PROXY STATEMENT

Information Concerning the Solicitation

This statement is furnished in connection with the solicitation of proxies to be used at the Annual Meeting of Shareholders of City Holding Company (the Company) to be held on April 30, 2003.

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors of the Company. The cost of preparing, assembling, and mailing the proxy material and of reimbursing brokers, nominees, and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company does not currently intend to solicit proxies otherwise than by use of the mail, but certain officers and regular employees of the Company or its subsidiaries, without additional compensation, may use their best efforts, by telephone or otherwise, to obtain proxies. The proxy materials are being mailed, on or about March 24, 2003, to shareholders of record at the close of business on March 7, 2003.

A shareholder signing and returning a proxy on the enclosed form has the power to revoke it at any time before the shares subject to it are voted by (i) notifying, in writing, Victoria A. Evans, City Holding Company, P. O. Box 7520, Charleston, WV 25356-0520, (ii) executing a proxy with a later date, or (iii) voting in person at the Annual Meeting the shares represented by the proxy. If a shareholder specifies how the proxy is to be voted with respect to any of the proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a shareholder fails to specify with respect to such proposals, the proxy will be voted **FOR** proposals One, Two and Three.

Shareholders' Proposals for 2004 Annual Meeting

Shareholders' proposals intended to be presented at the 2004 Annual Meeting must be delivered to the Secretary at the principal executive offices of the Company not less than 120 calendar days prior to the first anniversary of the 2003 Annual Meeting. If the date of the 2004 Annual Meeting is changed by more than 30 days from the anniversary date of the 2003 Annual Meeting, notice by the shareholder must be received by the later of 120 days prior to the 2004 Annual Meeting or 10 calendar days following the date on which public announcement of the date of the 2004 Annual Meeting is first made. To be so included, all such submissions must comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934. The Board of Directors directs the close attention of interested shareholders to that Rule. In addition, if the Company does not receive notice of a shareholder proposal at least 45 days before the Company first mails its proxy statement for the 2004 Annual Meeting, the persons named as proxies in the Company's proxy card for the 2004 Annual Meeting will have discretionary authority to vote on such proposal at the 2004 Annual Meeting.

Outstanding Voting Shares

Only shareholders of record at the close of business on March 7, 2003 are entitled to vote at the Annual Meeting. On that day, there were issued and outstanding 16,621,367 shares of Common Stock (after deducting an aggregate of 297,881 shares held in treasury). Each share has one vote. Directors are elected by a plurality of the votes cast. The affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting is required to approve the Company's 2003 Incentive Plan and to ratify the appointment of Ernst & Young LLP. In elections of directors, each shareholder shall have the right to cast one vote for each share of stock owned by him for as many persons as there are directors to be elected, or, upon notice to the Company in accordance with West Virginia law, he may cumulate such votes and give one candidate as many votes as the number of directors to be elected multiplied by the number of his shares of stock or he may distribute them on the same principle among as many candidates and in such manner as he shall desire. If one shareholder has given notice that he intends to cumulate votes, all shareholders may do so. The Proxies may cumulate their votes at their discretion.

The presence, in person, or by properly executed proxy, of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to a vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions will be counted as shares present for purposes of determining the presence of a quorum. As a consequence, abstentions will have the effect of votes against the proposals to approve the Company's 2003 Incentive Plan and to ratify the appointment of Ernst & Young LLP. Because director nominees must receive a plurality of the votes cast at the meeting, a vote withheld will not

affect the outcome of the election. Any shares held in street name that are not voted (broker non-votes) in the election of directors or the proposals to approve the Company s 2003 Incentive Plan and to ratify the appointment of Ernst & Young LLP will not be included in determining the number of votes cast.

**STOCK OWNERSHIP OF DIRECTORS, NOMINEES FOR DIRECTOR
AND NAMED EXECUTIVE OFFICERS**

The Company s only authorized voting equity security is its Common Stock, par value \$2.50 per share (the Common Stock). As discussed on the preceding pages, the Company s Common Stock has one vote per share on all matters except the election of directors.

The table below presents certain information as of February 1, 2003 regarding beneficial ownership of shares of Common Stock by Directors, named executive officers, and all Directors and executive officers as a group. The Company knows of no person that owns more than 5% of the outstanding Common Stock.

ELECTION OF DIRECTORS (Proposal 1)

In accordance with the Company's Bylaws, the Board of Directors is classified into three classes as nearly equal in number as the then total number of Directors constituting the whole Board permits. Each class is to be elected to separate three year terms with each term expiring in different years. At each Annual Meeting the directors or nominees constituting one class are elected for a three year term. The term of those directors listed below as Class I expires at the Annual Meeting on April 30, 2003. There are seven nominees for election as Class I directors to serve for terms of three years expiring on the date of the Annual Meeting in 2006. Messrs. Grist, Hambrick, Harkins, Rossi, Songer, Tieche and Ms. Williams currently serve as directors of the Company and will stand for re-election as Class I directors. Any vacancies that occur after the Directors are elected may be filled by the Board of Directors in accordance with the Company's Bylaws for the remainder of the full term of the vacant directorship.

Each director elected will continue in office until a successor has been elected. It is intended that the persons named in the accompanying proxy will vote to elect seven Class I directors, unless authority to so vote is withheld. If any nominee is unable to serve, which the Board of Directors has no reason to expect, the persons named in the accompanying proxy intend to vote for the balance of those named and, if they deem it advisable, for a substitute nominee. The names of the nominees for directors of the Company and the names of the directors of the Company whose terms of office will continue after the Annual Meeting are listed in the following table.

ADDITIONAL INFORMATION CONCERNING THE BOARD OF DIRECTORS

Committees of the Board of Directors and Meeting Attendance

The full Board of Directors met twelve times during the fiscal year ended December 31, 2002. No director attended fewer than 75% of the meetings of the Company's Board of Directors held during fiscal year 2002. On May 29, 2002, all directors of the Company also became directors of the Company's lead subsidiary, City National Bank of West Virginia (the Bank). Prior to that date, only Messrs. Bowling, Craigo, File, Francis, Grist, Rossi and Mmes. Rowe and Williams were directors of the Bank.

The Company has an Executive Committee consisting of Messrs. McLaughlin (Chairman until April 24, 2002), Bowling, Clonch, Francis (Chairman after April 24, 2002), Grist, Harkins, Kayser, Payne, Rogers and Ms. Rowe that meets only on call. Subject to limitations imposed by the West Virginia Business Corporation Act, the Committee has the power to act between meetings of the Board on virtually all matters that the Board could act upon, but generally as a matter of practice reserves its function for special or emergency purposes. In addition, the Executive Committee members, with the exceptions of Messrs. Francis and McLaughlin, serve as members of the Compensation Committee, of which Mr. Bowling is the Chairman. The Compensation Committee's function is to make recommendations to the full Board with respect to compensation of the Board, the Company's executive officers and certain other officers who participate in the Company's 1993 Stock Incentive Plan. The Executive Committee met two times during the fiscal year ended December 31, 2002. No Executive Committee member attended fewer than 75% of the Executive Committee meetings held during fiscal year 2002 except Mr. McLaughlin and Mr. Kayser. The Compensation Committee held one meeting during the fiscal year ended December 31, 2002 and all Compensation Committee members attended the meeting.

The Audit Committee held seven meetings during fiscal year 2002. During 2002, members of the Audit Committee included Messrs. Rossi (Chairman), File, Fisher, Hambrick, Hylton, Payne and Tieche, none of whom is employed by the Company. The Audit Committee recommends the engagement of the independent auditors, considers the scope of the audit, reviews the activities and recommendations made by the Company's internal auditors, and considers comments made by the independent auditors with respect to the Company's internal control structure. The Audit Committee comprises seven directors, all of whom are independent, as that term is defined in the listing standards of The Nasdaq Stock Market, Inc., except Mr. Hambrick, who was employed by the Company until March 31, 2000. Upon review of his credentials, business experience, financial expertise, and previous audit committee experience, the Board of Directors has determined that exceptional and limited circumstances exist such that the best interests of the Company and its shareholders are served by the membership of Mr. Hambrick on the Audit Committee. The Audit Committee operates under a written charter adopted by the Board of Directors. No Audit Committee member attended fewer than 75% of the committee meetings held during the fiscal year ended December 31, 2002.

The Company has a Legal Oversight Committee whose members comprise Messrs. Payne (Chairman), File, Fisher, Goldman, Hambrick and Kayser. The Committee met six times during fiscal year 2002. The Legal Oversight Committee advises and makes recommendations to management on legal matters. The Committee meets quarterly or on an on call basis. No Legal Oversight Committee member attended fewer than 75% of the committee meetings held during fiscal year 2002.

During 2002, the Trust Committee held six meetings. The Trust Committee exercises general oversight of the trust activities of the Company's lead subsidiary, City National Bank. Membership of the Committee includes Messrs. File (Chairman), Craigo, Haden, Rogers, Songer, Tieche and Ms. Williams. No director attended fewer than 75% of the committee meetings held during the fiscal year ended December 31, 2002.

The Nominating Committee met one time during fiscal year 2002. Pursuant to the Company's Amended and Restated Bylaws, the Board considers nominees recommended by the shareholders if such recommendations are submitted to the Secretary at the principal executive offices

Edgar Filing: CITY HOLDING CO - Form DEF 14A

of the Company not less than 120 calendar days prior to the first anniversary of the previous year's annual meeting. If no annual meeting was held in the previous year or the date of the annual meeting was changed by more than 30 days from the anniversary date of the previous year's annual meeting, notice by the shareholder must be so received by the later of 120 calendar days prior to such annual meeting or 10 calendar days following the date on which public announcement of the date of the meeting is first made. Nominations of persons for election to the Board of Directors may be made only (A) by the Board of Directors or the Chief Executive Officer, or (B) by any shareholder entitled to vote at the meeting who complies with the requirements of the Securities Exchange Act of 1934 and rules and regulations promulgated thereunder and the procedures set forth in the Company's Amended and Restated Bylaws. All Nominating Committee members attended the meeting except Mr. Hylton.

The Board had two limited purpose committees, the Compliance Committee and the Strategic Planning Committee. Each of these Committees comprised members from both the Company's Board of Directors and the Board of Directors of City National

Bank. Compliance Committee members included Messrs. Rossi (Chairman), Bowling, Francis, Goldman, Harkins, Tieche and Mmes. Rowe and Williams. The Strategic Planning Committee consisted of Ms. Rowe (Chairman), Messrs. Bowling, Hambrick, Harkins, Kayser, McLaughlin and Tieche. The purpose of the Compliance and Strategic Planning Committees was to review and monitor the Bank's progress with respect to various articles contained within a formal agreement signed between the Office of the Comptroller of the Currency and the Bank. Both of these committees were dissolved on May 29, 2002 with the Bank's release from the formal agreement. Compliance activities previously monitored by the Compliance Committee were reassigned to the Audit Committee and strategic planning became a function of the full Board. During fiscal year 2002, the Compliance Committee held four meetings and no director attended fewer than 75% of those meetings. The Strategic Planning Committee held two meetings during the fiscal year ended December 31, 2002 and no director attended fewer than 75% of the meetings held except Mr. Kayser.

Compensation of Directors

During 2002, non-employee Directors of the Company received a \$2,500 quarterly retainer, \$500 for each Board meeting attended and \$250 for each Committee meeting attended. Based upon the Company's performance during 2002, Directors received a bonus of \$8,250 using a formula tied to the Company's return on equity. Directors who are officers or employees of the Company and its subsidiaries receive no additional compensation for service on the Board or any of its Committees. Mr. McLaughlin was employed by the Company through June 30, 2002 and received Board compensation beginning July 1, 2002 and a Director's bonus for the year of \$4,625.

Mr. Bowling was paid \$27,500 during fiscal year 2002 for serving as vice-chairman of the Board of Directors and is classified as an employee, with benefits commensurate with those available to all other employees of the Company. He also received a bonus of \$20,937.50 based upon the Company's performance in 2002. He was not paid any other fees for director or committee service or for meeting attendance.

Mr. Rossi, who serves as Chairman of the Audit Committee, received an annual retainer of \$15,000, a bonus of \$11,875 and meeting fees as discussed above.

Directors Payne, File, Songer, Harkins, Hylton, and Tieche were directors of the former Bank of Raleigh, and are covered by the Bank of Raleigh Directors' Deferred Compensation Plan. Mr. Harkins was also a director of the former National Bank of Summers and is covered under the National Bank of Summers Directors' Deferred Compensation Plan. Under the terms of these Plans, directors (or their survivors) are entitled to payments for a period of 15 years upon reaching retirement age, as defined by the Plans, or death. The methodology for calculating future benefits for these Directors was established at the time that the deferrals were made, and is unaffected by their current service on the Board of the Company. The Company accrues the present value of these obligations in its Consolidated Balance Sheet.

During fiscal year 2002, Mr. Rogers received retirement benefit payments totaling \$14,374 under the National Bank of Summers Directors' Deferred Compensation Plan. Mr. Rogers' retirement benefit payments began at age 65, as provided for under that Plan.

Report of the Audit Committee

The Audit Committee of the Board of Directors (the "Audit Committee") recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company's independent accountants. Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management and Ernst & Young LLP ("Ernst & Young"), the Company's independent accountants.

Management represented to the Audit Committee that the Company's audited consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and Ernst & Young.

The Audit Committee has discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Accounting Standards).

The Audit Committee has also received the written disclosures and the letter from Ernst & Young relating to the independence of that firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with Ernst & Young that firm's independence from the Company. The Audit Committee has also considered whether the provision of non-audit related services by Ernst & Young is compatible with maintaining Ernst & Young's independence.

Based upon the Audit Committee's discussions with management and Ernst & Young and the Audit Committee's review of the representations of management and the report of Ernst & Young to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

OPTIONS/SAR GRANTS IN LAST FISCAL YEAR

The following table shows the stock options granted to each named executive officer during the fiscal year ended December 31, 2002. The Company did not grant any stock appreciation rights (SARs) during the 2002 fiscal year.

Name	Individual Grants				
	Number of Securities Underlying Options Granted (#)	% of Total Options Granted to Employees in Fiscal Year	Exercise or Base Price (\$/sh)	Expiration Date	Grant Date Present Value \$(1)
Gerald R. Francis	100,000	30.56%	\$ 13.30	1/22/2012	\$ 471,000
William L. Butcher	20,000	6.11%	13.30	1/22/2012	94,200
Charles R. Hageboeck	20,000	6.11%	13.30	1/22/2012	94,200
John S. Loeber	20,000	6.11%	13.30	1/22/2012	94,200
Craig G. Stilwell	20,000	6.11%	13.30	1/22/2012	94,200

- (1) In accordance with the Securities and Exchange Commission rules, grant date present value is determined using the Black-Scholes Model. The Black-Scholes Model is a complicated mathematical formula widely used to arrive at short-term valuations for exchange-traded options. Stock options granted by the Company are long-term, non-transferable, and subject to vesting restrictions. The Black-Scholes Model relies on several key assumptions to estimate the present value of options, including the volatility of, and dividend yield on, the security underlying the option, the risk-free rate of return on the date of grant and the estimated time period until exercise of the option. In calculating the grant date present value for City Holding Company Common Stock, the volatility was calculated using month-end closing prices of City Holding Common Stock between January 1996 and December 2001. Because the Company was precluded from paying dividends by its regulator at the date of grant, but anticipated the resumption of those dividends during 2002, the dividend yield was assumed to be 2.50% based on dividend yields for comparable institutions. The risk-free rate of return was fixed at the rate of the five-year U.S. Treasury Note for the month as reported in Federal Reserve Statistical Release H.15(159), and the estimated time period until exercise was assumed to be five years. The following assumptions were used in the table:

Stock Option Grant	Expiration Date	Volatility	Dividend Yield	Risk Free Rate of Return	Time Period
January 23, 2002	January 22, 2012	43.7%	2.50%	4.34%	5.0 years

Compensation Committee Report on Executive Compensation

To the Board of Directors of City Holding Company:

The Compensation Committee of the Board of Directors (the "Committee") makes recommendations to the full Board of Directors regarding all of the policies under which compensation is paid to the Company's executive officers including salary, bonuses, annual grants of stock options, and any other forms of compensation. Each element of the Company's executive compensation program has a somewhat different purpose. The Committee believes that its principal responsibility is to ensure that the Company's compensation practices allow the Company to attract and retain qualified management and to incent and reward executive performance in ways that are aligned with increasing shareholder value. Further, the Committee believes that overall compensation should be significantly dependent upon performance as measured by the Company's profitability and the value of the Company's Common Stock. Therefore, the Committee has recommended, and the full Board of Directors approved, an incentive plan for annual bonuses designed to motivate the Company's management to work diligently in the furtherance of the Company's annual profitability. The Company's executive and senior management all were affected by annual incentives tied to performance during 2002.

Stock options provide a long-term incentive for future performance that aligns officers' interests with those of the shareholders in general. Under the Company's 1993 Stock Incentive Plan, the Committee has recommended grants of stock options to individuals within the Company whose decisions and actions have long-term impact on the financial success of the Company. All grants to executive officers under the plan were at current market value and vest only after six years, or upon the achievement of certain target share price thresholds, in order to more closely align

the benefits to the officer with benefits to the shareholder.

In order to attract and retain the qualified management able to lead the Company successfully, the Committee believes that overall executive compensation must be set at levels commensurate with similarly sized high performing financial institutions and consideration must be given to the nature and scope of the executive officer's responsibilities, performance, experience, and

credentials. Salary payments in 2002 were made to the executive officers after review and consideration of all of these factors. Bonuses for 2002 were based upon the Company's profitability, as measured by return on equity. During 2002, the Company achieved a return on equity of 20.5%, among the highest in the banking industry. As a result of the Company's increased level of profitability as well as other positive changes implemented by the Board of Directors and the management of the Company, the Company's stock price increased from \$12.04 on December 31, 2001 to \$28.26 on December 31, 2002, representing an increase of 135% in 2002 which followed an increase of 109% during 2001. The market value of the Company's Common Stock has increased in excess of \$370 million since the Company hired its current executive management team.

Basis for Chief Executive Officer Compensation

The CEO, Mr. Francis, and the other executive officers of the Company each have employment contracts. See Other Executive Compensation Plans and Arrangements: Employment and Consulting Agreements. For 2002, Mr. Francis earned \$400,000 in salary as shown in the Summary Compensation Table on page 10. Mr. Francis' base compensation was determined after the Committee considered Mr. Francis' experience and achievements, both at the Company and in leading other institutions within the industry, as well as compensation levels at comparable companies. Mr. Francis' bonus was based upon the Company's return on equity during 2002 under a formula specified in his employment contract. Under that contract, Mr. Francis was eligible for a maximum bonus of 100% of his base salary if the Company achieved a return on equity of 16%. In January of 2002, the Board determined that the limitation in the executive management contracts did not operate in the best interests of the Company and did not provide the management team with sufficient incentives to maximize the Company's performance. As a result of Mr. Francis' efforts to increase the Company's profitability in 2002, the Company achieved a return on equity of 20.5% and the Committee determined that a bonus of \$581,000 was appropriate for this result. Mr. Francis' total cash compensation (base salary and bonus) was \$981,000. Mr. Francis' total cash compensation is comparable to average total compensation during 2001 (the most current available) for banks with assets between \$1 and \$5 billion and return on equity of over 15% as reported by *SNL Executive Compensation Review*. Additionally, the Company granted Mr. Francis options to purchase 100,000 shares of the Company's Common Stock on January 23, 2002 at an exercise price of \$13.30 based on that day's closing stock price. These stock options were scheduled to vest only after six years or in equal parts following a sustained increase in the Company's stock price to \$17, \$20 and \$23 per share. While requiring that the stock achieve certain price targets prior to management benefiting from the stock option is not yet common, the Committee believes that it ensures that shareholders benefit at the same time that management benefits from the grant of options. The Committee's grant was made in light of its desire to link Mr. Francis' long-term compensation with the Company's success as well as after review of option grants at similar institutions.

Compensation for Other Executive Officers

Similarly, the Committee approved the CEO's recommendations in regard to salaries for the other executive officers based upon their responsibilities, experience, achievements, and compensation levels at similar institutions. Based upon the Company's profitability, as calculated using return on equity, the other executive officers received bonuses pursuant to their employment contracts, as modified by the Committee based on the return on equity formula described above. The Committee believes that the bonuses paid to the other executive officers aligned the interests of those executive officers with those of the shareholders. The Company granted options to purchase 20,000 shares of the Company's Common Stock to each of the other executive officers on January 23, 2002 at an exercise price of \$13.30, which were scheduled to vest only after six years or in equal parts following a sustained increase in the Company's stock price to \$17, \$20, and \$23 per share. As described above, the Committee believes that linking the vesting of the stock options with increases in share prices ensures that the executive officers benefit under the stock option only as shareholders benefit.

It is also the responsibility of the Committee to make recommendations regarding compensation for the Board of Directors. In January 2002, the Committee recommended Board compensation be restructured based on a review of peer board compensation as published in *SNL Bank and Thrift Director Compensation Review*. The Company established a quarterly retainer for all outside directors of \$2,500, an additional retainer of \$1,250 quarterly to the audit chairman, meeting fees of \$500 for each Board Meeting attended and \$250 for each committee meeting attended. These compare to an average annual retainer of \$15,772 and average meeting fees of \$925 in 2001 for Directors at high performing (return on equity in excess of 17.5%), publicly-traded banks with total assets exceeding \$500 million. While the Company's retainer and meeting fees are lower than peer banks, it has implemented a bonus program tied to profitability, as measured by return on equity, which provides members of the Board an opportunity to receive compensation more in line with peer institutions only if the Company is highly profitable. In 2002, the outside directors received

bonuses based on the Company's return on equity of 20.5% reflecting the Company's success in becoming one of the most profitable banks in the U.S.

2003 INCENTIVE PLAN (Proposal 3)

It is proposed that shareholders approve the City Holding Company 2003 Incentive Plan (the Incentive Plan) at the Annual Meeting. The proposed Incentive Plan will replace the Company's 1993 Stock Incentive Plan which expired on March 8, 2003. The Incentive Plan was adopted by the Company's Board of Directors on February 26, 2003, subject to the approval of the Company's shareholders. Approval of the Incentive Plan requires the affirmative vote of a majority of the votes entitled to be cast, in person or by proxy, at the Annual Meeting.

The following paragraphs summarize the purpose and certain of the provisions of the Incentive Plan. The summary is qualified in its entirety by reference to the complete text of the Incentive Plan, which is attached as Exhibit A to this proxy statement. Capitalized terms used but not defined in the following summary shall have the meanings set forth in the Incentive Plan.

Summary of the Incentive Plan

The Board of Directors believes that the Incentive Plan will benefit the Company by (i) assisting in recruiting and retaining the services of individuals with ability and initiative, (ii) providing greater incentive for employees, directors and individuals who provide service to the Company and (iii) associating the interests of employees, directors and individuals who provide service to the Company with those of the Company and its shareholders through opportunities for increased stock ownership.

The Compensation Committee of the Board of Directors will administer the Incentive Plan. The Compensation Committee may delegate its authority to administer the Incentive Plan to an officer of the Company. The Compensation Committee may not delegate its authority with respect to individuals who are subject to Section 16 of the Securities Exchange Act of 1934, however. As used in this summary, the term Administrator means the Compensation Committee and any delegate, as appropriate.

Employees, directors and individuals who provide service to the Company are eligible to participate in the Incentive Plan. The class of eligible personnel includes approximately 750 people. The Administrator will select the individuals who will participate in the Incentive Plan. The Administrator may, from time to time, grant stock options, stock appreciation rights (SARs), or stock awards to Participants.

Options granted under the Incentive Plan may be incentive stock options or nonqualified stock options. A stock option entitles the Participant to purchase shares of Common Stock from the Company at the option price. The option price will be fixed by the Administrator at the time the option is granted, but in the case of an incentive stock option, the price cannot be less than the shares' fair market value on the date of grant. The option price may be paid in cash, or, with the Administrator's consent, with shares of Common Stock or a combination of cash and Common Stock.

SARs entitle the Participant to receive the excess of the fair market value of a share of Common Stock on the date of exercise over the initial value of the SAR. The initial value of the SAR is the fair market value of a share of Common Stock on the date of grant.

SARs may be granted in relation to option grants (Corresponding SARs) or independently of option grants. The difference between these two types of SARs is that to exercise a Corresponding SAR, the Participant must surrender unexercised that portion of the stock option to which the Corresponding SAR relates.

Participants may also be awarded shares of Common Stock pursuant to a stock award. The Administrator, in its discretion, may prescribe that a Participant's right in a stock award shall be nontransferable or forfeitable or both unless certain conditions are satisfied. These conditions may include, for example, a requirement that the Participant continue employment with the Company for a specified period or that the Company or the Participant achieves stated objectives.

Edgar Filing: CITY HOLDING CO - Form DEF 14A

The Incentive Plan provides that outstanding options and SARs will become exercisable and outstanding stock awards will be vested upon a change in control.

All awards made under the Incentive Plan will be evidenced by written agreements between the Company and the Participant. The Administrator will establish guidelines supplementing the provisions of the Incentive Plan to aid in the selection of Participants and to determine the amounts, timing, and other terms of awards.

A maximum of 1,000,000 shares of Common Stock may be issued upon the exercise of options and SARs and stock awards, but no more than 350,000 shares of Common Stock may be issued as stock awards. These limitations will be adjusted, as the Administrator determines is appropriate, in the event of a change in the number of outstanding shares of Common Stock by reason of a stock dividend, stock split, combination, reclassification, recapitalization or other similar events. The terms of outstanding awards also may be adjusted by the Administrator to reflect such changes.

No option, SAR or stock award may be granted under the Incentive Plan after February 25, 2013. The Board of Directors

may, without further action by shareholders, terminate or suspend the Incentive Plan in whole or in part. The Board of Directors also may amend the Incentive Plan except that no amendment that increases the number of shares of Common Stock that may be issued under the Incentive Plan or changes the class of individuals who may be selected to participate in the Incentive Plan will become effective until it is approved by shareholders.

No grants under the Incentive Plan have been made. It is not possible at the present time to determine the benefits or amounts that will be received or allocated in the future under the Incentive Plan.

Federal Income Tax Consequences

The Company has been advised by counsel regarding the Federal income tax consequences of the Incentive Plan. No income is recognized by a Participant at the time an option is granted. If the option is an incentive stock option, no income will be recognized upon the Participant's exercise of the option. Income is recognized by a Participant when he disposes of shares acquired under an incentive stock option. The exercise of a nonqualified stock option generally is a taxable event that requires the Participant to recognize, as ordinary income, the difference between the shares' fair market value and the option price.

No income is recognized upon the grant of an SAR. The exercise of an SAR generally is a taxable event. The Participant generally must recognize income equal to any cash that is paid and the fair market value of Common Stock that is received in settlement of an SAR.

Income generally is recognized on account of a stock award on the first day that the shares are either transferable or not subject to a substantial risk of forfeiture. The amount of income recognized by the Participant equals the fair market value of the Common Stock received on that date.

The employer (either the Company or a related entity) will be entitled to claim a federal income tax deduction on account of the exercise of a nonqualified option or SAR or the vesting of a stock award. The amount of the deduction is equal to the ordinary income recognized by the Participant. The employer will not be entitled to a federal income tax deduction on account of the grant or the exercise of an incentive stock option. The employer may claim a federal income tax deduction on account of certain dispositions of Common Stock acquired upon the exercise of an incentive stock option.

ARTICLE II

PURPOSES

The Plan is intended to assist the Company in recruiting and retaining individuals who provide services to the Company or a Related Entity with ability and initiative by enabling such persons to participate in its future success and to associate their interests with those of the Company and its shareholders. The Plan is intended to permit the grant of Stock Awards, the grant of SARs and the grant of both Options qualifying under Section 422 of the Code (incentive stock options) and Options not so qualifying. No Option that is intended to be an incentive stock option shall be invalid for failure to qualify as an incentive stock option. The proceeds received by the Company from the sale of Common Stock pursuant to this Plan shall be used for general corporate purposes.

ARTICLE III

ADMINISTRATION

The Plan shall be administered by the Administrator. The Administrator shall have authority to grant Stock Awards, Options and SARs upon such terms (not inconsistent with the provisions of this Plan) as the Administrator may consider appropriate. Such terms may include conditions (in addition to those contained in this Plan) on the exercisability of all or any part of an Option or SAR or on the transferability or forfeitability of a Stock Award. Notwithstanding any such conditions, the Administrator may, in its discretion, accelerate the time at which any Option or SAR may be exercised or the time at which a Stock Award may become transferable or nonforfeitable. In addition, the Administrator shall have complete authority to interpret all provisions of this Plan; to prescribe the form of Agreements; to adopt, amend, and rescind rules and regulations pertaining to the administration of the Plan; and to make all other determinations necessary or advisable for the administration of this Plan. The express grant in the Plan of any specific power to the Administrator shall not be construed as limiting any power or authority of the Administrator. Any decision made, or action taken, by the Administrator in connection with the administration of this Plan shall be final and conclusive. Neither the Administrator nor any member of the Committee shall be liable for any act done in good faith with respect to this Plan or any Agreement, Option, SAR or Stock Award. All expenses of administering this Plan shall be borne by the Company.

The Committee, in its discretion, may delegate to the President and Chief Executive Officer of the Company all or part of the Committee's authority and duties with respect to grants and awards to individuals who are not subject to the reporting and other provisions of Section 16 of the Securities Exchange Act of 1934, as in effect from time to time. The Committee may revoke or amend the terms of a delegation at any time but such action shall not invalidate any prior actions of the Committee's delegate or delegates that were consistent with the terms of the Plan.

ARTICLE IV

ELIGIBILITY

Edgar Filing: CITY HOLDING CO - Form DEF 14A

General. Any employee of the Company or a Related Entity (including a corporation that becomes a Related Entity after the adoption of this Plan) or a person who provides services to the Company or a Related Entity, including a member of the Board, is eligible to participate in this Plan if the Administrator, in its sole discretion, determines that such person has contributed significantly or can be expected to contribute significantly to the profits or growth of the Company or a Related Entity.

- 4.02 Grants. The Administrator will designate individuals to whom Stock Awards, Options and SARs are to be granted and will specify the number of shares of Common Stock subject to each grant. An Option may be granted with or without a related SAR. An SAR may be granted with or without a related Option. All Stock Awards, Options and SARs granted under this Plan shall be evidenced by Agreements which shall be subject to applicable provisions of this Plan and to such other provisions as the Administrator may adopt. No Participant may be granted incentive stock options or related SARs (under all incentive stock option plans of the Company and its Related Entities) which are first exercisable in any calendar year for stock having an aggregate Fair Market Value (determined as of the date an Option is granted) that exceeds the limitation

prescribed by Section 422(d) of the Code. The preceding annual limitation shall not apply with respect to Options that are not incentive stock options.

ARTICLE V

STOCK SUBJECT TO PLAN

Upon the award of shares of Common Stock pursuant to a Stock Award, the Company may issue shares of its authorized but unissued Common Stock. Upon the exercise of any Option or SAR, the Company may deliver to the Participant (or the Participant's broker if the Participant so directs), shares of its authorized but unissued Common Stock. The maximum aggregate number of shares of Common Stock that may be issued pursuant to the exercise of Options and SARs and the grant of Stock Awards under this Plan is 1,000,000 shares; provided, however, that the maximum aggregate number of shares of Common Stock that may be issued pursuant to the grant of Stock Awards is 350,000 shares. The maximum aggregate number of shares of Common Stock that may be issued under this Plan shall be subject to adjustment as provided in Article X. If an Option is terminated, in whole or in part, for any reason other than its exercise or the exercise of a Corresponding SAR, the number of shares of Common Stock allocated to the Option or portion thereof may be reallocated to other Options, SARs, and Stock Awards to be granted under this Plan. If an SAR is terminated, in whole or in part, for any reason other than its exercise or the exercise of a related Option, the number of shares of Common Stock allocated to the SAR or portion thereof may be reallocated to other Options, SARs, and Stock Awards to be granted under this Plan. If a Stock Award is forfeited, in whole or in part, the shares of Common Stock awarded pursuant to the Stock Award or portion thereof may be reallocated to other Options, SARs or Stock Awards to be granted under this Plan.

ARTICLE VI

OPTION PRICE

The price per share for Common Stock purchased on the exercise of an Option shall be determined by the Administrator on the date of grant; provided, however, that the price per share for Common Stock purchased on the exercise of any Option that is an incentive stock option shall not be less than the Fair Market Value on the date the Option is granted.

ARTICLE VII

EXERCISE OF OPTIONS AND SARs

- 7.01 Award. In accordance with the provisions of Article IV, the Administrator will designate each individual to whom an Option or SAR is to be made and will specify the number of shares of Common Stock covered by the award.
- 7.02 Maximum Option or SAR Period. The maximum period in which an Option or SAR may be exercised shall be determined by the Administrator on the date of grant, except that no Option that is an incentive stock option or its Corresponding SAR shall be exercisable after the expiration of ten years from the date such Option or Corresponding SAR was granted. The terms of any Option that is an incentive stock option or Corresponding SAR may provide that it is exercisable for a period less than such maximum period.

Edgar Filing: CITY HOLDING CO - Form DEF 14A

- 7.03 Nontransferability. Except as provided in Section 7.04, an Option or SAR granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. In the event of any such transfer, the Option and any Corresponding SAR that relates to such Option must be transferred to the same person or persons. Except as provided in Section 7.04, during the lifetime of the Participant to whom the Option or SAR is granted, the Option or SAR may be exercised only by the Participant. No right or interest of a Participant in any Option or SAR shall be liable for, or subject to, any lien, obligation, or liability of such Participant.
- 7.04 Transferable Options and SARs. Section 7.03 to the contrary notwithstanding, if the Agreement provides, an Option (other than an incentive stock option) or SAR (other than a SAR that is related to an incentive stock option) may be transferred by a Participant to the Participant's children, grandchildren, spouse, one or more trusts for the benefit of such family members or a

A-4

partnership in which such family members are the only partners; provided, however, that the Participant may not receive any consideration for the transfer. In the event of any such transfer, the Option and any Corresponding SAR that relates to such Option must be transferred to the same person or persons or the same entity or entities. In the event of any such transfer, the transferee will be subject to the same terms and conditions as if the Option or SAR continued to be held by the Participant except that the transferee may not transfer the Option or SAR except by will or in accordance with the laws of descent and distribution (in which case the Option and any Corresponding SAR that relates to the Option must be transferred to the same person or persons or entity or entities).

- 7.05 **Change in Control.** Each outstanding Option and SAR shall be fully exercisable (in whole or in part at the discretion of the holder) on and after a Control Change Date and during the period (i) beginning on the first day following any tender or exchange offer for shares of Common Stock (other than one made by the Company), provided that shares are acquired pursuant to such offer and (ii) ending on the thirtieth day following the expiration of such offer.

ARTICLE VIII

METHOD OF EXERCISE

- 8.01 **Exercise.** Subject to the provisions of Articles VII and XI, an Option or SAR may be exercised in whole at any time or in part from time to time at such times and in compliance with such requirements as the Administrator shall determine; provided, however, that a Corresponding SAR that is related to an incentive stock option may be exercised only to the extent that the related Option is exercisable and when the Fair Market Value exceeds the option price of the related Option. An Option or SAR granted under this Plan may be exercised with respect to any number of whole shares less than the full number for which the Option or SAR could be exercised. A partial exercise of an Option or SAR shall not affect the right to exercise the Option or SAR from time to time in accordance with this Plan and the applicable Agreement with respect to the remaining shares subject to the Option or related to the SAR. The exercise of either an Option or Corresponding SAR shall result in the termination of the other to the extent of the number of shares with respect to which the Option or Corresponding SAR is exercised.
- 8.02 **Payment.** Unless otherwise provided by the Agreement, payment of the Option price shall be made in cash or a cash equivalent acceptable to the Administrator. If the Agreement provides, payment of all or part of the Option price may be made by surrendering shares of Common Stock to the Company. If Common Stock is used to pay all or part of the Option price, the shares surrendered must have a Fair Market Value (determined as of the day preceding the date of exercise) that is not less than such price or part thereof.
- 8.03 **Determination of Payment of Cash and/or Common Stock Upon Exercise of SAR.** At the Administrator's discretion, the amount payable as a result of the exercise of an SAR may be settled in cash, Common Stock, or a combination of cash and Common Stock. No fractional share shall be deliverable upon the exercise of an SAR but a cash payment will be made in lieu thereof.
- 8.04 **Shareholder Rights.** No Participant shall have any rights as a stockholder with respect to shares subject to his Option or SAR until the date of exercise of such Option or SAR.

ARTICLE IX

STOCK AWARDS

- 9.01 **Award.** In accordance with the provisions of Article IV, the Administrator will designate each individual to whom a Stock Award is to be made and will specify the number of shares of Common Stock covered by the award.

Edgar Filing: CITY HOLDING CO - Form DEF 14A

- 9.02 Vesting. The Administrator, on the date of the award, may prescribe that a Participant's rights in the Stock Award shall be forfeitable or otherwise restricted for a period of time set forth in the Agreement. By way of example and not of limitation, the restrictions may postpone transferability of the shares or may provide that the shares will be forfeited if the Participant

A-5

separates from the service of the Company and its Related Entities before the expiration of a stated term or if the Company, the Company and its Related Entities or the Participant fails to achieve stated objectives.

- 9.03 Change in Control. Section 9.02 to the contrary notwithstanding, on and after a Control Change Date or the first day following a tender offer or exchange offer for shares of Common Stock (other than one made by the Company), provided that shares are acquired pursuant to such offer, each Stock Award will become transferable and nonforfeitable thereafter in accordance with the terms of the applicable Agreement.
- 9.04 Shareholder Rights. Prior to their forfeiture (in accordance with the terms of the Agreement and while the shares of Common Stock granted pursuant to the Stock Award may be forfeited), a Participant will have all rights of a shareholder with respect to a Stock Award, including the right to receive dividends and vote the shares; provided, however, that (i) a Participant may not sell, transfer, pledge, exchange, hypothecate, or otherwise dispose of shares of Common Stock granted pursuant to a Stock Award, (ii) the Company shall retain custody of the certificates evidencing shares of Common Stock granted pursuant to a Stock Award, and (iii) the Participant will deliver to the Company a stock power, endorsed in blank, with respect to each Stock Award. The limitations set forth in the preceding sentence shall not apply after the shares of Common Stock granted under the Stock Award are, in accordance with the terms of the applicable Agreement, transferable and no longer forfeitable.

ARTICLE X

ADJUSTMENT UPON CHANGE IN COMMON STOCK

The maximum number of shares as to which Stock Awards, Options and SARs may be granted under this Plan and the terms of outstanding Stock Awards, Options and SARs shall be adjusted, as the Committee shall determine to be equitably required in the event that (a) the Company (i) effects one or more stock dividends, stock split-ups, subdivisions or consolidations of shares or (ii) engages in a transaction to which Section 424(a) of the Code applies or (b) there occurs any other event which, in the judgment of the Committee necessitates such action. Any determination made under this Article X by the Committee shall be final and conclusive.

The issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, for cash or property, or for labor or services, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the maximum number of shares as to which Stock Awards, Options and SARs may be granted under this Plan or the terms of outstanding Stock Awards, Options or SARs.

The Committee may make Stock Awards, may grant Options, and may grant SARs in substitution for stock awards, stock options, stock appreciation rights, or similar awards held by an individual who becomes an employee of the Company or a Related Entity in connection with a transaction described in the first paragraph of this Article X. Notwithstanding any provision of the Plan (other than the limitation of Article V), the terms of such substituted Stock Awards and Option or SAR grants shall be as the Committee, in its discretion, determines is appropriate.

ARTICLE XI

COMPLIANCE WITH LAW AND

APPROVAL OF REGULATORY BODIES

No Option or SAR shall be exercisable, no Common Stock shall be issued, no certificates for shares of Common Stock shall be delivered, and no payment shall be made under this Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements), any listing agreement to which the Company is a party, and the rules of all domestic stock exchanges on which the Company's shares may be listed. The Company shall have the right to rely on an opinion of its counsel as to such compliance. Any share certificate issued to evidence Common Stock when a Stock Award is granted or for which an Option or SAR is exercised may bear such legends and statements as the Administrator may deem advisable to assure compliance with federal and state laws and regulations. No Option or SAR shall be exercisable, no Stock Award shall be granted, no Common Stock shall be issued, no certificate for shares shall be delivered, and no payment shall be made under this Plan

A-6

until the Company has obtained such consent or approval as the Administrator may deem advisable from regulatory bodies having jurisdiction over such matters.

ARTICLE XII

GENERAL PROVISIONS

- 12.01 Effect on Employment or Service. Neither the adoption of this Plan, its operation, nor any documents describing or referring to this Plan (or any part thereof) shall confer upon any individual any right to continue in the employ or service of the Company or a Related Entity or in any way affect any right and power of the Company or a Related Entity to terminate the employment or service of any individual at any time with or without assigning a reason therefor.
- 12.02 Unfunded Plan. The Plan, insofar as it provides for grants, shall be unfunded, and the Company shall not be required to segregate any assets that may at any time be represented by grants under this Plan. Any liability of the Company to any person with respect to any grant under this Plan shall be based solely upon any contractual obligations that may be created pursuant to this Plan. No such obligation of the Company shall be deemed to be secured by any pledge of, or other encumbrance on, any property of the Company.
- 12.03 Disposition of Stock. A Participant shall notify the Administrator of any sale or other disposition of Common Stock acquired pursuant to an Option that was an incentive stock option if such sale or disposition occurs (i) within two years of the grant of an Option or (ii) within one year of the issuance of the Common Stock to the Participant. Such notice shall be in writing and directed to the Secretary or Assistant Secretary of the Company.
- 12.04 Rules of Construction. Headings are given to the articles and sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation, or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.
- 12.05 Employee Status. For purposes of determining the applicability of Section 422 of the Code (relating to incentive stock options), or in the event that the terms of any Option or SAR provide that it may be exercised only during employment or continued service or within a specified period of time after termination of employment or service, the Administrator may decide to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service. In the event that the terms of any Stock Award provide that shares may become transferable and nonforfeitable only during employment or service, within a specified period of time after termination of employment or continued service or after completion of a specified period of employment or service, the Administrator may decide in each case to what extent leaves of absence for governmental or military service, illness, temporary disability, or other reasons shall not be deemed interruptions of continuous employment or service.
- 12.06 Tax Withholding. Each Participant shall be responsible for satisfying any income and employment tax withholding obligation attributable to participation in this Plan. In accordance with procedures established by the Administrator, a Participant may surrender shares of Common Stock, or receive fewer shares of Common Stock than otherwise would be issuable, in satisfaction of all or part of that obligation.
- 12.07 Limitation on Benefits.
- (a) Despite any other provision of this Plan, if Company's independent accounting firm (the Accounting Firm) determines that receipt of benefits or payments under this Plan would subject a Participant to tax under Code section 4999, it must determine whether some amount of the benefits or payments would meet the definition of a Reduced Amount. If the Accounting Firm determines that there is a Reduced Amount, the total benefits and payments must be reduced to such Reduced Amount, but not below zero.

(b) If the Accounting Firm determines that the benefits and payments should be reduced to the Reduced Amount, the Company must promptly notify Participant of that determination, including a copy of the detailed calculations by the Accounting Firm. All determinations made by the Accounting Firm under this section are binding upon the Company and Participant.

A-7

(c) It is the intention of the Company and the Participant to reduce the benefits and payments under this Plan only if the aggregate Net After Tax Receipts to Participant would thereby be increased. As a result of the uncertainty in the application of Code section 4999 at the time of the initial determination by the Accounting Firm under this section, however, it is possible that amounts will have been paid or distributed under the Plan to or for the benefit of Participant which should not have been so paid or distributed (Overpayment) or that additional amounts which will not have been paid or distributed under the Plan to or for the benefit of Participant could have been so paid or distributed (Underpayment) in each case, consistent with the calculation of the Reduced Amount. If the Accounting Firm, based either upon the assertion of a deficiency by the Internal Revenue Service against the Company or Participant which the Accounting Firm believes has a high probability of success or controlling precedent or other substantial authority, determines that an Overpayment has been made, any such Overpayment must be treated for all purposes as a loan ab initio to which Participant must repay to the Company together with interest at the applicable federal rate under Code section 7872(f)(2); provided, however, that no such loan may be deemed to have been made and no amount shall be payable by Participant to the Company if and to the extent such deemed loan and payment would not either reduce the amount on which Employee is subject to tax under Code section 1 or 4999 or generate a refund of such taxes. If the Accounting Firm, based upon controlling precedent or other substantial authority, determines that an Underpayment has occurred, the accounting Firm must promptly notify the Plan's administrator of the amount of the Underpayment.

(d) For purposes of this section, (i) Net After Tax Receipt means the Present Value of a payment or benefit under this Plan net of all taxes imposed on Participant with respect thereto under Code sections 1 and 4999, determined by applying the highest marginal rate under Code section 1 which applied to the Participant's taxable income for the immediately preceding taxable year; (ii) Present Value means the value determined in accordance with Code section 280G(d)(4); and (iii) Reduced Amount means the smallest aggregate amount of all payments or benefit under this Plan which (a) is less than the sum of all payments or benefit under this Plan and (b) results in aggregate Net After Tax Receipts which are equal to or greater than the Net After Tax Receipts which would result if the aggregate payments or benefit under this Plan were any other amount less than the sum of all payments or benefit under this Plan.

(e) This section shall not apply to awards made to a Participant if the Agreement or another agreement between the Participant and the Company provides that the Company shall indemnify the Participant against any liability that the Participant may incur under Section 4999 of the Code.

ARTICLE XIII

AMENDMENT

The Board may amend or terminate this Plan from time to time; provided, however, that no amendment may become effective until shareholder approval is obtained if (i) the amendment increases the aggregate number of shares of Common Stock that may be issued under the Plan or (ii) the amendment changes the class of individuals eligible to become Participants. No amendment shall, without a Participant's consent, adversely affect any rights of such Participant under any outstanding Stock Award or under any Option, SAR or Incentive Award outstanding at the time such amendment is made.

ARTICLE XIV

DURATION OF PLAN

Edgar Filing: CITY HOLDING CO - Form DEF 14A

No Stock Award, Option or SAR may be granted under this Plan more than ten years after the earlier of the date that the Plan is adopted by the Board or the date that the Plan is approved by shareholders as provided in Article XV. Stock Awards, Options and SARs granted before that date shall remain valid in accordance with their terms.

A-8

ARTICLE XV

EFFECTIVE DATE OF PLAN

Stock Awards, Options, SARs and Incentive Awards may be granted under this Plan upon its adoption by the Board, provided that no Stock Award, Option, SAR or Incentive Award will be effective unless this Plan is approved by a majority of the votes entitled to be cast by the Company's shareholders, voting either in person or by proxy, at a duly held shareholders' meeting within twelve months of such adoption.
