Item 2.02. Results of Operations and Financial Condition.

On February 26, 2008, TETRA Technologies, Inc. (the "Company") issued a press release announcing its financial results for the fourth quarter of 2007, and for the fiscal year ended December 31, 2007. The press release is furnished herewith as Exhibit 99.1 and is incorporated herein by reference.

The information furnished in this Item 2.02 and Exhibit 99.1 to this Current Report shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

Use of Non-GAAP Financial Information

The Company provides quarterly and annual financial statements that are prepared in accordance with generally accepted accounting principles, or "GAAP." To help understand the Company's past financial performance and future results, the Company has supplemented its financial results that it provides in accordance with GAAP included in the press release with non-GAAP financial measures. The method the Company uses to produce these non-GAAP financial measures may differ from the methods used by other companies. The Company's reference to these non-GAAP financial measures should be considered in addition to results that are prepared under GAAP but should not be considered as a substitute for, or superior to, the financial results that are presented as consistent with GAAP. The Company's management uses the supplemental non-GAAP financial information internally to understand, manage and evaluate the company's business, to make operating decisions and for planning and forecasting purposes. Reconciliation to the nearest GAAP financial measures of the non-GAAP financial measures is included in the press release attached hereto as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits.
