PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Evergreen Income Advantage Fund (the "Fund") for use at the Annual Meeting of Shareholders (the "Meeting") to be held at Evergreen Investments, 26th Floor, 200 Berkeley Street, Boston,

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

Massachusetts 02116, on August 13, 2004 at 10:00 a.m. Eastern time. The address of the principal office of the Fund is Evergreen Investments, 200 Berkeley Street, Boston, Massachusetts 02116.

This proxy statement and form of proxy were first sent to shareholders on or about June 30, 2004.

Proxy Solicitation

All proxies in the enclosed form which are properly executed and returned to the Fund will be voted as provided therein at the Meeting or at any adjournments thereof. A holder of either common or preferred shares (the "Shareholder") executing and returning a proxy has the power to revoke it at any time before it is exercised by giving written notice of such revocation to an officer of the Fund. Signing and mailing the proxy will not affect your right to give a later proxy or to attend the Meeting and vote your common shares or preferred shares (the "Shares") in person.

The Board of Trustees intends to bring before the Meeting the matter set forth in Proposal 1 in the foregoing notice. The persons named in the enclosed proxy card and acting thereunder will vote with respect to Proposal 1 in accordance with the directions of the Shareholders as specified on the proxy card; if no choice is specified, the Shares will be voted FOR the election of the four trustees named in Proposal 1. If any other matters are properly presented at the Meeting for action, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with the views of management thereon. Abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) are counted for quorum purposes. The Fund's Second Amended and Restated Agreement and Declaration of Trust (the "Declaration") provides that the holders of thirty-three and a third percent (33 1/3%) of the Shares issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum for the transaction of business at the Meeting. With regard to the election of trustees, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect.

The affirmative vote of a plurality of the Shares present in person or represented by proxy at the Meeting is required for the election of trustees (Proposal 1). The four nominees that receive the most affirmative votes cast at the Meeting will be elected as trustees.

In the event a quorum is not present at the Meeting or in the event that a quorum is present but sufficient votes to approve the proposed item is not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those Shares represented at such meeting in person or by proxy. The persons named as proxies will vote those proxies that they are entitled to vote FOR any such proposal, IN FAVOR of such an adjournment, and will vote those proxies required to be voted AGAINST any such proposal, AGAINST any such adjournment. Abstentions and broker non-votes will not be voted as a motion to adjourn.

The Fund will bear the costs of preparing, printing and mailing this proxy statement, the proxies and any additional materials which may be furnished to Shareholders. Solicitation may be undertaken by mail, telephone, facsimile and personal contact. The Fund has engaged Georgeson Shareholder Communications, Inc. to solicit proxies from brokers, banks, other institutional holders and

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

individual Shareholders for a fee of approximately \$3,500.00. This fee will be borne by the Fund. The Annual Report of the Fund will be mailed, along with this proxy statement, to all Shareholders on or about June 30, 2004.

Voting Securities and Principal Holders Thereof

Holders of record of the Fund's Shares at the close of business on June 18, 2004 will be entitled to vote at the Meeting or any adjournment thereof. As of June 18, 2004, the Fund had outstanding 66,314,975 common shares and 490,000,000 preferred shares. Each Shareholder is entitled to one vote per Share on all business of the Meeting.

To the knowledge of the Fund, there is no beneficial owner of more than 5% of the outstanding Shares of the Fund.

As of June 18, 2004, the officers and Trustees of the Fund as a group beneficially owned in aggregate less than 1.00% of the outstanding Shares of the Fund and less than 1% of the outstanding securities of Wachovia Corporation ("Wachovia"), parent of Evergreen Investment Management Company, LLC ("EIMC"), the Fund's investment advisor.

I. ELECTION OF TRUSTEES (Proposal 1)

In accordance with the Fund's Declaration, the Trustees have been divided into three classes (each a "Class"): Class I, Class II and Class III. The terms of the present Trustees in each Class expire at the annual meeting in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class I, 2006, Class II, 2004 and Class III, 2005. At each subsequent annual meeting, successors to the Class of Trustees whose terms are expiring will be identified as being of that same Class and will be nominated for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Trustees. If any nominee for any reason becomes unable to serve, the persons named as proxies will vote for the election of such other person or persons as they believe will carry on the present policies of the Fund and as they deem to be qualified. The Board of Trustees has no reason to believe that any of the four nominees will be unable to serve.

The Board of Trustees of the Fund proposes the following Trustees for election at the 2004 Meeting:

Trustee	Class	Expiration of Term
Charles A. Austin III	Class II	2007 Annual Me
Shirley L. Fulton	Class II	2007 Annual Me
Gerald M. McDonnell	Class II	2007 Annual Me
Richard J. Shima	Class II	2007 Annual Me

(1) Pursuant to the Fund's Governance Policies, Mr. Austin will become a Trustee Emeritus in January 2007.

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

As described above, there are four nominees for election to the Board of Trustees at this time. Proxies cannot be voted for a greater number of persons than the four nominees currently proposed to serve on the Board of Trustees.

Board Meetings and Committees

During the fiscal year ended April 30, 2004, the Board of Trustees held 4 regular meetings and one special meeting. The Board of Trustees has appointed an Executive Committee consisting of Michael S. Scofield, K. Dun Gifford and Dr. Russell A. Salton, III. The Executive Committee recommends Trustees to fill vacancies, prepares the agenda for Board meetings and acts on routine matters between scheduled Board meetings. The Executive Committee met 23 times during fiscal year 2004. The Board of Trustees has also appointed an Audit Committee, as defined by Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The purpose of the Audit Committee is to evaluate financial management, meet with the auditors and deal with other matters of a financial nature that it deems appropriate. The Audit Committee met 4 times during fiscal year 2004. The Audit Committee consists of Charles A. Austin III, Shirley L. Fulton, K. Dun Gifford, Gerald M. McDonnell and William W. Pettit. Each member of the Audit Committee is "independent" as defined in the American Stock Exchange's listing standards. The Board of Trustees also has appointed a Performance Committee. Nominating Committee Process

The Executive Committee Charter addresses the Nominating Committee functions. A copy of the Evergreen funds Executive Committee Charter is attached as Exhibit A.

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

On March 18, 2004, the Board of Trustees approved a policy for the consideration of Trustee nominees. The policy states the minimum nominee qualifications, the process for identifying and evaluating trustee nominees and the process for considering nominees recommended by shareholders. The Evergreen funds Policy for the Consideration of Trustee Nominees is attached as Exhibit B.

The Fund paid an independent, third-party consultant to identify and evaluate potential nominees to fill a new position on the Board of Trustees. The Executive Committee provided specific criteria to the consultant to identify suitable candidates. Among other requirements, potential nominees had to have obtained certain educational and professional achievements, qualify as non-interested persons of the Fund and be financially literate. The consultant evaluated possible candidates against this criteria and provided the names of suitable candidates to the Executive Committee for further consideration.

Communications with Board Members

On March 18, 2004, the Board of Trustees approved a policy for communications with Board members. Any shareholder who wishes to send a communication to the Board of Trustees of an Evergreen fund should send the communications to the Evergreen Board of Trustees, P.O. Box 20083, Charlotte, North Carolina 28202. If a shareholder wishes to send a communication directly to an individual Trustee or to a Committee of the Fund's Board of Trustees, then the communication should be specifically addressed to such individual Trustee or Committee and sent to the above address.

Trustee Attendance Policy At Annual Shareholder Meetings

On March 18, 2004, the Board of Trustees approved a policy for Trustee attendance at annual shareholder meetings. The Evergreen funds listed on the American Stock Exchange are required to hold an Annual Meeting of Shareholders. Accordingly, it is the policy of the Board of Trustees of the Fund to encourage Trustees attendance at each Annual Meeting of Shareholders in person or by video conference.

None of the Trustees attended the 2003 Annual Meeting of Shareholders.

Service Providers

Investment Advisor. EIMC, an indirect wholly owned subsidiary of Wachovia, a North Carolina-based, multi-bank financial holding company subject to the Bank Holding Company Act of 1956, as amended, and the rules and regulations promulgated thereunder, currently serves as the Fund's investment advisor. EIMC has been managing mutual funds and private accounts since 1932. For the fiscal year ended April 30, 2004, the Fund paid \$9,064,399 (0.89% of average daily net assets, or 60% of average daily total assets, which are the net assets of the Fund plus borrowings or other leverage for investment purposes to the extent excluded in calculating net assets) to EIMC in advisory fees. The principal business address of EIMC is 200 Berkeley Street, Boston, Massachusetts 02116.

Administrator. Administrative services are provided by Evergreen Investment Services, Inc. ("EIS"), an affiliated company of EIMC. EIS is located at 200 Berkeley Street, Boston, MA 02116.

Independent Registered Public Accounting Firm. KPMG LLP ("KPMG"), 99 High Street, Boston, MA 02110, has been selected by the Trustees of the Fund as the independent registered public accounting firm of the Fund for the current fiscal year ending April 30, 2005.

The Audit Committee of the Board of the Fund unanimously recommended the selection of KPMG, and the Trustees unanimously approved such selection, at a meeting held on June 17, 2004.

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

services. The Fund's policies and procedures include reporting and request or application requirements that are intended to keep the Audit Committee informed of all the services provided by the Fund's independent registered public accounting firm. In addition, the Chief Compliance Officer is required to monitor the performance of all services provided by the Fund's independent registered public accounting firm in order to determine whether those services are in compliance with the Fund's pre-approval policies and procedures and to report the results of this monitoring to the Audit Committee on a periodic basis. The Fund's pre-approval policies and procedures do not delegate any of the Audit Committee's responsibilities under the Securities Exchange Act of 1934 for pre-approving services performed by the Fund's independent registered public accounting firm to the Fund's management.

A representative of KPMG, if requested by any Shareholder, will be present via telephone at the Meeting to respond to appropriate questions from Shareholders and will have an opportunity to make a statement if he or she chooses to do so.

The following table presents fees billed for professional audit services rendered by KPMG for the audit of the Fund's annual financial statements for the fiscal years ended April 30, 2003 and 2004, respectively, and for fees billed for other services rendered by KPMG to the Fund. There were no fees paid to KPMG during the fiscal years where the de minimis exception was used.

Audit-related fees ¹	\$13,000	\$13,000
Tax fees	\$1,850	\$0
All other Fees	\$0	\$0

- (1) Audit-related fees consist principally of fees for performing agreed upon procedure engagements relating to the leveraged preferred shares of the Fund.

In approving the selection of KPMG for the Fund, the Audit Committee considered, in addition to other practices and requirements relating to the selection of the Fund's auditors, whether the non-audit services covered in the table above under "Audit-related fees, Tax fees and All other fees" performed by KPMG for the Fund and the investment advisor and for certain related parties are compatible with maintaining the independence of KPMG as the Fund's principal accountants.

On June 17, 2004, the Audit Committee reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended April 30, 2004. The Audit Committee has reviewed and discussed with the independent registered public accounting firms the matters required to be discussed by Statements on Auditing Standards, No. 61, Communication with Audit Committees. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence. Based on these reviews and discussions, the

Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the annual report to shareholders for the last fiscal year for filing with the SEC.

EVERGREEN TRUSTS

Policy for the Consideration of Trustee Nominees

The following Policy for the Consideration of Trustee Nominees (the "Policy") shall be followed by the Executive Committee (the "Committee") of each Evergreen Trust in filling vacancies on the Boards of Trustees or when Trustees are to be nominated for election by shareholders.

Minimum Nominee Qualifications

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

1. With respect to nominations for Trustees who are not interested persons of a Fund as defined by Section 2(a)(19) of the Investment Company Act of 1940 (the "1940 Act") ("Disinterested Trustees"), nominees shall be independent of the Fund's investment adviser and other principal service providers. The Committee shall also consider the effect of any relationship beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with the investment adviser or its affiliates.
2. Disinterested Trustee nominees must qualify for service on the Fund's Audit Committee under the rules of the American Stock Exchange (including financial literacy requirements) or other applicable securities exchange.
3. With respect to all Trustees, nominees must qualify under all applicable laws and regulations.
4. The proposed nominee may not be within five years of the Fund's retirement age for Trustees unless he or she is nominated for re-election.
5. The Committee may also consider such other factors as it may determine to be relevant.

Other Qualifications

1. With respect to all proposed nominees, the Committee shall consider whether the proposed nominee serves on boards of or is otherwise affiliated with competing financial service organizations or their related fund complexes or companies in which the Evergreen Funds may invest.
2. The Committee shall consider whether the proposed nominee is able to and intends to commit the time necessary for the performance of Trustee duties.
3. The Committee shall consider the integrity and character of the proposed nominee, and the proposed nominee's compatibility with the current Trustees.
4. The Committee may require an interview with the proposed nominee.

Nominees Recommended by Shareholders

1. The Committee shall consider nominations for openings on the Board of Trustees from shareholders who have separately or as a group held for at least one full year 5% of the shares of a Fund.
2. The Committee shall give candidates recommended by shareholders the same consideration as any other candidate.
3. Shareholder recommendations should be sent to the attention of the Committee in care of the Fund's Secretary and should include biographical information, including business experience for the past ten years and a description of the qualifications of the proposed nominee, along with a statement from the proposed nominee that he or she is willing to serve and meets the requirements to be a Disinterested Trustee, if applicable.

Process for Identifying and Evaluating Trustee Nominees

Edgar Filing: EVERGREEN INCOME ADVANTAGE FUND - Form DEF 14A

1. When identifying and evaluating prospective nominees for openings on the Board of Trustees, the Committee shall review all recommendations in the same manner, including those received from shareholders.
2. The Committee shall first determine if the prospective nominee meets the minimum qualifications set forth above. Those proposed nominees meeting the minimum qualifications will then be considered by the Committee with respect to the other qualifications listed above, and any other qualifications deemed to be important by the Committee.
3. Those nominees selected by the Committee shall be recommended to the Boards of Trustees.

The independent Trustees (i) are barred from accepting, directly or indirectly, any consulting, advisory or other compensatory fee from the Funds or an affiliate of the Funds, other than in the capacity as a member of the Board and any Board committee, and (ii) cannot be an "interested person" of the Funds as defined in Section 2(a)(19) of the Investment Company Act of 1940.

- 4) To carry out its purposes, the Committee shall have the following duties and powers:
 - a) To be directly responsible for the appointment, retention, compensation, and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Funds, and each such registered public accounting firm must report directly to the Committee;
 - b) To recommend to the independent Trustees the selection, retention or termination of auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any non-audit services to the Funds' investment advisers or affiliated persons of the investment advisers, and to receive the auditors' formal written statement delineating specific representations as to the auditors' independence and all relationships between the auditors and the Funds' investment advisers and any affiliated persons of the investment advisers, consistent with Independence Standards Board Standard 1. The Committee shall have responsibility for actively engaging in a dialogue with the auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors and for taking or recommending that the Board take appropriate action to oversee the independence of the auditors;

 - d) To pre-approve all audit and non-audit services, except those within the de minimis statutory exception, provided to the Funds by their auditors or to establish pre-approval policies and procedures (which may include the establishment of a pre-approval sub-committee consisting of one or more independent audit committee members who serve on the Board), to pre-approve non-audit services provided directly to the Funds' investment advisers and any entity in the Funds' complex where the nature of the services provided have a direct impact on the operations or financial reporting of the Funds, to review in advance the related estimate of fees, and to recommend pre-approved audit and non-audit services and fee estimates for Board approval;
 - e) To meet with the Funds' independent auditors, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audits and any special audits; (ii) to discuss any matters of concern relating to the Funds' financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s); (iii) to consider the auditors' comments with respect to the Funds' financial policies, procedures and internal accounting controls and management's responses thereto; (iv) to review the form of opinion the auditors propose to render to the Board and shareholders; (v) to receive

- f) To receive at least annually a report from the auditors within 90 days prior to the filing of the auditors' report (or receive an updated report within such 90 day period, if the auditors' annual report is presented to the Committee more than 90 days prior to the filing of the auditors' report) which includes the following: (i) all critical accounting policies and practices used by the Funds (or, in connection with any update, any changes in such accounting policies and practices), (ii) all material alternative accounting treatments within GAAP that have been discussed with management since the last annual report or update, including the ramifications of the use of the alternative treatments and the treatment preferred by the accounting firm, (iii) other material written communications between the auditors and the management of the Funds since the last annual report or update, and (iv) a description of all non-audit services provided, including fees associated with the services, to the Funds' complex since the last annual report or update that were not subject to the pre-approval requirements as discussed above;
 - g) To consider the effect upon the Funds of any changes in accounting principles or practices proposed by management or the auditors;
 - h) To consider and review operating policies and procedures relating to derivatives and risk management;
 - i) To review and discuss with management, including any officers certifying the Funds' Form N-CSR, the Funds' audited financial statements and to review any officer's certifications and reports to be filed with the Securities and Exchange Commission on behalf of the Funds; to offer guidance with respect to such audited financial statements, certifications and reports; and to determine whether to recommend that the financial statements be included in the annual report;
 - j) To discuss all disclosures made by the Funds' officers certifying the Funds' Form N-CSR to the Committee, based on such officers' most recent evaluation as to (i) all significant deficiencies in the design or operation of internal controls which could adversely affect the Funds' ability to record, process, summarize and report financial data, and (ii) any fraud, whether or not material, that involves management or other employees who have significant roles in the Funds' internal controls;
