Item 7.01. Regulation FD Disclosure.

On June 26, 2015, ITT Educational Services, Inc. (the “Company”) submitted to the U.S. Department of Education (the “ED”) the Company’s audited consolidated financial statements for the fiscal year ended December 31, 2014, and the compliance audits for the fiscal year ended December 31, 2014 of its institutions’ administration of the federal student financial aid programs under Title IV of the Higher Education Act of 1965, as amended, in which they participate. As a result, these submissions were made prior to their due date of June 30, 2015.

The Company believes that, based on its 2014 fiscal year consolidated financial statements, its institutions’ composite score was 2.2 in 2014. An institution’s composite score is a significant financial responsibility measurement of the ED, and must be at least 1.5 for the institution to be deemed financially responsible by the ED without the need for further oversight. In addition, in the aggregate, the Company derived approximately 80% of its revenue in 2014 and 82% of its revenue in 2013 from Title IV programs under the ED’s 90/10 Rule calculation.
