On May 21, 2018, Cerner announced that its Board of Directors approved an amendment to the stock repurchase program that was authorized by its Board on May 23, 2017 (the "2017 Repurchase Program"). Under the amendment, Cerner may repurchase shares of Cerner's common stock in the open market, by block purchase, in privately-negotiated transactions or through other transactions managed by broker-dealers, or any combination thereof, at an aggregate purchase price of up to an additional \$500 million. This increase authorizes repurchases under the 2017 Repurchase Program of up to \$1 billion in the aggregate. The timing and amount of any share repurchases will be determined by Cerner's management based on market conditions and other factors. No time limit was set for completion of the program. As of May 18, 2018, there is approximately \$639 million available for repurchase under the 2017 Repurchase Program, as amended. A press release announcing the repurchase program was issued and is attached hereto as Exhibit 99.1.
