ITEM 7.01 REGULATION FD DISCLOSURE

## Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

will enable us to reduce our outstanding debt and capitalized liabilities in a meaningful way. Second, the cash flow of our overall enterprise will improve as we will no longer have to service the lease payments associated with plant and equipment. Third, this business required significant time and attention from all of the senior management of the Company. We will now be able to focus more of our energy on growing the two core enterprises."

Atayan added, "We are also delighted that our employees, suppliers and others who have supported this business over the years will have a meaningful opportunity with Hawaiian Springs, LLC. We wish everyone involved the best of success going forward."

"Historically HNWC has incurred significant operating losses which have hampered earnings. With this transaction, we will no longer have to absorb reported losses from this business which totaled approximately \$6.2 million before tax for all of fiscal 2005 and \$1.6 million before tax for the nine months ended June 30, 2006, noted Andrew Plummer, AMCON's Acting Chief Financial Officer, "Additionally, beginning September 30, 2006, this business will be reported as a discontinued operation on our financial statements."
