PROXY STATEMENT FOR THE
2011 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 27, 2011

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board of Directors of Sussex Bancorp is soliciting your proxy to vote at the 2011 Annual Meeting of Stockholders. This proxy statement and proxy card is being mailed to stockholders on or about March , 2011. As used in this proxy statement, “we,” “us” and “our” refer to Sussex Bancorp and/or its subsidiaries, depending on the context. The term “Annual Meeting,” as used in this proxy statement, includes any adjournment or postponement of such meeting.

Who can vote at the Annual Meeting?

Only stockholders of record as of the close of business on March 7, 2011, will be entitled to vote at the Annual Meeting. On this date, there were 3,363,416 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 7, 2011 your shares were registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card by mail to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 7, 2011, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares are present at the meeting in person or represented by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

Table of Contents

What am I voting on and how many votes are needed to approve each proposal?

Proposal 1: Election of Directors. Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Plurality means that the individuals who receive the largest number of “For” votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Accordingly, the three nominees receiving the most “For” votes will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election of directors.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of ParenteBeard LLC as our independent registered public accounting firm for the fiscal year ending December 31, 2011 will require “For” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Similarly, broker non-votes will have no effect on the vote.

Proposal 3: Approval of the Amendment of our Certificate of Incorporation. The approval of the amendment of our Certificate of Incorporation will require “For” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Similarly, broker non-votes will have no effect on the vote.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be “routine,” but may not vote the shares with respect to “non-routine” matters. Proposals 1 and 3 are considered “non-routine” and Proposal 2 is considered “routine” under the Nasdaq Marketplace Rules.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board of Directors. The Board’s recommendation is set forth together with the description of each item in this Proxy Statement. The Board recommends a vote FOR its nominees to the Board of Directors, FOR ratification of the appointment of ParenteBeard LLC as the Company’s independent registered public accountants for the fiscal year ending December 31, 2011 and FOR approval of the amendment of the Company’s Certificate of Incorporation.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion in the best interest of the Company. At the date this Proxy Statement went to press, the Board of Directors had no knowledge of any business other than that described in this proxy statement that would be presented for consideration at the Annual Meeting.

How do I vote?

You may either vote "For" all the nominees to the Board of Directors or you may "Withhold" your vote for any nominee you specify. For any other matter to be voted on, you may vote "For" or "Against" or abstain from voting. The procedures for voting are as follows:

Table of Contents

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may a) vote in person at the Annual Meeting or b) vote by proxy using the enclosed proxy card, in each case as described below. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

§ To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

§ To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares FOR the proposals set forth in the Notice of Annual Meeting of Stockholders.

If any other matter is presented, your proxy will vote the shares represented by all properly executed proxies on such matters as a majority of the Board of Directors determines. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than that listed in the Notice of Annual Meeting of Stockholders.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Employee Stock Ownership Plan

Each participant in the Employee Stock Ownership Plan Trust of Sussex Bancorp. (the "ESOP") has the right to direct the trustee of the ESOP (the "Trustee"), as to how to vote his or her proportionate interests in all allocated shares of common stock held in the ESOP. The Trustee will vote any unallocated shares, as well as any allocated shares as to which no voting instructions are received, in the same proportion as the shares for which voting instructions have been received. The Trustee's duties with respect to voting the common stock in the ESOP is governed by the fiduciary provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The fiduciary provisions of ERISA may require, in certain limited circumstances, that the Trustee override the votes of participants with respect to the common stock held by the Trustee and to determine, in the Trustee's best judgment, how to vote the shares.

May I change my vote after submitting my proxy card?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the stockholder of record of your shares, you may revoke your proxy in any one of three ways:

§ filing a timely written revocation of the proxy with our Secretary;

- § submitting a signed proxy card bearing a later date; or
- § attending and voting in person at the Annual Meeting.

Table of Contents

If your shares are not registered in your own name, you will need appropriate documentation from the shareholder of record to vote personally at the Annual Meeting.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Who will bear the expense of soliciting proxies?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services. We have engaged Phoenix Advisory Partners, LLC to assist in the solicitation of proxies for the 2011 Annual Meeting. Phoenix Advisory Partners will be paid a fee of approximately \$5,000 plus out-of-pocket expenses for its services.

When are stockholder proposals due for the 2012 Annual Meeting of Stockholders?

If you wish to submit proposals to be included in our proxy statement for the 2012 Annual Meeting of Stockholders, we must receive them on or before November 22, 2011, pursuant to the proxy soliciting regulations of the Securities and Exchange Commission ("SEC"). Nothing in this paragraph shall be deemed to require us to include in its proxy statement and proxy card for such meeting any shareholder proposal which does not meet the requirements of the SEC in effect at the time. Any such proposal will be subject to 17 C.F.R. §240.14a-8 of the Rules and Regulations promulgated by the SEC under the Exchange Act.

In addition, under our Amended and Restated By-laws, if you wish to nominate a director for the 2012 Annual Meeting of Stockholders, the following criteria must be met: (i) you must be a shareholder of record; (ii) you must have given timely notice in writing to our Secretary; and (iii) your notice must contain specific information required in Article III of our Amended and Restated By-laws. INFORMATION ABOUT THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors Independence

As required under the Nasdaq listing standards, a majority of the members of our Board of Directors must qualify as “independent,” as affirmatively determined by the Board of Directors. The Board consults with the company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of the Nasdaq, as in effect from time to time.

Consistent with these considerations, the Board has affirmatively determined that the following eight current directors are independent directors within the meaning of the applicable Nasdaq listing standards: Anthony S. Abbate, Richard Branca, Patrick Brady, Katherine H. Caristia, Mark J. Hontz, Edward J. Leppert, Timothy Marvil and Richard W. Scott. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with us. The Board has determined that Donald L. Kovach, our Chairman of the Board and former President and Chief Executive Officer and Anthony Labozzetta, our President and Chief Executive Officer are not independent directors by virtue of their current or recent employment with us.

Code of Ethics

We have adopted a Code of Conduct, which applies to all our directors, officers and employees. We have also adopted a Senior Management Code of Ethics, which applies to our principal executive officer, principal financial officer, principal accounting officer or controller or person performing similar functions for us, and which requires compliance with the Code of Conduct. The Senior Management Code of Ethics meets the requirements of a “code of ethics” as defined by Item 406 of Regulation S-K. The Code of Conduct and Senior Management Code of Ethics is available to stockholders on our website at www.sussexbank.com.

We intend to satisfy the disclosure requirement under Item 5.05(c) of Form 8-K regarding an amendment to, or a waiver from, a provision of our code of ethics that applies to its principal executive officer, principal financial officer, principal accounting officer, or persons performing similar functions, by posting such information on its website at the internet address set forth above. We have not amended or granted any waivers of a provision of our code of ethics during 2010.

Board Leadership Structure and Role in Risk Oversight

Board Leadership Structure

Historically, we combined the positions of Chief Executive Officer and Chairman of the Board, with Mr. Donald L. Kovach serving in both capacities. However, with the retention of Mr. Anthony Labozzetta to serve as President and Chief Executive Officer, the Board elected to separate the positions, and Mr. Kovach continued to serve as Chairman of the Board. The Board believes that this structure is now the most appropriate for the Company because it provides the Board with additional diversity of views on managing the Company and provides the Board with greater independence. The Board also believes it is important to the continuity of our business and operations that Mr. Kovach continues to serve as Chairman.

Board’s Role in Risk Oversight

Risk is an inherent part of the business of banking. Risks faced by the Bank include credit risk relating to its loans and interest rate risk related to its entire balance sheet. The Board of Directors oversees these risks through the adoption of

policies and by delegating oversight to certain Board committees, including the loan and ALCO committees. These committees exercise oversight by establishing a corporate environment that promotes timely and effective disclosure, fiscal accountability and compliance with all applicable laws and regulations.

The purpose of the Audit Committee is to assist the Board's oversight of our accounting and financial reporting process, including our internal audit function and the audits of our financial statements.

The primary duties and responsibilities of the Audit Committee are:

The Audit Committee is also responsible for the pre-approval of all non-audit services provided by its independent auditors. The Audit Committee pre-approved 100% of the services performed by the independent registered public accounting firm during 2010.

The Audit Committee may form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to pre-approve audit, review, attest or non-audit services shall be presented to the full Audit Committee at its next scheduled meeting.

The Board of Directors reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of our Audit Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards). The Board of Directors has also determined that Mr. Leppert qualifies as an “audit committee financial expert” as defined in applicable SEC rules. The Board of Directors has adopted a written charter for the Audit Committee which is available on our website at www.sussexbank.com

In addition, pursuant to its charter, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. During 2010, the Compensation Committee engaged an outside compensation consultant, Amalfi Consulting, LLC (joined McLagan, An Aon Hewitt Company, in 2011), to assist in an overall compensation review of the compensation paid to our board of directors and committees. We also engaged Milliman, Inc. to assist in designing a non-qualified supplemental retirement plan.

We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities.

The Nominating and Corporate Governance Committee will consider qualified nominations for directors recommended by stockholders. All stockholder recommendations are evaluated on the same basis as any recommendation from members of the Board or management of the Company. Recommendations should be sent to our Chairman of the Nominating and Corporate Governance Committee at One County Road 560, Sandyston, New Jersey 07826. Effective January 21, 2010, the Board of Directors adopted the Sussex Bank Amended and Restated Executive Incentive and Deferred Compensation Plan (the "Plan"). Under the Plan, our executives who are selected to participate in the Plan may earn awards paid in both cash and shares of the our common stock, provided that certain company-wide and/or individual performance criteria are met. Performance criteria for each participating executive will be determined annually by the Compensation Committee. Grants of common stock will be subject to a three year vesting requirement, and all awards will be subject to repayment in the event that it is subsequently determined that the performance metrics on which the award is based are subsequently determined not to have been satisfied, due to a financial restatement or otherwise. Participants in the Plan have the option to defer some or all of their compensation or cash incentive awards. Amounts so deferred will earn interest at a rate equal to the average interest rate earned by the Bank on its investment portfolio.

Employment Agreements and Change in Control Agreements

Donald L. Kovach

The Company and the Bank are parties to an employment agreement, dated July 15, 2009, with Donald L. Kovach pursuant to which he served as President and Chief Executive Officer of the Company and Chief Executive Officer of the Bank. The employment agreement provides for a term ending on August 31, 2012. Under the employment agreement, either the Company or Mr. Kovach has the right to restructure Mr. Kovach's position with the Company and the Bank so that Mr. Kovach will continue to serve as Chairman of the Board but not as President and Chief Executive Officer, and receive a base salary equal to one-half of his base salary in effect prior to the restructuring of his position. The Company exercised this option on January 20, 2010, and his base salary was reduced to \$133,146, subject to increase or decrease by the Board. Mr. Kovach may be granted a discretionary bonus, in cash or equity, as determined by the Board. He will also receive customary fringe benefits, including an automobile or cash allowance, consistent with his position as Chairman of the Board.

- 17 -

Table of Contents

Mr. Kovach may be terminated for “cause” at any time (as defined in the agreement). In the event Mr. Kovach is terminated for any reason other than cause, or in the event Mr. Kovach resigns his employment because he is reassigned to a position of lesser rank or status than Chairman of the Board, his place of employment is relocated by more than 30 miles from its location on the date of the Agreement, or his compensation or other benefits are reduced, Mr. Kovach, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the Agreement. In addition, we will continue to provide Mr. Kovach with certain insurance and other benefits through the end of the term of the employment agreement. The employment agreement also prohibits Mr. Kovach from competing with the Bank and the Company for a period of one year following termination of his employment.

Mr. Kovach’s employment agreement provides that upon the occurrence of a change in control of the Company, and in the event either is subsequently terminated for reasons other than cause or in the event Mr. Kovach, within 18 months of the change in control, resigns his employment for good cause, he will be entitled to receive a lump sum severance payment equal to 2.99 times his then current base salary. Mr. Kovach would also be entitled to continuation of his health, medical, hospital and life insurance benefits for a period of three years. Mr. Kovach’s severance benefits would be reduced; however, to the extent they would constitute an “excess parachute payment” under Section 280G of the Internal Revenue Code of 1986, as amended.

In addition, in connection with Mr. Labozzetta’s retention as President and Chief Executive Officer of the Company and the Bank, the Board has requested Mr. Kovach to provide certain transitional services to the Company and the Bank that go beyond those duties envisioned for the Chairman by Mr. Kovach’s Employment Agreement. We agreed to pay Mr. Kovach additional compensation of \$11,250 per month while he is providing these services. These services were provided by Mr. Kovach until the expiration of his agreement on December 31, 2010.

We are also a party to a Salary Continuation Agreement with Mr. Kovach. Under this agreement, he will receive an annual retirement benefit equal to 35% of his average total compensation for the five years prior to his termination of service. However, with regard to Mr. Kovach, for work past age 70 until he started receiving his first payment, his benefit was increased 4% per year. Payments will be made for fifteen years. Mr. Kovach began receiving distributions from the Salary Continuation Agreement in May of 2008.

Anthony Labozzetta

The Company and the Bank are also parties to an employment agreement with Mr. Labozzetta pursuant to which he will serve as President and Chief Executive Officer of the Company and the Bank. The employment agreement provides for a 3 year term which is automatically extended for an additional year annually unless either party provides written notice terminating the automatic extension. The employment agreement provides that Mr. Labozzetta will receive a base salary of \$315,000, subject to increase or decrease as determined by the Board of Directors. He has further been granted 50,000 shares of our common stock, subject to forfeiture and restricted from transfer during the “Restricted Period,” as such term is defined in the employment agreement. Twenty percent of the shares will vest on December 31, 2012, and an additional twenty percent will vest each December 31 thereafter, subject to acceleration in the event of a change in control or Mr. Labozzetta’s death or disability. He will also receive customary fringe benefits, including an automobile or cash allowance, consistent with his position as President and Chief Executive Officer of the Company and Bank.

The employment agreement permits us to terminate Mr. Labozzetta’s employment for cause (as defined in the agreement) at any time. In the event Mr. Labozzetta is terminated for any reason other than cause, or in the event Mr. Labozzetta resigns his employment because he is reassigned to a position of lesser rank or status than President and Chief Executive Officer, his place of employment is relocated by more than 50 miles from its location on the date

of the employment agreement, or his compensation or other benefits are reduced, Mr. Labozzetta, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the employment agreement, or one year, whichever is greater. Steven M. Fusco

The Company and the Bank entered into an employment agreement dated June 23, 2010 with Mr. Fusco pursuant to which he will serve as Executive Vice President and Chief Financial Officer of the Company and the Bank. The employment agreement provides for a 2 year term, provided that at the end of the term, and each year thereafter, the term of the employment agreement shall automatically be renewed for an additional year until either party, by written notice provided at least 90 days prior to the end of the term elects not to so renew. The employment agreement provides that Mr. Fusco will receive a base salary of \$160,000, subject to increase or decrease as determined by the Board of Directors. Mr. Fusco has further been granted an award of 24,725 shares of our common stock, subject to forfeiture and restricted from transfer during the "Restricted Period," as such term is also defined in the employment agreement. Twenty percent of the shares will vest on June 23, 2012, and an additional twenty percent will vest each June 23 thereafter, subject to acceleration on the event of a change in control or Mr. Fusco's death or disability. Mr. Fusco will also receive customary fringe benefits, including a \$500 per month automobile allowance.

The employment agreement permits us to terminate Mr. Fusco's employment for cause (as defined in the agreement) at any time. In the event Mr. Fusco is terminated for any reason other than cause, or in the event Mr. Fusco resigns his employment because he is reassigned to a position of lesser rank or status than Chief Financial Officer, his place of employment is relocated by more than 50 miles from its location on the date of the employment agreement, or his compensation or other benefits are reduced, Mr. Fusco, or in the event of his death, his beneficiary, will be entitled to receive a lump sum payment equal to his base salary at the time of such termination or resignation for the remaining term of the employment agreement, or one year, whichever is greater. In addition, we will continue to provide Mr. Fusco with certain insurance and other benefits for the remaining term of the employment agreement, or one year, whichever is greater.

Mr. Fusco's employment agreement also provides that upon the occurrence of a change in control, as such term is defined in the employment agreement, and in the event Mr. Fusco is subsequently terminated for reasons other than cause or in the event Mr. Fusco, within 18 months of the change in control, resigns his employment for good cause, he will be entitled to receive a lump sum severance payment equal to 2 times his then current base salary, which may be reduced, if necessary, to an amount which is One Dollar (\$1.00) less than an amount equal to three (3) times Mr. Fusco's "base amount" as determined in accordance with such Section 280G.

Director Deferred Compensation Agreement

In July 2006, the Board of Directors adopted a Director Deferred Compensation Agreement for both the Bank and the Company, which has been amended several times since (as amended, the "DCA"). Under the terms of the DCA, a director may elect to defer all or a portion of his fees for the coming year. Under the DCA, only the payment of the compensation earned is deferred, and there is no deferral of the expense in the Company's financial statements related to the participant's deferred compensation, which will be charged to the Company's income statement as an expense in the period in which the participant earned the compensation. The deferred amounts are credited with earnings at a rate equal to either (i) the average interest rate earned by the Bank on its investment portfolio, or (ii) the total return of the Company's common stock. The method of determining earnings may be selected by the participant in his or her discretion.

The participant's benefit will be distributed to the participant or his beneficiary upon a change in control of the Company, the termination of the DCA, the occurrence of an unforeseeable emergency, the termination of the participant's affiliation with the Company, the participant's retirement or the participant's death or disability. Upon distribution, a participant's benefit will be paid in monthly installments over a period of ten (10) years.

TRANSACTIONS WITH RELATED PERSONS

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to directors, executive officers and their associates (i.e. corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

Other than the ordinary course lending transactions described above, which must be approved by the Bank's Board under bank regulatory requirements, all related party transactions are reviewed and approved by our Audit Committee. This authority is provided to our Audit Committee under its written charter. In reviewing these transactions, our Audit Committee seeks to ensure that the transaction is no less favorable to us than a transaction with an unaffiliated third party.

During 2010, we paid rental fees on our Augusta, New Jersey office location of approximately \$174,000 to a real estate management company, of which our executive officer George Lista is a 50% owner. The lease expires in July 2015.

PROPOSAL 3

AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO INCREASE
THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

On January 19, 2011, our Board of Directors unanimously adopted a resolution recommending that our Certificate of Incorporation be amended to increase the number of authorized shares of capital stock from 6,000,000 shares to 11,000,000 shares, consisting of 10,000,000 shares of common stock, no par value per share, and 1,000,000 shares of preferred stock, which may be issued in one or more classes or series. If this proposal is approved by the stockholders, we will thereafter execute and submit to the New Jersey Secretary of State for filing a Certificate of Amendment to the Certificate of Incorporation providing for the increase in the number of authorized shares of common stock. The increase will become effective at the close of business on the date the Certificate of Amendment is accepted for filing by the New Jersey Secretary of State.

Vote Required

The approval of the amendment of our Certificate of Incorporation will require “For” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. Abstentions are not counted as votes cast and they will have no effect on the vote. Similarly, broker non-votes will have no effect on the vote.

Our Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION.

General

As of the March 7, 2011 record date, there were 3,363,416 shares of common stock issued and outstanding, no preferred stock issued or outstanding and 116,075 shares of common stock were reserved for issuance upon exercise of options previously granted from our stock option plans.

While our authorized but unissued shares currently available for issuance are sufficient to meet our obligations to deliver shares under these previously granted stock options, after the issuance of shares to meet all such obligations we would have available for future issuance only approximately 1.5 million shares of common stock if the proposal to increase the number of authorized shares of common stock is not approved by our stockholders.

The Board of Directors believes that it is in our best interest to increase the number of authorized but unissued shares of common stock in order to meet our possible future business and financing needs as they arise. While management has no current specific plans, agreements or understandings for the issuance of the additional shares, our Board of Directors believes that the availability of these additional shares will provide us with the capability and flexibility to issue common stock for a variety of purposes that the Board of Directors may deem advisable in the future. These purposes could include, among other things, raising additional capital, issuing stock for possible acquisition transactions, or for other corporate and business purposes.

The additional common shares authorized would be identical in all respects to our currently authorized shares of common stock.

The proposed increase in the number of authorized shares of common stock would give our Board of Directors authority to issue additional shares of common stock from time to time without delay or further action by the stockholders except as may be required by applicable law or the rules of the Nasdaq Global Market.

The issuance of additional shares of common stock for any of the corporate purposes listed above could have a dilutive effect on earnings per share and the book or market value of our outstanding common stock, depending on the circumstances, and could dilute a shareholder's percentage voting power. Holders of our common stock are not entitled to preemptive rights or other protections against dilution.

Table of Contents

Additionally, the increase in the authorized number of shares of common stock could have possible anti-takeover effects. These authorized but unissued shares could (within the limits imposed by applicable law and Nasdaq listing rules) be issued in one or more transactions that could make a change of control of the Corporation more difficult and, therefore, more unlikely. The additional authorized shares could be used to discourage persons from attempting to gain control of the Company by diluting the voting power of shares then outstanding or increasing the voting power of persons who would support the Board of Directors in a potential takeover situation, including by preventing or delaying a proposed business combination that is opposed by the Board of Directors although perceived to be desirable by some stockholders. The Board of Directors has not proposed this amendment for anti-takeover purposes and subsequent stockholder approval will be required for most transactions which would constitute a change in control.

If stockholders approve the proposal to increase the number of authorized shares of common stock, Article V of our Certificate of Incorporation will be amended to increase the number of shares of capital stock which we are authorized to issue from 6,000,000 to 11,000,000, consisting of 10,000,000 shares of common stock, no par value per share, and 1,000,000 shares of preferred stock which may be issued in one or more classes or series. Upon effectiveness of the amendment, the first sentence of paragraph (A) of Article V of our Certificate of Incorporation will read as follows:

The total authorized capital stock of the Corporation shall be 11,000,000 shares, consisting of 10,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock which may be issued in one or more classes or series.

The remaining text of Article V of our Certificate of Incorporation would remain unchanged.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker.

You may also request an additional proxy statement and annual report by sending a written request to:

Sussex Bancorp
Attn: Linda Kuipers, Secretary
200 Munsonhurst Road
Route 517
Franklin, NJ 07416

Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors is not aware of any other matters which may come before the Annual Meeting. However, in the event such other matters come before the meeting, it is the intention of the persons named in the proxy to vote on any such matters in accordance with the recommendation of the Board of Directors.

By Order of the Board of Directors,

Linda Kuipers
Secretary
