PROXY STATEMENT

OBSIDIAN ENTERPRISES, INC. ANNUAL MEETING OF STOCKHOLDERS June 21, 2004

This Proxy Statement is furnished to the stockholders of Obsidian Enterprises, Inc., a Delaware corporation (the "Company" or "we"), in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on Monday, June 21, 2004, at 10:00 a.m. (local time), and at any adjournment thereof. The meeting will be held at the Company's offices, 111 Monument Circle, Suite 4800, Indianapolis, Indiana 46204 (Telephone: 317-237-4122). This Proxy Statement and accompanying form of proxy have been mailed to stockholders on or about June 2, 2004.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Who can vote at the Annual Meeting?

Only stockholders of record as of the close of business on May 21, 2004 (the "Record Date"), are entitled to notice of, and to vote at, the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter. (Effective March 10, 2004, all shares of outstanding series of Preferred Stock were

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

converted into shares of Common Stock.)

How do I vote by proxy?

The enclosed proxy is designed to permit each stockholder of record of the Common Stock on the Record Date to vote at the Annual Meeting. All properly executed proxies delivered pursuant to this solicitation will be voted at the meeting in accordance with the instructions of the stockholders given in the proxies. In the absence of such instructions, the shares represented by proxy will be voted:

- o "FOR" the election of the seven nominees for director (Proposal 1); and
- o "FOR" the ratification of the appointment of the independent auditors (Proposal 2).

The named proxies will vote the proxy in their discretion on other matters that may properly come before the meeting. A proxy may be revoked any time before the meeting by delivering to the Company's Secretary a written notice of revocation or a later-dated proxy. A stockholder of record also may revoke a proxy by voting in person at the meeting.

What will the stockholders vote on at the Annual Meeting?

Stockholders will be voting on the following proposals:

- o Election of seven directors to hold office until the next Annual Meeting of Stockholders or until their successors are elected and have qualified.

1

- o Ratification of the appointment of McGladrey & Pullen, LLP as the independent auditors for the Company for the fiscal year ending October 31, 2004.

Management is not aware of any other matters to be presented at the meeting and has not received notice from any stockholders requesting that other matters be considered.

What constitutes a quorum?

A majority of the outstanding shares of the Company entitled to vote at the meeting, present or represented by proxy, constitutes a quorum for the Annual Meeting. As of the Record Date, 2,838,530 shares of Common Stock were issued and outstanding. Thus, a total of 1,419,266 votes will constitute a quorum.

How many votes are required for the election of directors and the other proposals?

The nominees for election as directors of the Company (Proposal 1) named in the Proxy Statement will be elected by a plurality of the votes cast. The affirmative vote of a majority of the votes present, in person or represented by

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

proxy and entitled to vote on the matter, is required to ratify the appointment of the independent auditors (Proposal 2).

Abstentions are counted for purposes of determining the presence or absence of a quorum but are not considered votes cast. Brokerage firms generally have authority to vote customers' shares held in street name for the election of directors and on other matters that are considered "routine." Shares held by brokers in street name and for which the brokers do not have discretion to vote are called "broker non-votes." Abstentions and instructions to withhold authority will result in a nominee for director (Proposal 1) receiving fewer votes but will not count as votes "against" the nominee. Abstentions will have the effect of a vote against the ratification of the independent auditors (Proposal 2) but broker non-votes will have no effect.

The Company's executive officers and directors who hold, or have the power to direct the voting of, shares of Common Stock eligible to vote at the meeting have indicated that they intend to vote for all of the proposals. As of the Record Date, those executive officers and directors held or had the power to direct 2,663,188 (93.8%) of the votes. Therefore, they hold sufficient shares to approve all of the proposals and it is anticipated that all of the proposals will be approved.

Each of the nominees has agreed to serve the term for which he has been nominated. It is intended that the proxies solicited by the Board of Directors will be voted for the nominees named above. If any nominee is unable to stand for election, the Board of Directors may designate a substitute nominee or adopt a resolution reducing the number of members on the Board. If a substitute nominee is designated, shares represented by proxy would be voted for the substituted nominee.

Nomination of Directors

The Company's Board of Directors does not have a standing nominating committee. The functions customarily performed by a nominating committee are performed by the Board as a whole. The following directors participated in the nomination of the seven nominees for election at the 2004 Annual Meeting: Timothy S. Durham, Daniel S. Laikin, D. Scott McKain, Jeffrey W. Osler, John A. Schmit and Terry G. Whitesell. The Company values the input of all directors in the nomination process. THE AUDIT COMMITTEE

The Audit Committee members for fiscal 2003 were Mr. John A. Schmit, who served as Chair, and Messrs. Goodhue W. Smith, III and Daniel S. Laikin. The Audit Committee met four times in fiscal 2003. In addition to the four full meetings of the audit committee, the Chairman of the audit committee discussed with McGladrey & Pullen, LLP their findings and procedures relative to the quarterly reviews performed by McGladrey & Pullen, LLP. These meetings and discussions were designed to facilitate and encourage communication between the Audit Committee and the Company's independent auditors, McGladrey & Pullen, LLP.

The Audit Committee aids management in the establishment and supervision of the Company's financial controls, evaluates the scope of the annual audit, reviews audit results, makes recommendations to the Board regarding the selection of independent auditors, consults with management and the independent auditors prior to the presentation of financial statements to stockholders and, as appropriate, initiates inquiries into aspects of the Company's financial affairs. The members of the Audit Committee are independent as defined by the National Association of Securities Dealers' ("NASD") listing standards. The Company's Board of

Mr. Schmit has a degree in Finance and seven years of experience in reading, interpreting and analyzing financial statements in his role as Vice President, Investments for RENN Capital Group, Inc., a registered Investment Adviser. Mr. Laikin and Mr. Smith also have extensive business experience that has involved the review of financial statements. Messrs. Laikin, Smith and Schmit also qualified as "independent" under the criteria applicable to Nasdaq-listed companies (the SEC rules require that we apply either the Nasdaq or exchange definitions of independence even though our securities are not listed on Nasdaq or an exchange). Mr. Smith resigned from the Board effective March 31, 2004, and D. Bruce Johnston has been appointed to the Board and to the Audit Committee to replace Mr. Smith. Mr. Johnston qualifies as independent.

REPORT OF THE AUDIT COMMITTEE

This report is being provided to inform stockholders of the Audit Committee's oversight with respect to the Company's financial reporting.

The Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements for the year ended October 31, 2003. The Audit Committee also has discussed with the Company's independent auditors, McGladrey & Pullen, LLP, the matters required to be discussed by SAS 61 as amended by SAS 89 and SAS 90 (Codification of Statements on Auditing Standards, AU ss.380). The Audit Committee has received from McGladrey & Pullen, LLP, the written report, the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has reviewed, evaluated and discussed with McGladrey & Pullen, LLP its independence. The Audit Committee also has discussed with management and with McGladrey & Pullen, LLP, such other matters and received such assurances from them as the Audit Committee has deemed appropriate.

In reliance upon the reviews and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended October 31, 2003, that has been filed with the Securities and Exchange Commission.

This Report is submitted by the members of the Audit Committee:

John A. Schmit
Goodhue W. Smith, III
Daniel S. Laikin

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

THE COMPENSATION COMMITTEE

D. Scott McKain, who served as Chair, and John A. Schmit served as the members of the Compensation Committee for fiscal 2003. The Compensation Committee met three times in fiscal 2003. The Committee reviews all salary and employee benefit issues relating to employees and directors of the Company and makes recommendations to the Board regarding the compensation of executive officers. The Compensation Committee also is responsible for the administration of the 1999 Stock Compensation Plan and 2001 Long Term Incentive Plan.

REPORT OF THE COMPENSATION COMMITTEE

October 31, 2003

Compensation Policies

In connection with the change of control and reorganization of the Company that occurred on June 21, 2001 (the "Reorganization"), Timothy S. Durham became Chief Executive Officer and Chairman of the Board of the Company, replacing the former Chief Executive Officer, who resigned on that date. The other executive officers of the Company also were replaced in the Reorganization. In addition, Mr. Durham and the other new executive officers acquired in the Reorganization beneficial ownership of more than a majority of the voting power of the Company's capital stock.

Given the Reorganization, his beneficial ownership interest and the Company's financial concerns, Mr. Durham recommended to the Compensation Committee that he and the other new executive officers receive only nominal salaries for the 2001 fiscal year and that no bonuses or other incentive compensation packages be approved for fiscal 2001. The Compensation Committee adopted Mr. Durham's recommendations. As a consequence, Mr. Durham's total compensation for the more than four months that he served during the 2001 fiscal year was only \$27,404 and none of the other new executive officers received compensation in an amount requiring the compensation to be reported in the Summary Compensation Table.

Mr. Durham made similar recommendations concerning compensation for fiscal 2002 and 2003 as he had made for fiscal 2001 and the Compensation Committee again adopted his recommendations. Consequently, Mr. Durham received a salary of \$75,000 and no bonus for fiscal 2003 and none of the other executive officers received compensation in an amount that would require their inclusion in the Summary Compensation Table. The amount of compensation paid to Mr. Durham and the other executive officers was not based on the Company's performance.

This report is submitted by the members of the Compensation Committee:

John A. Schmit

TRANSACTIONS WITH CERTAIN RELATED PERSONS

The Company subleases its headquarters space from Fair Holdings, Inc. under a sublease with a monthly rental of \$4,000. Our Chairman, Mr. Durham, is a director, executive officer and shareholder of Fair Holdings. Prior to the sublease with Fair, the Company sublet space from Obsidian Capital Company and paid \$56,000 to Obsidian Capital Company for its space in 2002. Mr. Durham, Mr. Whitesell (our President and Chief Operating Officer) and Mr. Osler (our

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

Executive Vice President, Secretary and Treasurer) are partners of Obsidian Capital Company.

Fair Holdings, Inc. leased certain computer equipment to one of the Company's subsidiaries, Danzer Industries, Inc. ("Danzer"), under a twelve month lease effective August 1, 2002. The aggregate rental due under the twelve month lease is \$8,000.

DW Trailer, a company owned by Messrs. Durham and Whitesell, has leased a forklift to Danzer under a 38 month lease at \$1,000 per month.

DC Investments, an entity controlled by Mr. Durham, made a \$700,000 subordinated loan to U.S. Rubber in 2002 which bears interest at 15% per annum with principal payable in March 2007.

Fair Holdings has an outstanding loan to the Company of \$803,000. The loan bears interest at 15% with principal payable in March 2007.

Fair Holdings has outstanding ten year interest only loans to Obsidian Leasing to finance coaches. The aggregate amount outstanding is \$1,588,000. The loans, which are subordinate to bank debt, bear interest at 14%

On October 30, 2002, the Company entered into a Memorandum of Agreement with Messrs. Durham and Whitesell pursuant to which a former subsidiary of the company, Champion Trailer, Inc. ("Champion"), agreed to sell all of its assets to an entity to be designated by Messrs. Durham and Whitesell subject to the payment by Messrs. Durham and Whitesell of \$1.00 and the assumption by the entity acquiring the assets of all of the liabilities of Champion except for the liability of Champion to Markpoint Equity Growth Fund IV, which was settled by the Company. This transaction closed on January 30, 2003.

On December 17, 2002, Obsidian Leasing sold four coaches to DC Investments Leasing, an entity controlled by Mr. Durham in exchange for DC Investments Leasing's satisfaction of the debt outstanding on such coaches. DC Investments Leasing paid this debt through a refinancing at terms that included a reduction in interest rates. In addition, DC Investments Leasing acquired five additional coaches that were previously to be purchased by us thereby eliminating our existing purchase commitment for the coaches. DC Investments Leasing also entered into a management agreement with one of the Company's subsidiaries, Pyramid Coach, Inc. ("Pyramid"), under which all nine coaches described above will be leased by Pyramid.

On January 3, 2003, Obsidian Leasing refinanced debt due to former shareholders in the amount of \$928,000 with Fair Holdings. The terms of that refinancing are further described in Note 8 to the consolidated financial statements, which are included in the Annual Report on Form 10-K, which accompanies this Proxy Statement.

On March 28, 2003, Fair Holdings acquired the line of credit and term debt due to the senior lender of Danzer in the amount of \$1,488,000 under an assignment and assumption agreement. The maturity date of the line of credit included in the assignment and assumption agreement was extended to April 2006, increased maximum borrowings under the line of credit from \$1 million to \$1.5 million and the debt covenants required by the senior lender were waived through the end of the term. All other terms of the assumed notes remain the same.

Edgar Filing: OBSIDIAN ENTERPRISES INC - Form DEF 14A

In October 2003, we received \$250,000 in proceeds from the issuance of 14,285 shares of Series D Preferred Stock to Partners under an existing capital contribution agreement further described under "Guarantee of Partners." The proceeds were used to maintain compliance with certain debt covenants with the senior lender of one of the Company's subsidiaries, U.S. Rubber Reclaiming, Inc.

On February 2, 2004, we secured an additional financial commitment from Fair Holdings to provide, as needed, additional borrowings under a line of credit agreement from \$8 million to \$12 million. The line of credit arrangement expires on January 1, 2007. The line of credit bears interest at 10%.

Management believes that the transactions described in this Item were on terms no less favorable to the Company and its subsidiaries than would have been the case for transactions with unrelated third parties.

COMMON STOCK OWNERSHIP BY PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table sets forth information with respect to beneficial ownership of Common Stock as of May 1, 2004, by (i) all persons known to the Company to be the beneficial owner of five percent or more of the Common Stock, (ii) each director of the Company, (iii) the Chief Executive Officer and each of the Company's other most highly compensated executive officers whose total annual compensation for 2003 based on salary and bonus earned during 2003 exceeded \$100,000 (the "named executive officers"); (iv) the current executive officers; and (v) all Company directors and executive officers as a group. This table does not include shares of Common Stock that may be purchased pursuant to options not exercisable within 60 days of the record date. All persons listed have sole voting and investment power with respect to their shares unless otherwise indicated. (Share data reflects the 50-for-1 reverse stock split that became effective February 16, 2004, and, to the extent applicable, the conversion into shares of Common Stock of the shares of Series C Preferred Stock and Series D Preferred Stock that became effective March 10, 2004.)

PERFORMANCE GRAPH

The SEC requires the Company to include in this Proxy Statement a line graph comparing the Company's cumulative five-year total stockholder returns on Common Stock with market and industry returns over the past five years. The following chart (prepared by Standard & Poor's) compares the yearly percentage change in the cumulative total stockholder return on the Company's Common Stock from October 31, 1998 through October 31, 2003, with the cumulative total return of the Nasdaq U.S. Index and of a peer group of issuers with similar market capitalizations. Because there is an insufficient number of publicly traded companies with businesses comparable to the Company's business, the peer group has been selected on the basis of similar market capitalization rather than on an industry or a line-of-business basis. The comparison assumes \$100 was invested immediately prior to such period in Common Stock and in each of the foregoing indices and assumes reinvestment of dividends. Dates on the following chart represent the last day of the indicated fiscal year. The Company paid no dividends during the period.

11

[Graph omitted]

The peer group consists of the following issuers: 21st Century Holding Co; Arrhythmia Research Technology; Avalon Holdings Corp; Bio Imaging Technologies, Inc.; C-3D Digital, Inc.; Coram Healthcare Corp.; Cubic Energy, Inc.; Elmers Restaurants, Inc.; Emergency Filtration Products, Inc.; Evolve Software, Inc.; IIS Intelligent Information Systems, Ltd.; Knowledgemax Inc.; Merchant Capital Group, Inc; Movie Star, Inc.; Systemone Technologies Inc.; TAT Technologies, Ltd.; Vialink Co.; VLPS Lighting Services International; WTC Industries, Inc.; and Zoom Technologies, Inc.
