Item 2.02. Results of Operations and Financial Condition.

We continually monitor and review our segment reporting structure in accordance with authoritative accounting guidance to determine whether any changes have occurred that would impact our reportable segments. We disclosed in our Quarterly Report on Form 10-Q for the period ended September 30, 2016 that, as a result of the evolution of RenaissanceRe Holdings Ltd. (the "Company") following the acquisition of Platinum Underwriters Holdings, Ltd. ("Platinum"), the integration of Platinum's activities within the Company, our increased focus on casualty and specialty lines of business, our current management structure including recent management changes, and our current underwriting platforms, it was likely that we would change our reportable segments from Catastrophe Reinsurance, Specialty Reinsurance and Lloyd's to "Property" and "Casualty and Specialty". We have performed extensive work during 2016 to recast our current and prior periods within our financial systems to conform to this new presentation. This work was completed in the fourth quarter of 2016 and we will present our full year results for 2016 based on the new segments.

Our Property segment is comprised of catastrophe reinsurance, including certain property catastrophe joint ventures managed by our ventures unit, and other property reinsurance and insurance. Our Casualty and Specialty segment is comprised of casualty and specialty reinsurance and insurance and certain specialty joint ventures managed by our ventures unit. Our Other category primarily includes our strategic investments, investments unit, corporate expenses, capital servicing costs, noncontrolling interests, certain expenses related to the acquisition of Platinum, and the remnants of our Bermuda-based insurance operations.

The change in reportable segments will be reflected in the financial statements reported in our Annual Report on Form 10-K for the year ended December 31, 2016. All prior periods presented will be reclassified to conform to this new presentation. The change in reportable segments has no impact on our historical consolidated financial positions, results of operations or cash flows as previously reported.

For informational purposes only, and to assist in understanding the disclosure impact of our change in reportable segments to Property and Casualty and Specialty, Exhibits 99.1 and 99.2 present unaudited recast Supplemental Financial Data with respect to Segment Information and Gross Premiums Written and Managed Catastrophe Premiums for each of the interim and year to date periods ended March 31, 2016, June 30, 2016, and September 30, 2016, and each of the interim and year to date periods in 2015 and 2014.

The information in the penultimate paragraph of this Item 2.02 of this Form 8-K and Exhibits 99.1 and 99.2 attached hereto is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section and shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, or the Exchange Act, except as otherwise expressly stated in such filing.
