Explanation of Responses:

++ The securities reported on this filing are held in the account of an unregistered investment company over which the Reporting Person has investment discretion through the Reporting Person's position in the general partner of that entity. In addition, the Reporting Person has a direct limited partnership interest in that entity. The Reporting Person in turn has a pecuniary interest in the securities held by said unregistered investment company equal to her portion of the incentive allocation potentially made to the general partner of that entity each

year as well as an interest equal to the potential allocation made to her as a limited partner in that entity.

+++ This Form 4 filing is being made to amend those previously filed Form 4 filings submitted by the Reporting Person, which reported transactions in the securities of the Issuer effected from the beginning of January 2002 through the end of December 2002. This amendment now includes those securities that may be attributable to the Reporting Person by virtue of the Reporting Person's ownership of a limited partnership interest in an unregistered investment company that has holdings in the Issuer and which is managed by an entity that the Reporting Person partially controls.
