This prospectus supplement relates to the issuance and sale of shares of our common stock having an aggregate amount up to \$50,000,000 on our behalf from time to time through our sales agent, Deutsche Bank Securities Inc., or Deutsche Bank, in at-the-market transactions and privately negotiated transactions. These sales, if any, will be made pursuant to the terms of a sales agreement between us and the sales agent, the form of which was filed with the Securities and Exchange Commission under a report on Form 6-K dated June 13, 2007 and is incorporated by reference herein. See "Plan of Distribution." In addition, the accompanying prospectus was updated by information filed with the Securities and Exchange Commission under a report on Form 6-K dated July 24, 2007, which is incorporated by reference herein.

SEE "RISK FACTORS" BEGINNING ON PAGE 2 OF THE ACCOMPANYING PROSPECTUS TO READ ABOUT FACTORS YOU SHOULD CONSIDER BEFORE BUYING SHARES OF OUR COMMON STOCK.

Our common stock trades on the Nasdaq Global Market, or NASDAQ, under the symbol "TOPT." On July 23, 2007, the closing price of our common stock as quoted on the NASDAQ was \$ 7.88 per share.

In connection with the sale of common stock on our behalf, the sales agent may be deemed to be an "underwriter" within the meaning of the Securities Act of 1933, and the compensation of the sales agent may be deemed to be underwriting commissions or discounts. We have agreed to provide indemnification and contribution to the sales agent against certain liabilities, including liabilities under the Securities Act.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

Compensation to Deutsche Bank for sales at negotiated prices will be 4.00% of the gross amount of the proceeds of such sales. The exact amount of compensation to be received by the sales agents for sales at negotiated prices will be disclosed in a separate prospectus supplement for such sales filed with the Securities and Exchange Commission. Compensation to Deutsche Bank for all at-the-market transactions will be 2.75% of the gross proceeds of such sales.
