(NYSE American: NRO) (the “Real Estate Securities Income Fund”), (each, a “Fund” and, collectively, the “Funds”) by the Board of Directors of each respective Fund (each, a “Board” and, collectively, the “Boards”) in connection with the solicitation of stockholder votes by proxy to be voted at the Annual Meeting of Stockholders (“Meeting”), or any adjournments or postponements thereof, to be held jointly on September 7, 2017, at 2:30 p.m. Eastern time at the offices of Neuberger Berman Investment Advisers LLC (“NBIA”), 1290 Avenue of the Americas, 42nd Floor, New York, New York 10104. It is expected that the Notice of Joint Annual Meeting, this Proxy Statement and form of proxy first will be mailed to stockholders on or about August 14, 2017.

At the Meeting, common stockholders and preferred stockholders of each Fund will be asked to consider and act upon

the following:

- (1) The election of four Class III Directors, which include Martha C. Goss, James G. Stavridis, Candace L. Straight, and Joseph V. Amato, to be elected by the holders of common stock and the holders of preferred stock, if any, voting together as a single class, such Directors to serve until the annual meeting of stockholders in 2020, or until their successors are elected and qualified; and

1

- (2) To consider and act upon any other business that may properly come before the Meeting or any adjournments or postponements thereof.

Stockholders of record or beneficial owners as of the record date of each Fund may obtain a free copy of the annual report for the fiscal year ended October 31, 2016 (fiscal year ended November 30, 2016 with respect to the MLP Income Fund), which includes audited financial statements for the Fund, and the semi-annual report for the period ended April 30, 2017 (May 31, 2017 with respect to the MLP Income Fund), by writing Neuberger Berman Investment Advisers LLC at 1290 Avenue of the Americas, New York, New York 10104, Attn: Shareholder Services, by calling toll free 877-461-1899 or on the internet at www.nb.com.

Stockholders may send communications that they would like to direct to a Board of Directors or to an individual Director of a Fund to the attention of Chamaine Williams, Chief Compliance Officer (“CCO”) of the Funds, or to Claudia A. Brandon, Secretary of the Funds, Neuberger Berman Funds, 1290 Avenue of the Americas, New York, New York 10104. Each Board has directed Ms. Williams and Ms. Brandon to send such communications to the chairperson of the applicable Fund’s Ethics and Compliance Committee. Nominee recommendations and stockholder proposals should be directed to the attention of Claudia A. Brandon, Secretary of the Funds, Neuberger Berman Funds, 1290 Avenue of the Americas, New York, New York 10104 as described in this Proxy Statement under “Proposal 1: Election of Directors—Information Regarding Each Fund’s Process for Nominating Director Candidates” and “General Information—Stockholder Proposals.”

PROPOSAL 1: ELECTION OF DIRECTORS

Each Board is divided into three classes (Class I, Class II and Class III). The terms of office of Class I, Class II and Class III Directors will expire at the annual meeting of stockholders held in 2018, 2019 and 2017, respectively, and at each third annual meeting of stockholders thereafter. Each Director shall hold office until his or her successor is elected and qualified or until his or her earlier death, resignation or removal. The classification of each Fund’s Directors helps to promote the continuity and stability of each Fund’s management and policies because the majority of the Directors at any given time will have prior experience as Directors of the Fund.

Preferred stockholders are entitled, as a class, to the exclusion of the holders of all other classes of stock of a Fund, to elect two Directors of the Fund (regardless of the total number of Directors serving on the Board). These Directors are Class I and Class II Directors and are up for election in 2018 and 2019, respectively. None of these Directors is a nominee to be considered at the Meeting. The MLP Income Fund and the Real Estate Securities Income Fund have no preferred stock outstanding and, therefore, no preferred stockholders.

The term of each current Class III Director expires at the Meeting, but each expressed his or her willingness to serve another term as Director of the Funds if nominated by the respective Boards. Each Fund has implemented a retirement policy.

Each Fund's Governance and Nominating Committee reviewed the qualifications, experience and background of each incumbent Director. Based upon this review and consideration, each Committee determined that nominating the incumbent Class III Directors for election would be in the best interests of its Fund's stockholders.

The Boards received the recommendations of the Governance and Nominating Committees. After discussion and consideration of, among other things, the backgrounds of the incumbent Class III Directors, each Board voted to nominate Martha C. Goss, James G. Stavridis, Candace L. Straight, and Joseph V. Amato for election as Class III Directors with terms expiring in 2020.

Each Board believes that the incumbents are well suited for service on the Board due to their familiarity with the Fund as a result of their prior service as Directors, their knowledge of the financial services sector and their substantial experience in serving as directors or trustees, officers or advisers of public companies and business organizations, including other investment companies.

Properly executed proxy cards will be voted as instructed by stockholders. In the absence of such instruction, however, it is the intention of the persons named on the enclosed proxy card(s) to vote in favor of the election of each nominee named in this Proxy Statement. Each nominee has consented to be named in this Proxy Statement and to serve as a Director if elected. Each Board has no reason to believe that any nominee will become unavailable for election as a Director, but if that should occur before the Meeting, the proxies will be voted for such other nominees as the Board may recommend.

None of the Directors are related to any other. The following tables set forth certain information regarding each Director of the Funds.

Additional Information About Directors

In nominating each candidate to serve, each Board was generally aware of each Director's skills, experience, judgment, analytical ability, intelligence, common sense, previous profit and not-for-profit board membership and, for each Director who is not an "interested person" within the meaning of the 1940 Act ("Independent Director"), their demonstrated willingness to take an independent and questioning stance toward management. Each Director also has considerable familiarity with each Fund, its investment manager and administrator, and their operations, as well as the special regulatory requirements governing regulated investment companies and the special responsibilities of investment company directors as a result of his or her substantial prior service as a Director of the Funds. Board of Directors and Committee Meetings

Each Board met seven times during its fiscal year ended October 31, 2016 (November 30, 2016, with respect to the MLP Income Fund). During each Fund’s 2016 fiscal year, each Director attended at least 75% of (i) the total number of meetings of each Board (held during the period for which he or she has been a Director) and (ii) the total number of meetings held by all committees of each Board on which he or she served (held during the period for which he or she has been a Director).

The Boards are responsible for managing the business and affairs of the Funds. Among other things, each Board generally oversees the portfolio management of its Fund and reviews and approves its Fund’s investment management agreement and other principal contracts.

Each Board has appointed an Independent Director to serve in the role of Chairman of the Board. The Chair's primary responsibilities are (i) to participate in the preparation of the agenda for meetings of the Board and in the identification of information to be presented to the Board; (ii) to preside at all meetings of the Board; (iii) to act as the Board's liaison with management between meetings of the Board; and (iv) to act as the primary contact for board communications. The Chair may perform such other

functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to the respective Fund's Articles of Incorporation or Bylaws, the designation as Chair does not impose on such Independent Director any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

As described below, each Board has an established committee structure through which the Boards consider and address important matters involving the Funds, including those identified as presenting conflicts or potential conflicts of interest for management. The Independent Directors also regularly meet outside the presence of management and are advised by experienced independent legal counsel knowledgeable in matters of investment company regulation. Each Board periodically evaluates its structure and composition as well as various aspects of its operations. Each Board believes that its leadership structure, including its Independent Chair and its committee structure, is appropriate in light of, among other factors, the asset size of the fund complex overseen by the Board, the nature and number of funds overseen by the Board, the number of Directors, the range of experience represented on the Board and the Board's responsibilities.

The Boards do not have a standing compensation committee although the Governance and Nominating Committees do consider and make recommendations relating to Independent Director compensation to the Boards.

Audit Committee. Each Fund's Audit Committee's purposes are: (a) in accordance with exchange requirements and Rule 32a-4 under the 1940 Act, to oversee the accounting and financial reporting processes of the Fund and, as the Committee deems appropriate, to inquire into the internal control over financial reporting of service providers; (b) in accordance with exchange requirements and Rule 32a-4 under the 1940 Act, to oversee the quality and integrity of the Fund's financial statements and the independent audit thereof; (c) in accordance with exchange requirements and Rule 32a-4 under the 1940 Act, to oversee, or, as appropriate, assist Board oversight of, the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits; (d) to approve prior to appointment the engagement of the Fund's independent auditors and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditors; (e) to act as a liaison between the Fund's independent auditors and the full Board; (f) to prepare an audit committee report as required by Item 407(d) of Regulation S-K to be included in proxy statements relating to the election of directors; (g) to monitor the operation of policies and procedures reasonably designed to ensure that each portfolio holding is valued in an appropriate and timely manner, reflecting information known to management (including management's internal Valuation Committee) about the issuer, current market conditions, and other material factors ("Pricing Procedures"); (h) to consider and evaluate, and recommend to the Board when the Committee deems it appropriate, amendments to the Pricing Procedures proposed by management, counsel, the auditors, the Committee itself or others; and (i) from time to time, as required or permitted by the Pricing Procedures, to establish or

ratify a method of determining the fair value of portfolio securities for which market prices are not readily available or are deemed unreliable. The independent auditors for each Fund shall report directly to the Audit Committee. Each Fund has adopted a written charter for its Audit Committee. A copy of the Audit Committee Charter for each Fund is available in the “Fund Governance” section of the NBIA’s website at www.nb.com. The Audit Committee of each Fund has delegated the authority to grant pre-approval of permissible non-audit services and all audit, review or attest engagements of the Fund’s independent registered public accounting firm to each member of the Committee between meetings of the Committee.

Each Fund’s Audit Committee is composed entirely of Independent Directors who are also considered independent under the listing standards applicable to each Fund. For each Fund, its members are Michael J. Cosgrove (Vice Chair), Deborah C. McLean, George W. Morriss (Chair), and Peter P. Trapp. The Board has determined that Michael J. Cosgrove, Deborah C. McLean, and George W. Morriss are qualified to serve as Audit Committee financial experts. The Reports of the Audit Committees relating to the audit of each Fund’s financial statements for the fiscal year ended October 31, 2016 (fiscal year ended November 30, 2016 with respect to the MLP Income Fund) are attached hereto as Exhibit A. During each Fund’s 2016 fiscal year, its Audit Committee met six times.

Closed-End Funds Committee. Each Fund’s Closed-End Funds Committee is responsible for consideration and evaluation of issues specific to such Fund. For each Fund, its members are Faith Colish, Robert Conti, Michael J. Cosgrove, George W. Morriss (Vice Chair) and Peter P. Trapp (Chair). All members except for Mr. Conti are Independent Directors. Except for the MLP Income Fund, during each Fund’s 2016 fiscal year, its Closed-End Funds Committee met eight times. The MLP Income Fund’s Closed-End Funds Committee met eleven times during the Fund’s 2016 fiscal year.

Contract Review Committee. Each Fund’s Contract Review Committee is responsible for overseeing and guiding the process by which the Independent Directors annually consider whether to renew the Fund’s principal contractual arrangements. For each Fund, its members are Marc Gary, Martha C. Goss, Deborah C. McLean (Vice Chair), and Candace L. Straight (Chair). All members are Independent Directors. During each Fund’s 2016 fiscal year, its Contract Review Committee met four times.

Ethics and Compliance Committee. Each Fund’s Ethics and Compliance Committee generally oversees: (a) the Fund’s program for compliance with Rule 38a-1 and the Fund’s implementation and enforcement of its compliance policies and procedures; (b) the compliance with the Fund’s Code of Ethics, which restricts the personal securities transactions, including transactions in Fund shares, of employees, officers, and directors; (c) the activities of the Fund’s Chief Compliance Officer (“CCO”); (d) the activities of management personnel responsible for identifying, prioritizing, and managing compliance risks and operational risk; (e) the adequacy and fairness of the arrangements for securities lending, if any, in a manner consistent with applicable regulatory requirements, with special emphasis on any arrangements in which the Fund deals with the manager or any affiliate of the manager as principal or agent; and (f) the program by which the manager seeks to monitor and improve the quality of execution for portfolio

transactions. A Committee shall not assume oversight duties to the extent that such duties have been assigned by its Board expressly to another Committee of the Board (such as oversight of internal controls over financial reporting, which has been assigned to the Audit Committee.) Each Committee's primary function is oversight. Each investment adviser, principal underwriter, administrator and transfer agent (collectively, "Service Providers") is responsible for its own compliance with the federal securities laws and for devising, implementing, maintaining and updating appropriate policies, procedures and codes of ethics to ensure compliance with applicable laws and regulations. The CCO is responsible for administering each Fund's Compliance Program, including devising and implementing appropriate methods of testing compliance by the Fund and its Service Providers. For each Fund, its members are Marc Gary (Chair), Michael M. Knetter, Tom D. Seip, James G. Stavridis, and Candace L. Straight (Vice Chair). All members are Independent Directors. Each Board will receive at least annually a report on the compliance programs of its Fund and service providers and the required annual reports on the administration of the Code of Ethics and the required annual certifications from the Fund and NBIA. During each Fund's 2016 fiscal year, its Ethics and Compliance Committee met six times.

Executive Committee. Each Fund's Executive Committee is responsible for acting in an emergency when a quorum of its Board is not available; the Committee has all the powers of the Board when the Board is not in session to the extent permitted by Maryland law. For each Fund, its members are Robert Conti (Vice Chair), Marc Gary, Martha C. Goss, Michael M. Knetter, George W. Morriss, Tom D. Seip (Chair), Candace L. Straight, and Peter P. Trapp. All members except for Mr. Conti are Independent Directors. During each Fund's 2016 fiscal year, each Fund's Executive Committee met one time.

Governance and Nominating Committee. Each Fund's Governance and Nominating Committee is responsible for: (a) considering and evaluating the structure, composition and operation of its Board and each committee thereof, including the operation of the annual self-evaluation by the Board; (b) evaluating and nominating individuals to serve as Fund Directors including as Independent Directors, as members of committees, as Chair of the Board and as Fund officers; and (c) considering and making recommendations relating to the compensation of Independent Directors and of those officers (except the CCO) as to whom the Board is charged with approving compensation. The selection and nomination of candidates to serve as independent directors is committed to the discretion of the current Independent Directors. For each Fund, its members are Martha C. Goss (Chair), Michael M. Knetter, Tom D. Seip, and James G. Stavridis (Vice Chair). All members are Independent Directors. As previously described, each Committee met to discuss matters related to the nomination of Class III Directors with respect to its Fund. Except for the MLP Income Fund, during each Fund's 2016 fiscal year, its Governance and Nominating Committee met two times. The MLP Income Fund's Governance and Nominating Committee met three times during the Fund's 2016 fiscal year.

Investment Performance Committee. Each Fund's Investment Performance Committee is responsible for overseeing and guiding the process by which its Board reviews Fund performance and interfacing with management personnel responsible for investment risk management. Each Fund Director is a member of the Committee. Michael M. Knetter and Peter P. Trapp are the Chair and Vice Chair, respectively, of the Committee. All members except for Mr. Amato and Mr. Conti are Independent Directors. During each Fund's 2016 fiscal year, each Fund's Investment Performance Committee met four times.

Risk Management Oversight

As an integral part of its responsibility for oversight of the Funds in the interests of stockholders, the Boards oversee risk management of each Fund's administration and operations. The Boards view risk management as an important responsibility of management.

The Funds face a number of risks, such as investment risk, counterparty risk, valuation risk, reputational risk, risk of operational failure or lack of business continuity, and legal, compliance and regulatory risk. Risk management seeks to identify and address risks, *i.e.*, events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Funds. Under the overall supervision of the Boards, the Funds, the Funds' investment manager and its affiliates, and other service providers to the Funds, employ a variety of processes, procedures and controls to identify various of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Different processes, procedures and controls are employed with respect to different types of risks.

Each Board exercises oversight of the investment manager's risk management processes primarily through the Board's committee structure. The various committees, as appropriate, and, at times, the Board, meet periodically with the investment manager's head of investment risk, head of operational risk, the CCO, the Treasurer, the Chief Investment Officers for equity and for fixed income, the head of Internal Audit and the Funds' independent auditor. The committees review with these individuals, among other things, the design and implementation of risk management strategies in their respective areas and events and circumstances that have arisen and responses thereto.

The Boards recognize that not all risks that may affect the Funds can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Funds' goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Directors as to risk management matters are typically summaries of the relevant information. Furthermore, it is in the very nature of certain risks that they can be evaluated only as probabilities, and not as certainties. As a result of the foregoing and other factors, the Boards' risk management oversight is subject to substantial limitations, and no risk management program can predict the likelihood or seriousness of, or mitigate the effects of, all potential risks.

Information Regarding Each Fund's Process for Nominating Director Candidates

Governance and Nominating Committee Charter. A copy of the Governance and Nominating Committee Charter for each Fund is available in the "Fund Governance" section of the NBIA's website at www.nb.com.

Stockholder Communications. Each Fund's Governance and Nominating Committee will consider nominees recommended by stockholders; stockholders may send resumes of recommended persons to the attention of Claudia A. Brandon, Secretary, Neuberger Berman Funds, 1290 Avenue of the Americas, New York, New York 10104. To be considered for a specific Fund at a specific meeting of stockholders, please identify such request and comply with the timing and information requirements described under "Stockholder Proposals."

Nominee Qualifications. The Governance and Nominating Committee of each Fund will consider nominees recommended by stockholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources. While there is no formal list of qualifications, the Governance and Nominating Committee considers, among other things, whether prospective nominees have distinguished records in their primary careers, unimpeachable integrity and substantive knowledge in areas important to a Board's operations, such as background or education in finance, auditing, securities law, the workings of the securities markets or investment advice. For candidates to serve as Independent Directors, independence from each Fund's investment manager, its affiliates and other principal service providers is critical, as is an independent and questioning mindset. Each Committee also considers whether the prospective candidates' workloads would allow them to attend the vast majority of Board meetings, be available for service on Board committees and devote the additional time and effort necessary to keep up with Board matters and the rapidly changing regulatory environment in which each Fund operates. Different substantive areas may assume greater or lesser significance at particular times, in light of a Board's present composition and a Committee's (or a Board's) perceptions about future issues and needs. In considering nominees, each Committee also considers the diversity of the Board with respect to professional experience, education, skill and viewpoint.

Identifying Nominees. Each Governance and Nominating Committee considers prospective candidates from any reasonable source. Each Committee initially evaluates prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of a Board would be contacted by a Committee member by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more Committee members would be arranged. If a Committee, based on the results of these contacts, believed it had identified a viable candidate, it would air the matter with the full group of Independent Directors for input.

Any request by management to meet with the prospective candidate would be given appropriate consideration. Each Governance and Nominating Committee may, but is not required to, retain third party consultants, at its Fund's expense, to assist with the identification and/or evaluation of potential candidates for Independent Directors.

Director Attendance at Annual Meetings

The Funds do not have a policy on Director attendance at the annual meeting of stockholders. For each Fund, one Board member attended the 2016 annual meeting of stockholders.

(1) Ms. Colish retired from her position as Trustee of the open-end funds' Boards of Trustees ("Open-End Fund Boards") of the Neuberger Berman Fund Complex effective December 31, 2016. After her retirement, Ms. Colish began serving as a legal and regulatory compliance consultant to the Open-End Fund Boards. She will continue serving as a Director of the Funds.

(3) Mr. Mileaf retired from his position as Director effective December 31, 2016.

For serving as a trustee/director of the funds in the Neuberger Berman fund family, each Independent Director and each Director who is an "interested person" but not an employee of NBIA or its affiliates receives an annual retainer of \$140,000, paid quarterly, and a fee of \$15,000 for each of the four regularly scheduled meetings he or she attends in-person or by telephone. For any additional special in-person or telephonic meeting of the Board, the Governance and Nominating Committee will determine whether a fee is warranted. To compensate for the additional time commitment, the Chair of the Audit Committee and the Chair of the Contract Review Committee each receives \$20,000 per year and each Chair of the other Committees receives \$15,000 per year. No additional compensation is provided for service on a Board committee. The Chair of the Board who is also an Independent Director receives an additional \$50,000 per year.

The Neuberger Berman funds reimburse Independent Directors for their travel and other out-of-pocket expenses related to attendance at Board meetings. The Independent Director compensation is allocated to each fund in the Neuberger Berman fund family based on a method the Board finds reasonable.

Audit Committees' Pre-Approval Policies and Procedures

Each Audit Committee's pre-approval policies and procedures for its Fund to engage an accountant to render audit and non-audit services delegate to each member of the Committee the power to pre-approve services between meetings of the Committee.

Each Audit Committee has considered these fees and the nature of the services rendered, and has concluded that they are compatible with maintaining the independence of Ernst & Young. The Audit Committees did not approve any of the services described above pursuant to the "de minimis exceptions" set forth in Rule 2-01(c)(7)(i)(C) and Rule 2-01(c)(7)(ii) of Regulation S-X. Ernst & Young did not provide any audit-related services, tax services or other non-audit services to NBIA and any entity controlling, controlled by or under common control with NBIA that provides ongoing services to a Fund that the Audit Committees were required to approve pursuant to Rule 2-01(c)(7)(ii) of Regulation S-X. Each Audit Committee considered whether the provision of non-audit services rendered to NBIA and any entity controlling, controlled by, or under common control with NBIA that provides ongoing services to a Fund that were not pre-approved by the Audit Committee because the engagement did not relate directly to the operations and financial reporting of the Fund is compatible with maintaining Ernst & Young's independence.

Information regarding each Director's ownership of shares of each Fund is set forth above under "Ownership of Securities." The principal executive officer and principal financial officer of each Fund own no Fund shares.

Payment of Solicitation Expenses

Solicitation is made primarily by the mailing of this Proxy Statement and the accompanying proxy card(s). Supplementary solicitations may be made by mail, telephone and electronic transmission or in person by regular employees of NBIA, affiliates of NBIA or other representatives of the Funds. NBIA serves as each Fund's investment manager and administrator. In addition, each Fund has engaged AST Fund Solutions, LLC, a proxy solicitation firm, to assist in the solicitation of proxies. All expenses in connection with preparing this Proxy Statement and its enclosures, and additional solicitation expenses including reimbursement of brokerage firms and others for their expenses in forwarding proxy solicitation material to the beneficial owners of shares of stock, will be borne by the Funds. Additional out-of-pocket costs, such as legal expenses, incurred in connection with the preparation of this Proxy Statement, also will be borne by the Funds.

Other Matters to Come Before the Meeting

The Funds do not know of any matters to be presented at the Meeting other than those described in this Proxy Statement. If other business should properly come before the Meeting, including votes to adjourn the Meeting to allow for the additional solicitation or proxy statements, the proxy holders will vote on it in accordance with their best judgment for those shares they are authorized to vote. However, any proposal submitted to a vote at the Meeting by anyone other than the officers or Directors of the Funds may be voted only in person or by written proxy.

Stockholder Proposals

Each Fund's Bylaws require stockholders wishing to nominate Directors or make proposals to be voted on at the Fund's annual meeting to provide notice of the nominations or proposals in writing delivered or mailed by first class United States mail, postage prepaid, to the Secretary of the Fund. To be valid, the notice must include all of the information specified in the applicable Fund's Bylaws. Stockholder proposals meeting tests contained in the SEC's proxy rules may, under certain conditions, be included in a Fund's proxy material for a particular annual stockholder meeting. Proposals submitted for inclusion in a Fund's proxy material for the 2018 annual meeting must be received by the Secretary on or before April 16, 2018. The fact that the Funds receive a stockholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements in the proxy rules relating to such inclusion.

Stockholders who wish to make a proposal that would not be included in a Fund's proxy materials or to nominate a person or persons as a Director at a Fund's 2018 annual meeting must ensure that the proposal or nomination is delivered to the Secretary no earlier than March 16, 2018 and no later than April 16, 2018. However, if the date of the mailing of the notice for the annual meeting is advanced or delayed by more than thirty days from the anniversary date of the mailing of this year's notice for the annual meeting or a special meeting of stockholders is held, notice by the stockholders to be timely must be delivered no earlier than the 120th day prior to the date of such meeting, and no later than the later to occur of (i) the 90th day prior to the date of such meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made by the Fund. The proposal or nomination must be in good order and in compliance with all applicable legal requirements, including the requirements set forth in each Fund's Bylaws. The Chairman of the Meeting may refuse to acknowledge a nomination or other proposal by a stockholder that is not made in the manner described above.

Notice to Banks, Broker-Dealers and Voting Directors and their Nominees

Please advise the Funds, c/o Secretary, 1290 Avenue of the Americas, New York, New York 10104, whether other persons are beneficial owners of shares of Fund stock for which proxies are being solicited and, if so, the number of copies of the Proxy Statement to supply to the beneficial owners of these shares.

Investment Manager and Administrator

NBIA serves as the investment manager and administrator to each Fund. NBIA provides investment management and advisory services to private accounts of institutional and individual clients and to mutual funds. NBIA is located at 1290 Avenue of the Americas, New York, New York 10104. As of June 30, 2017, NBIA and its affiliates had approximately \$271 billion in assets under management.

VOTING INFORMATION

Voting Rights

The close of business on July 28, 2017, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting (“Record Date”). On that date, each Fund had the following number of shares of common stock and preferred stock outstanding and entitled to vote:

Fund	Shares of Common Stock Outstanding	Shares of Preferred Stock Outstanding
Neuberger Berman High Yield Strategies Fund Inc.	19,540,585	1,400
Neuberger Berman Real Estate Securities Income Fund Inc.	47,419,671	0
Neuberger Berman California Intermediate Municipal Fund Inc.	5,551,044	590
Neuberger Berman Intermediate Municipal Fund Inc.	18,801,383	1,794
Neuberger Berman New York Intermediate Municipal Fund Inc.	5,077,417	483
Neuberger Berman MLP Income Fund Inc.	56,658,928	0

Holders of each Fund’s outstanding shares of common and preferred stock, if any, will vote together as a single class to elect four Class III Directors. As to any other business that may properly come before the Meeting, holders of each Fund’s shares of common stock and preferred stock may vote together as a single class or separately, depending on the requirements of the 1940 Act, the Maryland General Corporation Law (“MGCL”) and a Fund’s charter with respect to said item of business. Each full share of a Fund’s common stock or preferred stock is entitled to one vote and each fractional share of a Fund’s common stock or preferred stock is entitled to a proportionate share of one vote.

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the shares represented by the proxy card will be voted in accordance with the instructions marked on the proxy card. If no instructions are specified on a proxy card, shares will be voted “FOR” the election of each nominee for Director and “FOR,” “ABSTAIN,” or “AGAINST” any other matters acted upon at the Meeting in the discretion of the persons named as proxies. Any stockholder who has given a proxy has the right to revoke it any time prior to its exercise by attending the Meeting and voting his or her shares in person, or by submitting a letter of revocation or a later-dated proxy card to the Fund at the address indicated on the enclosed envelope provided with this Proxy Statement. Any letter of revocation or later-dated proxy card must be received by the Fund prior to the Meeting and must indicate your name and account number to be effective. Proxies voted by telephone or Internet may be revoked at any time before they are voted at the Meeting in the same manner that proxies voted by mail may be revoked.

The Funds expect that broker-dealer firms holding shares of the Funds' stock in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the election of Directors. The Funds understand that, under the rules of the NYSE and NYSE American, such

broker-dealers may grant authority to the proxies designated by the Funds to vote on the election of Directors for the Funds if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Certain broker-dealer firms may exercise discretion over shares held in their names for which no instructions are received by voting such shares in the same proportion as they have voted shares for which they have received instructions.

In tallying stockholder votes, proxies that reflect abstentions or "broker non-votes" (shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or the persons entitled to vote and either (i) the broker or nominee does not have discretionary voting power or (ii) the broker or nominee returns the proxy but expressly declines to vote on a particular matter) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum and effectively will be a vote against the election of Directors.

For situations in which advisers have proxy voting discretion, they will vote the Proposals in accordance with their proxy voting policies. Generally, this means that they will follow a third-party proxy voting provider's recommendations, however, they have the ability to vote contrary to the recommendation in certain circumstances.

Proxy solicitations will be made primarily by mail, but may also be made by telephone, electronic transmissions or personal meetings with officers and employees of NBIA, affiliates of NBIA or other representatives of the Funds. Proxy solicitations may also be made by AST Fund Solutions, LLC.

Quorum; Adjournment

A quorum with respect to a Fund is constituted by one-third of the Fund's shares outstanding and entitled to vote at the Meeting, present in person or by proxy. If a quorum is not present at a Fund's Meeting, the persons named as proxies may propose one or more adjournments of such Meeting to permit further solicitation of proxies. Subject to the rules established by the Chairman of the Meeting, the holders of a majority of the shares entitled to vote at the Meeting and present in person or by proxy may vote to adjourn, or, if no stockholder entitled to vote is present in person or by proxy, any officer present entitled to preside or act as secretary of the Meeting may adjourn the Meeting. In the former case, the persons named as proxies will vote those proxies that they are entitled to vote "FOR" or "AGAINST" any proposal and those proxies they are required to "WITHHOLD" on some or all nominees in their discretion. If a quorum is present at the Meeting, the Chairman of the Meeting may adjourn the Meeting if sufficient votes to approve a Proposal are not received or for any other purpose. A stockholder vote may be taken on the nominations in this Proxy Statement prior to any such adjournment if sufficient votes have been received and it is otherwise appropriate. Each Board also may postpone the Meeting of stockholders prior to the Meeting with notice to the stockholders entitled to vote at or to receive notice of the Meeting.

Vote Required

With respect to each Fund, Martha C. Goss, James G. Stavridis, Candace L. Straight, and Joseph V. Amato must be elected by vote of the holders of a majority of the Fund's outstanding shares of common stock and preferred stock, if any, voting together.

With respect to other items of business (and the Funds are not currently aware of any other items to be brought before the Meeting), the necessary affirmative vote will depend on the requirements of the 1940 Act, the MGCL and the applicable Fund's charter with respect to said item of business.

To assure the presence of a quorum at the Meeting, please promptly execute and return the enclosed proxy. A self-addressed, postage-paid envelope is enclosed for your convenience. Alternatively, you may vote by telephone or through the Internet at the number or website address printed on the enclosed proxy card.

By order of each Board,

Neuberger Berman Real Estate Securities Income Fund Inc.
(Collectively, the “Funds”)

The Audit Committees of the Boards of Directors of the Funds operate pursuant to a Charter, which sets forth the role of the Audit Committee in each Fund’s financial reporting process. Pursuant to the Charter, and in accordance with Rule 32a-4 under the Investment Company Act of 1940, as amended, the role of each Fund’s Audit Committee is to oversee the Fund’s accounting and financial reporting processes and the quality and integrity of the Fund’s financial statements and the independent audit of those financial statements. Each Fund’s Committee is responsible for, among other things, recommending the initial and ongoing engagement of the independent auditors and reviewing with the Fund’s independent auditors the scope and results of the Fund’s annual audit. Fund management is responsible for the preparation, presentation and integrity of the Funds’ financial statements and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors for the Funds are responsible for planning and carrying out proper audits and reviews.

The Audit Committees met on December 13, 2016 to review the Funds’ audited financial statements for the fiscal year ended October 31, 2016. In performing this oversight function, the Audit Committees have reviewed and discussed the audited financial statements with the Funds’ management and their independent auditors, Ernst & Young LLP (“E&Y”). The Audit Committees have discussed with E&Y the matters required to be discussed by Statement on Auditing Standards No. 16 and have received the written disclosures and the letter from E&Y required by the applicable requirements of the Public Company Accounting Oversight Board regarding independent accountant communications with audit committees concerning the accountants’ independence. The Audit Committees also have discussed with E&Y its independence.

The members of the Audit Committees are not employed by the Funds as experts in the fields of auditing or accounting and are not employed by the Funds for accounting, financial management or internal control purposes. Members of the Audit Committees rely without independent verification on the information provided and the representations made to them by management and E&Y.

Based upon this review and related discussions, and subject to the limitation on the role and responsibilities of the Audit Committee set forth above and in the Charter, the Audit Committee of each Fund recommended to its Board of Directors that the audited financial statements be included in the Fund’s Annual Report to Stockholders for the fiscal

AUDIT COMMITTEE REPORT

Neuberger Berman MLP Income Fund Inc.

The Audit Committee of the Board of Directors of Neuberger Berman MLP Income Fund Inc. (the “Fund”) operates pursuant to a Charter, which sets forth the role of the Audit Committee in the Fund’s financial reporting process. Pursuant to the Charter, and in accordance with Rule 32a-4 under the Investment Company Act of 1940, as amended, the role of the Fund’s Audit Committee is to oversee the Fund’s accounting and financial reporting processes and the quality and integrity of the Fund’s financial statements and the independent audit of those financial statements. The Fund’s Committee is responsible for, among other things, recommending the initial and ongoing engagement of the independent auditors and reviewing with the Fund’s independent auditors the scope and results of the Fund’s annual audit. Fund management is responsible for the preparation, presentation and integrity of the Fund’s financial statements and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors for the Fund are responsible for planning and carrying out proper audits and reviews.

The Audit Committee met on January 25, 2017 to review the Fund’s audited financial statements for the fiscal year ended November 30, 2016. In performing this oversight function, the Audit Committee has reviewed and discussed the audited financial statements with the Fund’s management and its independent auditors, Ernst & Young LLP (“E&Y”). The Audit Committee has discussed with E&Y the matters required to be discussed by Statement on Auditing Standards No. 16 and has received the written disclosures and the letter from E&Y required by the applicable requirements of the Public Company Accounting Oversight Board regarding independent accountant communications with audit committees concerning the accountant’s independence. The Audit Committee also has discussed with E&Y its independence.

The members of the Audit Committee are not employed by the Fund as experts in the fields of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Members of the Audit Committee rely without independent verification on the information provided and the representations made to them by management and E&Y.

Based upon this review and related discussions, and subject to the limitation on the role and responsibilities of the Audit Committee set forth above and in the Charter, the Audit Committee of the Fund recommended to its Board of Directors that the audited financial statements be included in the Fund’s Annual Report to Stockholders for the fiscal year ended November 30, 2016.
