THIS PRESS RELEASE MAY NOT BE PUBLISHED, DISTRIBUTED OR TRANSMITTED IN OR INTO THE UNITED STATES OR OVER UNITED STATES WIRE OR NEWS SERVICES

ING Canada Inc. prices 34.88 million common shares at CDN\$ 26.00

ING Canada Inc. announced today that it has entered into an underwriting agreement whereby it has agreed to issue 34,880,000 common shares at a price of CDN\$ 26.00 per share to a syndicate of underwriters led by Merrill Lynch Canada Inc. and CIBC World Markets Inc. and has filed a supplemented prospectus in connection with its previously announced initial public offering. Trading on an if, as and when issued basis is expected to start today, Friday 10 December, on the Toronto Stock Exchange under the ticker IIC.LV.

The closing of the offering is scheduled to take place on December 15. ING Canada has also granted the underwriters an option to purchase up to 5,232,000 additional common shares at the offering price within 30 days from the closing to cover over-allotments, if any, and for market stabilization purposes.

Following the offering, ING Groep N.V. will hold 72.9% of the 128,500,000 issued and outstanding common shares. If and when the underwriters fully exercise the above mentioned over-allotment option ING Groep N.V. will hold 70% of the 133,732,000 issued and outstanding common shares.

Part of the offering proceeds will be used to fund the acquisition of Allianz Canada at a purchase price of EUR 228 million. If the agreement with the underwriters is executed as such on the day of closing, then the sale of the common shares will result in a net gain of about EUR 239 million for ING Group. The positive impact on the debt/equity ratio of ING Group will be 90 basis points.

This offering is an acknowledgement of the quality of the organization we have built in Canada over the years and the results we have been achieving in the marketplace, said Fred Hubbell, Member of the Executive Board of ING Group responsible for Insurance Americas. As a public company, ING Canada Inc. will have more flexibility to improve its position as a leading provider of insurance in Canada.

ING Canada is the largest provider of property and casualty insurance in Canada based on direct premiums written in 2003. ING Canada's principal insurance products are automobile, property and liability insurance, which it provides primarily to individuals and small to medium sized businesses through its insurance subsidiaries across Canada.
