**CGI Group Inc. obtains regulatory approval for the renewal of its normal course issuer bid**

**Montreal, Quebec, February 1, 2007** - On January 30, 2007, CGI Group Inc. (CGI) (TSX: GIB.A; NYSE: GIB) announced that the Company's Board of Directors had authorized the renewal of its Normal Course Issuer Bid.

Today, the Company received regulatory approval from the Toronto Stock Exchange for its Normal Course Issuer Bid renewal. The Company's management and Board of Directors believe that the repurchase of Class A Shares of the Company, at current prices, is a proper use of the Company's funds, and the normal course issuer bid will provide the Company with the flexibility to purchase Class A Shares from time to time as the Company considers it advisable, as part of its strategy to increase shareholder value.

Under the terms of the bid as approved by the Toronto Stock Exchange:

- the Company may purchase of up to 10% of the public float of the Company's Class A subordinate shares during the next year;
- The Issuer Bid enables CGI to purchase on the open market through the facilities of the Toronto Stock Exchange up to 29,091,303 Class A subordinate shares of the Company for cancellation. At the close of business on January 26, 2007, there were 295,034,164 Class A subordinate shares of the Company outstanding of which approximately 98.6% were widely held;
- Class A subordinate shares of the Company may be purchased under the Issuer Bid commencing February 5, 2007 (as opposed to February 3, 2007 as initially announced) and ending no later than February 4, 2008 (as opposed to February 2, 2008 as initially announced), or on such earlier date when the Company completes its purchases or elects to terminate the bid.

Under the terms of its existing normal course issuer bid, the Company has purchased for cancellation 10,270,400 Class A Shares since February 3, 2006. These purchases were made through the facilities of the Toronto Stock Exchange at an average purchase price of \$7.25204.
