(f) The Compensation Committee of the Board of Directors of the Registrant took the following actions relating to executive compensation:

Fiscal 2010 Executive Compensation Matters

As previously reported, the Compensation Committee adopted an incentive plan creating a discretionary bonus pool in which all non-unionized employees, including executive officers, are eligible to participate. Allocations from the pool will be discretionary and based upon management’s evaluation of the results achieved by the business as a whole, especially the further reduction in costs and expenses, and by the individual participants.

On August 18, 2010 the Compensation Committee determined that the results achieved by the Registrant’s business as a whole, including its business locations and segments and their reduction in costs and expenses in excess of the amount targeted in the plan, met targeted goals and awarded bonus payments to all eligible employees. The Registrant’s executive officers received the bonus payments described below from this pool.
