(1) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the "Act"), this registration statement shall also cover any additional shares of the registrant's common stock that become issuable under the Cimarex Energy Co. 2002 Stock Incentive Plan or 401(k) Plan (collectively, the "plans") by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without receipt of consideration that increases the number of outstanding shares of the registrant's common stock. In addition, pursuant to Rule 416(c) under the Act, this registration statement also covers an indeterminate amount of shares and interests to be offered or sold pursuant to the employee benefit plans described herein.

(2) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h). The price per share and aggregate offering price are based upon (a) the weighted average exercise price for outstanding options granted pursuant to the registrant's 2002 Stock Incentive Plan and (b) the average of the high and low prices of the common stock on September 26, 2002, as reported on The New York Stock Exchange.

The chart below details the calculation of the registration fee.

Proposed Maximum Aggregate Offering Price			\$ 104,523,765

(3) The number of shares issuable pursuant to certain outstanding options, the exercise price of such options and the number of shares constituting restricted stock awards under the 2002 Stock Incentive Plan is indeterminable at this time, and will be adjusted following the close of trading on The New York Stock Exchange on October 7, 2002 pursuant to the terms of an employee benefits agreement to which the registrant is a party. These amounts have been estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h).

specification of certain time periods by which certain payments or determinations must be made and actions must be taken; and

Item 9. Undertakings

1. The undersigned registrant hereby undertakes:
 - (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i)

Edgar Filing: CIMAREX ENERGY CO - Form S-8

To include any prospectus required by section 10(a)(3) of the Act;

(ii)

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set

3

forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of the securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (Section 230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii)

To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the issuer pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference herein.

(b)

That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c)

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
