### **ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT**

On March 7, 2006, Navistar International Corporation (the "company") borrowed an aggregate principal amount of \$545,187,647 under its new 3-year senior unsecured term loan facility in the aggregate principal amount of \$1,500,000,000 (the "loan facility"). The loan facility was arranged by Credit Suisse and included Banc of America Securities, Banc of America Bridge, Citigroup Corporate and Investment Banking and J.P. Morgan Chase Bank. The loan facility is guaranteed by International Truck and Engine Corporation, the principal operating subsidiary of the company.

This borrowing under the loan facility accrues interest at a rate equal to an adjusted LIBOR rate plus a spread. The spread, which is based on the company's credit ratings in effect from time to time, ranges from 475 basis points to 725 basis points and will increase by an additional 50 basis points at the end of the twelve-month period following the date of the first borrowing and by an additional 25 basis points at the end of each subsequent six-month period and is subject to further increases under certain other circumstances.

The proceeds of this borrowing were used to repurchase \$275.654 million of the company's outstanding \$393 million 9.375% senior notes due 2006 and \$234.374 million of the company's outstanding \$250 million 7.5% senior notes due 2011 pursuant to the company's previously

announced consent solicitations and tender offers for its senior notes, to repurchase \$7.175 million of the 9.375% senior notes due 2006 held by an affiliate of the company and to pay certain fees incurred in connection with the loan facility and the repurchase of such senior notes.

### **ITEM MATERIAL MODIFICATION TO RIGHTS OF SECURITY HOLDERS**

#### **3.03.**

On March 7, 2006, Navistar International Corporation (the company) executed supplemental indentures (collectively, the supplemental indentures) relating to its 9.375% senior notes due 2006 and 7.5% senior notes due 2011 (collectively, the senior notes). The supplemental indentures, among other things, waived any and all defaults and events of default existing under the senior notes indentures, eliminated substantially all of the material restrictive covenants, specified affirmative covenants and certain events of default and related provisions in the senior notes indentures and rescinded any and all prior notices of default and/or acceleration delivered to the company pursuant to the senior notes indentures.

### **ITEM OTHER EVENTS**

#### **8.01.**

On March 2, 2006, Navistar Financial Corporation (NFC), the captive finance subsidiary of Navistar International Corporation (the company), received a Second Waiver and Consent (the Waiver) from the participants in its \$1.2 billion Amended and Restated Credit Agreement dated as of July 1, 2005. The Waiver was designed to provide additional surety around NFC's capital structure. This Waiver extends through January 31, 2007, the previous waiver which covered a default or event of default created by NFC's and the company's failure to meet the

filing requirements of Sections 13 and 15 of the Exchange Act of 1934, as amended, when the Annual Report on Form 10-K for 2005 was not filed with the Securities and Exchange Commission (the SEC).

The Waiver also covers a default related to the right, if any, of the holders of the company's long-term debt to accelerate payment of such debt because of the late filing of required SEC reports. In the event that the holders of any series of the company's long-term debt files a valid notice of acceleration, the waiver provides five business days for the company to pay such accelerated indebtedness. The waiver of default with respect to the right to accelerate or notice of acceleration is predicated on the company having funds available to it under its \$1.5 billion senior unsecured term loan facility mentioned above. The Waiver expires the earlier of (i) January 31, 2007 or (ii) the date on which NFC and the company shall have timely filed a report on Form 10-K or 10-Q after March 2, 2006.

In addition, on March 7, 2006, the company issued a press release, which is attached as Exhibit 99.1 to this Report and incorporated by reference herein.
