10(a)(15) Formal Written Agreement between Patriot National Bank and  
the Office of the Comptroller of the Currency

Item 1.01 Entry into a Material Definitive Agreement

On February 9, 2009, Patriot National Bank (the "Bank"), the wholly owned subsidiary of Patriot National Bancorp, Inc. (the "Company") entered into a formal written agreement (the "Agreement") with the Office of the Comptroller of the Currency (the "OCC"). The Bank has agreed to undertake certain actions within designated timeframes and operate in compliance with the provisions of the Agreement during its term. The Agreement is based on the results of an annual examination of the Bank by the OCC.

The Agreement provides for, among other things, the enhancement and implementation of certain programs to reduce the Bank's credit risk, commercial real estate loan concentration and level of criticized assets, along with the augmentation of a profit plan and three-year capital program. Additionally, the Agreement provides for certain asset growth restrictions for a limited period of time. The Bank does not anticipate that these restrictions will impair its current business plan. The Bank has taken or put into process many of the steps required by the Agreement, and has developed and implemented various programs contemplated by the Agreement, subject to regulatory review and approval. Compliance with the Agreement will be monitored by a Board Compliance Committee consisting of outside directors and the Chairman of the Board. The Compliance Committee is required to submit written progress reports on a quarterly basis and the Agreement requires the Bank to make periodic reports and filings with the OCC. A copy of the Agreement is included as Exhibit 10(a)(15) and is incorporated herein by reference. Although its current capital is above the minimum regulatory requirements for a well capitalized bank, the Bank continues to explore various alternatives to supplement its capital base given the continuing deterioration of real estate values and the weakening economy in its market areas.

Statements in this Form 8-K concerning future results, performances, expectations or intentions are forward-looking statements. Actual results, performances or developments may differ materially from forward-looking statements as a result of known or unknown risks, uncertainties, and other factors, including those identified from time to time in the Company's filings with the Securities and Exchange Commission, press releases and other communications.
