Elbit Systems Awarded Approximately \$85 Million in Contracts from an Asian Customer to Perform an F-5 Upgrade Program and to Supply Electro-Optic and Communication Systems

Haifa, Israel, October 22, 2014 - Elbit Systems Ltd. (NASDAQ and TASE: ESLT) ("Elbit Systems") announced today that it was awarded contracts from an Asian country in a total amount of approximately \$85 million. Most of the amount is for an F-5 aircraft avionics upgrade program and the balance is for the supply of electro-optic and communications systems. The contracts will be performed over a three-year period.

Bezalel (Butzi) Machlis, President and CEO of Elbit Systems commented: "Asia-Pacific is a very important market for Elbit Systems, and we are pleased to be awarded further programs in the region, which programs benefit from the synergies across the various parts of our organization. We are proud to have been selected to perform this aircraft upgrade program, building on our vast know-how and experience in F-5 avionics modernization projects. We have witnessed a growing demand for upgrades of this nature, and we trust that further customers will follow, benefiting from a mature aircraft upgraded with market leading technologies".

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward-looking statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due

to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
