PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

February 27, 2003

GENERAL INFORMATION

We are furnishing this Proxy Statement to shareholders of Catalina Lighting, Inc., a Florida corporation (the *Company*), in connection with our Board of Directors' solicitation of proxies for use at our 2003 Annual Meeting of Shareholders (the *Annual Meeting*). The Annual Meeting will be held at the Boca Raton Marriott, 5150 Town Center Circle, Boca Raton, Florida, on February 27, 2003 at 11:00 a.m. (local time). The purpose of the Annual Meeting is to elect ten persons to the Board of Directors, to ratify the appointment of the Company's auditors, and to transact such other business as may properly come before the meeting.

As of the close of business on January 23, 2003 (the *Record Date*), we had outstanding 4,286,123 shares of common stock, par value \$.01 per share (the *Common Stock*). We are mailing this Proxy Statement and the proxy card in the accompanying form on or about January 30, 2003 to shareholders of record as of the close of business on the Record Date. We have also enclosed our Annual Report for the fiscal year ended September 30, 2002 (*Fiscal 2002*) (which does not form a part of the proxy solicitation material). The Annual Report includes consolidated financial statements for Fiscal 2002.

You are urged to sign, date and promptly mail the enclosed proxy in the addressed envelope provided, which requires no postage in the United States.

PROXIES, QUORUM, AND TABULATION OF VOTES

Each share of Common Stock is entitled to one vote per share on each matter properly brought before the Annual Meeting. The shares represented by your proxy will be voted at the Annual Meeting in accordance with the choices you make on the proxy. If you do not specify any choices, the shares represented by the proxy will be voted FOR the director nominees chosen by our Board and FOR the ratification of the appointment of Grant Thornton LLP as our auditors. So far as we presently know, there is no other business to be transacted at the Annual Meeting. If any other matters properly come before the Annual Meeting, or if any of the persons named to serve as directors should decline or be unable to serve, the person named in the proxy will vote on these matters in accordance with his discretion.

Shares which are present or represented by proxy at the Annual Meeting will be counted for quorum purposes, regardless of whether the holder of the shares or proxy fails to vote (*abstentions*) or whether a broker with discretionary authority fails to exercise its discretionary authority to vote (*broker non-votes*). However, if a broker or nominee limits on the proxy card the number of shares voted or indicates that the shares represented by the proxy card are not voted, any *non-votes* will not be voted and will not be counted as affirmative votes.

If you give a proxy in response to this solicitation, you have the power to revoke it at any time before it is voted by taking any of the following actions: filing a written notice of revocation with our Secretary at our principal executive offices; filing a properly executed proxy showing a later date with our Secretary at our principal executive offices; or attending the meeting and voting in person (attendance at the meeting will not, by itself, revoke a proxy).

Our Amended and Restated Bylaws (the Bylaws) provide that the holders of a majority of the shares of stock entitled to vote at any meeting of shareholders must be present in person or represented by proxy to constitute a quorum for the transaction of any business at the Annual Meeting. Accordingly, the presence of 2,143,062 shares, in person or represented by a properly signed and returned proxy, will constitute a quorum. Our Secretary will tabulate votes at the Annual Meeting.

On April 8, 2002, we effected a one-for-five reverse stock split of our common stock. All historical information in this Proxy Statement relating to our Common Stock, share prices, options, and similar matters from prior to April 8, 2002 has been restated retroactively for the reverse stock split.

Meetings and Committees of the Board of Directors

Our Board of Directors held ten meetings in Fiscal 2002 and also took action by unanimous written consent on three occasions during the year. All directors attended at least 75% of the total number of meetings of the Board and the committees on which they served during Fiscal 2002. The Board has two principal committees: a Compensation and Stock Option Committee; and an Audit Committee. There is no Nominating Committee at this time. The Board will nominate individuals for election as directors and will also consider nominees recommended by shareholders if properly submitted. See 2004 Shareholder Proposals below.

Our Compensation and Stock Option Committee is responsible for developing our executive compensation strategy and for administering the policies and programs that implement this strategy. This Committee did not meet during Fiscal 2002 but acted by written consent on five occasions. Its current members are Mr. Terry, as Chairman, Mr. Calhoun, and Mr. Rea.

Our Audit Committee selects the firm to serve as the independent auditors to audit our financial statements and to perform other audit-related services. In addition, this Committee reviews the scope and results of the audits that are conducted by the independent auditors, reviews interim and year-end results with management, and considers the adequacy of our internal accounting procedures. The Audit Committee met five times during Fiscal 2002. Its current members are Mr. Hollis, as Chairman, Mr. Rea, and Mr. Sullivan, all of whom are independent directors, as defined in Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers, Inc. applicable to the Nasdaq Stock Market. In November 2002, the Audit Committee adopted a revised written charter, a copy of which is attached as Appendix A.

Vote Required

Only affirmative votes are counted in the election of directors. Under applicable Florida law and our Bylaws, directors are to be elected by a plurality of the votes of shares of Common Stock present in person or represented by proxy at the Annual Meeting. Accordingly, the ten nominees for election as directors who receive the highest number of votes cast will be elected. Broker non-votes will be treated as shares that neither are capable of being voted nor have been voted and, accordingly, will have no effect on the outcome of the election of directors.

The Board of Directors unanimously recommends a vote FOR each of the nominees listed above.

**Proposal No. 2
RATIFICATION OF AUDITORS**

Our Audit Committee has appointed Grant Thornton LLP, certified public accountants, as independent auditors to make an examination of the accounts of the Company and our subsidiaries for the fiscal year ending September 30, 2003. Grant Thornton LLP has served as our auditors since May 2002. Although shareholder approval is not required, the Audit Committee, and the Board as a whole, desire to obtain shareholder ratification of this appointment. If the appointment is not ratified at the Annual Meeting, the Audit Committee will review its future selection of auditors.

Vote Required

Under applicable Florida law and our Bylaws, the proposal to ratify the appointment of Grant Thornton LLP will be approved by the shareholders if it receives the approval of a majority of the votes cast. Abstentions are not votes cast for or against the proposal and accordingly are not counted in determining whether we have obtained the required vote for ratification.

**The Board of Directors unanimously recommends a vote FOR ratification
of the appointment of Grant Thornton LLP.**

Employment, Termination and Change in Control Arrangements

Effective October 1, 2000, we entered into an employment agreement with David W. Sasnett (the "2000 Sasnett Employment Agreement"). The 2000 Sasnett Employment Agreement would have expired on September 30, 2001 and provided for an annual salary of \$210,000 and a severance payment equal to (i) the pro rata portion of Mr. Sasnett's annual salary for the remainder of the agreement term plus an amount equal to Mr. Sasnett's annual salary and benefits if he was terminated without cause (as defined in the agreement), or (ii) Mr. Sasnett's annual salary and annual benefits if the agreement was not renewed upon its expiration. This agreement also provided for a lump sum payment equal to two times the sum of his annual salary and annual benefits upon an Acquisition of Control (as defined in the 2000 Sasnett Employment Agreement). If Mr. Sasnett's employment with the Company would have been terminated for any reason other than for cause within one year following an Acquisition of Control, then he would have had the option, exercisable for 30 days after the date of such termination of employment, to enter into a two-year consulting and non-competition agreement for \$50,000 per year.

In connection with the closing of a transaction with Sun Catalina and other parties in which we obtained \$11.8 million in funding in exchange for equity and debt (the "Sun Transaction"), we entered into a Termination Agreement and Release with Mr. Sasnett, dated July 23, 2001, providing for the termination of the 2000 Sasnett Employment Agreement in exchange for our payment to Mr. Sasnett of an aggregate of \$280,000 payable in quarterly installments over three years and for our issuance to Mr. Sasnett of options to purchase 36,923 shares of Common Stock at \$5.90 per share. Additionally, we entered into an Employment Agreement with Mr. Sasnett, dated July 23, 2001 (the "2001 Sasnett Employment Agreement"), which provided for a base annual salary of \$200,000, the issuance of options to purchase 30,000 shares of Common Stock at \$5.90 per share, certain fringe benefits, and, after the fiscal year ended September 30, 2001, eligibility for a discretionary bonus of up to 50% of his base salary. The 2001 Sasnett Employment Agreement also provided that, for a term of one year (renewable automatically for subsequent one-year terms, unless terminated), Mr. Sasnett would serve as our senior vice president, chief financial officer, treasurer and secretary. Mr. Sasnett resigned from these offices, effective as of February 12, 2002.

**REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE
OF THE BOARD OF DIRECTORS**

The Compensation and Stock Option Committee (the Committee) was responsible for developing the Company's executive compensation strategy and for administering the policies and programs that implement this strategy during the fiscal year ended September 30, 2002 (Fiscal 2002). The Committee also reviews and approves the compensation of the Company's executive officers each year.

The goals of the Company's compensation program are to align compensation with business objectives and performance, to enable the Company to attract, retain, and reward executive officers, and to motivate those officers to enhance long-term shareholder value. To meet these goals, we use a mix of the compensation elements of salary, bonus, and stock options.

Our decisions regarding base salary and bonuses during Fiscal 2002 were based upon our determinations regarding individual experience and capabilities, performance issues specific to the executive officer's particular responsibilities and salaries paid by other companies for comparable positions. With regard to David W. Sasnett, however, who served as our chief financial officer until his resignation in February 2002, his compensation was determined in accordance with the provisions of his employment agreement entered into in July 2001.

We granted stock options to certain of our executive officers in Fiscal 2002. Factors considered in determining the size of option grants included the salary, role, and performance level of each recipient. Our philosophy is to use stock option grants to the Company's executive officers to align their interests with those of our shareholders.

We used the same procedures described above in setting the annual salary, bonus, and stock option awards for Eric Bescoby, who served as the Company's Chief Executive Officer during Fiscal 2002. The determination of Mr. Bescoby's compensation in Fiscal 2002 was based on the philosophy of providing a competitive level of compensation consistent with Mr. Bescoby's responsibilities and experience as well as the Company's business performance goals. In determining Mr. Bescoby's bonus, we considered the factors described above as well as his critical contributions to the strategic development and leadership of the Company.

We have considered the potential impact of Section 162(m) of the Internal Revenue Code, which imposes a limit on tax deductions for annual compensation in excess of \$1,000,000 paid to any of the named executive officers, which is not performance-based in accordance with certain requirements. We do not believe this limitation will apply to the Company in Fiscal 2002. To the extent possible, we intend to preserve the federal income tax deductibility with respect to compensation paid to each of the named executive officers.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is responsible for reviewing the Company's financial reporting process on behalf of the Board. In addition, the Committee selects the Company's independent auditors.

Management is responsible for the Company's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report thereon. Our responsibility is to monitor and review these processes.

In this context, we met and held discussions with management and Grant Thornton LLP, the Company's independent auditors. Management represented to us that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and we reviewed and discussed the audited financial statements with management and with the independent auditors. We also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, we have discussed with the independent auditors their independence from the Company and its management and have received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee).

We also discussed with the Company's independent auditors the overall scope and plans for their audits. We meet with the independent auditors, with and without management, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based on our discussions with management and the independent auditors and our review of the representations of management and the report of the independent auditors, we recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended September 30, 2002 to be filed with the Securities and Exchange Commission.

RELATIONSHIP WITH INDEPENDENT ACCOUNTANTS

Deloitte & Touche LLP served as our independent accountants at the start of Fiscal 2002. However, in May 2002, we terminated our engagement of Deloitte & Touche LLP and retained Grant Thornton LLP. Grant Thornton LLP audited our financial statements for Fiscal 2002. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement, if he or she desires to do so, and to respond to appropriate questions.

Audit Fees

The aggregate fees billed by Deloitte & Touche LLP for professional services rendered to us for the reviews of the financial statements included in our Quarterly Report on Form 10-Q for the quarter ended December 31, 2001 and the inclusion of their report regarding our historical financials in our Annual Report on Form 10-K were approximately \$9,000.

The aggregate fees billed by Grant Thornton LLP for professional services rendered to us for the audit of the Company's annual financial statements for Fiscal 2002 and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for the quarters ended March 31, 2002 and June 30, 2002 were approximately \$353,000.

Financial Information Systems Design and Implementation Fees

We did not engage Deloitte & Touche LLP or Grant Thornton LLP to provide advice to us regarding financial information systems design and implementation during Fiscal 2002.

All Other Fees

The aggregate fees billed by Deloitte & Touche LLP for services rendered to the Company in Fiscal 2002, other than the services described above under **Audit Fees**, were approximately \$157,000. Such other services consisted of tax and other miscellaneous services.

The aggregate fees billed by Grant Thornton LLP for services rendered to the Company in Fiscal 2002, other than the services described above under **Audit Fees**, were approximately \$231,000. Such other services consisted of tax, the audit of the Company's 401(k) plan, services related to the completion of the whitewash procedure (a procedure that followed upon our acquisition of our U.K. subsidiary and is a prerequisite under English law to our ability to use the cash flows of our U.K. subsidiary in the repayment of our acquisition debt), and other miscellaneous services.

SHAREHOLDER RETURN PERFORMANCE GRAPH

The following line graph compares the cumulative total return of our Common Stock to the total return index for the Standard & Poor's 500 Index, a Peer Group Index of six stocks, and the Prior Peer Group (defined below) for the five-year period from September 30, 1997 through September 30, 2002. The graph assumes \$100 invested at the beginning of the period and reinvestment of dividends, if any.

The Peer Group Index consists of Applica Inc. (formerly known as Windmere-Durable Holdings, Inc.), Craftmade International, Inc., Genlyte Group, Inc., Helen of Troy Corporation, Juno Lighting, Inc. (Juno), and Thomas Industries, Inc. The companies included as part of the Peer Group Index were selected on the basis of the similarity of such companies to us, considering such factors as products sold, sourcing of products, distribution channels and the industry within which such companies operate. This Peer Group (the Current Peer Group) represents a change from the peer group we used for comparison in the prior year (the Prior Peer Group) in that the Prior Peer Group did not include Juno. We added Juno to the Current Peer Group because we believe that it is in a line of business similar to ours and that its addition will help to provide a more meaningful comparison of our stock performance. We have included the Prior Peer Group in the graph below because the applicable SEC rules require that we do so in connection with making the change to our Peer Group Index.

The comparisons shown in the graph are based on historical data. We caution that the stock price performance shown is not indicative of, nor intended to forecast, the potential future performance of our Common Stock. The information used in the graph was obtained from Research Data Group, Inc., a source we believe to be reliable, but we are not responsible for any errors or omissions in such information.

**Comparison of Cumulative Total Return Among the Company,
the S&P 500 Index, the Current Peer Group, and the Prior Peer Group**

Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate this Proxy Statement or future filings made by us under those statutes, the Report of the Compensation and Stock Option Committee, the Report of the Audit Committee, and the Shareholder Return Performance Graph shall not be deemed to be filed with the SEC and shall not be deemed incorporated by reference into any of those prior filings or into any future filings made by us under those statutes.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our majority shareholder, Sun Catalina, is an affiliate of Sun Capital Partners, Inc., by whom six of our directors (Messrs. Calhoun, Couch, Kalb, Krouse, Leder, and Terry) are employed.

In June 2002, we executed stock purchase agreements (the Purchase Agreements) with each of Sun Catalina and SunTrust Banks, Inc., a noteholder of the Company (SunTrust), whereby Sun Catalina and SunTrust purchased shares of our Common Stock, at a price of \$5.41 per share. Sun Catalina purchased 924,572 shares of Common Stock for an aggregate purchase price of \$5,001,937, payable in full by the cancellation of the principal and accrued interest under the Secured Junior Subordinated Note Due 2006 of the Company held by Sun Catalina. SunTrust purchased 184,843 shares of Common Stock for an aggregate purchase price of \$1,000,000, payable in full by the cancellation of a portion of the principal and accrued interest under the Secured Senior Subordinated Note Due 2006 of the Company held by SunTrust. In connection with the consummation of these transactions, we amended our registration rights agreement with Sun Catalina, SunTrust and SunTrust Bank, a Georgia banking corporation, to include within the definition of Registrable Securities thereunder the shares purchased by Sun Catalina and SunTrust pursuant to the Purchase Agreements.

In addition, we are party to a ten-year agreement, which commenced July 23, 2001, with another affiliate of Sun Catalina to provide management services to us at an annual fee of \$500,000, payable quarterly. This management services expense for Fiscal 2002 amounted to \$500,000.

OTHER MATTERS

At the time of the mailing of this Proxy Statement, we do not expect any business other than that set forth above to come before the Annual Meeting or any adjournment thereof. Should any matters properly come before the Annual Meeting or any adjournment thereof, the proxy holder will vote on these matters according to his discretion and best judgment.

EXPENSES OF SOLICITATION

We will bear the cost of solicitation of proxies for the Annual Meeting. We will make solicitations primarily by mail or by facsimile, but our regular employees may solicit proxies personally or by telephone or telegraph. We will ask brokerage houses and other nominees, custodians, and fiduciaries to forward proxy soliciting material and our Annual Report to the beneficial owners of the shares of our Common Stock held of record by them, and we will reimburse these record holders for their reasonable out-of-pocket expenses incurred in doing so.

2004 SHAREHOLDER PROPOSALS

If you would like to submit a proposal for the 2004 Annual Meeting of Shareholders, it must be received by the Secretary of the Company at 18191 N.W. 68th Avenue, Miami, Florida 33015, at any time prior to September 29, 2003 and must otherwise comply with Rule 14a-8 under the Securities Exchange Act of 1934, in order to be eligible for inclusion in our proxy statement for that meeting.

Our Bylaws provide that advance notice of nominations of persons for election to the Board of Directors or the proposal of business to be considered by the shareholders generally must be given to the Secretary of the Company not less than 120 days prior to the first anniversary of the date of the mailing of materials regarding the prior year's annual meeting, which mailing date is identified above in this Proxy Statement under the heading General Information, unless the date of the next Annual Meeting changes by more than 30 days from the date of this Annual Meeting. If the date of the next Annual Meeting changes by more than 30 days from the date of

this Annual Meeting, such proposal or nomination must be delivered not later than the close of business on the later of the 120 days preceding the next Annual Meeting or ten days after the public announcement of the date for the next Annual Meeting.

To be in proper form, a shareholder's notice must set forth: (i) as to each person whom the shareholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (ii) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such shareholder and the beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the shareholder giving the notice and the beneficial owners, if any, on whose behalf the nomination or proposal is made, (A) the name and address of such shareholder, as they appear on our books, and of such beneficial owner, (B) the number of shares of Common Stock which are owned (beneficially or of record) by such shareholder and such beneficial owner, (C) a description of all arrangements or understandings between such shareholder and such beneficial owner and any other person or persons (including their names) in connection with the proposal of such business by such shareholder and any material interest of such shareholder and of such beneficial owner in such business, and (D) a representation that such shareholder or its agent or designee intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

The Audit Committee shall meet at least four times annually (in person or telephonically), or more frequently as circumstances dictate as determined by the Chairman or by any two other members. The Chairman shall prepare and/or approve an agenda in advance of each meeting. The Audit Committee should meet privately in executive session at least annually with management, with the independent accountants, and as a committee to discuss any matters that the Audit Committee or each of these groups believe should be discussed. In addition, the Audit Committee should communicate with management and the independent accountants quarterly to review the Company's interim financial statements and any significant findings based upon the accountants' review procedures before the Company's Quarterly Report on Form 10-Q is filed with the Securities and Exchange Commission or such quarterly financial information otherwise is made public.

III. Audit Committee Responsibilities and Duties

In fulfilling its responsibilities, the Audit Committee is expected to perform the following procedures:

1. Review and reassess the Charter of the Audit Committee at least annually, making amendment to the Charter as appropriate.

3. In consultation with the management and the independent accountants, consider the integrity of the Company's financial reporting processes and controls. Discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. Review significant findings prepared by the independent accountants together with management's responses.
4. Review with financial management and the independent accountants the Company's quarterly financial results prior to the release of earnings and the Company's quarterly financial statements prior to filing or distribution. Discuss any significant changes to the Company's accounting principles and any items communicated by the independent accountants in accordance with Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (see Item B.5). The Chairman of the Committee may represent the entire Audit Committee for purposes of this review.
5. Meet with the independent accountants and management in separate executive sessions to discuss any matters that the Audit Committee or these groups believe should be discussed privately with the Audit Committee.

3. On an annual basis, review, and discuss with the independent accountants, all significant relationships the independent accountants have with the Company that could impair the accountants' independence. This review should include, without limitation, the following:
 - a. receiving a formal written statement from the independent accountants delineating all relationships between the accountants and the Company, consistent with Independence Standards Board Standard No. 1; and
 - b. actively engaging in a dialog with the independent accountants with respect to any disclosed relationships or services that may have an impact on the objectivity and independence of the independent accountants.
4. Review the independent accountants' audit plan. This review should include a discussion of scope, staffing, reliance upon management and general audit approach.
5. Prior to releasing the year-end earnings, discuss, outside the presence of management, the results of the audit with the independent accountants. The discussion should include the matters set forth in item 2, as well as the following:
