PROXY STATEMENT

FOR THE
JOINT ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 3, 2014

This proxy statement (“Proxy Statement”) is furnished to the holders of common shares of beneficial interest, par value \$0.01 per share (“Shares”), of Fiduciary/Claymore MLP Opportunity Fund (“FMO”), Guggenheim Build America Bonds Managed Duration Trust (“GBAB”), Guggenheim Credit Allocation Fund (“GGM”), Guggenheim Enhanced Equity Income Fund (“GPM”), Guggenheim Enhanced Equity Strategy Fund (“GGE”), Guggenheim Equal Weight Enhanced Equity Income Fund (“GEQ”) and Guggenheim Strategic Opportunities Fund (“GOF”) (FMO, GGM, GBAB, GPM, GGE, GEQ and GOF are each referred to herein as a “Fund” and collectively as the “Funds”) in connection with the solicitation by the Board of Trustees (the “Board”) of each Fund of proxies to be voted at the joint annual meeting of shareholders of the Funds to be held on Thursday, April 3, 2014, and any adjournment, postponement or delay thereof (the “Annual Meeting”). The Annual Meeting will be held at the offices of Guggenheim Funds Investment Advisors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532 on Thursday, April 3, 2014, at 10:00 a.m. (Central time).

This Proxy Statement will give you the information you need to vote on the matters listed on the accompanying Notice of Joint Annual Meeting of Shareholders (“Notice of Joint Annual Meeting”). Much of the information in this Proxy Statement is required under rules of the U.S. Securities and Exchange Commission (“SEC”). If there is anything you don’t understand, please contact us at our toll-free number, (800) 345-7999.

Each Fund will furnish to any shareholder, without charge, a copy of such Fund’s most recent annual report and/or semi-annual report to shareholders upon request. Requests should be directed to Guggenheim Funds Distributors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532, (800) 345-7999.

The Notice of Annual Meeting, this Proxy Statement and the enclosed proxy card(s) are first being sent to the Funds’ shareholders on or about _____, 2014.

Why is a shareholder meeting being held?

The Shares of each Fund are listed on the New York Stock Exchange (“NYSE”) and the rules of the NYSE require each Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. In addition, shareholders of certain Funds are being asked to approve an amendment to their Fund’s Agreement and Declaration of Trust to increase the

maximum number of Trustees that can comprise the Board of Trustees of the Fund.

What Proposals will be voted on?

1. With respect to each of FMO, GBAB, GGM, GGE, GEQ and GOF: To approve the amendment of each Fund's Agreement and Declaration of Trust to increase the maximum number of Trustees that can comprise the Board of Trustees of the Fund.

2. To elect Trustees in the following manner:

(a) With respect to each of FMO, GBAB, GGM, GPM, GGE and GEQ:

- (i) To elect, as Class I Trustees, the Trustee nominees named in this proxy statement (Mr. Randall C. Barnes, Mr. Donald C. Cacciapaglia and Mr. Donald A. Chubb) to serve until each Fund's 2017 annual meeting of shareholders or until their respective successors shall have been elected and qualified;
- (ii) To elect, as a Class II Trustee, the Trustee nominee named in this proxy statement (Dr. Jerry B. Farley) to serve until each Fund's 2015 annual meeting of shareholders or until his successor shall have been elected and qualified; and
- (iii) To elect, as a Class III Trustee, the Trustee nominee named in this proxy statement (Mr. Maynard F. Oliverius) to serve until each Fund's 2016 annual meeting of shareholders or until his successor shall have been elected and qualified.

(b) With respect to GOF only:

- (i) To elect, as Class I Trustees, the Trustee nominees named in this proxy statement (Mr. Randall C. Barnes, Mr. Donald C. Cacciapaglia, Mr. Roman Friedrich III and Mr. Donald A. Chubb) to serve until the Fund's 2016 annual meeting of shareholders or until their respective successors shall have been elected and qualified; and
- (ii) To elect, as Class II Trustees, the Trustee nominees named in this proxy statement (Dr. Jerry B. Farley and Mr. Maynard F. Oliverius) to serve until the Fund's 2015 annual meeting of shareholders or until their respective successors shall have been elected and qualified.

• Why am I being asked to elect Trustees in multiple classes for each Fund?

Generally, the Trustees of only one class of Trustees of each Fund are elected at each annual meeting of shareholders, so that the regular term of only one class of Trustees will expire annually. However, the funds that are part of the Guggenheim Investments fund complex (the "Fund Complex") currently are overseen by separate groups of directors or trustees, and each Fund's Board has determined that it would be in the best interest of the Fund to consolidate the membership of certain boards so that more funds in the Fund Complex are overseen by the same individuals. In order to accomplish this, the current Trustees have proposed for election a slate of candidates that include three Trustee nominees, Mr. Donald A. Chubb, Dr. Jerry B. Farley and Mr. Maynard F. Oliverius (each a "Consolidation Nominee"), in addition to those current Trustees whose terms of office require them to stand for election at the Annual Meeting. The Proxy Statement includes additional details regarding the Board's consideration of the board consolidation and the nomination of the Consolidation Nominees.

• Why am I being asked to approve an amendment to my Fund's Agreement and Declaration of Trust?

The election of the three Consolidation Nominees to the Board, along with the re-election of the current Trustees standing for re-election at the Annual Meeting, would cause each Fund's Board to consist of nine Trustees, which exceeds the maximum number of Trustees permitted by the Agreement and Declaration of Trust of certain Funds. Accordingly, it is proposed that the applicable provision of the Agreement and Declaration of Trust of each Fund that provides for a maximum number of Trustees be amended to increase the maximum permissible number of trustees to fifteen (15) to allow for the election of the Trustee nominees, including the Consolidation Nominees, as necessary, and to avoid having to amend the Agreement and Declaration of Trust to appoint or elect additional Trustees in the future. This Proposal applies to each of FMO, GBAB, GGM, GGE, GEQ and GOF, but does not apply to GPM.

Will my vote make a difference?

Yes! Your vote is important and could make a difference in the governance of the Fund(s), no matter how many Shares you own.

2

Who is asking for my vote?

The enclosed proxy card is solicited by the Board of each Fund for use at the Annual Meeting to be held on Thursday, April 3, 2014, and, if the Annual Meeting is adjourned, postponed or delayed, at any later meetings, for the purposes stated in the Notice of Joint Annual Meeting.

How does the Board recommend that shareholders vote on the Proposals?

The Board unanimously recommends that you vote "FOR" each Proposal.

Who is eligible to vote?

Shareholders of record of each Fund at the close of business on January 17, 2014 (the "Record Date"), are entitled to be present and to vote on the applicable Proposals at the Annual Meeting or any adjournment or postponement thereof. Each share is entitled to one vote on those Proposals on which holders of those shares are entitled to vote and a fractional vote with respect to fractional Shares, with no cumulative voting. Shares represented by duly executed proxies will be voted in accordance with your instructions.

How do I vote my Shares?

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of a Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Funds at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Funds a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Broker-dealer firms holding Shares of a Fund in “street name” for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on the Proposals before the Annual Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may for certain “routine” matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm’s request for voting instructions. Each Proposal is a “routine” matter and

beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the Proposals. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the Proposals may be deemed an instruction to vote such Shares in favor of the Proposals. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

•What vote is required to approve the Proposals?

With respect to the approval of the amendment to the Agreement and Declaration of Trust pursuant to Proposal 1, the affirmative vote of “a majority of the outstanding voting securities” (as such term is defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) of each applicable Fund is required to approve the amendment. For this purpose, a vote of a “majority of the outstanding voting securities” of a Fund is the lesser of: (a) 67% or more of the voting securities present at the meeting, if the holders of more than 50% of the outstanding voting securities of the Fund are present or represented by proxy; or (b) 50% or more of the outstanding voting securities of the Fund.

With respect to the election of Trustees, for FMO, GBAB, GOF, GEQ, and GGE the affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee. For GPM, the affirmative vote of a plurality of the shares voted is necessary to elect a Trustee nominee.

•Why does this Proxy Statement list multiple closed-end funds?

The Funds have similar proposals and it is cost-efficient to have a joint Proxy Statement and joint Annual Meeting. The Annual Meeting is scheduled as a joint meeting of the Funds and certain affiliated funds, whose votes on similar proposals applicable to such funds are being solicited separately, because the shareholders of the funds are expected to consider and vote on similar matters. In the event that any shareholder present at the Annual Meeting objects to the holding of a joint meeting and moves for the adjournment of his or her Fund's meeting to a time immediately after the Annual Meeting so that each Fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Shareholders of each Fund will vote separately on the respective proposal relating to their Fund. In any event, an unfavorable vote on any Proposal by the shareholders of one Fund will not affect the implementation of such Proposal by another Fund if the Proposal is approved by the shareholders of that Fund.

•How many shares of each Fund were outstanding as of the record date?

At the close of business on January 17, 2014, the Funds had the following Shares outstanding:

Fund	Number of Shares Outstanding
FMO	32,852,711
GBAB	17,413,674
GGM	6,629,189
GPM	19,054,684
GGE	4,993,991
GEQ	8,770,121
GOF	14,602,847

PROPOSAL 1: AMENDMENT OF AGREEMENT AND DECLARATION OF TRUST

With respect to each of FMO, GBAB, GGM, GGE, GEQ and GOF:

As discussed more fully under Proposal 2 below, the Board of each Fund has nominated three Consolidation Nominees for election to the Board of each Fund, in connection with the consolidation of the boards of trustees and directors that oversee various funds included in the Fund Complex (as defined herein). The election of the three Consolidation Nominees to the Board, along with the re-election of the current Trustees standing for re-election at the Annual Meeting, would cause each Fund's Board to consist of nine Trustees, which exceeds the maximum number of Trustees permitted by the Agreement and Declaration of Trust of certain Funds. The maximum number of Trustees permissible under each Fund's current Agreement and Declaration of Trust is as follows:

FMO: eight (8)

GBAB: ten (10)

GGM: ten (10)

GGE: seven (7)

GEQ: ten (10)

GOF: eight (8)

Accordingly, it is proposed that the applicable provision of the Agreement and Declaration of Trust each Fund that provides for a maximum number of Trustees be amended to increase the maximum permissible number of trustees to fifteen (15) to allow for the election of the Trustee nominees, including the Consolidation Nominees, as necessary, and to avoid having to amend the Agreement and Declaration of Trust to appoint or elect additional trustees in the future.

The relevant provision of each Fund's Declaration of Trust would be amended and restated in its entirety to read as follows:

Number and Qualification. Prior to a public offering of Shares there may be a sole Trustee. Thereafter, the number of Trustees shall be determined by a written instrument signed by a majority of the Trustees then in office, provided that the number of Trustees shall be no less than two (2) or more than fifteen (15). No reduction in the number of Trustees shall have the effect of removing any Trustee from office prior to the expiration of his term. An individual nominated as a Trustee shall be at least 21 years of age and not older than 80 years of age at the time of nomination and not under legal disability. Trustees need not own Shares and may succeed themselves in office.

The language of the amended provision is identical to the language of the current provision of each Fund's Agreement and Declaration of Trust, other than with respect to the maximum number of Trustees.

Shareholder Approval

The affirmative vote of "a majority of the outstanding voting securities" (as such term is defined in the Investment Company Act of 1940, as amended (the "1940 Act")) is required to approve the amendment. For this purpose, a vote of a "majority of the outstanding voting securities" of a Fund is the lesser of: (a) 67% or more of the voting securities

present at the meeting, if the holders of more than 50% of the outstanding voting securities of the Fund are present or represented by proxy; or (b) 50% or more of the outstanding voting securities of the Fund.

Abstentions and “broker non-votes” (i.e. Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote and (ii) the broker does not have discretionary voting power on a particular matter) will have the same effect as a vote against the amendment.

The holders of the Shares will have equal voting rights (i.e. one vote per Share).

Board Recommendation

The Board unanimously recommends that shareholders vote “FOR” Proposal 1.

6

PROPOSAL 2: ELECTION OF TRUSTEES

Introduction

The rules of the NYSE require each Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. Shareholders of the Funds are being asked to elect to Trustees in the following manner:

(a) With respect to each of FMO, GBAB, GGM, GPM, GGE and GEQ:

- (i) To elect, as Class I Trustees, the Trustee nominees named in this proxy statement (Mr. Randall C. Barnes, Mr. Donald C. Cacciapaglia and Mr. Donald A. Chubb) to serve until each Fund's 2017 annual meeting of shareholders or until their respective successors shall have been elected and qualified;
- (ii) To elect, as a Class II Trustee, the Trustee nominee named in this proxy statement (Dr. Jerry B. Farley) to serve until each Fund's 2015 annual meeting of shareholders or until his successor shall have been elected and qualified; and
- (iii) To elect, as a Class III Trustee, the Trustee nominee named in this proxy statement (Mr. Maynard F. Oliverius) to serve until each Fund's 2016 annual meeting of shareholders or until his successor shall have been elected and qualified.

(b) With respect to GOF only:

- (i) To elect, as Class I Trustees, the Trustee nominees named in this proxy statement (Mr. Randall C. Barnes, Mr. Donald C. Cacciapaglia, Mr. Donald A. Chubb and Mr. Roman Friedrich III) to serve until the Fund's 2016 annual meeting of shareholders or until their respective successors shall have been elected and qualified; and
- (ii) To elect, as Class II Trustees, the Trustee nominees named in this proxy statement (Dr. Jerry B. Farley and Mr. Maynard F. Oliverius) to serve until the Fund's 2015 annual meeting of shareholders or until their respective successors shall have been elected and qualified.

Proposed Board Consolidation

The funds that are part of the Fund Complex currently are overseen by separate groups of trustees or directors. The election of the Consolidation Nominees is being proposed in connection with a proposed consolidation of the current Trustees of the Funds (the "Board;" which also serves as the board for certain other funds in the Fund Complex) and the current members of the Boards of Trustees/Directors of Guggenheim Funds Trust, SBL Fund and Security Equity Fund (collectively, the "Security Funds;" with such Boards of Trustees/Directors collectively being the "Security Funds Board"). In order to accomplish this, the current Trustees have proposed for election the Consolidation Nominees, who are the non-retiring members of the Security Funds Board. Dr. Farley and Messrs. Chubb and Oliverius are not "interested persons" of the Funds, as defined in the 1940 Act, and will serve as Independent Trustees.

In reaching the conclusion that the board consolidation is in the best interests of the Funds and their shareholders, the

Board considered a number of factors, including the following:

potential benefits arising from the increased size, diversity, skill sets and experience of the contemplated consolidated board, each member of which has experience in investment company matters as a board member of other funds in the Fund Complex, which will allow the Board to better respond to the increasing complexities of fund governance;

potential benefits arising from a consolidated board having oversight over a greater portion of the Fund Complex;

7

- the benefits to shareholders from a consolidated board as compared to the costs associated with a larger board;
- opportunities for enhanced efficiency of uniform board oversight by, among other things, reducing the need to have separate meetings and materials to consider the same or substantially similar items;
- alignment and streamlining of resources needed to support board reporting and interaction in areas such as compliance, regulatory and risk management oversight;
- the unification of two boards overseeing different funds could result over time in greater uniformity of shareholder experience throughout the Fund Complex;
 - the number and type of funds to be overseen by the board members;
 - the independent status of the Consolidation Nominees; and
- the proposed process, timing and costs for implementing the consolidation, including the costs associated with holding a shareholders meeting.

Members of the Nominating and Governance Committee of the Board met with each Consolidation Nominee prior to his nomination to the Board, and the Nominating and Governance Committee considered each Consolidation Nominee and recommended his nomination to the Board. Based on this recommendation, the Board recommended for election each of the Consolidation Nominees to the Board. Likewise, the Security Funds Board also approved a consolidation proposal on behalf of their funds and shareholders have since elected the current Trustees of the Funds to serve on the Security Funds Board.

Composition of the Board of Trustees

FMO, GBAB, GEQ, GGE and GPM:

The Trustees of FMO, GBAB, GEQ, GGE and GPM are classified into three classes of Trustees. Assuming each Trustee nominee, including the Consolidation Nominees, is elected at the Annual Meeting, the composition of the Board will be as follows:

Class I Trustee*	Class II Trustees**	Class III Trustees***
Randall C. Barnes	Jerry B. Farley	Robert B. Karn III
Donald C. Cacciapaglia	Roman Friedrich III	Maynard F. Oliverius
Donald A. Chubb	Ronald A. Nyberg	Ronald E. Toupin, Jr.

*Class I Trustees are standing for election at the Annual Meeting, and are expected to next stand for election in 2017.

**Dr. Farley is standing for election at the Annual Meeting. Class II Trustees are expected to next stand for election in 2015.

***Mr. Oliverius is standing for election at the Annual Meeting. Class III Trustees are expected to next stand for election in 2016.

GOF:

The Trustees of GOF are classified into two classes of Trustees. Assuming each nominee is elected at the Annual Meeting, the composition of the Board will be as follows:

Class I Trustee*	Class II Trustees**
Randall C. Barnes	Jerry B. Farley
Donald C. Cacciapaglia	Robert B. Karn III
Donald A. Chubb	Ronald A. Nyberg
Roman Friedrich III	Maynard F. Oliverius
	Ronald E. Toupin, Jr.

*Class I Trustees are standing for election at the Annual Meeting, and are expected to next stand for election in 2016.

**Dr. Farley and Mr. Oliverius are standing for election at the Annual Meeting. Class II Trustees are expected to next stand for election in 2015.

Election of Trustees

Each Trustee nominee, if elected at the Annual Meeting, will hold office for a term in accordance with his respective Class or until his respective successor shall have been elected and qualified or until he resigns or is otherwise removed. The other Trustees of the Funds will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

Unless authority is withheld or other instructions are provided, it is the intention of the persons named in the proxy card to vote "FOR" the Trustee nominees named above. Each Trustee nominee has consented to serve as a Trustee of each Fund if elected at the Annual Meeting. If a designated Trustee nominee declines or otherwise becomes

unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute Trustee nominee or nominees.

As described under Proposal 1, an amendment to the Agreement and Declaration of Trust of each of FMO, GGE and GOF is required to allow for the election of all of the Trustee nominees. If the amendment to the Agreement and Declaration of Trust is not approved for FMO, GGE or GOF, the Board, in consultation with the Nominating and Governance Committee, will withdraw the nomination of one or more Trustee nominees with respect to such Fund.

Trustees and Trustee Nominees

Certain information concerning the Trustees, Trustee nominees and the officers of each of the Funds is set forth in the table below. Independent Trustees are those who are not interested persons of (i) the Funds, (ii) Guggenheim Funds Investment Advisors, LLC (“Guggenheim Funds” or the “Adviser”), each Fund’s investment adviser, (iii) Advisory Research, Inc., investment sub-adviser to FMO, (iv) Security Investors, LLC, an investment sub-adviser to GEQ or (v) Guggenheim Partners Investment Management, LLC (“GPIM”), investment sub-adviser to GBAB, GGM, GPM, GGE, GEQ and GOF, and who satisfy the requirements contained in the definition of “independent” as defined in Rule 10A-3 under the Securities Exchange Act of 1934 (the “Independent Trustees”).

The Fund Complex consists of U.S. registered investment companies advised or serviced by Guggenheim Funds or its affiliates. Additional Information about the Board and the Nominees

The following includes detailed information about the current structure of the Board, its leadership, its functioning and composition. The Security Funds Board, the non-retiring membership of which is proposed to be consolidated with the Board, does not have identical practices. If the board consolidation is implemented, the Trustees will consider whether any changes to current practices would be appropriate to enhance practices and integrate the Consolidation Nominees, based on the interests of the Funds and their shareholders.

Board Leadership Structure

The primary responsibility of the Board is to represent the interests of the Funds and to provide oversight of the management of the Funds. The Funds' day-to-day operations are managed by the Adviser, the applicable Sub-Adviser and other service providers who have been approved by the Board. The Board is currently comprised of six Trustees, five of whom (including the chairperson) are Independent Trustees. Generally, the Board acts by majority vote of all the Trustees, including a majority vote of the Independent Trustees if required by applicable law.

The Board has appointed an Independent Trustee as chairperson, who presides at Board meetings and who is responsible for, among other things, participating in the planning of Board meetings, setting the tone of Board meetings and seeking to encourage open dialogue and independent inquiry among the trustees and management. The

Board has established certain committees (as described below) and has delegated certain responsibilities to those committees, each of which is comprised solely of Independent Trustees. The Board and its committees meet periodically throughout the year to oversee the Funds' activities, review contractual arrangements with service providers, review the Funds' financial statements, oversee compliance with regulatory requirements, and review performance. The Independent Trustees are represented by independent legal counsel at Board and committee meetings. The Board has determined that this leadership structure is appropriate in light of the characteristics and circumstances of the Funds.

Board Committees

The Trustees have determined that the efficient conduct of the Funds' affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The committees of the Board are the Executive Committee, the Audit Committee, the Nominating and Governance Committee, and the Contracts Review Committee. The Consolidation Nominees are expected to be appointed to the Audit Committee, the Nominating and Governance Committee and the Contracts Review Committee, if elected to the Board.

Executive Committee. Ronald A. Nyberg and Ronald E. Toupin, Jr., who are not "interested persons" of the Funds, as defined in the 1940 Act, serve on the Funds' Executive Committee. The Executive Committee is authorized to act on behalf of and with the full authority of the Board of Trustees when necessary in the intervals between meetings of the Board of Trustees.

Audit Committee. The Board has an Audit Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Karn serves as chairperson of the Audit Committee.

The Audit Committee is charged with selecting an independent registered public accounting firm for the Funds and reviewing accounting matters with the Funds' independent registered public accounting firm. Each member of the Audit Committee is an Independent Trustee as defined above and also meets the additional independence requirements for audit committee members as defined by the NYSE listing standards.

The Audit Committee is governed by a written charter (the "Audit Committee Charter"). The Audit Committee Charter is not available on the Funds' websites. The Audit Committee Charter is available on the website of the Funds at: www.guggenheiminvestments.com.

The Audit Committee presents the following report on behalf of each Fund:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Fund with management of the Fund, (ii) the Audit Committee discussed with the Fund's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance), and (iii) the Audit Committee received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Public Company Accounting Oversight Board's Ethics & Independence Rule 3526 and has discussed with the Fund's independent registered public accounting firm the independence of the Fund's independent registered public accounting firm. Based on the Audit Committee's reviews and discussions referred to above, including its discussion with management and the Fund's independent registered public accounting firm, the

Audit Committee recommended to the Board of Trustees of the Fund that the financial statements be included in the Fund's Annual Reports for the past fiscal year.

Nominating and Governance Committee. The Board has a Nominating and Governance Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Nyberg serves as chairperson of the Nominating and Governance Committee.

The Nominating and Governance Committee is governed by a written charter (the “Nominating and Governance Committee Charter”). The Nominating and Governance Committee Charter is available on the website of the Funds at: www.guggenheiminvestments.com.

The Nominating and Governance Committee (i) evaluates and recommends all candidates for election or appointment as members of the Board and recommends the appointment of members and chairs of each committee of the Board, (ii) reviews policy matters affecting the operation of the Board and committees of the Board, and (iii) periodically evaluates the effectiveness of the Board and committees of the Board.

In considering Trustee nominee candidates, the Nominating and Governance Committee requires that Trustee candidates have a college degree or equivalent business experience and may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): availability and commitment of a candidate to attend meetings and perform the responsibilities of a Trustee, relevant experience, educational background, financial expertise, the candidate’s ability, judgment and expertise and overall diversity of the Board’s composition. The Nominating and Governance Committee may consider candidates recommended by various sources, including (but not limited to): such Fund’s Trustees, officers, investment advisers and shareholders. The Nominating and Governance Committee will not nominate a person for election to the Board as an Independent Trustee in contravention of its Independent Trustee Retirement Policy. The Nominating and Governance Committee may, but is not required to, retain a third party search firm to identify potential candidates.

A Trustee candidate must (i) be prepared to submit written answers to a questionnaire seeking professional and personal information that will assist the Nominating and Governance Committee to evaluate the candidate and to determine, among other matters, whether the candidate would qualify as a Trustee who is not an “interested person” of the Funds as such term is defined under the 1940 Act; (ii) be prepared to submit character references and agree to appropriate background checks; and (iii) be prepared to meet with one or more members of the Nominating and Governance Committee at a time and location convenient to those Nominating and Governance Committee members in order to discuss the nominee’s qualifications.

The Nominating and Governance Committee will consider Trustee candidates recommended by shareholders of the Funds. The Nominating and Governance Committee will consider and evaluate trustee nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources.

In considering Trustee nominee candidates, the Nominating and Governance Committee takes into account a wide variety of factors, including the overall diversity of the Board’s composition. The Nominating and Governance Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

To have a candidate considered by the Nominating and Governance Committee, a shareholder must submit the recommendation in writing and must include the information required by the “Procedures for Shareholders to Submit Nominee Candidates” that are set forth as Appendix B to the Nominating and Governance Committee Charter. Shareholder recommendations must be sent to the Funds’ Secretary, c/o Guggenheim Funds Investment Advisors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532.

The nominees for election at the Annual Meeting were unanimously nominated by the Board of Trustees and the Nominating and Governance Committee.

Contracts Review Committee. The Board has a Contracts Review Committee, which oversees the contract review process, including review of the Fund's advisory agreements and other contracts with affiliated service providers. The Contracts Review Committee is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee. Mr. Friedrich serves as chairperson of the Contracts Review Committee.

Board and Committee Meetings

Information regarding the number of meetings of the Board, Audit Committee, Nominating and Governance Committee and Contracts Review Committee of each Fund during such Fund's most recently completed fiscal year is set forth in the table below:

Fund	Fiscal Year End	Board Meetings	Audit Committee Meetings	Nominating and Governance Meetings	Contract Review Committee Meetings
FMO	11/30/2013	4	4	2	1
GBAB	5/31/2013	4	4	1	1
GPM	12/31/2013	4	3	2	1
GGE	10/31/2013	4	4	2	1
GEQ	12/31/2013	4	3	2	1
GOF	5/31/2013	4	4	1	1

GGM commenced investment operations on June 26, 2013 and has not yet completed its initial fiscal year, therefore it is not included in the above chart.

Each Trustee attended at least 75% of the meetings of the Board (and any committee thereof on which he serves) held during the portion of each Fund's fiscal year ended in 2013, during which he was a trustee of the Fund. It is the Funds' policy to encourage Trustees to attend annual shareholders' meetings.

Board's Role in Risk Oversight

Consistent with its responsibility for oversight of the Funds, the Board, among other things, oversees risk management of the Funds' investment programs and business affairs directly and through the committee structure it has established. The Board has established the Audit Committee, the Nominating and Governance Committee and the Contracts Review Committee to assist in its oversight functions, including its oversight of the risks the Funds faces. Each committee reports its activities to the Board on a regular basis. Risks to the Funds include, among others, investment risk, credit risk, liquidity risk, valuation risk and operational risk, as well as the overall business risk relating to the Funds. The Board has adopted, and periodically reviews, policies, procedures and controls designed to address these different types of risks. Under the Board's supervision, the officers of the Funds, the Adviser, the respective Sub-Adviser and other service providers to the Funds also have implemented a variety of processes, procedures and controls to address various risks. In addition, as part of the Board's periodic review of the Funds' advisory, sub-advisory and other service provider agreements, the Board may consider risk management aspects of the service providers' operations and the functions for which they are responsible.

The Board requires officers of the Funds to report to the Board and its committees on a variety of matters at regular and special meetings of the Board and its committees, as applicable, including matters relating to risk management. The Audit Committee also receives reports from the Funds' independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Board meets with the Funds' Chief Compliance Officer, including separate meetings with the Independent Trustees in executive session, to discuss compliance matters and, on at least an annual basis, receives a report from the Chief Compliance Officer regarding the effectiveness of the Funds' compliance program. The Board, with the assistance of Fund management, reviews investment policies and risks in connection with its review of the Funds' performance. In addition, the Board receives reports from the Adviser and respective Sub-Adviser on the investments and securities trading of the Funds. With respect to valuation, the Board oversees a pricing committee comprised of Fund officers and Adviser personnel and

has approved Fair Valuation procedures applicable to valuing the Funds' portfolio securities, which the Board and the Audit Committee periodically review. The Board also requires the Adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis.

Trustee Communications

Shareholders and other interested parties may contact the Board or any Trustee by mail. To communicate with the Board or any Trustee, correspondence should be addressed to the Board or the Board members with whom you wish to communicate by either name or title. Trustee Compensation

The Funds pay an annual retainer and fee per meeting attended to each Trustee who is not affiliated with the Adviser, a Sub-Adviser or their respective affiliates and pays an additional annual fee to the chairman of the Board and of any committee of the Board. The following table sets forth the compensation paid to each Independent Trustee by each Fund during its most recently completed fiscal year and the total compensation paid to each Independent Trustee by the Fund Complex during the most recently completed calendar year ended December 31, 2013.

Trustee	Aggregate Compensation from each Fund	Pension or Retirement Benefits Accrued as Part of Fund Expenses(1)	Estimated Annual Benefits Upon Retirement(1)	Total Compensation From the Fund Complex(2)
Randall C. Barnes	†	None	None	\$174,500

Ronald A. Nyberg	†	None	None	\$236,250
Ronald E. Toupin, Jr.	†	None	None	\$254,000

(1) The Funds do not accrue or pay retirement or pension benefits to Trustees as of the date hereof.

(2) The amounts shown in this column represent the aggregate compensation paid by all of the funds in the Fund Complex for the calendar year ended December 31, 2013. Because the funds in the Fund Complex have different fiscal year ends, the amounts shown in this column are presented on a calendar year basis.

†The amount of aggregate compensation payable by each Fund for its fiscal year ending in 2013 (and assuming a full fiscal year of operations) is shown in the table below:

Fund	Fiscal Year End	Barnes	Friedrich	Karn	Nyberg	Toupin
FMO	11/30	\$15,321	\$15,786	\$15,786	\$15,786	\$16,869

If all of the Consolidation Nominees are elected and the board consolidation is implemented for all of the applicable funds, the Board is considering implementing a new compensation structure for the funds overseen by the consolidated board. A portion of such fees, as determined by the Board, would be allocated to the Funds. The total compensation would be as follows:

A general retainer fee of \$232,000 per year would be paid to each Independent board member. Additional annual

retainer fees would be paid as follows: \$40,000 to the Independent Chairperson of the Board; \$6,000 to the Independent Vice Chairperson of the Board; \$6,000 to the Audit Committee Chairperson; \$6,000 to the Audit Committee Vice Chairperson; \$6,000 to the Contracts Review Committee Chairperson; \$6,000 to the Contracts Review Committee Vice Chairperson; and \$6,000 to the Nominating Committee Chairperson. In addition, fees would be paid for special Board or Committee meetings, with \$5,000 paid for a special in-person Board meeting, \$5,000 paid for a special in-person Committee meeting and \$1,000 paid for a special telephonic Board or Committee meeting.

This proposed new compensation structure is not expected to increase a Fund's expenses by more than one basis point of the Fund's average net assets on an annual basis.

Shareholder Approval

With respect to FMO, GBAB, GGM, GGE, GEQ and GOF, the affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee. With respect to GPM, the affirmative vote of a plurality of the Shares voted is necessary to elect a Trustee nominee. Abstentions will have the same effect as votes against the election of a Trustee nominee for FMO, GBAB, GGM, GGE, GEQ and GOF. "Broker non-votes" (i.e. Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote and (ii) the broker does not have discretionary voting power on a particular matter) will have no effect on the outcome of the vote on a Trustee nominee for FMO, GBAB, GGM, GGE, GEQ and GOF. Votes withheld and "broker non-votes" will have no effect on the outcome of the vote on a Trustee nominee for GPM.

The holders of the Shares will have equal voting rights (i.e. one vote per Share).

Board Recommendation

The Board unanimously recommends that shareholders vote "FOR" the nominees of the Board of your Fund.

ADDITIONAL INFORMATION

Further Information About Voting and the Annual Meeting

Quorum. With respect to FMO, GBAB, GGM, GGE, GEQ and GOF, the holders of a majority of the Shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum at such meeting of the shareholders for purposes of conducting business on such matter.

With respect to GPM, thirty percent (30%) of the Shares entitled to vote on a Proposal must be present in person or by proxy to have a quorum for GPM to conduct business at the Annual Meeting.

Votes withheld, abstentions and broker non-votes (i.e. Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote and (ii) the broker does not have discretionary voting power on a particular matter) will be counted as Shares present at the Annual Meeting for quorum purposes.

Record Date. The Board has fixed the close of business on January 17, 2014, as the Record Date for the determination of shareholders of each Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of each Fund as of the close of business on the Record Date will be entitled to one vote on each matter to be voted on by such Fund for each Share held and a fractional vote with respect to fractional Shares with no cumulative voting rights.

Joint Meeting. The Annual Meeting is scheduled as a joint meeting of the Funds and certain affiliated funds, whose votes on similar proposals applicable to such funds are being solicited separately, because the shareholders of the funds are expected to consider and vote on similar matters. In the event that any shareholder present at the Annual Meeting objects to the holding of a joint meeting and moves for the adjournment of his or her Fund's meeting to a time immediately after the Annual Meeting so that each Fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Shareholders of each Fund will vote separately on the respective Proposals relating to their Fund. In any event, an unfavorable vote on any Proposal by the shareholders of one Fund will not affect the implementation of such Proposal by another Fund if the Proposal is approved by the shareholders of that Fund.

How to Vote Your Shares. Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Funds a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Attending the Annual Meeting. If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of a Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Funds at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

Additional Information Regarding Voting. Broker-dealer firms holding Shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the Proposals before the Annual Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Each Proposal is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the Proposals. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the Proposals may be deemed an instruction to vote such Shares in favor of the Proposals. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

The Funds will update certain data regarding the Funds, including performance data, on a monthly basis on its website at www.guggenheiminvestments.com. Investors and others are advised to periodically check the website for updated performance information and the release of other material information about the Funds.

The Funds do not know of any direct or indirect financial interest of E&Y in the Funds.

Representatives of E&Y will be available to attend the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to answer questions if necessary.

Principal Shareholders

As of the Record Date, to the knowledge of each Fund, no person beneficially owned more than 5% of the voting securities of any class of securities of any of the Funds, except as set forth on Annex B.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, and Section 30(h) of the 1940 Act require each Fund’s officers and Trustees, certain officers of each Fund’s investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than ten percent of a Fund’s shares to file certain reports of ownership (“Section 16 filings”) with the SEC and the NYSE. Based upon each Fund’s review of the copies of such forms effecting the Section 16 filings received by it, each Fund believes that for its most recently completed fiscal year, all filings applicable to such persons were completed and filed in a timely manner, except as follows: for FMO: Form 3 (no securities owned) for Kimberly J. Scott was not filed in a timely manner after she became a reporting person of the Fund and Form 4 (relating to an acquisition of securities) for Roman Friedrich III was amended to correct the transaction date, but such amendment was not filed in a timely manner relative to the transaction date; for GBAB: Form 3 (no securities owned) for Kimberly J. Scott was not filed in a timely manner after she became a reporting person of the Fund; for GGM: Form 3 (no securities owned) for Stevens T. Kelly was not filed in a timely manner after he became a reporting person of the Fund; for GPM: Form 3 (no securities owned) for Kimberly J. Scott was not filed in a timely manner after she became a reporting person of the Fund; for GGE: Form 3 (no securities owned) for Kimberly J. Scott was not filed in

a timely manner after she became a reporting person of the Fund; for GEQ: Form 3 (no securities owned) for James W. Michal was not filed in a timely manner after he became a reporting person of the Fund; and for GOF: Form 3 (no securities owned) for James W. Michal was not filed in a timely manner after he became a reporting person of the Fund.

Privacy Principles of the Funds

The Funds are committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Funds collect, how the Funds protect that information and why, in certain cases, the Funds may share information with select other parties.

Generally, the Funds do not receive any non-public personal information relating to their shareholders, although certain non-public personal information of their shareholders may become available to the Funds. The Funds do not disclose any non-public personal information about their shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Funds restrict access to non-public personal information about their shareholders to employees of Guggenheim Funds with a legitimate business need for the information. The Funds maintain physical, electronic and procedural safeguards designed to protect the non-public personal information of their shareholders.

Deadline for Shareholder Proposals

Each Fund's Amended and Restated By-Laws (the "By-Laws") require compliance with certain procedures for a shareholder to properly make a nomination for election as a Trustee or to propose other business for the Fund. If a shareholder who is entitled to do so under a Fund's By-Laws wishes to nominate a person or persons for election as a Trustee or propose other business for the Fund, that shareholder must provide a written notice to the Secretary of the Fund at the Fund's principal executive offices. Such notice must include certain information about the proponent and the proposal, or in the case of a nomination, the nominee. A copy of each Fund's By-Laws, which includes the provisions regarding the requirements for shareholder nominations and proposals, may be obtained by writing to the Secretary of the Fund at 2455 Corporate West Drive, Lisle, Illinois 60532. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's By-Laws.

Shareholder proposals intended for inclusion in a Fund's proxy statement in connection with the 2015 annual meeting of shareholders pursuant to Rule 14a-8 under the Exchange Act must be received by the Fund at the Fund's principal executive offices by _____, 2014 in order to be considered for inclusion in the Fund's proxy statement. Timely submission of a proposal does not necessarily mean that such proposal will be included in the Fund's proxy statement.

A proposal, other than a proposal submitted pursuant to Rule 14a-8, must be received by the Fund's Secretary at the Fund's principal executive offices not earlier than December 4, 2014 and not later than January 3, 2015 (which is also the date after which shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would not be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act). If a proposal is not "timely" within the meaning of Rule 14a-4(c), then the persons named as proxies in the proxies solicited by the Board for the 2014 annual meeting of shareholders may exercise discretionary voting power with respect to any such proposal.

Expenses of Proxy Solicitation

The cost of the Annual Meeting, including the costs of preparing and mailing the notice, proxy statement and proxy, and the solicitation of proxies, including reimbursement to broker-dealers and others who forwarded proxy materials to their clients, will be borne by the Funds. However, the Adviser and its affiliates have agreed to incur certain proxy expenses on behalf of all funds in the Fund Complex that are soliciting shareholders relating to the board compensation proposal, including the Funds, in an amount up to \$100,000. Expenses incurred by the Adviser will be allocated among groups of funds pro rata based on the actual proxy expenses of each group of funds. Costs will be borne by the Funds in proportion to the number of proxies solicited on behalf of a Fund to the total proxies solicited on behalf of all of the Funds. Certain officers of the Fund and certain officers and employees of Guggenheim Funds or their respective affiliates (none of whom will receive additional compensation therefore) may solicit proxies by telephone, mail, e-mail and/or personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation materials to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Funds for such out-of-pocket expenses.

Other Matters

The management of the Funds knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Failure of a quorum to be present at the Annual Meeting may result in an adjournment. The persons named in the enclosed proxy card may also move for an adjournment of any meeting to permit further solicitation of proxies with respect to a Proposal if they determine that adjournment and further solicitation are reasonable and in the best interests of shareholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the meeting to be adjourned. The chairperson of the Annual Meeting may also adjourn the Annual Meeting. Any adjourned meeting or meetings may be held without the necessity of another notice. The persons named in the enclosed proxy card will vote in favor of any such

adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of each Fund's shareholders. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be treated as shares that are present at the meeting.

Please vote promptly by signing and dating each enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the enclosed instructions to vote by telephone or over the Internet.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on April 3, 2014

This Proxy Statement is available on the Internet at www.proxyvote.com.
