Glencairn shareholders elect Ron Gagel to board

Glencairn Gold Corporation is pleased to announce that Ronald P. Gagel, CA, was elected to the Company's board of directors at the annual and special meeting of shareholders held May 10, 2005. Mr. Gagel joins Gordon F. Bub, Donald K. Charter, John Kalmet, Kerry J. Knoll, Patrick J. Mars and Ian J. McDonald on the board, all of whom were re-elected at the shareholders' meeting.

Mr. Gagel is a chartered accountant with more than 25 years of professional experience, largely in the natural resources sector. From 1988 to 2004 he was with Aur Resources Inc., first as Director of Corporate Finance, then from 1999 as Vice-President and Chief Financial Officer. Mr. Gagel is also a director of FNX Mining Company Inc. and of HudBay Minerals Inc.

I am very pleased that Ron is joining Glencairn's board, said Chairman Ian McDonald. His extensive experience in the mining business and his financial expertise will be great assets for the Company.

I also want to thank Colin Benner, who did not stand for re-election, for his valuable contribution to the Company.

FORWARD-LOOKING STATEMENTS: This news release contains certain forward-looking statements within the meaning of Section 21E of the United States Securities Exchange Act of 1934, as amended. Except for statements of historical fact relating to the company, certain information contained herein constitutes forward-looking statements. Forward-looking statements are frequently characterized by words such as plan, expect, project, intend, believe, anticipate, estimate and other similar words, or statements of certain events or conditions may or will occur. Forward-looking statements are based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. These factors include the inherent risks involved in the exploration and development of mineral properties, the uncertainties involved in interpreting drilling results and other ecological data, fluctuating metal prices, the possibility of project cost overruns or unanticipated costs and expenses, uncertainties relating to the availability and costs of financing needed in the future and other factors. The Company undertakes no obligation to update forward-looking statements if circumstances or management's estimates or opinions should change. The reader is cautioned not to place undue reliance on forward-looking statements.
