PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

LifeVantage Corporation (the "Company") is unable to file its Annual Report on Form 10-K for the fiscal year ended June 30, 2016 (the "Form 10-K") prior to the filing deadline. Following an internal review by Company personnel of its policies and procedures, the Company is in the process of reviewing its sales into certain international markets and the revenue and income tax accruals associated with such sales. The Company is currently unable to estimate the impact of the review to net revenue, tax expense, net income or other aspects of its financial statements for the fiscal year ended June 30, 2016 or any potential prior periods. The Audit Committee of the Company's Board of Directors is conducting an independent review of these matters and has retained independent counsel to assist in that review. The review relates to sales of the Company's products in certain international markets and the determination of revenue and the deductibility of commission and incentive expenses associated with such sales, as well as the policies and procedures related to sales in those specific markets. Consequently, the Company will experience a delay in the timely filing of the Form 10-K. The Company will not be in a position to release financial results for the fiscal year ended June 30, 2016 until the independent review by the Audit Committee is completed. The Company is working diligently on this matter, however, there can be no assurance that the Company will complete the preparation and filing of the Form 10-K within the extension period of 15 calendar days provided under Rule 12b-25 of the Exchange Act.

* Because of the independent review regarding sales into certain international markets and the revenue and income tax accruals associated with such sales as further discussed in Part III above, the Company has not checked either box in Part IV subsection 3, as it is not possible at this time for the Company to determine whether any significant change in results of operations from the corresponding period for the last fiscal year will be reflected in the earnings statements to be included in the Form 10-K.
