company, if disposed of unfavorably.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SHAREHOLDERS

There were no matters submitted to a vote of security holders during the fourth quarter of 2002, through the solicitation of proxies or otherwise.

ITEM 6. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

This management's discussion and analysis of financial condition contains forward-looking statements, the accuracy of which involves risks and uncertainties. We use words such as "anticipates," "believes," "plans," "expects," "future," "intends" and similar expressions to identify forward-looking statements. This management's discussion and analysis also contains forward-looking statements regarding management's ability to consummate a merger transaction. Readers should not place undue reliance on these forward-looking statements, which apply only as of the date of this report. Our actual results could differ materially from those anticipated in these forward-looking statements for many reasons.

RESULTS OF OPERATIONS

During 2002, the Board of Directors approved a change in the Company's strategic direction, because of significant operating losses, continued cash flow challenges, its depressed stock price and difficulties raising debt/equity capital faced by all companies and specifically the high technology industry. In principal, the Board committed the Company to plan which would include the disposal of all operating businesses, the reduction of cash operating costs, the reduction of outstanding debt through the exchange of stock or other nonmonetary assets, and to seek a merger opportunity with another company with more financial resources than the Company currently has available. As of December 31, 2002, the Company has disposed of most of its operating businesses and ceased all operating activities. The businesses that have not been disposed

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

of at December 31, 2002, have been reduced to their estimated fair value. The consolidated financial statements reflect the businesses sold or to be sold as discontinued operations as of December 31, 2002 and retroactively for the year ended December 31, 2001. Revenues attributable to the discontinued operations aggregated \$1,103,041 and \$257,927 for the years ended December 31, 2001 and 2002, respectively. Net losses attributable to the discontinued operations aggregated \$13,499,302 and \$4,616,499 for the years ended December 31, 2001 and 2002, respectively. During January 2003, all remaining businesses have been disposed.

The Company consummated the following transactions in order to implement the Board of Director's committed plan to restructure the Company and seek a merger candidate:

On May 31, 2002 the Company entered into an asset sale agreement, which sold certain assets related directly with two of the Company's subsidiary operations (Mesia.com and SpeakGlobally.com) to Brad Cohen. Mr. Cohen was an officer and director of SearchHound.com, Inc. prior to the sale. The net book value of the net assets sold to Mr. Cohen approximated \$52,750 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Cohen in settlement of the following: 1) an employment agreement with Mr. Cohen dated September 1, 2000, 2) all accrued but unpaid compensation owed to Mr. Cohen which approximated \$100,000 as of the date of sale, and 3) a promissory note payable to Cohen Capital Technologies, LLC in the amount of \$285,000 as of the date of sale.

In addition, SearchHound.com, Inc., agreed to pay Mr. Cohen \$7,500 in cash, in exchange for, and in sole consideration and settlement of any other liabilities of SearchHound.com, Inc. to Mr. Cohen that may exist as of May 31, 2002, including the liabilities that accrue pursuant to a Promissory Note to Mr. Cohen with a principle amount of \$147,030.41, dated March 20, 2002, and any liability that may exist pursuant to the Employment Agreement between SearchHound.com, Inc. and Mr. Cohen dated September 1, 2000. The net effect of the sale of these assets to Mr. Cohen was a gain of \$446,430, which was classified as a gain from disposal of discontinued operations in the Statement of Operations for the year ended December 31, 2002.

Concurrent with the asset sale agreement with Mr. Cohen, Mr. Cohen tendered his resignation from SearchHound.com, Inc. and as a member of the Board of Directors.

During 2002, the Board terminated the employment contract of Dave L. Mullikin. Under the settlement Mr. Mullikin's salary ceased accruing on August 15, 2002 and the severance provision was forgiven. It was replaced with a consulting agreement between the Company and Mr. Mullikin whereby Mullikin will continue in his position as acting chief executive officer of the Company. The agreement calls for Mr. Mullikin to 1) contract outsourced services to maintain selected ongoing operations of the Company, 2) attempt to sell the assets of the Company and 3) focus on a merger opportunity for SearchHound. The terms of the Consulting agreement include the following provisions: Mr. Mullikin agreed to remain on the Board and Mr. Mullikin would receive a monthly compensation of \$1.00 and health benefits.

As of November 14, 2002, Mr. Mullikin agreed to amend his Consulting Agreement and extend its term indefinitely, retaining the monthly compensation of \$1.00, but discontinuing the health benefits provision.

On January 3, 2003 the Company entered into an asset sale agreement, which sold the following assets of the Company to Solutions.com, LLC, an entity controlled by David L. Mullikin :

- a. Certain domains including: www.searchhound.com, www.solosearch.com, www.godado.co.uk, www.freeairmiles.com, and www.moneymessage.com ,

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

- b. Customer lists, email names and addresses (for each domain)
- c. Software, programming code, intellectual property (for each domain)
- d. Certain computer and office equipment

Mr. Mullikin is a director of SearchHound.com, Inc. and is its acting Chief Executive Officer. The net book value of the net assets sold to Mr. Mullikin approximated \$8,000 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Mullikin in settlement of the remaining outstanding principal balance owed by the company to Mr. Mullikin pursuant to a certain Promissory Note dated July 11, 2000 with a principle balance of \$179,359 together with all accrued but unpaid interest. Previously, the Company had made partial reductions to the unpaid note balance by the issuance of 181,292 shares of SearchHound.com, Inc. common stock and a cash payment of \$7,500.

In addition, Mr. Mullikin agreed to cancel the rental payments owed to him by the Company for its use of web hosting and office space.

On January 3, 2003 the Company also entered into an asset sale agreement, which sold the following assets of the Company to Summit Ridge Technologies Group, LLC (an unaffiliated entity):

- a. EarlyBirdDomain.com domain,
- b. Database for EarlyBirdDomain.com including all subscribers (active, inactive, and unsubscribed), and
- c. EarlyBirdDomain clients, customers

The net book value of the net assets sold approximated \$0 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets in exchange for nominal cash consideration.

The Company's Board of Directors approved a one for sixty-seven share reverse stock split. The split is for shareholders of record on December 27, 2002 and was effective on December 30, 2002. The consolidated financial statements reflect this reverse stock split on retroactive basis.

During January 2003, the Company issued an aggregate of 380,094 shares of common stock in consideration for the cancellation of outstanding notes payable approximating \$175,000, accrued interest approximating \$22,850 and accrued wages payable of \$114,500.

On March 3, 2003, the Company filed Amendment No. 3 to its Registration Statement on Form S-8, which increased the shares available to be issued by 250,000. The Form S-8 Registration Statement provides the Company common stock for issuance to employees, consultants and Board Members for services rendered to the Company. The Form S-8 authorizes the issuance of common stock for services, provides for a grant of incentive stock options, non-qualified stock options, restricted stock, performance grants and other types of awards to officers, key employees, board members, consultants and independent contractors of the Company. During March 2003, the Company issued 225,000 shares to consultants for administrative, accounting and public relations services in lieu of cash compensation aggregating \$63,000.

The Company is currently seeking a merger partner and has had discussions with several candidates but have no formal or informal agreement or understandings with respect to a potential merger transaction. After completing the January 2003 disposal and share issuance transactions, management believes that it has reduced outstanding debt and ongoing operating costs to a level that will provide the Company adequate time to pursue and complete a merger transaction although, there is no assurance that the Company will be able to complete these plans. Should Management be unsuccessful in consummating a merger transaction, the Company will likely cease as a going concern.

OPERATING EXPENSES

Operating expenses consists primarily of legal, accounting and investor relations costs that are associated with the company continuing as a public reporting entity. The increase in such costs (\$41,974) from 2001 as compared to 2002, reflect the legal costs associated with the JobBankUSA litigation and the Company's proxy costs in 2002. Management believes such costs will be minimal in 2003 as a result of the Company's disposal of its operating businesses and lack of litigation.

DISCONTINUED OPERATIONS

Loss from discontinued operations aggregated \$5,062,929 in 2002 as compared to \$13,499,302 in 2001, which represents the operating results of the Company's operating businesses. Such losses include impairment charges totaling \$4,304,078 in 2002 and \$8,672,493 in 2001 related to the write-down of goodwill associated with the discontinued businesses. In addition, depreciation and amortization expenses totaled \$469,877 in 2002 and \$4,073,668 in 2001 related to the discontinued businesses. Net assets held for sale have been reduced to their estimated net realizable value at December 31, 2002. As of January 3, 2003, all operating businesses have been disposed, therefore management does not expect any losses from discontinued operations in 2003.

Gain from disposal of discontinued operations totaled \$446,430 in 2002, which resulted from the disposal of Mesia.com and SpeakGlobally.com on May 31, 2002 to Brad Cohen. In exchange for these operating businesses and \$7,500 cash, Mr. Cohen agreed to cancel: 1) his employment agreement, 2) all accrued but unpaid compensation approximating \$100,000, 3) a promissory note with an outstanding principal balance of \$285,000 together with accrued but unpaid interest and 4) a promissory note with an outstanding principal balance of \$147,030 together with accrued but unpaid interest. The net effect of this transaction was classified as a gain from disposal of discontinued operations of \$446,430 during 2002. Management believes that the net result of the January 3, 2003 disposal all remaining businesses will also result in a net gain from disposal of discontinued operations during 2003.

OTHER INCOME (EXPENSE)

Other income (expense) primarily consists of interest expense, impairment loss on marketable securities and equity in income of nonconsolidated subsidiary. Interest expense declined \$2,762 during 2002 as compared to 2001, which is attributable to the cancellation of notes as a result of the sale of Mesia.com and SpeakGlobally.com to Brad Cohen, which occurred May 31, 2002. During 2002, the Company recorded a permanent impairment with respect to Globalnet Financial.com, Inc. common stock, which was its only marketable security and recorded a loss of \$68,954 in the year ended December 31, 2002. The equity in earnings of nonconsolidated subsidiary represents the Company's investment in JobBankUSA, Inc., which was terminated during 2002 as a result of the settlement of a lawsuit between the Company and the Brett Warner. Management believes that the Company will reduce its interest and other expenses in 2003 as a result of the sale of operating businesses on January 3, 2003 and the issuance of common stock in exchange for the cancellation of outstanding debt. In addition, the Company's investment in marketable securities has been reduced to zero at December 31, 2002 as a result of the impairment loss recognized in 2002.

NET LOSS

As a result of the factors described above, the Company incurred a net loss of \$4,836,314 or (\$10.69) per basic and diluted share for the year ended December 31, 2002, compared to a net loss of \$13,601,330 or (\$34.35) per basic and diluted share for year ended December 31, 2001.

LIQUIDITY AND CAPITAL RESOURCES

We have historically satisfied our cash requirements primarily through private placements of restricted stock and the issuance of debt securities. Net cash used in operating activities totaled \$81,622 for the year ended December 31, 2002.

In recent years the Company has incurred substantial operating losses, a working capital deficit and experienced negative cash flows from operations. Current cash balances and available credit are insufficient to fund the Company's cash flow needs for the next year. The Company has ceased all operations and has or is in the process of disposing of all of its operating businesses at December 31, 2002. Management is currently seeking a merger and/or acquisition partner that has greater financial resources in order for the Company to continue operations. These factors raise substantial doubt about the ability of the Company to continue as a going concern. Management believes that it has reduced ongoing operating expenses to a level that can be sustained until such time as a suitable merger/acquisition partner is identified and a transaction is consummated. However, no assurance can be given that the Company will be successful in consummating a merger/acquisition transaction or that it will be able to fund its ongoing operations until a merger/acquisition transaction can be accomplished. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

The Company is currently seeking a merger partner and has had discussions with several candidates but have no formal or informal agreement or understandings with respect to a potential merger transaction. After completing the January 2003 disposal and share issuance transactions, management believes that it has reduced outstanding debt and ongoing operating costs to a level that will provide the Company adequate time to pursue and complete a merger transaction although, there is no assurance that the Company will be able to complete these plans. Should Management be unsuccessful in consummating a merger transaction, the Company will likely cease as a going concern.

The Company has historically issued stock in lieu of cash compensation, which has helped reduce the Company's cash needs. Management will try to maintain the Company in its current operating form through the issuance of common stock to consultants that will handle the Company's ongoing administrative and reporting duties. In addition, Management will attempt to exchange common stock in exchange for the cancellation of outstanding indebtedness. As a result, Management expects that a substantial number of common shares will be issued in order to achieve these results.

During January 2003, the Company issued an aggregate of 380,094 shares of common stock in consideration for the cancellation of outstanding notes payable approximating \$175,000, accrued interest approximating \$22,850 and accrued wages payable of \$114,500. In addition, during March 2003, the Company issued 225,000 shares to consultants for administrative, accounting and public relations services in lieu of cash compensation aggregating \$63,000.

ACCOUNTING POLICIES SUBJECT TO ESTIMATION AND JUDGMENT

Management's Discussion and Analysis of Financial Condition and Results of Operations are based upon our consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States. When preparing our consolidated financial statements, we make estimates and judgments that affect the reported amounts on our balance sheets and income statements, and our related disclosure about contingent assets and liabilities. We continually evaluate our estimates, including those related to revenue, allowance for doubtful accounts, reserves for income taxes, and litigation. We base our estimates on historical experience and on various

other assumptions, which we believe to be reasonable in order to form the basis for making judgments about the carrying values of assets and liabilities that are not readily ascertained from other sources. Actual results may deviate from these estimates if alternative assumptions or condition are used.

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

Liability Company, for an aggregate of 72,388 shares of restricted common stock and \$300,000 cash. Total consideration paid was \$14,699,650 based on the market price of SearchHound(closing price on May 3, 2000) and the \$300,000 cash consideration. Subsequent to the transaction, SoloSearch became a wholly owned subsidiary of SearchHound. Mr. Brad Cohen was an officer and Director of the Company (subsequent to the acquisition) and also was an officer and partial owner of Cohen Capital Technologies, L.L.C. at the time of the acquisition.

Effective January 1, 2002, the Company entered two separate lease agreements with officers and directors of the Company to lease space to be utilized for office purposes at a rate totaling \$5,134 per month. The initial term of the lease is one year with a two-year renewal option (at the Company's option) at a rate totaling \$10,000 per month.

On March 20, 2002, the Company issued demand promissory notes to its two executive officers with a principal balance aggregating \$326,377 representing accrued but unpaid wages as of that date. Interest on the notes accrues at a rate equal to the mid-term applicable rate (4.49% and 4.2% as of December 31, 2001 and 2002, respectively). The Company has pledged 223,880 shares of common stock (issued and held in treasury) as collateral for the payment of these promissory notes.

On May 31, 2002 the Company entered into an asset sale agreement, which sold certain assets related directly with two of the Company's subsidiary operations (Mesia.com and SpeakGlobally.com) to Brad Cohen. Mr. Cohen was an officer and director of SearchHound.com, Inc. prior to the sale. The net book value of the net assets sold to Mr. Cohen approximated \$52,750 as of the date of sale. The net effect of the sale of these assets to Mr. Cohen was a gain of \$446,430, which was classified as a gain from disposal of discontinued operations in the Statement of Operations for the year ended December 31, 2002.

Concurrent with the asset sale agreement with Mr. Cohen, Mr. Cohen tendered his resignation from SearchHound.com, Inc. and as a member of the Board of Directors.

During 2002, the Board terminated the employment contract of Dave L. Mullikin. Under the settlement Mr. Mullikin's salary ceased accruing on August 15, 2002 and the severance provision was forgiven. It was replaced with a consulting agreement between the Company and Mr. Mullikin whereby Mullikin will continue in his position as acting chief executive officer of the Company. The agreement calls for Mr. Mullikin to 1) contract outsourced services to maintain selected ongoing operations of the Company, 2) attempt to sell the assets of the Company and 3) focus on a merger opportunity for SearchHound. The terms of the Consulting agreement include the following provisions: Mr. Mullikin agreed to remain on the Board and Mr. Mullikin would receive a monthly compensation of \$1.00 and health benefits.

As of November 14, 2002, Mr. Mullikin agreed to amend his Consulting Agreement

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

and extend its term indefinitely, retaining the monthly compensation of \$1.00, but discontinuing the health benefits provision.

On January 3, 2003 the Company entered into an asset sale agreement, which sold the following assets of the Company to Solutions.com, LLC, an entity controlled by David L. Mullikin:

- a. Certain domains including: www.searchhound.com, www.solosearch.com, www.godado.co.uk, www.freeairmiles.com, and www.moneymessage.com ,
- b. Customer lists, email names and addresses (for each domain)
- c. Software, programming code, intellectual property (for each domain)
- d. Certain computer and office equipment

Mr. Mullikin is a director of SearchHound.com, Inc. and is its acting Chief Executive Officer. The net book value of the net assets sold to Mr. Mullikin approximated \$8,000 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Mullikin in settlement of the remaining outstanding principal balance owed by the company to Mr. Mullikin pursuant to a certain Promissory Note dated July 11, 2000 with a principle balance of \$179,359 together with all accrued but unpaid interest. Previously, the Company had made partial reductions to the unpaid note balance by the issuance of 181,292 shares of SearchHound.com, Inc. common stock and a cash payment of \$7,500.

In addition, Mr. Mullikin agreed to cancel the rental payments owed to him by the Company for its use of web hosting and office space.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders of SearchHound.com, Inc.

We have audited the accompanying consolidated balance sheet of SearchHound.com, Inc. and subsidiaries as of December 31, 2002 and the related consolidated statements of operations, stockholders' equity (deficit) and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of SearchHound.com, Inc. and subsidiaries as of December 31, 2002 and the consolidated results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As described in note 12 to the consolidated financial statements, the Company has incurred substantial operating losses in 2002, has ceased operations as of December 31, 2002 and existing cash balances and available credit are not sufficient to fund the company's cash flow needs for the next year. These matters raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in note 12 to the consolidated financial statements. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

and subsidiaries
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2001 AND 2002

1. Significant accounting policies

Organization and Basis of Accounting

SearchHound.com 2000, Ltd was formed as a Nevada corporation on April 11, 2000, and was merged into Pan International Gaming, Inc. ("Pan International") on June 1, 2000. Pan International, the legal surviving entity of the merger, was incorporated under the laws of the State of Nevada. As a result of the merger, Pan International changed its name to SearchHound.com, Inc. ("SearchHound" or the "Company"). The accounting treatment for this transaction was a "reverse acquisition" (the "Reverse Acquisition"). For accounting purposes, the merger/acquisition has been treated as an acquisition of Pan International by SearchHound.com 2000, Ltd., and as a recapitalization of SearchHound.com 2000, Ltd. The historical financial statements prior to June 1, 2000 are those of SearchHound.com 2000, Ltd. The acquisition of Pan International has been recorded based on the fair value of Pan International's net tangible assets, which were negligible as of the merger date.

The Company has operated as a holding company for internet-based businesses since the reverse acquisition, primarily through the acquisitions of operating businesses through the issuance of common stock. The Company acquired multiple businesses during 2000 and 2001 in this manner. During 2002, the Company's Board of Directors changed its strategy due to poor operating conditions and results in its primary businesses coupled with difficulties in raising capital through debt and equity sources. The Board of Directors adopted the new strategy during 2002, which committed to the disposal of all of its current businesses and to seek a merger/acquisition transaction with a Company having better financial resources. As of December 31, 2002, the Company has disposed of most of its operating businesses and ceased all operating activities. The businesses that have not been disposed of at December 31, 2002, have been reduced to their estimated fair value. The accompanying financial statements reflect the businesses sold or to be sold as discontinued operations. Revenues attributable to the discontinued operations aggregated \$1,103,041 and \$257,927 for the years ended December 31, 2001 and 2002, respectively. Net losses attributable to the

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

discontinued operations aggregated \$13,499,302 and \$4,616,499 for the years ended December 31, 2001 and 2002, respectively. During January 2003, all remaining businesses have been disposed.

The Company's Board of Directors approved a one for sixty-seven share reverse stock split. The split is for shareholders of record on December 27, 2002 and was effective on December 30, 2002. The accompanying financial statements reflect this reverse stock split on retroactive basis.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiaries; SoloSearch.com, Inc., SearchHound.com 2000, Ltd., MoneyMessage, LLC, FastCashOffers.com, EarlyBirdDomain.com, FreeAirmiles, Inc. and GoDado UK, Ltd. All significant intercompany transactions and balances have been eliminated in consolidation.

Use of Estimates

In preparing consolidated financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements, as well as the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

Marketable Securities

The Company's marketable securities are classified as available-for-sale and are reported at fair value, with unrealized gains and losses, net of tax, recorded in stockholders' equity. Realized gains or losses and permanent declines in value, if any, on available-for-sale securities are reported in other income or expensed as incurred.

During 2002, the Company recorded a permanent impairment with respect to Globalnet Financial.com, Inc. common stock, which was its only marketable security and recorded a loss of \$68,954 in the year ended December 31, 2002.

Furniture, Fixtures and Equipment

Furniture, fixtures and equipment are stated at cost. Costs assigned to property and equipment of the acquired business was based on estimated fair value at the date of acquisition. Depreciation is provided on furniture and fixtures and equipment over their estimated lives, ranging from 5 to 7 years, using the straight-line method. Leasehold improvements are amortized over the lesser of the term of the respective lease or the useful lives of the related assets. Expenditures for maintenance and repairs are charged to expense as incurred. Expenditures determined to represent additions and improvements are capitalized.

All fixed assets have been reduced to their net realizable value at December 31, 2002 and classified as assets held for sale in the accompanying balance sheet.

Intangible assets and Impairment of Long-lived Assets

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

Intangible assets consist of intangible assets acquired in connection with the Company's acquisitions and the intellectual property purchased related to the SearchHound.com architecture backbone.

In June 2001, the Financial Accounting Standards Board issued SFAS No. 141, "Business Combinations" ("SFAS 141"), and SFAS No. 142, "Goodwill And Other Intangible Assets" ("SFAS 142"). SFAS 141 addresses the accounting for acquisitions of businesses and is effective for acquisitions occurring on or after July 1, 2001. SFAS 142 addresses the method of identifying and measuring goodwill and other intangible assets acquired in a business combination, eliminates further amortization of goodwill, and requires periodic evaluations of impairment of goodwill balances. SFAS 142 is effective January 1, 2002. Amortization of goodwill ceased after December 31, 2001 and a new method of testing goodwill for impairment was adopted beginning January 1, 2002.

In August 2001, the FASB issued FAS No. 144, "Accounting for Impairment or Disposal of Long-Lived Assets." This statement established a single accounting model for long-lived assets to be disposed of by sale and provides additional implementation guidance for assets to be held and used and assets to be disposed of other than by sale. The statement supersedes FAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of" and amends the accounting and reporting provisions of Accounting Principles Board ("APB") Opinion No. 30 related to the disposal of a segment of a business. The statement was effective beginning January 1, 2002.

The Company reviews its long-lived assets, including software development costs, intangible assets and furniture, fixtures and equipment, for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be fully recoverable. To determine recoverability of its long-lived assets, the Company evaluates the probability that future undiscounted net cash flows, without interest charges, will be less than the carrying amount of the assets. As of December 31, 2002, all intangible assets have been charged off as impaired (including goodwill) and other long-lived assets including fixed assets have been reduced to their net realizable value of \$8,000 and reported as assets held for sale in the accompanying balance sheet.

Income Taxes

Income taxes are computed using the asset and liability method. Under the asset and liability method, deferred income tax assets and liabilities are determined based on the differences between the financial reporting and tax bases of assets and liabilities and are measured using the currently enacted tax rates and laws. A valuation allowance is provided for the amount of deferred tax assets that, based on available evidence, are not expected to be realized. The Company has significant net operating loss carryforwards as of December 31, 2002. Management estimates that the net operating loss carryforward available to the Company at December 31, 2002 exceeds \$4.1 million. A substantial portion of these carryforward losses will not be available to the Company to offset future taxable income because of the "over 50% change" in ownership of the Company that occurred in fiscal 2000 (and the change that is expected to occur), which significantly restricts their usage. In addition, all potential deferred tax assets related to the carryforwards and other tax-deferred items have been offset by a valuation allowance at December 31, 2002 due to the Company's operating losses and uncertain future operating results.

Stock-Based Compensation

The Company accounts for stock-based employee compensation arrangements in accordance with the provisions of Accounting Principles Board Opinion ("APB") No. 25, "Accounting for Stock Issued to Employees," and complies with the

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

disclosure provisions of Statement of Financial Accounting Standards ("SFAS") No. 123, "Accounting for Stock-Based Compensation." Under APB No. 25, compensation cost is recognized over the vesting period based on the difference, if any, on the date of grant between the fair value of the Company's stock and the amount an employee must pay to acquire the stock.

Basic and Diluted Net Income (Loss) per Share

Basic net income (loss) per share is computed using the weighted average number of common shares outstanding during the period. Diluted net income (loss) per share is computed using the weighted average number of common and, if dilutive, common equivalent shares outstanding during the period. Common equivalent shares consist of the incremental common shares issuable upon the exercise of stock options and warrants (using the treasury stock method).

Outstanding stock purchase warrants have not been considered in the computation of diluted per share amounts, since the effect of their inclusion would be antidilutive. Accordingly, basic and diluted earnings per share amounts are identical during the years ended December 31, 2001 and 2002.

Concentrations and Fair Value of Financial Instruments

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash investments. At December 31, 2002, the Company's cash investments are held at primarily one financial institution. In addition, the Company's notes payable represents a financial instrument. Unless otherwise disclosed, the fair value of financial instruments approximates their recorded values.

Comprehensive Income

Comprehensive income as defined, includes all changes in equity (net assets) during a period from non-owner sources. Accumulated other comprehensive income, as presented on the accompanying consolidated balance sheets, consists of the net unrealized loss on available-for-sale securities adjustment.

Prior year reclassifications

Certain amounts and balances included in prior year financial statements have been reclassified to conform to their current year presentation. These reclassifications were primarily attributable to the presentation of discontinued operations in the Statement of Operations.

Accounting pronouncements

In June 2001, SFAS No. 143, "Accounting for Asset Retirement Obligations" was issued. SFAS No. 143 addresses accounting and reporting obligations associated with the retirement of tangible long-lived assets and the associated asset retirement costs and is effective for fiscal years beginning after June 15, 2002. Management does not expect the adoption of this new standard to have a material impact on our operations, financial position or cash flows.

In July 2001, SFAS No. 144, "Impairment or Disposal of Long-Lived Assets," was issued and is effective for fiscal years beginning after December 15, 2001. The provisions of this statement provide a single accounting model for impairment of long-lived assets. Management does not expect the adoption of this standard to have a material impact on our results of operations, financial position or cash flows.

3. INVESTMENT IN NONCONSOLIDATED SUBSIDIARY

On March 28, 2001, SearchHound acquired 49% of the issued and outstanding shares of capital stock of JobBank USA, Inc. ("JobBank") and agreed to acquire the remaining 51% on March 28, 2002, for total consideration consisting of 29,851 (subject to adjustment, as defined) unregistered shares of SearchHound common stock. The number of shares issued in consideration was subject to adjustment based on the share price of SearchHound reaching and closing above \$2 per share within a specified period and JobBank maintaining minimum revenues prior to March 28, 2002. Total consideration was not to exceed 59,702 shares nor less than 29,851 regardless of the conditions. JobBank is located in Florida and is a national online recruiting and employment network that provides a wide range of career-related services to job candidates, employers and recruitment firms.

The Company and JobBank did not agree as to the adjustment provisions of the contract due to the Company not attaining the required share price levels nor the acquired reaching the minimum revenue levels specified in the contract. JobBank filed a lawsuit relative to this transaction during 2002. The Company and JobBank entered into a settlement agreement on September 17, 2002, which effectively rescinded the purchase transaction and the 29,851 shares of Company stock issued in the transaction was returned to the Company in consideration for the return of JobBank stock. In addition, JobBank was required to pay the Company \$1,056 to reimburse the Company for health insurance provided and \$10,000 for use of the Company's marketing database.

The \$30,000 note payable-related party represents unsecured loans incurred for working capital purposes and bears interest at 11.5%. The original maturity date of the note was September 30, 2001 and is now on a demand basis.

The \$179,359 note payable-related party represents loans incurred for unpaid wages due to the Company's president. The note is due on a demand basis and is non-interest bearing. The Note is secured by a pledge agreement backed by 223,880 shares of Company stock held in treasury.

Amounts due to related party in the amount of \$15,000 as of December 31, 2002 represents payments due to the previous owners of SoloSearch relating to the cash consideration portion of the acquisition of SoloSearch. Due to SearchHound's current working capital deficiencies, the cash consideration was not paid at closing (July 11, 2000) and the previous owners have informally agreed to not demand payment or charge interest until cash is available through the sale of assets or a merger occurs.

The \$91,870 note payable is secured by substantially all assets of the Company, bears a variable interest rate equivalent to prime (6.5% and 4.25% at December 31, 2001 and 2002, respectively) and is due on demand.

The note payable-trade creditor bears interest at a variable rate equivalent mid-term applicable Federal rate (4.49% and 4.2% at December 31, 2001 and 2002, respectively), and is due on demand. The Company issued 19,278 shares of restricted common stock as collateral for the note, which are held in treasury at December 31, 2002.

The Company's Board of Directors approved a one for sixty-seven share reverse stock split. The split is for shareholders of record on December 27, 2002, and was effective on December 30, 2002. The accompanying financial statements reflect this reverse stock split on retroactive basis.

6. COMMON STOCK PURCHASE WARRANTS

During 2001 and 2000, the Company, in conjunction with the private placement of common stock, granted detachable warrants to purchase shares of its common stock. In addition, during 2001, the Company granted warrants to purchase shares of its stock in connection with the acquisition of certain businesses (see Note 4). All warrants are exercisable at December 31, 2002. The following table summarizes activity about all of the Company's warrants outstanding at December 31, 2002:

| Warrant exercise price | Expiration date | Outstanding December 31, 2001 | | | | Outstanding December 31, 2002 | |

7. INCOME TAXES

The income tax provision for the periods ended December 31, 2001 and 2002 consists of the following:

| | 2001 | 2002 |
|------------------------|------|------|
| Continuing operations: | | |
| Current | \$ - | \$ - |
| Deferred | - | - |
| Income tax provision | \$ - | \$ - |

| | | |
|-----------------------------------|----------|----------|
| Current | \$ - | \$ - |
| Deferred | - | - |
| Income tax provision | \$ - | \$ - |
| Total income tax provision | \$ - | \$ - |

The following table summarizes the significant differences between the Federal statutory tax rate and the Company's effective tax rate for financial reporting purposes:

| | 2001 | 2002 |
|--|---------|---------|
| Federal statutory tax rate | (34.0)% | (34.0)% |
| State and local taxes net of Federal tax effect | (5.8) | (6.0) |
| Intangible assets amortization | 10.1 | 3.2 |
| Intangible asset charge-off | 21.7 | 30.3 |
| Valuation allowance on deferred tax asset | 8.0 | 6.5 |
| Effective tax rate | - % | - % |

The tax effects of temporary differences and carry forwards that give rise to deferred tax assets or liabilities are summarized as follows:

| | 2001 | 2002 |
|--|-------------|-------------|
| Net operating loss carryforward | \$1,755,000 | \$1,589,000 |
| Valuation allowance on net deferred tax asset | (1,755,000) | (1,589,000) |
| Deferred tax asset, net | \$ - | \$ - |

The Company has provided for full valuation allowances on the net deferred tax assets due to the uncertainty of whether the Company will generate sufficient future taxable income and the restriction on the usage of pre-merger net operating loss carryforwards. The Company has decreased its valuation allowance on deferred tax assets by \$166,000 during 2002.

At December 31, 2002, the Company has estimated net tax operating loss carryforwards in excess of \$4,181,500 available, subject to certain restrictions, to offset future income tax liabilities, if any. The carryforward losses expire in years 2011 through 2017 and have not been recognized in the accompanying consolidated financial statements as a result of a valuation of the total potential tax asset. Substantially all of these carryforwards are subject to significant restriction pursuant to the Internal Revenue Code whenever a more than 50% change in ownership has occurred.

8. RELATED PARTY TRANSACTIONS

The Company has incurred interest expense aggregating \$10,083 and \$15,090 during the periods ended December 31, 2001 and 2002, respectively, in connection with obligations to related parties as described in Note 4 to the consolidated financial statements.

Effective January 1, 2002, the Company entered two separate lease agreements with two officers/directors of the Company to lease space to be utilized for office purposes at a rate totaling \$5,134 per month. The initial term of the lease was one year with a two-year renewal option (at the Company's option) at

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

a rate totaling \$10,000 per month. Rental expense totaled \$29,868 for the year ended December 31, 2002. The agreement between the Company and one officer/director was terminated effective with his resignation on May 31, 2002. The agreement between the Company and the other officer/director was terminated on January 3, 2003.

On May 31, 2002 the Company entered into an asset sale agreement, which sold certain assets related directly with two of the Company's subsidiary operations (Mesia.com and SpeakGlobally.com) to Brad Cohen. Mr. Cohen was an officer and director of SearchHound.com, Inc. prior to the sale. The net book value of the net assets sold to Mr. Cohen approximated \$52,750 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Cohen in settlement of the following: 1) an employment agreement with Mr. Cohen dated September 1, 2000, 2) all accrued but unpaid compensation owed to Mr. Cohen which approximated \$100,000 as of the date of sale, and 3) a promissory note payable to Cohen Capital Technologies, LLC, in the amount of \$285,000 as of the date of sale.

In addition, SearchHound.com, Inc., agreed to pay Mr. Cohen \$7,500 in cash, in exchange for, and in sole consideration and settlement of any other liabilities of SearchHound.com, Inc. to Mr. Cohen that may exist as of May 31, 2002, including the liabilities that accrue pursuant to a Promissory Note to Mr. Cohen with a principle amount of \$147,030.41, dated March 20, 2002, and any liability that may exist pursuant to the Employment Agreement between SearchHound.com, Inc. and Mr. Cohen dated September 1, 2000. The net effect of the sale of these assets to Mr. Cohen was a gain of \$446,430, which was classified as a gain from disposal of discontinued operations in the Statement of Operations for the year ended December 31, 2002.

Concurrent with the asset sale agreement with Mr. Cohen, Mr. Cohen tendered his resignation from SearchHound.com, Inc. and as a member of the Board of Directors.

During 2002, the Board terminated the employment contract of Dave L. Mullikin. Under the settlement Mr. Mullikin's salary ceased accruing on August 15, 2002, and the severance provision was forgiven. It was replaced with a consulting agreement between the Company and Mr. Mullikin whereby Mr. Mullikin will continue in his position as acting chief executive officer of the Company. The agreement calls for Mr. Mullikin to 1) contract outsourced services to maintain selected ongoing operations of the Company, 2) attempt to sell the assets of the Company and 3) focus on a merger opportunity for SearchHound. The terms of the Consulting agreement provided for Mr. Mullikin agreeing to remain on the Board and would receive a monthly compensation of \$1.00 and health benefits. As of November 14, 2002, Mr. Mullikin agreed to amend his Consulting Agreement and extend its term indefinitely, retaining the monthly compensation of \$1.00, but discontinuing the health benefits provision.

On January 3, 2003, the Company entered into an asset sale agreement, which sold the following assets of the Company to Solutions.com, LLC, an entity controlled by David L. Mullikin:

- a. Certain domains including: www.searchhound.com, www.solosearch.com, www.godado.co.uk, www.freeairmiles.com, and www.moneymessage.com ,
- b. Customer lists, email names and addresses (for each domain)
- c. Software, programming code, intellectual property (for each domain)
- d. Certain computer and office equipment

Mr. Mullikin is a director of SearchHound.com, Inc. and is its acting Chief Executive Officer. The net book value of the net assets sold to Mr. Mullikin approximated \$8,000 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets to Mr. Mullikin in settlement of the remaining outstanding principal balance owed by the company to Mr. Mullikin pursuant to a certain Promissory Note dated July 11, 2000 with a

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

principle balance of \$179,359 together with all accrued but unpaid interest. Previously, the Company had made partial reductions to the unpaid note balance by the issuance of 181,292 shares of SearchHound.com, Inc. common stock and a cash payment of \$7,500. In addition, Mr. Mullikin agreed to cancel the rental payments owed to him by the Company for its use of web hosting and office space.

9. GOODWILL IMPAIRMENT CHARGES

In conjunction with the company's review of its businesses (and relative to the Company's decision to dispose of substantially all of its operating businesses), certain assets (including goodwill) are reviewed for impairment. As a result of this review, a goodwill impairment charge of \$8,672,493 was recorded during 2001 and \$4,304,078 during 2002, related primarily to goodwill recorded when the Company acquired businesses for common stock. These impairment charges are included in loss from discontinued operations in the accompanying Statement of Operations.

As of December 31, 2002, all intangible assets have been charged off as impaired (including goodwill) and other long-lived assets including fixed assets have been reduced to their net realizable value of \$8,000 and reported as assets held for sale in the accompanying balance sheet.

10. COMMITMENTS AND CONTINGENCIES

Certain claims, suits and complaints arising in the normal course with respect to the Company's services are pending against the Company including its subsidiaries and Pan International. In the opinion of management, the resolution of all such matters would not have a significant effect on the financial position, results of operations or cash flows of the Company, if disposed of unfavorably.

11. SUBSEQUENT EVENTS

On January 3, 2003, the Company entered into an asset sale agreement, which sold certain assets to Solutions.com, LLC, as described in Note 8 to the financial statements. On January 3, 2003, the Company also entered into an asset sale agreement, which sold the following assets of the Company to Summit Ridge Technologies Group, LLC (an unaffiliated entity):

- a. EarlyBirdDomain.com domain,
- b. Database for EarlyBirdDomain.com including all subscribers (active, inactive, and unsubscribed), and
- c. EarlyBirdDomain.com clients, customers

The net book value of the net assets sold approximated \$0 as of the date of sale. Pursuant to the asset sale agreement the Company agreed to transfer such assets in exchange for nominal cash consideration.

During January 2003, the Company issued an aggregate of 380,094 shares of common stock in consideration for the cancellation of outstanding notes payable approximating \$175,000, accrued interest approximating \$22,850 and accrued wages payable of \$114,500.

On March 3, 2003, the Company filed Amendment No. 3 to its Registration Statement on Form S-8, which increased the shares available to be issued by 250,000. The Form S-8 Registration Statement provides the Company common stock for issuance to employees, consultants and Board Members for services rendered to the Company. The Form S-8 authorizes the issuance of common stock for services, provides for a grant of incentive stock options, non-qualified stock options, restricted stock, performance grants and other types of awards to officers, key employees, board members, consultants and independent contractors

Edgar Filing: SEARCHHOUND COM INC - Form 10KSB

of the Company. During March 2003, the Company issued 225,000 shares to consultants for administrative, accounting and public relations services in lieu of cash compensation and valued at approximately \$63,000.

12. GOING CONCERN AND MANAGEMENT'S PLAN

In recent years the Company has incurred substantial operating losses, a working capital deficit and experienced negative cash flows from operations. Current cash balances and available credit are insufficient to fund the Company's cash flow needs for the next year. The Company has ceased all operations and has or is in the process of disposing of all of its operating businesses at December 31, 2002. Management is currently seeking a merger and/or acquisition partner that has greater financial resources in order for the Company to continue operations. These factors raise substantial doubt about the ability of the Company to continue as a going concern. Management believes that it has reduced ongoing operating expenses to a level that can be sustained until such time as a suitable merger/acquisition partner is identified and a transaction is consummated. However, no assurance can be given that the Company will be successful in consummating a merger/acquisition transaction or that it will be able to fund its ongoing operations until a merger/acquisition transaction can be accomplished. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.
