PROSPECTUS

6,650,000 Shares

Common Stock

This prospectus relates to 6,650,000 shares of our common stock (the **Shares**) that may be offered for sale by the selling stockholders named in this prospectus. The Shares include 4,433,333 shares of our common stock (the **Conversion Shares**) that may be issued upon conversion of our 10% Senior Secured Convertible Debentures due October 31, 2013 (the **Debentures**) and 2,216,667 shares of our common stock that may be issued upon exercise of our Class A Warrants (the **Class A Warrants Shares**). In addition, this prospectus covers 2,216,667 shares of our common stock that may be issued upon exercise of our Class B Warrants (the **Class B Warrant Shares**). However, the Class B Warrants are only exercisable in the event of a prepayment of the Debentures and then only to the extent of 50% of the Conversion Shares that would have been issued had the prepaid portion of the Debentures been converted immediately prior to the prepayment. Accordingly, the Class B Warrant Shares do not represent any incremental issuances as they replace Conversion Shares.

We will not receive any of the proceeds from the sale of the Shares, although we will receive proceeds from the exercise of the Class A and Class B Warrants (collectively, the **Warrants**). The Shares may be offered from time to time by the selling stockholders, their pledgees and/or donees, beginning on the date of this prospectus immediately upon their issuance. However, the Class A Warrants may not be exercised until April 1, 2012.

The Shares may be offered through ordinary brokerage transactions on the Nasdaq Global Market, the principal exchange on which our common stock is listed, in the over-the-counter market or other exchanges on which our shares are traded, in negotiated transactions or otherwise, at market prices prevailing at the time of sale or at negotiated prices.

The selling stockholders have not entered into any underwriting arrangement. The selling stockholders may pay usual and customary or specifically negotiated brokerage fees or commissions in connection with sales of the shares.

Our common stock is listed on the NASDAQ Global Market and trades under the symbol **RODM** .

Investing in our common stock involves risk. Please read the **Risk Factors referenced on page 4 and incorporated herein by reference for a discussion of the factors you should consider before you make your investment decision.**

DESCRIPTION OF THE FINANCING

On October 31, 2011, the Company entered into a Securities Purchase Agreement (the "Purchase Agreement") with the accredited investors named herein as Selling Stockholders (the "Selling Stockholders"). Pursuant to the Purchase Agreement, the Company sold, and the Selling Stockholders purchased an aggregate of \$6,650,000 original principal amount of the Company's 10% Senior Secured Convertible Debentures due October 31, 2013 (the "Debentures") with a net share settlement feature, and warrants (the "Warrants") to purchase shares of the Company's Common Stock (the "Offering"). The Debentures are convertible into up to 4,433,333 shares of the Company's common stock (the "Common Stock") at any time prior to maturity, based on a conversion price of \$1.50 per share (a 102% premium to the closing price of the Company's common stock on the date the financing was announced). A net share settlement feature of the Debentures could reduce, but not increase, the number of shares of Common Stock issued upon conversion. The Warrants include Class A Warrants covering up to 2,216,667 shares of Common Stock, which are exercisable commencing six months following the date of issuance and until their expiration on October 31, 2014, at \$1.50 per share (a 102% premium to the closing price of the Company's common stock on the date the financing was announced), and Class B Warrants covering up to 2,216,667 shares of Common Stock, which are exercisable only in the event of a prepayment of the Debentures and then only to the extent of up to 50% of the number of shares of Common Stock that would have been issued had the prepaid portion of the Debentures been converted into shares of Common Stock. The Class B Warrants expire on October 31, 2013 and have an exercise price of \$1.50 per share (a 102% premium to the closing price of the Company's common stock on the date the financing was announced). The sale and issuance of the securities was in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended, set forth in Section 4(2) thereof and/or Regulation D thereunder.

The total dollar value of the Common Stock underlying the Debentures that have been registered for resale (using the number of underlying shares of Common Stock that have been registered for resale and the market price per share on the date of the sale of the Debentures) is \$3,280,666 (calculated as follows: \$6,650,000 (the offering amount) divided by \$1.50 (the fixed conversion price) multiplied by \$0.74 (the closing price per share of Common Stock on the date the transaction was announced)).

There were no commissions or selling commissions paid in connection with the Offering. As such, the \$6.65 million of gross proceeds from the Offering approximated net proceeds (after deducting the Company's offering expenses (e.g., legal and accounting expenses)). During the first year following issuance of the Debentures, the Company is obligated to make the following payments to the holders of the Debentures: (a) on June 1, 2012, an interest payment on the principal amount of the Debentures at the stated rate of 10% per annum for the period from issuance through May 31, 2012 in the aggregate amount of \$385,700, and (b) up to four percent (0.5% per month for the period from March 1, 2012 through October 31, 2012) of the principal amount of the Debentures (or a maximum of \$266,000) if the Registration Statement of which this Prospectus is a part is not declared effective by the SEC on or before February 28, 2012. No payments were made to any affiliates of the Selling Stockholders in connection with, or related to, the Offering. The Company has the current intent, and reasonably believes that it has the financial ability, to repay the principal amount of the Debentures and interest thereon in cash.

Both prior to, and immediately following the Offering, there were 34,392,699 shares of the Company's Common Stock outstanding. Of such shares of Common Stock, 18,530,674, or approximately 54%, were held by other than Selling Stockholders (including affiliates of Selling Stockholders) and officers and directors of the Company.

RISK FACTORS

Investment in our securities involves risks. Prior to making a decision about investing in our securities, you should consider carefully the factors discussed under Item 1A. Risk Factors contained in our Annual Report filed on Form 10-K for the year ended December 31, 2010 and our Quarterly Report filed on Form 10-Q for the three and nine month periods ended September 30, 2011, both of which are incorporated herein by reference, as well as other information contained or incorporated by reference in this prospectus. Each of these risks could adversely affect our business, operating results and financial condition, which may result in the loss of all or part of your investment.

USE OF PROCEEDS

We will not receive any proceeds from the sale of Shares offered under this prospectus. However, this prospectus covers the sale of the Class A Warrant Shares. If all of the Class A Warrants are exercised, we will receive proceeds of approximately \$3.325 million. In addition, if the Class B Warrants become exercisable, we will receive the proceeds from their exercise as well.

- (1) Under the rules and regulations of the SEC, beneficial ownership includes: (i) shares actually owned; (ii) shares underlying options and warrants that are currently exercisable; and (iii) shares underlying options and warrants that are exercisable within 60 days of the date of this prospectus. Accordingly, the beneficial ownership information in the table above does not include the Class A Warrant Shares or the Class B Warrant Shares. As discussed elsewhere in this prospectus, the Class A Warrants are not exercisable until April 1, 2012, the Class B Warrants are only exercisable in the event there is a prepayment of the Debentures and then only to the extent of 50% of the Conversion Shares that would have been issued had the prepaid portion of the Debentures been converted immediately prior to the prepayment. All shares beneficially owned by a particular person are deemed to be outstanding for the purpose of computing the percentage ownership of that person but are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

PLAN OF DISTRIBUTION

Each Selling Stockholder (the Selling Stockholders) of the securities and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their securities covered hereby on the NASDAQ Global Market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. A Selling Stockholder may use any one or more of the following methods when selling securities:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;

in transactions through broker-dealers that agree with the Selling Stockholders to sell a specified number of such securities at a stipulated price per security;

through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;

a combination of any such methods of sale; or

any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell securities under Rule 144 under the Securities Act of 1933, as amended (the Securities Act), if available, rather than under this prospectus.

Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the securities or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The Selling Stockholders may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or create one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

Edgar Filing: RODMAN & RENSHAW CAPITAL GROUP, INC. - Form S-3/A

The Selling Stockholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each Selling Stockholder has informed us that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities. In no event shall any broker-dealer receive fees, commissions and markups which, in the aggregate, would exceed eight percent (8%).

We are required to pay certain fees and expenses incurred by us incident to the registration of the securities. We have agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

Because Selling Stockholders may be deemed to be underwriters within the meaning of the Securities Act, they will be subject to the prospectus delivery requirements of the Securities Act including Rule 172 thereunder. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than under this prospectus. The Selling Stockholders have advised us that there is no underwriter or coordinating broker acting in connection with the proposed sale of the resale securities by the Selling Stockholders.

We agreed to keep this prospectus effective until the earlier of (i) the date on which the securities may be resold by the Selling Stockholders without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144, without the requirement for the Company to be in compliance with the current public information under Rule 144 under the Securities Act or any other rule of similar effect or (ii) all of the securities have been sold pursuant to this prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale securities may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the Selling Stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of securities of the common stock by the Selling Stockholders or any other person. We will make copies of this prospectus available to the Selling Stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).

persons being referred to as an Indemnitee), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding and any appeal therefrom, if such Indemnitee acted in good faith and in a manner he reasonably believed to be in, or not opposed to, our best interests, and, with respect to any criminal action or proceeding, he had no reasonable cause to believe his conduct was unlawful. Our certificate of incorporation provides that we will indemnify any Indemnitee who was or is a party to an action or suit by or in the right of us to procure a judgment in our favor by reason of the fact that the Indemnitee is or was, or has agreed to become, a director or officer of ours, or is or was serving, or has agreed to serve, at our request as a director, officer, partner, employee or trustee or, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding, and any appeal therefrom, if the Indemnitee acted in good faith and in a manner he reasonably believed to be in, or not opposed to, our best interests, except that no indemnification shall be made with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to us, unless a court determines that, despite such adjudication but in view of all of the circumstances, he is entitled to indemnification of such expenses. Notwithstanding the foregoing, to the extent that any Indemnitee has been successful, on the merits or otherwise, he will be indemnified by us against all expenses (including attorneys' fees) actually and reasonably incurred in connection therewith. Expenses must be advanced to an Indemnitee under certain circumstances.

We entered into indemnification agreements with each of our directors and each of our executive officers. These indemnification agreements may require us, among other things, to indemnify our directors and executive officers for some expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by a director or executive officer in any action or proceeding arising out of his service as one of our directors or executive officers, or any other company or enterprise to which the person provides services at our request.

We maintain a general liability insurance policy that covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers.

In any underwriting agreement we enter into in connection with the sale of common stock being registered hereby, the underwriters will agree to indemnify, under certain conditions, us, our directors, our officers and persons who control us with the meaning of the Securities Act against certain liabilities.

(1) Incorporated by reference from the Registrant's Current Report on Form 8-K filed on November 4, 2011.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of

the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement or are contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the undersigned Registrant relies on Rule 430B:

(A) Each prospectus filed by the undersigned Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this Registration Statement as of the date the filed prospectus was deemed part of and included in this Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x), for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be

deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date; or

(ii) If the undersigned Registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of this Registration Statement, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the Registration Statement as of the date it is first used after effectiveness; *provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the undersigned Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling

precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
