PROXY STATEMENT

GENERAL INFORMATION

Information Regarding the Annual Meeting

This Proxy Statement is furnished to the shareholders of Communications Systems, Inc. (“CSI” or the “Company”) in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the Annual Meeting of Shareholders that will be held at the Company’s offices at 10900 Red Circle Drive, Minnetonka, Minnesota, on Tuesday, May 18, 2010, beginning at 10:00 a.m., Central Daylight Time, or at any adjournment or adjournments thereof. The cost of this solicitation will be paid by the Company. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies by telephone, email or in person. The Company may also request banks and brokers to solicit their customers who have a beneficial interest in the Company’s Common Stock registered in the names of nominees and will reimburse these banks and brokers for their reasonable out-of-pocket expenses.

Solicitation and Revocation of Proxies

Any proxy may be revoked at any time before it is voted by receipt of a proxy properly signed and dated subsequent to an earlier proxy, or by revocation of a proxy by written request or in person at the Annual Meeting. If not so revoked, the shares represented by that proxy will be voted by the persons designated as proxies in favor of the matters indicated. In the event any other matters that properly come before the meeting require a vote of shareholders, the shares represented by the proxies will be voted by persons named as proxies in accordance with their judgment on these matters. The Company’s corporate offices are located at 10900 Red Circle Drive, Minnetonka, Minnesota, 55343, and its telephone number is (952) 996-1674. The mailing of this Proxy Statement to shareholders of the Company commenced on or about April 6, 2010.

Voting Securities and Record Date

Only shareholders of record at the close of business on March 23, 2010 will be entitled to vote at the meeting. As of March 23, 2010, the Company had outstanding 8,357,559 shares of \$.05 par value Common Stock. Each share of Common Stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. The presence in person or by proxy of the holders of a majority of the shares entitled to vote at the Annual Meeting of Shareholders constitutes a quorum for the transaction of business.

Under Minnesota law and the Company's Articles of Incorporation and Bylaws, if a quorum exists at the meeting, the affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, but will be counted for purposes of determining whether there is a quorum. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. If the shares present and entitled to vote on any particular item of business would not constitute a quorum for the transaction of business at the meeting, however, then that item must be approved by holders of a majority of the minimum number of shares that would constitute a quorum. A properly executed proxy marked "Abstain" with respect to any such matter will not be voted, but will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

For shares held in "street name" through a broker or other nominee, the broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if a shareholder does not give that shareholder's broker or nominee specific instructions, the shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval, but will be counted as present for the purpose of determining the presence of a quorum.

CORPORATE GOVERNANCE AND BOARD MATTERS

General

Our Board of Directors is committed to sound and effective corporate governance practices. Our governance policies are consistent with applicable provisions of the rules of the Securities and Exchange Commission (the “SEC”) and the listing standards of the NASDAQ Stock Market (“NASDAQ”). We also periodically review our governance policies and practices in comparison to those suggested by authorities in corporate governance and the practices of other public companies.

You can access our corporate governance charters and other related materials in the “Investor Resources” section of our website under “Corporate Governance” at <http://www.commsystems.com> or by writing to our Corporate Secretary at: Communications Systems, Inc., 10900 Red Circle Drive, Minnetonka, Minnesota 55343, or by sending an e-mail to our Corporate Secretary at DavidM@commsysinc.com.

The Board, Board Committees and Meetings

Meeting Attendance. Our Board of Directors meets regularly during the year to review matters affecting our Company and to act on matters requiring Board approval. Each of our directors is expected to make a reasonable effort to attend all meetings of the Board, applicable committee meetings and our annual meeting of shareholders. During 2009, the Board of Directors met five times. Each of our directors attended at least 75% of the meetings of the Board and committees on which he or she served, except for Mr. Roger H.D. Lacey who attended 60% of the meetings of the Board and committees on which he served. Although Mr. Lacey’s duties as Senior Vice President, Strategy and Corporate Development at 3M Corporation require him to travel extensively in the United States and internationally, and as a result he was unable to attend at least 75% of the Board and committee meetings, Mr Lacey makes himself available to, and consults with, management and the Board of Directors of CSI between meetings on a frequent basis, and the Board believe his expertise in telecommunications and data communications markets make an invaluable member of the Board. All of the current directors attended our 2009 Annual Meeting of Shareholders.

Board Committees. Our Board of Directors has established the following committees: Audit, Compensation, Governance and Nominating, Finance, Public Responsibility and Executive. Except as noted below, only members of the Board serve on these committees. Following is information about each committee.

Audit Committee. The Audit Committee is responsible for the engagement, retention and replacement of the independent registered public accounting firm, approval of transactions between the Company and a director or executive officer unrelated to service as a director or officer, approval of non-audit services provided by the Company’s independent registered public accounting firm, oversight of the Company’s internal controls and the receipt, retention and treatment of complaints regarding accounting, internal controls and auditing matters. Deloitte & Touche LLP, the Company’s independent registered public accounting firm, reports directly to the Audit Committee. The Audit Committee operates under a formal charter that was most recently amended in June 2008. The current members of the Audit Committee are Edwin C. Freeman (Chair), Luella G. Goldberg and Randall D. Sampson. Mr. Freeman and Ms. Goldberg are each “independent” under SEC and NASDAQ rules. While Mr. Sampson qualifies as independent under SEC rules, he does not currently satisfy the NASDAQ independence definition because his father Curtis A. Sampson was an executive officer of the Company for part of the preceding three years. Randall D. Sampson was nevertheless appointed by the Board to serve on the Audit Committee pursuant to a NASDAQ rule that gives a board the authority, under “exceptional and limited circumstances,” to appoint one individual to its audit committee for up to

two years even though the person does not meet the NASDAQ independence definition. The Board determined that exceptional and limited circumstances existed in May 2009 when another director retired as a director and from the Audit Committee. The Board appointed Mr. Sampson to the Audit Committee after receiving the recommendation of the Governance and Nominating Committee that Mr. Sampson was well-qualified to serve on the Audit Committee, that it believed Mr. Sampson would exercise independent judgment with respect to matters coming before the Audit Committee, and that it believed appointing Mr. Sampson was in the best interest of the Company and its shareholders. The Board of Directors has determined that Edwin C. Freeman qualifies as the Committee's financial expert. The Audit Committee met five times during 2009. The report of the Audit Committee is found on page 18.

Table of Contents

Compensation Committee. The Compensation Committee is responsible for the overall compensation strategy and policies of the Company; reviews and approves the compensation and other terms of employment of the Company's chief executive officer and other executive officers, subject to final Board approval; oversees the establishment of performance goals and objectives for the Company's executive officers; administers the Company's incentive compensation plans; considers the adoption of other or additional compensation plans; and, provides oversight and final determinations with respect to the Company's 401(k) plan, employee stock ownership plan and other similar employee benefit plans. The Committee operates under a charter approved by the Board of Directors that was most recently amended in June 2008. The current members of the Compensation Committee are Gerald D. Pint (Chair), Edwin C. Freeman and Roger H. D. Lacy. The Committee met five times in 2009. Further information regarding the Compensation Committee is provided beginning at page 11.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for reviewing the size and composition of the Board, identifying individuals qualified to become Board members, recommending to the Board of Directors nominees to be elected at the annual meeting of shareholders, reviewing the size and composition of the Board committees, facilitating Board self-assessment and reviewing and advising the Board regarding strategic direction and strategic management. The Committee operates under a charter approved by the Board that was last amended in June 2008. The current members of the Governance and Nominating Committee are Luella G. Goldberg (Chair), Roger H. D. Lacey and Gerald D. Pint. Each of the members of the Governance and Nominating Committee is independent under NASDAQ listing standards. The Committee met four times during 2009.

Finance Committee. The Finance Committee is responsible for reviewing and approving the Company's annual business plan and related operating budgets. The Finance Committee interfaces with the Compensation Committee with respect to implementing compensation policies that support the Company's annual business plan. The Finance Committee is also responsible for overseeing and making recommendations about the financial operating policies and procedures relating to matters such as investment of excess cash, management of accounts receivable and inventory, purchases of capital equipment, travel, and employee benefits and perquisites. The current members of the Committee are directors Randall D. Sampson (Chair), Edwin C. Freeman, Curtis A. Sampson and Jeffrey K. Berg, as well as Paul N. Hanson, the former Chief Financial Officer of the Company. The Finance Committee met twice in 2009.

Public Responsibility Committee. The Public Responsibility Committee is responsible for guiding and directing charitable giving by the Company and its subsidiaries. In addition, as appropriate, the committee is responsible for reviewing and providing recommendations regarding CSI policies related to corporate social responsibility and public policy issues of significance to CSI, or policies that may effect CSI's business operation, performance, or corporate reputation. The current members of the Public Responsibility Committee are directors Jeffrey K. Berg (Chair), Luella G. Goldberg and Randall D. Sampson, as well as Karen Nesburg Bleick, the Company's Vice President of Human Resources. The Public Responsibility Committee did not meet in 2009.

Executive Committee. Pursuant to Company's bylaws, the Executive Committee has the authority to act on behalf of the Board of Directors and the Company with respect to matters requiring Board action that arise between meetings of the Board or otherwise as it has been authorized to act by the Board of Directors. The current members of the Committee are Jeffrey K. Berg, Edwin C. Freeman, Gerald D. Pint and Curtis A. Sampson (Chair). While members of the Executive Committee engaged in informal consultations during the year, this committee did not formally meet in 2009.

Table of Contents

Director Independence

The Board of Directors has adopted director independence guidelines that conform to the definitions of “independence” set forth in Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A-3 under the Securities Exchange Act of 1934 and listing standards of NASDAQ. In accordance with these guidelines, the Board of Directors has reviewed and considered facts and circumstances relevant to the independence of each of our directors and director nominees and has determined that each of the following directors qualifies as “independent” under NASDAQ listing standards: Edwin C. Freeman, Luella G. Goldberg, Roger H. D. Lacy and Gerald D. Pint. Directors Curtis A. Sampson, Randall D. Sampson and Jeffrey K. Berg are not independent under NASDAQ listing standards. Curtis A. Sampson does not qualify as independent because he is Chairman of the Company and also served as the Company’s Chief Executive Officer until June 2007; Jeffrey K. Berg does not qualify as independent because he is the Chief Executive Officer of the Company; and Randall D. Sampson does not qualify as independent because he is an immediate family member (the son) of Curtis A. Sampson, who served as an executive officer of the Company during part of the preceding three years.

Selecting Nominees for Election to the Board

The Governance and Nominating Committee is the standing committee responsible for recommending to the full Board of Directors the nominees for election as directors at our annual shareholder meetings. In making its recommendations, the Committee reviews the composition of the full Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board, and works with management in attracting candidates with those qualifications. In making its recommendations, the Committee considers, among other things, relevant experience, integrity, ability to make independent analytical inquiries, understanding of the Company’s business, relationships and associations related to the Company’s business, personal health and a willingness to devote adequate time and effort to Board responsibilities, all in the context of an assessment of the perceived needs of the Company.

Although we have never received a submission in the past, the Governance and Nominating Committee will consider qualified candidates for director that are submitted by our shareholders. Shareholders can submit qualified candidates, together with appropriate biographical information, to the Governance and Nominating Committee at: Communications Systems, Inc., 10900 Red Circle Drive, Minnetonka, Minnesota 55343. Submissions will be forwarded to the Governance and Nominating Committee for review and consideration. Any Shareholder desiring to submit a director candidate for consideration at our 2011 Annual Meeting of Shareholders must ensure that the submission is received by the Company no later than December 21, 2010 in order to provide adequate time for the Governance and Nominating Committee to properly consider the candidate. A shareholder wishing to formally nominate a director candidate should follow the procedure set forth below under the caption “Other Information – Shareholder Proposals for 2011 Annual Meeting --Shareholder Nominations.”

Board Leadership

The Board does not have a formal policy regarding the separation of the roles of Chief Executive Officer and Chair of the Board, although currently the two positions are separated as the Company’s former CEO, Curtis A. Sampson, continued as Chair after retiring as CEO. This structure enables the Chair, in collaboration with other non-employee directors, to have an active role in setting agendas and establishing Board priorities and procedures.

Board Oversight of Risk Management

CSI faces a variety of risks, including operational risk, financial risk, compliance risk, legal risk, risk to its reputation and IT risk. To date the Board has informally discharged its responsibility for oversight of risk management both directly and through the Audit Committee. In addition, the Board encourages management to incorporate risk management considerations into the Company's strategies and day-to-day business operations. The Board is currently evaluating the best approach to discharging its responsibility for oversight of risk management, including whether to make it a subject it directly reviews primarily and regularly, or whether to formally delegate the primary role in discharging this responsibility to a Board committee.

Director Compensation

Compensation information paid to non-employee directors of the Company is set forth under the caption “Director Compensation” on page 16.

Code of Ethics and Business Conduct

We have a Code of Ethics and Business Conduct (the “Code”) applicable to all of the Company's officers, directors, employees and consultants that establishes guidelines for professional and ethical conduct in the workplace. The Code also contains a special set of guidelines applicable to the Company's senior financial officers, including the chief executive officer, principal financial officer, principal accounting officer, and others involved in the preparation of the Company's financial reports. These guidelines are intended to promote the ethical handling of conflicts of interest, full and fair disclosure in periodic reports filed by the Company, and compliance with laws, rules and regulations concerning this periodic reporting. A copy of the Code is available on the “Investor Resources” page of our website at <http://www.commsystems.com/> under “Corporate Governance” and is also available, without charge, by writing to the Company's Corporate Secretary at: Communications Systems, Inc., 10900 Red Circle Drive, Minnetonka, Minnesota 55343.

Contacting the Board of Directors

Any shareholder who desires to contact our Board of Directors may do so by writing to the Board of Directors, generally, or to an individual director at Communications Systems, Inc., 10900 Red Circle Drive, Minnetonka, Minnesota 55343. Communications received electronically or in writing are distributed to the full Board of Directors, a committee or an individual director, as appropriate, depending on the facts and circumstances described in the communication received. By way of example, a complaint regarding accounting, internal accounting controls or auditing matters would be forwarded to the Chair of the Audit Committee for review. Complaints and other communications may be submitted on a confidential or anonymous basis.

Table of Contents

PROPOSAL 1 - Election of Directors

The size and structure of the Board of Directors presently consists of seven director positions, divided into three classes, with each class of directors serving staggered three-year terms. Upon the recommendation of the Governance and Nominating Committee, the Board of Directors has nominated and recommends that the Company's shareholders elect, Curtis A. Sampson and Gerald D. Pint, each of whom currently serves as a director, for three-year terms expiring in 2013. The Board of Directors believes that each nominee will be able to serve as a director. Should a nominee be unable to serve, however, the persons named in the proxies have advised the Company that they would vote for the election of such substitute nominee as the Governance and Nominating Committee may recommend and the Board of Directors may propose.

The following table sets forth information regarding the nominees named above and other directors filling unexpired terms, including information regarding their principal occupations currently and for the preceding five years.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Role of the Compensation Committee and the Board

A primary responsibility of the Compensation Committee appointed by the Company's Board of Directors is to review and approve or recommend for Board approval the compensation and other terms of employment of the Company's Chief Executive Officer, other executive officers and other key employees. The Compensation Committee carries out its responsibilities pursuant to a written charter adopted by the Board. The Compensation Committee's charter is available on the Company's website, www.commsystems.com, by following the "Investor Resources" link to the "Corporate Governance" link under which there is a link to "Committee Composition and Committee Charters."

The charter of the Compensation Committee requires that the Committee consist of no fewer than two board members who are not employees of or consultants to the Company and otherwise independent of the management of the Company and free of any relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as a Committee member. The charter also requires and, on an annual basis the Company's Board of Directors determines, that each member of the Compensation Committee is:

- independent as defined by NASDAQ;
- a non-employee director under Section 16b-3 of the Securities Exchange Act of 1934, and

an outside director within the meaning of Section 162(m) of the Internal Revenue Code.

Under the Compensation Committee's charter, the Committee has the authority to retain, at the Company's expense, such independent counsel or other advisers as it deems necessary to carry out its responsibilities. Additional information regarding the primary responsibilities of the Compensation Committee and its current members is provided above under the caption Corporate Governance and Board Matters the Board, Board Committees and Meetings.

Table of Contents

The Board retains the authority to modify compensation strategy and policies as it determines in its discretion, to give final approval to the compensation and other terms of employment of the Company's Chief Executive Officer and Chief Financial Officer based upon the recommendation of the Compensation Committee, and to review and adopt, or modify the recommendation of, the Compensation Committee regarding the compensation of other Named Executive Officers, as well as other executives of the Company or its subsidiaries. Two of the three directors serving on the Compensation Committee also serve on the Board's Governance and Nominating Committee, which also reviews the performance of the Company's Chief Executive Officer, so that these individuals have the benefit of the Governance and Nominating Committee's evaluation in setting the Chief Executive Officer's compensation.

In recommending to the Board the compensation of the Named Executive Officers and other executives, the Compensation Committee solicits the advice and recommendations from the Company's CEO, CFO and Vice President for Human Resources regarding compensation to be paid to executives other than themselves. However, no executive officer of the Company has final authority with respect to determining the amount or form of compensation paid to any Named Executive Officer or other executives or non-employee directors, and the determination of compensation paid to the Named Executive Officers, other executives and to non-employee directors is entirely within the purview of the Compensation Committee and the Board of Directors as described above. In determining or recommending to the full Board compensation payable to the Named Executive Officers and other executives, the Compensation Committee also uses executive compensation surveys as one point of reference, along with others, in making a judgment as to whether cash compensation paid by the Company is competitive with compensation paid by companies of a similar size and in comparable industries. In addition, in connection with determining 2010 base salary compensation of the Named Executive Officers and other executives, the Compensation Committee was advised by W. J. Flynn & Associates, an independent consulting firm.

Compensation Philosophy and Overview of Executive Officer Compensation

The Company's philosophy with respect to the compensation of the Company's executive officers is based upon the following objectives:

- Establish compensation at levels that will attract, retain and motivate executives that possess superior leadership and management abilities; and
- Structure the forms of compensation paid in order that their interests will be closely aligned with Company's in achieving superior financial performance.

With these objectives in mind, total compensation paid to executive officers currently consists of the following material elements:

- base salary,
- eligibility for bonus compensation,
- eligibility for long-term cash incentive compensation under the Company's PUP Plan discussed below,
- contributions to CSI's Employee Stock Ownership Plan and matching contributions to CSI's 401(k) Plan.

The Compensation Committee believes these forms of compensation provide an appropriate combination of fixed and variable pay and incentives for short-term operational performance balanced with incentive to achieve long-term

growth in the Company's revenues and profitability.

Discussion of Elements of Executive Officer Compensation

Base Salaries. Base salaries of the Company's executive officers are generally established by reference to average base salaries paid to executives in similar positions with similar responsibilities. Base salaries are reviewed annually in December of each year and adjustments are made effective as of January 1 of the following year. In addition to seeking to offer compensation that is competitive, consideration is given by the Compensation Committee to both measurable financial factors, as well as subjective judgments regarding factors such as development and execution of strategic plans, changes in areas of responsibility, potential for assuming greater responsibility and the development and management of employees. The Compensation Committee does not, however, assign specific weights to these various quantitative and qualitative factors in reaching its decisions.

Table of Contents

Short-Term Incentive Plan. Following each year, cash awards (bonuses) are paid based upon a plan that has been informally used for the last several years based on parameters set at the beginning of the year. These bonuses are intended to provide executive officers with an opportunity to receive additional cash compensation, but only if justified by superior financial performance. In 2009, the performance measures used to determine bonuses for each executive officer were

revenues (weighted 25%),
profits (weighted 65%),
average age of receivables (weighted 5%), and
inventory turns (weighted 5%).

The bonuses paid to those officers leading the entire enterprise, rather than a specific business unit, including the Company's Chief Executive Officer, and Chief Financial Officer (the Corporate Officers), were determined based on applying these performance measures to the Company's consolidated performance. The bonus paid to business unit leaders was based on each respective business unit's performance under each of these performance measures. The potential target amount of an executive officer's bonus is a percentage of base pay ranging from 25% to 70%.

Prior to the beginning of each year a target bonus opportunity is established for each executive officer, and, based on the Company's budget, targets for revenue, profit, average age of receivables and inventory turns are established by the Committee in its discretion for each quarter and for the entire year. One-half of each executive officer's bonus is determined based upon how well actual quarterly results of the entire enterprise or the business unit, as applicable, in the four areas being measured compare to the quarterly targets for these performance measures, and one half of each executive officer's bonus is determined based upon how well twelve-month results of the entire enterprise or the business unit, as applicable, in the four areas being measured compare to the annual targets for these performance measures. Accordingly, at the end of each of the four quarters, quarterly results are evaluated in comparison to targets under each of the four performance measures described above and bonuses are determined as follows:

for Corporate Officers, a bonus is paid with respect to a performance measure if quarterly performance on a consolidated basis is at least 60% of the target for that performance measure, and
for business unit leaders a bonus is paid with respect to a performance measure if quarterly performance of the business unit is at least 80% of the target for that performance measure.

Similarly, following the end of the year, twelve-month results are evaluated in comparison to annual targets under each of the four performance measures described above and bonuses are determined as follows:

for Corporate Officers, a bonus is paid with respect to a performance measure if annual performance on a consolidated basis is at least 60% of the annual target for that performance measure, and
for business unit leaders a bonus is paid with respect to a performance measure if annual performance of the business unit is at least 80% of the target for that performance measure. The bonus plan may be changed, suspended, or terminated at any time in the discretion of the Board of Directors.

Long-Term Incentive Compensation.

The Company offers executive officers and management (the Participants) the opportunity to earn long-term cash incentive compensation under its Performance Unit Plan (PUP Plan) that was implemented January 1, 2004 and amended effective January 1, 2006 and January 1, 2008. Beginning in 2004, the performance measure selected to reward superior long-term performance under the PUP Plan had been return on total assets less cash and cash equivalents (Return on Assets) as this was regarded as an important measure of whether management is building shareholder value. In 2008 the PUP Plan was modified to include performance measurements of operating income growth and revenue growth for executives. The performance targets for managers remained Return on Assets.

Table of Contents

Annual target growth rates are set each year by the Committee prior to the start of the plan year. For executives 50% of the annual award is based on Return on Assets, 25% of the award on achievement of operating income growth and 25% of the award on achievement of revenue growth. Additionally the revenue growth target is a four-year cumulative target. This part of the award is only earned if the compounded target is attained by the end of the four year period. Under the PUP Plan, at the beginning of each even-numbered year (e.g., 2006, 2008, etc.) Participants receive awards that cover a four- year performance period. The potential value of each award is determined based on the Participant's position, and in each case the award represents the opportunity to earn cash incentive compensation if financial performance as measured by actual measurements is attained within a range of specified goals that the Committee regards as superior financial performance for each of the four years. Accordingly, each award includes an annual goal for each of the performance measurements for each Participant. Return on Assets, operating income growth and revenue growth are each calculated separately, with a minimum threshold of 80% achievement and a maximum of 150%. Specifically, in the 2009 PUP plan, each part of the award is then weighted 50% Return on Assets, 25% operating income growth and 25% revenue growth for executives or 100% Return on Assets for other managers. This achievement is calculated for each of the four years covered by the award. Under the PUP Plan, the executive officers earn the right to incentive compensation if these goals are achieved on a consolidated basis. Other Participants earn the right to receive incentive compensation based on both their respective business units achieving the performance goals for that unit (weighted 75%) and the consolidated enterprise (weighted 25%). Performance goals are set by the Committee in its discretion, and different goals are set for the entire enterprise and each business unit based on unique factors applicable to each. Annually, following the completion of the fiscal year, achievement of the performance goals is measured for each participant and to the extent actual performance falls within the range of goals applicable to that participant, the participant is deemed to have earned the level of compensation that corresponds to that level of achievement. However, payment of the amount earned during the first three years of the award is deferred to the end of the four-year period of the award, and at the end of the four-year period; participating employees receive cash payments that were earned in each of the four years. Participating employees that resign before the termination of a four-year performance period forfeit any entitlement to cash payments for that period.

Retirement Plans. The Company has established an Employee Stock Ownership Plan and Trust (ESOP) and Savings Plan and Trust (401(k) Plan). Executive officers, including the Named Executive Officers, participate in the ESOP and 401(k) Plan on the same basis as all other employees of the Company. Under the ESOP, the Company makes contributions on an annual basis to the ESOP to enable it to purchase a block of Company Stock which is then allocated to all eligible employees based on their compensation as a percentage of total payroll. Under the 401(k) Plan, the Company matches 50% of each employee's contribution to the 401(k) Plan up to the first 6% the employee may contribute as a percentage of his or her compensation.

Other Compensation. The Company does not offer forms of compensation other than those described above. In particular the Company does not provide for personal benefits or perquisites (perks) as a significant element of compensation of the Named Executive Officers, in particular, or employees of the Company generally.

The next annual meeting of the shareholders of Communications Systems, Inc. is expected to be held on or about May 20, 2011 and proxy materials in connection with that meeting are expected to be mailed on or about April 5, 2011. The Bylaws of the Company establish an advance notice procedure with regard to (i) certain business to be brought before an annual meeting of shareholders of the Company and (ii) the nomination by shareholders of candidates for election as directors.

Properly Brought Business. The Bylaws provide that at the annual meeting only such business may be conducted as is of a nature that is appropriate for consideration at an annual meeting and has been either specified in the notice of the meeting, otherwise properly brought before the meeting by or at the direction of the Board of Directors, or otherwise properly brought before the meeting by a shareholder who has given timely written notice to the Secretary of the Company of such shareholder's intention to bring such business before the meeting.
