MFC

MFC was incorporated under the ICA on April 26, 1999 for the purpose of becoming a holding company of The Manufacturers Life Insurance Company (MLI). MLI was incorporated on June 23, 1887, by a Special Act of Parliament of the Dominion of Canada. Pursuant to the provisions of the *Canadian and British Insurance Companies Act* (Canada), the predecessor legislation to the ICA, MLI undertook a plan of mutualization and became a mutual life insurance company on December 19, 1968. As a mutual life insurance company, MLI had no common shareholders and its board of directors was elected by its participating policyholders in accordance with the ICA. Pursuant to Letters Patent of Conversion, effective September 23, 1999, MLI implemented a plan of demutualization under the ICA and converted to a life insurance company with common shares and became the wholly-owned subsidiary of MFC. Following completion of MFC's merger with John Hancock Financial Services, Inc. (John Hancock) on April 28, 2004, MLI and John Hancock became sister companies. MFC owns all of the outstanding

common shares of MLI and indirectly owns all of the outstanding shares of common stock of John Hancock. MFC is a life insurance company governed by the ICA.

As of the date hereof Common Shares, Class A Shares, Series 1, Class A Shares, Series 2 and Class A Shares, Series 3 are the only shares issued and outstanding. The following sets forth certain general terms and provisions of the Preferred Shares. The particular terms and provisions of a series of Preferred Shares offered pursuant to an accompanying Prospectus Supplement, and the extent

to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

Certain Provisions of the Class A Shares as a Class

The following is a summary of certain provisions attaching to the Class A Shares as a class.

Priority

Each series of Class A Shares ranks on a parity with every other series of Class A Shares with respect to dividends and return of capital. The Class A Shares shall be entitled to a preference over the Class B Shares, the Common Shares and any other shares ranking junior to the Class A Shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding-up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs. If any cumulative dividends, whether or not declared, or declared non-cumulative dividends or amounts payable on return of capital are not paid in full in respect of any series of Class A Shares, the Class A Shares of all series shall participate rateably in respect of such dividends in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of such return of capital in accordance with the sums that would be payable on such return of capital if all sums so payable were paid in full; provided, however, that if there are insufficient assets to satisfy in full all such claims as aforesaid, the claims of the holders of the Class A Shares with respect to return of capital shall be paid and satisfied first and any assets remaining thereafter shall be applied towards the payment and satisfaction of claims in respect of dividends. The Class A Shares of any series may also be given such other preferences not inconsistent with the rights, privileges, restrictions and conditions attached to the Class A Shares as a class over the Class B Shares, the Common Shares and any other shares ranking junior to the Class A Shares as may be determined in the case of such series of Class A Shares.

Certain Provisions of the Class B Shares as a Class

The following is a summary of certain provisions attaching to the Class B Shares as a class.

Priority

Each series of Class B Shares ranks on a parity with every other series of Class B Shares with respect to dividends and return of capital. The Class B Shares shall rank junior to the Class A Shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidation, dissolution or winding up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs, but the Class B Shares shall be entitled to a preference over the Common Shares and any other shares ranking junior to the Class B Shares with respect to priority in payment of dividends and the distribution of assets in the event of the liquidation, dissolution or winding up of MFC, whether voluntary or involuntary, or any other distribution of the assets of MFC among its shareholders for the specific purpose of winding up its affairs. If any cumulative dividends, whether or not declared, or declared non-cumulative dividends or amounts payable on return of capital are not paid in full in respect of any series of Class B Shares, the Class B Shares of all series shall participate rateably in respect of such dividends in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of such return of capital in accordance with the sums that would be payable on such return of capital if all sums so payable were paid in full; provided, however, that if there are insufficient assets to satisfy in full all such claims as aforesaid, the claims of the holders of the Class B Shares with respect to return of capital shall be paid and satisfied first and any assets remaining thereafter shall be applied towards the payment and satisfaction of claims in respect of dividends. The Class B Shares of any series may also be given such other preferences not inconsistent with the rights, privileges, restrictions and conditions attached to the Class B Shares as a class over the Common Shares and any other shares ranking junior to the Class B Shares as may be determined in the case of such series of Class B Shares.

Certain Provisions Common to both the Class A Shares and the Class B Shares

The following is a summary of certain provisions attaching to both the Class A Shares as a class and to the Class B Shares as a class.

Directors Right to Issue in One or More Series

Both the Class A Shares and the Class B Shares may be issued at any time and from time to time in one or more series. Before any shares of a series are issued, the board of directors of MFC shall fix the number of shares that will form such series, if any, and shall, subject to any limitations set out in the by-laws of MFC or in the ICA, determine the designation, rights, privileges, restrictions and conditions to be attached to the Class A Shares or the Class B Shares, as the case may be, of such series, the whole subject to the filing with the Superintendent of Financial Institutions (Canada) (the Superintendent) of the particulars of such series, including the rights, privileges, restrictions and conditions determined by the board of directors of MFC.

Voting Rights of Preferred Shares

Except as hereinafter referred to or as required by law or as specified in the rights, privileges, restrictions and conditions attached from time to time to any series of Class A Shares or Class B Shares, the holders of such Class A Shares or Class B Shares as a class shall not be entitled as such to receive notice of, to attend or to vote at any meeting of the shareholders of MFC.

Amendment with Approval of Holders of Preferred Shares

The rights, privileges, restrictions and conditions attached to each of the Class A Shares and the Class B Shares as a class may be added to, changed or removed but only with the approval of the holders of such class of Preferred Shares given as hereinafter specified.

Approval of Holders of Preferred Shares

The approval of the holders of a class of Preferred Shares to add to, change or remove any right, privilege, restriction or condition attaching to such class of Preferred Shares as a class or in respect of any other matter requiring the consent of the holders of such class of Preferred Shares may be given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by all the holders of such class of Preferred Shares or passed by the affirmative vote of at least two-thirds (2/3) of the votes cast at a meeting of the holders of such class of Preferred Shares duly called for that purpose.

Notwithstanding any other condition or provision of either class of Preferred Shares, the approval of the holders of either class, voting separately as a class or series, is not required on a proposal to amend the by-laws of MFC to:

- (i) increase or decrease the maximum number of authorized Class A Shares or Class B Shares, as the case may be, or increase the maximum number of authorized shares of a class of shares having rights or privileges equal or superior to such class of Preferred Shares;
- (ii) effect the exchange, reclassification or cancellation of all or any part of the Class A Shares or the Class B Shares, as the case may be; or
- (iii) create a new class of shares equal to or superior to the Class A Shares or the Class B Shares, as the case may be. The formalities to be observed with respect to the giving of notice of any such meeting or any adjourned meeting, the quorum required therefor and the conduct thereof shall be those from time to time required by the ICA as in force at the time of the meeting and those, if any, prescribed by the by-laws or the administrative resolutions of MFC with respect to meetings of shareholders. On every poll taken at every meeting of the holders of a class of Preferred Shares as a class, or at any joint meeting of the holders of two or more series of a class of Preferred Shares, each holder of such class of Preferred Shares entitled to vote thereat shall have one vote in respect of each relevant Preferred Share held.

If the Debt Securities are senior indebtedness for the purposes of the ICA, they will rank equally and rateably with all other unsecured indebtedness of MFC, from time to time issued and outstanding, which is not subordinated. If the Debt Securities are subordinated indebtedness for the purposes of the ICA, they will rank equally and rateably with all other subordinated indebtedness of MFC, from time to time issued and outstanding. In the event of the insolvency or winding-up of MFC, the subordinated indebtedness of MFC, including the subordinated Debt Securities, will be subordinate in right of payment to the prior payment in full of all other liabilities of MFC (including senior indebtedness), except those other liabilities that, by their terms, rank equally with or are subordinate to such subordinated indebtedness.

The Debt Securities will not constitute deposits that are insured under the CDIC Act or by the U.S. Federal Deposit Insurance Corporation.

The Debt Securities will be issued under one or more indentures (each, a Trust Indenture), in each case between MFC and a financial institution to which the *Trust and Loan Companies Act* (Canada) applies or a financial institution organized under the laws of any province of Canada and authorized to carry on business as a trustee (each, a Trustee). The statements made hereunder relating to any Trust Indenture and the Debt Securities to be issued thereunder are summaries of certain anticipated provisions thereof and do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable Trust Indenture.

Each Trust Indenture may provide that Debt Securities may be issued thereunder up to the aggregate principal amount which may be authorized from time to time by MFC. Any Prospectus Supplement for Debt Securities supplementing this Prospectus will contain the terms and other information with respect to the Debt Securities being offered thereby, including:

- (i) the designation, aggregate principal amount and authorized denominations of such Debt Securities;
- (ii) the currency or currency units for which the Debt Securities may be purchased and the currency or currency unit in which the principal and any interest is payable (in either case, if other than Canadian dollars);
- (iii) the percentage of the principal amount at which such Debt Securities will be issued;
- (iv) the date or dates on which such Debt Securities will mature;
- (v) the rate or rates per annum at which such Debt Securities will bear interest (if any), or the method of determination of such rates (if any);
- (vi) the dates on which any such interest will be payable and the record dates for such payments;
- (vii) the Trustee under the Trust Indenture pursuant to which the Debt Securities are to be issued;
- (viii) any redemption term or terms under which such Debt Securities may be defeased;
- (ix) whether such Debt Securities are to be issued in registered form, bearer form or in the form of temporary or permanent global securities and the basis of exchange, transfer and ownership thereof;
- (x) any exchange or conversion terms; and

(xi) any other specific terms.

Debt Securities may, at the option of MFC, be issued in fully registered form, in book-entry only form (the implications of which are discussed below) or may be uncertificated. Debt Securities in registered form will be exchangeable for other Debt Securities of the same series and tenor, registered in the same name, for a like aggregate principal amount in authorized denominations and will be transferable at any time or from time to time at the corporate trust office of the Trustee for such Debt Securities. No charge will be made to the holder for any such exchange or transfer except for any tax or government charge incidental thereto.

Debt Securities of a single series may be issued at various times with different maturity dates, may bear interest at different rates and may otherwise vary.

Book-Entry Only Debt Securities

Debt Securities issued in book-entry only form must be purchased, transferred or redeemed through participants (Participants) in the depository service of CDS Clearing and Depository Services Inc. or a successor (collectively CDS) or its nominee. Each of the underwriters, dealers or agents named in an accompanying Prospectus Supplement will be a Participant. On the closing of a book-entry only offering, MFC will cause a global certificate or certificates representing the Debt Securities to be delivered to, and registered in the name of, CDS or its nominee. So long as CDS or its nominee is the registered holder of a global certificate representing the Debt Securities, CDS or its nominee, as the case may be, will be the sole holder of Debt Securities of the class represented thereby for all purposes under the Trust Indenture. Except as described below, no purchaser of Debt Securities will be entitled to a certificate or other instrument from MFC or CDS evidencing that purchaser's ownership thereof, will not be considered the holder of thereof for any purpose under the Trust Indenture and will not be shown on the records maintained by CDS except through a book-entry account of a Participant acting on behalf of such purchaser. CDS will be responsible for establishing and maintaining book-entry accounts for its Participants having interests in the Debentures. Accordingly, each person owning a beneficial interest in Debt Securities must rely on the procedures of CDS and, if such person is not a Participant, on the procedures of the Participant through which such person owns its interest in order to exercise any rights of a holder under the Trust Indenture. Rights of purchasers of Debt Securities will be governed by the standard Issue Specific Letter of Representation to be entered into between MFC and CDS regarding the use of the book entry system in respect of the Debt Securities (as amended from time to time), by the agreements, service rules and procedures entered into between CDS and each Participant, by the agreements between purchasers of Debt Securities and the Participants and by applicable law. The practices of Participants may vary, but generally customer confirmations are issued promptly after execution of a customer order.

Reference in this Prospectus to a holder of Debt Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Debt Securities.

Use of the book entry system for the Debt Securities may be terminated in certain circumstances including, if MFC determines in accordance with the terms of the Trust Indenture, or CDS notifies MFC in writing, that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Debt Securities and MFC is unable to locate a qualified successor, or if MFC at its option elects, or is required by law, to terminate use of the book entry system. If use of the book entry system is terminated, then Debt Securities will be issued in fully registered form to holders of Debt Securities or their nominees.

Transfer or Redemption of Debt Securities

Transfer of ownership or redemptions of Debt Securities will be effected through records maintained by CDS or its nominee for such Debt Securities with respect to interests of Participants, and on the records of Participants with respect to interests of persons other than Participants.

Holders who desire to purchase, sell or otherwise transfer ownership of or other interests in the Debt Securities may do so only through Participants.

The ability of a holder to pledge a Debt Security or otherwise take action with respect to such holder's interest in a Debt Security (other than through a Participant) may be limited due to the lack of a physical certificate evidencing ownership of a Debt Security.

Payments and Notices

As long as CDS or its nominee is the registered holder of the Debt Security, payments of principal, premium, if any, redemption price, if any, and interest on each Debt Security will be made by MFC to CDS or its nominee, as the case may be, as the registered holder of the Debt Security and MFC understands that such payments will be credited by CDS or its nominee in the appropriate amounts to the relevant Participants. Payments to beneficial holders of Debt Securities of amounts so credited will be the responsibility of the Participants.

As long as CDS or its nominee is the registered holder of the Debt Security, CDS or its nominee, as the case may be, will be considered the sole owner of the Debt Security for the purposes of receiving notices or payments on the Debt Securities. In such circumstances, the responsibility and liability of MFC in respect of notices or payments on the Debt Securities is limited to giving notice or making payment of any principal, premium, if any, redemption price, if any, and interest due on the Debt Securities to CDS or its nominee.

Each holder must rely on the procedures of CDS and, if such holder is not a Participant, on the procedures of the Participant through which such holder owns its interest, to exercise any rights with respect to Debt Securities. MFC understands that under existing policies of CDS and industry practices, if MFC requests any action of holders or if a holder desires to give any notice or take any action which a registered holder is entitled to give or take with respect to Debt Securities, CDS would authorize the Participant acting on behalf of the holder to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by MFC, the Trustee and CDS. Any holder that is not a Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its Participant to give such notice or take such action.

MFC, the underwriters, dealers or agents and any Trustee identified in an accompanying Prospectus Supplement, as applicable, will not have any liability or responsibility for (i) records maintained by CDS relating to beneficial ownership interests in the Debt Securities held by CDS or the book-entry accounts maintained by CDS, (ii) maintaining, supervising or reviewing any records relating to any such beneficial ownership interests, or (iii) any advice or representation made by or with respect to CDS and contained herein or in any Trust Indenture with respect to the rules and regulations of CDS or at the direction of the Participants.

ICA RESTRICTIONS AND APPROVALS

Under the ICA, MFC, with the prior consent of the Superintendent, may redeem or purchase any of its shares, including the Preferred Shares or Common Shares, as the case may be, unless there are reasonable grounds for believing that MFC is, or the redemption or purchase would cause MFC to be, in contravention of any regulation or guidelines made under the ICA respecting the maintenance by life insurance companies of adequate capital and adequate and appropriate forms of liquidity, or any direction to MFC made by the Superintendent pursuant to subsection 515(3) of the ICA regarding its capital or its liquidity. No such direction to MFC has been made to date. MFC is also prohibited under the ICA from paying or declaring a dividend if there are reasonable grounds for believing that MFC is, or the payment would cause MFC to be, in contravention of any regulation made under the ICA representing the maintenance by life insurance companies of adequate capital and adequate and appropriate forms of liquidity, or any direction to MFC made by the Superintendent pursuant to subsection 515(3) of the ICA regarding its capital or its liquidity. As of the date hereof, this limitation would not restrict a payment of quarterly dividends on the Preferred Shares or Common Shares, and no such direction to MFC has been made. In addition, MFC must provide at least 15 days' prior notice to the Superintendent before paying any dividends.

CONSTRAINTS ON SHARES UNDER THE ICA

The ICA contains restrictions on the purchase or other acquisition, issue, transfer and voting of any shares of MFC (including Preferred Shares and Common Shares). Pursuant to these restrictions, no person is permitted to acquire any shares of MFC if the acquisition would cause the person to have a significant interest in any class of shares of

MFC unless the prior approval of the Minister of Finance is obtained. The restrictions also prohibit any person from becoming a major shareholder of MFC. In addition, MFC is not permitted to record in its securities register any transfer or issue of shares if the transfer or issue would cause the person to breach the ownership restrictions. For these purposes, a person has a significant interest in a class of shares of MFC where the aggregate of any shares of that class beneficially owned by that person, any entity controlled by that person and by any person associated or acting jointly or in concert with that person exceeds 10% of all outstanding shares of that class of shares of MFC. A person is a major shareholder if the aggregate of any shares in a class of voting shares held by that person and by any entity controlled by that person exceeds 20% of the outstanding shares of that class, or, for a class of non-voting shares, a holding exceeds 30% of that class. If a person contravenes any of these restrictions, the Minister of Finance may, by order, direct such person to dispose of all or any portion of those shares.

In addition, the ICA prohibits life insurance companies, including MFC, from recording in its securities register a transfer or issue of any share to Her Majesty in right of Canada or of a province, an agent of Her Majesty, a foreign government or an agent of a foreign government.

ADDITIONAL RESTRICTIONS ON DECLARATION OF DIVIDENDS

Pursuant to agreements made between MFC, MLI, The Canada Trust Company and Manulife Financial Capital Trust (a subsidiary of MLI) (the Trust), MFC and MLI have covenanted with the holders of the outstanding Trust Capital Securities of the Trust (the MaCS) that, if the Trust fails to pay in full a required distribution on any series of MaCS, MLI will not pay dividends of any kind on its MLI Public Preferred Shares (as defined below), if any are outstanding, and if no MLI Public Preferred Shares are outstanding, MFC will not pay dividends on Preferred Shares and Common Shares, in each case, until the 12th month following the Trust's failure to pay the required distribution in full, unless the Trust first pays the required distribution (or the unpaid portion thereof) to the respective holders of MaCS. MLI Public Preferred Shares means, at any time, preferred shares of MLI which, at that time: (a) have been issued to the public (excluding any preferred shares of MLI held beneficially by affiliates of MLI); (b) are listed on a recognized stock exchange; and (c) have an aggregate liquidation entitlement of at least \$200 million, provided however, if at any time, there is more than one class of MLI Public Preferred Shares outstanding, then the most senior class or classes of outstanding MLI Public Preferred Shares shall, for all purposes, be the MLI Public Preferred Shares. At the date hereof, MLI does not have a class of MLI Public Preferred Shares outstanding.

PLAN OF DISTRIBUTION

MFC may sell the Securities (i) through underwriters or dealers, (ii) directly to one or more purchasers pursuant to applicable statutory exemptions, or (iii) through agents. The Securities may be sold at fixed prices or non-fixed prices, such as prices determined by reference to the prevailing price of the specified securities in a specified market, at market prices prevailing at the time of sale or at prices to be negotiated with purchasers, which prices may vary as between purchasers and during the period of distribution of the Securities. The Prospectus Supplement for any of the Securities being offered thereby will set forth the terms of the offering of such Securities, including the type of security being offered, the name or names of any underwriters, the purchase price of such Securities, the proceeds to MFC from such sale, any underwriting discounts and other items constituting underwriters' compensation, any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers. Only underwriters so named in the Prospectus Supplement are deemed to be underwriters in connection with the Securities offered thereby.

If underwriters are used in the sale, the Securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase such Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all the Securities of the series offered by the Prospectus Supplement if any of such Securities are purchased. Any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

The Securities may also be sold directly by MFC at such prices and upon such terms as agreed to by MFC and the purchaser or through agents designated by MFC from time to time. Any agent involved in the offering and sale of the Securities in respect of which this Prospectus is delivered will be named, and any commissions payable by MFC

to such agent will be set forth, in the Prospectus Supplement. Unless otherwise indicated in the Prospectus Supplement, any agent would be acting on a best efforts basis for the period of its appointment.

MFC may agree to pay the underwriters, dealers or agents a commission for various services relating to the issue and sale of any Securities offered hereby. Any such commission will be paid out of the general corporate funds of MFC. Underwriters, dealers and agents who participate in the distribution of the Securities may be entitled under agreements to be entered into with MFC to indemnification by MFC against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof.

In connection with any offering of the Securities, the underwriters, dealers or agents may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a higher level than that which might exist in the open market. These transactions may be commenced, interrupted or discontinued at any time.

USE OF PROCEEDS

Unless otherwise specified in a Prospectus Supplement, the net proceeds to MFC from the sale of the Securities will be used for the general corporate purposes of Manulife Financial.

RISK FACTORS

An investment in the Securities is subject to various risks, including those risks inherent in conducting the business of a diversified financial institution. Before deciding whether to invest in the Securities, investors should carefully consider the risks relating to Manulife Financial as described below and in the information incorporated by reference in this Prospectus (including subsequently filed documents incorporated by reference). Prospective purchasers should consider the categories of risks identified and discussed under *Risk Factors* in MFC's most recent Annual Information Form, under *Risk Management* and *Critical Accounting and Actuarial Policies* in the management's discussion and analysis in MFC's most recent annual and interim reports, in the *Risk Management* note to the consolidated financial statements in MFC's most recent annual and interim reports, and elsewhere in MFC's filings with Canadian and U.S. securities regulators.

From time to time, the stock market experiences significant price and volume volatility that may affect the market price of the Securities for reasons unrelated to Manulife Financial's performance. Also, the financial markets are generally characterized by extensive interconnections among financial institutions. As such, defaults by other financial institutions in Canada, the United States or other countries could adversely affect Manulife Financial and the market price of the Securities. Additionally, the value of the Securities is subject to market value fluctuations based upon factors which influence Manulife Financial's operations, such as legislative or regulatory developments, competition, technological change and global capital market activity.

Credit Ratings

The value of the Securities will be affected by the general creditworthiness of MFC. Real or anticipated changes in credit ratings on the Securities may affect the market value of the Securities. In addition, real or anticipated changes in credit ratings could adversely impact the marketability of the insurance and wealth management products offered by Manulife Financial and could affect the cost at which Manulife Financial obtains funding, thereby affecting MFC's liquidity, business, financial condition or results of operations.

Market Value Fluctuation

Prevailing interest rates on similar instruments will affect the market value of the Securities. Assuming all other factors remain unchanged, the market value of the Securities would be expected to decline as prevailing interest rates for comparable debt instruments rise, and would be expected to increase as prevailing interest rates for comparable debt instruments decline.

No Limit on Issuance

The Trust Indenture does not contain any provision limiting MFC's ability to incur indebtedness or issue additional Preferred Shares generally or that would afford holders of Securities protection should MFC be involved in a highly leveraged or similar transaction.

Structural Subordination of Securities

Liabilities of a parent corporation with assets held by various subsidiaries may result in the structural subordination of the lenders to the parent corporation. The parent corporation is entitled only to the residual equity of its subsidiaries after all obligations of its subsidiaries are discharged. In the event of a bankruptcy, liquidation or reorganization of MFC, holders of indebtedness or securities of MFC (including holders of Securities) may become subordinate to lenders to the subsidiaries of MFC.

STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in the Province of Ontario provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus or any amendment. The securities legislation further provides a purchaser with remedies for rescission or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the Province of Ontario. The purchaser should refer to any applicable provisions of the securities legislation of the Province of Ontario for the particulars of these rights or consult with a legal adviser.

PART II
INFORMATION NOT REQUIRED TO BE DELIVERED TO
OFFEREES OR PURCHASERS

INDEMNIFICATION OF DIRECTORS OR OFFICERS.

Under the Insurance Companies Act (Canada), a company may not, by contract, resolution or by-law, limit the liability of its directors for breaches of their fiduciary duties. However, the company may indemnify a director or officer, a former director or officer or a person who acts or acted at the company's request as a director or officer of or in a similar capacity for another entity against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal, administrative, investigative or other proceeding to which he or she is involved because of that association with the company or other entity, if:

(1) that person acted honestly and in good faith with a view to the best interests of, as the case may be, the company or the other entity for which he or she acted at the company's request as a director or officer or in a similar capacity; and
(2) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, that person had reasonable grounds for believing that his or her conduct was lawful.

These individuals are entitled to indemnity from the company if the person was not judged by the court or other competent authority to have committed any fault or omitted to do anything he or she ought to have done and fulfills the conditions set out in (1) and (2) above. A company may, with the approval of a court, also indemnify that person against all costs, charges and expenses reasonably incurred by them in connection with an action by or on behalf of the company or other entity to procure a judgment in its favor, to which the person is made a party by reason of being or having been a director or officer of the company or entity, if he or she fulfills the conditions set out in (1) and (2) above.

The by-laws of Manulife Financial Corporation (MFC) provide that the board of directors of MFC shall make provisions, by resolution, for the indemnification of directors, officers, employees and such other persons as the directors shall decide on such terms and conditions as they establish. MFC's administrative resolutions provide that MFC shall indemnify a director, officer or employee, a former director, officer or employee, or a person who acts or acted at MFC's request as a director, officer, employee or trustee of another corporation, partnership, joint venture, trust or other enterprise against any liability and costs arising out of any action or suit against them from the execution of their duties, subject to the limitations described in the administrative resolutions.

MFC's administrative resolutions provide that MFC will have no obligation to indemnify any person for:

- any acts committed with actual dishonest, fraudulent, criminal or malicious intent;
- any act of gross negligence or willful neglect;
- any claims relating to liabilities of other persons assumed by any person entitled to indemnification;
- any claims relating to enterprises owned, operated, managed or controlled by any person entitled to indemnification;
- any claims relating to pension plans sponsored by any person entitled to indemnification;
- bodily injury, sickness or disease of any person;
- injury to or destruction of any tangible property; and
- any actions which were in breach of compliance with MFC policy.

MFC maintains a directors' and officers' liability insurance policy with a policy limit of U.S. \$150,000,000. The policy is renewed annually. The policy provides protection to directors and officers against liability incurred by them in their capacities as directors and officers of MFC and its subsidiaries. The policy also provides protection to MFC for claims made against directors and officers for which MFC has granted directors and officers indemnity, as required or permitted under applicable statutory or by-law provisions.

Insofar as indemnification for liabilities under the United States Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been advised that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.
