Item 1.01. Entry into a Material Definitive Agreement.

As previously disclosed in a Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on November 15, 2013, CTI BioPharma Corp. (the “Company”) entered into a Development, Commercialization and License Agreement (as amended, the “License Agreement”) with Baxter International Inc., Baxter Healthcare Corporation and Baxter Healthcare SA (collectively, “Baxalta”) on November 14, 2013. As previously disclosed in a Current Report on Form 8-K filed with the SEC on June 9, 2015, the License Agreement was amended on June 5, 2015. Pursuant to the License Agreement, among other things, the Company granted to Baxalta a license with respect to pacritinib, Baxalta and the Company agreed to collaborate as to the development and commercialization of pacritinib, and the Company obtained the contingent right to receive certain milestone and royalty payments. Baxalta was subsequently acquired by Shire plc (“Shire”). As of June 3, 2016, Shire beneficially owned approximately 5.5% of the Company’s common stock.

On September 13, 2016, the Company received a notice from Shire of Shire’s termination of the License Agreement (the “Notice of Termination”). The Notice of Termination states that the effective date of the termination of the License Agreement (the “Termination Date”) will be the earliest date to be demonstrated or agreed upon in accordance with the provisions of the License Agreement. Under the terms of the License Agreement, the Termination Date could be between 30 days and six months from the date of receipt of the Notice of Termination. As of the Termination Date, the Company would regain worldwide rights for the development and commercialization of pacritinib and the Company and Shire will have certain rights and obligations as set forth in the License Agreement.

On September 19, 2016, the Company and Shire entered into a non-binding term sheet (the “Term Sheet”) with respect to the terms of the termination and the return of the asset. The Company and Shire currently intend to draft and negotiate a binding, definitive agreement that reflects, among other things, the matters addressed in the Term Sheet. There can be no assurances that the Company and Shire will be able to finally negotiate and execute a definitive agreement.

In addition, on September 19, 2016, the Company and Shire entered into a letter agreement (the “Letter Agreement”) amending the License Agreement. The Letter Agreement provides that if the Company and Shire are unable to negotiate and execute within 30 days a definitive agreement reflecting the terms contained within the non-binding Term Sheet, then for purposes of computing any applicable termination periods and deadlines under Section 15.2 of the License Agreement, September 13, 2016 shall be deemed the effective date of the notice of termination of the License Agreement by Shire (but for the avoidance of doubt shall not be the effective date of the termination of the License Agreement).

The foregoing description of the Letter Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Letter Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.
