**PROXY STATEMENT
OF
CASABLANCA CAPITAL LP**

PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD PROXY CARD TODAY

This Proxy Statement and the enclosed **GOLD** proxy card are being furnished by Casablanca Capital LP (Casablanca Capital), Donald G. Drapkin (Mr. Drapkin) and Douglas Taylor (Mr. Taylor) and together with Casablanca Capital and Mr. Drapkin, collectively, Casablanca) and the other Nominees (as defined below) (collectively, the Participants) in connection with the solicitation of proxies (the Proxy Solicitation) from the shareholders of Cliffs Natural Resources Inc. (Cliffs or the Company).

For the reasons set forth in this proxy statement, we do not believe that the current board of directors of the Company (the Board) is acting in the best interests of the Company s shareholders. We are therefore seeking your support at the upcoming 2014 annual meeting of shareholders (the Annual Meeting) to be held on Tuesday, July 29, 2014, at North Point, 901 Lakeside Avenue, Cleveland, OH 44114 at 11:30 a.m., with respect to the following (each, a Proposal and, collectively, the Proposals):

1. to elect Casablanca s slate of six director nominees, Robert P. Fisher, Jr., Celso Lourenco Goncalves, Patrice E. Merrin, Joseph Rutkowski, Gabriel Stoliar and Douglas Taylor (collectively, the Nominees) to serve as directors on the Board until the next annual meeting of shareholders or until their successors are duly elected and qualified, in opposition to the Company s director nominees;
2. to vote against the Company s proposal to approve the 2014 Nonemployee Directors Compensation Plan;
3. to vote against the Company s proposal to approve, on an advisory basis, the Company s named executive officers compensation;
4. to vote against the Company s proposal to approve the Cliffs Natural Resources Inc. Amended and Restated 2012 Incentive Equity Plan;
5. to ratify the appointment of Deloitte & Touche LLP (Deloitte) as the Company s independent registered public accounting firm to serve for the fiscal year ending December 31, 2014; and
6. to transact any other matters that may properly come before the Annual Meeting or any adjournment thereof.

The Company set the record date for determining shareholders entitled to notice of and to vote at the Annual Meeting as June 2, 2014 (the Record Date). Shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. The mailing address of the principal executive offices of the Company is 200 Public Square, 41st floor, Cleveland, Ohio 44114. According to the Company, as of May 19, 2014, there were 153,180,929 shares of common stock, par value \$0.125 per share (the Common Stock), outstanding. As of December 31, 2013, there were 731,250 shares of 7.00% Series A Mandatory Convertible Preferred Stock, Class A, no par value (the Mandatory Convertible Preferred Stock), outstanding and because the depository

shares (the Depository Shares) each represent a 1/40th interest in a share of Mandatory Convertible Preferred Stock, we believe that there were also 29,250,000 Depository Shares outstanding as of December 31, 2013. As of June 4, 2014, Casablanca, together with the other Participants in this Proxy Solicitation, beneficially owned 7,995,520 shares of Common Stock, including 77,000 shares of Common Stock beneficially owned by Celso Lourenco Goncalves (Mr. Goncalves), 8,000 shares of Common Stock beneficially owned by Joseph Rutkowski (Mr. Rutkowski) and 3,000 shares of Common Stock beneficially owned by Patrice E. Merrin (Ms. Merrin), which represents an aggregate of approximately 5.2% of the outstanding Common Stock. We intend to vote such shares of Common Stock cumulatively **FOR** the election of the Nominees, **AGAINST** the approval of the 2014 Nonemployee Directors Compensation Plan, **AGAINST** the advisory vote on executive compensation, **AGAINST** the approval of the Cliffs Natural Resources Inc. Amended and Restated 2012 Incentive Equity Plan and **FOR** the ratification of the appointment of Deloitte.

This proxy statement and **GOLD** proxy card are first being mailed or given to the Company's shareholders on or about [____], 2014.

THIS PROXY SOLICITATION IS BEING MADE BY THE PARTICIPANTS AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY OR ANY OTHER THIRD PARTY. THE PARTICIPANTS ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS DESCRIBED HEREIN. SHOULD OTHER MATTERS BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED **GOLD** PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

CASABLANCA URGES YOU TO SIGN, DATE AND RETURN THE **GOLD** PROXY CARD IN FAVOR OF THE ELECTION OF ITS NOMINEES.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY MANAGEMENT OF THE COMPANY, YOU MAY REVOKE THAT PROXY AND VOTE **FOR** THE ELECTION OF CASABLANCA'S NOMINEES, **AGAINST** THE APPROVAL OF THE 2014 NONEMPLOYEE DIRECTORS' COMPENSATION PLAN, **AGAINST** THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS, **AGAINST** THE APPROVAL OF THE CLIFFS NATURAL RESOURCES INC. AMENDED AND RESTATED 2012 INCENTIVE EQUITY PLAN AND **FOR** THE RATIFICATION OF DELOITTE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM BY SIGNING, DATING AND RETURNING THE ENCLOSED **GOLD** PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE ANNUAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE ANNUAL MEETING TO CASABLANCA, C/O OKAPI PARTNERS LLC, 437 MADISON AVENUE, 28TH FLOOR, NEW YORK, NEW YORK 10022, WHICH IS ASSISTING IN THIS PROXY SOLICITATION, OR TO THE SECRETARY OF THE COMPANY, OR BY VOTING IN PERSON AT THE ANNUAL MEETING.

IMPORTANT

PLEASE READ THIS CAREFULLY

If your shares of Common Stock and/or Depository Shares are registered in your own name, please vote today by signing, dating and returning the enclosed **GOLD** proxy card in the postage-paid envelope provided.

If your shares are held in the name of a brokerage firm, and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal unless it is a routine matter. This is referred to as a broker non-vote. Under the rules and interpretations of the New York Stock Exchange (NYSE), there are no routine proposals in a contested proxy solicitation. Because Casablanca has initiated a contested proxy solicitation, there will be no routine matters at the Annual Meeting for any broker accounts that are provided with proxy materials by Casablanca. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to Casablanca Capital LP, c/o Okapi Partners LLC, 437 Madison Avenue, 28th Floor, New York, New York 10022, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

Because each Depository Share represents a 1/40th interest in a share of Mandatory Convertible Preferred Stock, each Depository Share will be entitled to 1/40th of a vote to which each share of Mandatory Convertible Preferred Stock represented by such Depository Share is entitled. Wells Fargo Bank, N.A. acts as the bank depositary with respect to the Depository Shares. The bank depositary will provide notice of the Annual Meeting to the record holders of the Depository Shares. Each record holder of Depository Shares on the Record Date may instruct the bank depositary as to how to vote the number of shares of Mandatory Convertible Preferred Stock represented by such holder's Depository Shares. The bank depositary will endeavor, insofar as practicable, to vote the number of shares of Mandatory Convertible Preferred Stock represented by such Depository Shares in accordance with these instructions. The bank depositary will abstain from voting shares of Mandatory Convertible Preferred Stock to the extent it does not receive specific instructions from the holders of the Depository Shares.

Execution and delivery of a proxy by a record holder of shares of Common Stock and/or Depository Shares will be presumed to be a proxy with respect to all shares of Common Stock and/or Depository Shares held by such record holder unless the proxy specifies otherwise.

Only record holders of shares of Common Stock or Depository Shares as of the close of business on the Record Date will be entitled to vote on the Proposals. If you are a shareholder of record as of the close of business on the Record Date, you will retain your right to vote even if you sell your shares of Common Stock or Depository Shares after the Record Date.

According to the Company's preliminary proxy statement on Schedule 14A filed on June 5, 2014 in connection with the 2014 annual meeting of shareholders (the Company's Proxy Statement) and the rules of the NYSE, (i) abstentions and broker non-votes will have no effect with respect to the election of directors; (ii) abstentions will have the effect of votes against, and broker non-votes will have no effect with respect to, (a) the vote regarding the 2014 Nonemployee Directors' Compensation Plan; (b) the advisory vote regarding the compensation of the Company's named executive officers; (c) the Cliffs Natural Resources Inc. Amended and Restated 2012 Incentive Equity Plan; and (d) ratification of Deloitte as the Company's independent registered public accounting firm.

If you have any questions regarding your **GOLD** proxy card or need assistance in executing your proxy, please contact Okapi Partners LLC at (212) 297-0720 or Toll-Free at (877) 274-8654.

BACKGROUND OF THE PROXY SOLICITATION

In mid-December 2013, Casablanca met with members of Cliffs' management team in Cleveland, OH.

In mid-January 2014, Casablanca and Cliffs representatives met again in New York City. During this meeting, Casablanca indicated its belief that Cliffs could create significant shareholder value by restructuring the Company and re-focusing its capital allocation strategy. Casablanca also indicated its desire to have representation on the Board, as well as its impending need to file a Schedule 13D and make its position known to the market. Casablanca emphasized its desire to publicly announce its position in a manner indicating that the parties were working together in partnership.

During the second half of January 2014, Casablanca representatives communicated to Cliffs on several occasions the need for the Company to react expeditiously to Casablanca's proposals. During these communications, Cliffs indicated it was considering Casablanca's proposals, but did not respond to Casablanca's request for Board representation or offer any views on Casablanca's proposals.

On January 27, 2014, Casablanca sent a letter to the Board expressing its disappointment in the Company's historical financial underperformance and discussing strategic alternatives that, in Casablanca's view, would materially increase the Company's valuation.

On January 28, 2014, Casablanca filed a Schedule 13D with the Securities Exchange Commission, indicating it held approximately 5.2% of the outstanding shares of Cliffs equity.

On January 30, 2014, Gregory Donat of Casablanca spoke with Kelly Tompkins of Cliffs, together with representatives of JP Morgan, to discuss certain details regarding Casablanca's analytical assumptions.

On February 12, 2014, Casablanca submitted a second letter (the February 12 Letter) to the Company indicating its intent to nominate six candidates, including Lourenco Goncalves, for election to the Board and that, if elected, Casablanca's nominees would constitute a majority of the Board. Further, Casablanca expressed its support of Mr. Goncalves as Chief Executive Officer of the Company.

On February 13, 2014, one day after Casablanca proposed Mr. Goncalves for the Cliffs Chief Executive Officer role, Cliffs announced its appointment of Gary Halverson to the Chief Executive Officer role.

On February 14, 2014, the Company issued an open letter to its shareholders in response to the February 12 Letter.

On March 3, 2014, Cliffs' Executive Chairman, James Kirsch, contacted Donald Drapkin of Casablanca and offered him a seat on the Board. Mr. Drapkin responded that he was unwilling to accept a role that did not enable Casablanca-nominated directors to have a meaningful impact on decision-making at the Board. He stressed, however, that Casablanca did not require that its nominees comprise a majority of the Board. By way of example, Mr. Drapkin indicated that four seats on a nine-member board would be acceptable. Mr. Drapkin also indicated the importance that any solution involve a significant role for Mr. Goncalves. He further pointed out that Cliffs' record date was only four days away, and that given the amount of time it had taken for Cliffs to respond, Casablanca was unwilling to suspend its public campaign so close to the record date. Mr. Drapkin suggested it would be useful for Cliffs to postpone its record date for approximately two weeks in order to allow Casablanca and Cliffs the time to engage in a meaningful negotiation.

On March 4, 2014, Mr. Kirsch again contacted Mr. Drapkin and offered Casablanca two seats on the Board, and an opportunity to name a third, mutually-agreeable independent director. Mr. Kirsch did not indicate any role for Mr. Goncalves. Mr. Drapkin again declined the offer, for the same reasons he had indicated the previous day.

On March 5, 2014, Cliffs announced it was postponing the date of its annual meeting, incorrectly attributing this step as a response to a Casablanca request (as indicated above, Casablanca had only requested that the record date be delayed, for the purposes of facilitating settlement discussions, but never requested, or discussed, delaying the annual meeting date).

On March 5, 2014, Mr. Drapkin delivered written notice, in accordance with the Ohio General Corporation Law, to the Company's President and Chief Executive Officer providing that he desired cumulative voting for the election of directors at the Annual Meeting.

On March 6, 2014, Casablanca sent a letter to the Board regarding Casablanca's intention to nominate six candidates for election to the Board at the Annual Meeting. The letter also discussed the Board's role in the decline of the value of the Common Stock by 80% since July 2011 and Casablanca's belief that the Board has repeatedly engaged in entrenchment tactics. Casablanca further reiterated and described in more detail its strategy for creating value at the Company.

On March 6, 2014, Casablanca launched a website, www.FixCliffs.com, to which Casablanca posted a presentation analyzing the Company's past performance and setting forth Casablanca's strategic recommendations and various other soliciting material.

On or about March 10, 2014, Douglas Taylor of Casablanca contacted Mr. Kirsch in response to the Company's public indications of its desire to continue settlement discussions. After several discussions, Mr. Kirsch indicated a willingness to meet in person with Casablanca, but that the Company would not accept a settlement involving both four out of nine directors and a Chief Executive Officer role for Mr. Goncalves. In response, Mr. Taylor indicated that Casablanca would accept an Executive Chairman role for Mr. Goncalves, together with four directors on a nine-member Board. Mr. Kirsch responded that on that basis, there were sufficient grounds for the parties to meet in person to discuss a settlement.

On March 14, 2014, representatives of Casablanca and its outside legal counsel met with James Kirsch and Richard Riederer, Chairman of the Governance and Nominating Committee, and Cliffs' outside legal counsel to discuss a possible settlement between the parties. At that meeting, Cliffs' counsel proposed that Casablanca reduce the number of directors it was requesting. Casablanca responded that it would accept three out of nine directors, provided Mr. Goncalves assumed the role of Executive Chairman, with Mr. Halverson reporting directly to the Mr. Goncalves (in keeping with Mr. Halverson's direct reporting relationship to Mr. Kirsch, who was Executive Chairman at the time), Mr. Goncalves becoming Chairman of Cliffs' strategy committee and a Casablanca Nominee joining each Board committee. The parties also agreed to keep the terms of all settlement discussions confidential. Mr. Kirsch responded that he thought the proposed terms would be acceptable, and that he was prepared to recommend the proposed settlement to the entire Board and have Mr. Goncalves meet a majority of the Board members.

On March 17, 2014, Mr. Kirsch contacted Mr. Taylor to discuss Mr. Goncalves' role as Executive Chairman, and the Company's desire to retain an independent lead director.

On March 19, 2014, Mr. Goncalves flew to Cleveland, OH and met separately with James Kirsch and Gary Halverson at the Company's headquarters.

On March 20, 2014, Casablanca's counsel sent Cliffs' counsel a draft settlement agreement (the Settlement Agreement) containing the terms discussed at the March 14, 2014 meeting.

On March 20, 2014, Mr. Goncalves flew to Milwaukee, WI and met with Mr. Riederer. Mr. Goncalves had also been scheduled to meet with director Timothy Sullivan that same day in Milwaukee, but was informed on the preceding day Mr. Sullivan was no longer available to meet.

Several days later, Mr. Taylor spoke with Mr. Kirsch about the need to conclude the process in a timely fashion. Separately, Mr. Goncalves directly communicated his willingness to meet with each of the Cliffs' directors at any time and place.

The Company scheduled Mr. Goncalves to meet with the next director, Susan Cunningham (Ms. Cunningham), on the following Friday, March 28, 2014 (more than a week after the meeting with Mr. Riederer).

On or about March 23, 2014, Casablanca s counsel contacted Cliffs counsel to inquire when Casablanca could expect to receive comments on its draft Settlement Agreement. Cliffs counsel did respond.

On March 28, 2014, Mr. Goncalves flew to Houston, TX and met with Ms. Cunningham.

On March 31, 2014, Casablanca's counsel again attempted to contact Cliffs' counsel to inquire when Casablanca could expect to receive comments on the draft Settlement Agreement.

On April 1, 2014, Cliffs' counsel contacted Casablanca's counsel, offered apologies for his delayed response, and indicated Cliffs did not intend to provide any comments to the draft Settlement Agreement until after Mr. Goncalves had completed the process of meeting the Cliffs' directors.

The Company scheduled the next meetings for Mr. Goncalves on Friday, April 4, 2014 (a full week after the meeting in Houston). On April 4, 2014, Mr. Goncalves flew to Washington DC and met with directors Andres Gluski, Susan Green and Janice Henry in a single meeting.

The Company scheduled the next meeting yet another week away, on April 10, 2014. On that date, directors Mark Gaumont and Stephen Johnson met together with Mr. Goncalves in Fort Lauderdale, FL.

On April 17, 2014, Mr. Kirsch contacted Mr. Taylor and indicated the Board had convened, and that he wished to meet the following Wednesday, April 23 (six days away) to communicate the results of the Board's deliberations. Mr. Kirsch refused to offer any insight into the Board's decision beforehand.

On or about April 18, 2014, Mr. Taylor indicated to Mr. Kirsch that Casablanca was unwilling to wait yet another week just to hear the outcome in person, and would not facilitate further delays by agreeing to such a meeting.

On or about April 20, 2014, Mr. Kirsch indicated a willingness to hold a teleconference instead, and on Monday April 21, 2014, Mr. Kirsch and his counsel spoke by phone with Mr. Taylor and Casablanca's counsel. In that teleconference, Mr. Kirsch indicated the Board's decision that it would not accept a settlement that involved any form of executive role for either Mr. Goncalves or any other Casablanca representative or any specified role on the strategy committee. Casablanca asked whether Cliffs intended to make a counterproposal, to which Cliffs' counsel responded that no counterproposal would be forthcoming, but that if Casablanca wished to propose a settlement with no specified roles for anyone other than as a general board member, they would listen to the proposal, but would not indicate what they might find acceptable. Cliffs' counsel further indicated that the Company would not set a date for its annual meeting any time soon, and that the only guidance it would give was that the meeting would be held some time in 2014.

In a subsequent conversation between Casablanca's and Cliffs' respective counsel later that same day, Cliffs' counsel again reiterated that Cliffs had no intention of making any form of counterproposal.

On April 21, 2014, Casablanca submitted a letter to the Board requesting that the Company hold its annual meeting of shareholders on or before June 4, 2014 and announcing its intent, should the Company fail to set a prompt date for the annual meeting, to commence a consent solicitation to call a special meeting of Company shareholders for the election of directors. In that letter, Casablanca also indicated its frustration with what it considered to be Cliffs' delay tactics and unwillingness to consummate the settlement on the terms that had been discussed.

On April 25, 2014, Cliffs announced that it would hold its Annual Meeting on July 29, 2014 (11 weeks later than the originally-scheduled date of May 13, 2014).

On May 23, 2014, Cliffs filed its preliminary proxy statement and, in violation of the agreement that the terms of settlement discussions would be held confidential, disclosed the detailed terms of the proposed settlement with Casablanca.

PROPOSAL 1 ELECTION OF DIRECTORS

According to publicly available information, the Board currently consists of eleven directors, whose terms will expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our six Nominees, each of whom is independent of the Company. If successful in our Proxy Solicitation, the Board will be composed of our Nominees Robert P. Fisher, Jr., Mr. Goncalves, Patrice E. Merrin, Joseph Rutkowski, Gabriel Stoliar and Douglas Taylor and the five Company director nominees receiving the highest number of votes in favor of his or her election at the Annual Meeting. If all six of our Nominees are elected, they will represent a majority of the members of the Board. There is no assurance that any incumbent director will serve as a director if one or more of our Nominees are elected to the Board. Each of our Nominees, if elected at the Annual Meeting, will serve until the Company's 2015 annual meeting of shareholders and until his or her successor shall have been duly elected and qualified, or until his or her death, resignation or removal.

We are soliciting proxies to elect only the Nominees listed herein. Accordingly, the enclosed **GOLD** proxy card may only be voted for the Nominees and does not confer voting power with respect to any of the Company's director nominees. Stockholders who return the **GOLD** proxy card will only be able to vote for the six Nominees listed on the card and will not have the opportunity to vote for the additional five seats up for election at the Annual Meeting. You can only vote for the Company's director nominees by signing and returning a proxy card provided by the Company or by requesting a legal proxy and casting your ballot in person by attending the Annual Meeting. You should refer to the Company's Proxy Statement when it is filed with the SEC for the names, background, qualifications and other information concerning the incumbent directors.

Unless otherwise instructed, shares of Common Stock and Depositary Shares represented by properly executed **GOLD** proxy cards will be voted cumulatively at the Annual Meeting in favor of our Nominees, at our sole discretion, in order to elect as many of our Nominees as possible.

None of the organizations or corporations referenced above is a parent, subsidiary or other affiliate of Cliffs. If elected, each of the Nominees will be considered an independent director of Cliffs under the Company's Corporate Governance Guidelines, under applicable NYSE listing rules and under Item 407(a) of Regulation S-K.

Each of the Nominees (other than Mr. Taylor) has entered into a nominee agreement pursuant to which Casablanca Capital has agreed to pay the costs of soliciting proxies, and to defend and indemnify him or her against, and with respect to, any losses that may be incurred by him or her in the event he or she becomes a party to litigation based on his or her nomination as a candidate for election to the Board and the solicitation of proxies in support of his or her election. No Nominee will receive any compensation under his or her respective nominee agreement and will not receive any compensation from Casablanca Capital or its affiliates for his or her services as a director of the Company if elected. If elected, the Nominees (including Mr. Taylor) will be entitled to such compensation from the Company as is consistent with the Company's then-established practices for services of non-employee directors.

Each of the Nominees has agreed to being named as a nominee in this proxy statement and has confirmed his or her willingness to serve on the Board if elected. Casablanca does not expect that any of the Nominees will be unable to stand for election, but in the event that a Nominee is unable to or for good cause will not serve, the shares of Common Stock and Depositary Shares represented by the **GOLD** proxy card will be voted for a substitute candidate selected by Casablanca. If Casablanca determines to add or substitute nominees, whether because the Company expands the size of the Board subsequent to the date of this proxy statement, a Nominee is unable or unwilling to serve, or for any other reason, Casablanca will supplement this proxy statement.

As described in the Company's Proxy Statement, the election of all six of Casablanca's nominees may result in certain change in control compensation payments becoming payable to certain officers of Cliffs or directors serving on the Board. Such change in control compensation payments, as described in the Company's Proxy Statement, are provided for below.

Under the terms of the Participant Long-Term Incentive Grant Agreements entered into prior to September 2013, Cliffs' named executive officers are entitled to the following benefits upon the occurrence of a change in control, regardless of whether the employment of the named executive officer is terminated:

The restrictions on the restricted shares lapse immediately; and

The performance shares at the original target grant and restricted share units vest immediately. Effective September 2013 upon a change in control, all future equity granted to participants will be subject to potential assumption, replacement or continuation of the award in certain circumstances in lieu of immediately vesting and payout (or immediate vesting and payout if such assumed, replaced or continued awards are not provided).

For this purpose, a change in control generally means the occurrence of any of the following events:

- (1) Any one person, or more than one person acting as a group, acquires ownership of Cliffs Common Stock possessing 35 percent or more of the total voting power of Cliffs' Common Stock or the then-outstanding shares (subject to certain exceptions);
- (2) A majority of members of the Board is replaced by directors whose appointment or election is not endorsed by a majority of the Board prior to the date of the appointment or election; or
- (3) Approval by Cliffs' shareholders of a complete liquidation or dissolution of Cliffs.

Acquisitions of Cliffs' Common Stock pursuant to certain business combination or similar transactions described in Cliffs' equity incentive plans, however, will not constitute a change in control if, generally speaking, in each case, immediately after such business transaction:

Owners of Cliffs Common stock immediately prior to the business transaction own more than 50 percent of the entity resulting from the business transaction in substantially the same proportions as their pre-business transaction ownership of Cliffs Common Stock;

No one person, or more than one person acting as a group (subject to certain exceptions), owns 35 percent or more of the combined voting power of the entity resulting from the business transaction or the outstanding common shares of such resulting entity; and

At least a majority of the members of the board of directors of the entity resulting from the business transaction were members of the Incumbent Board when the business transaction agreement was signed or approved by the Incumbent Board. For purposes of this exception, the Incumbent Board generally means those directors who were serving as of August 11, 2008 (or a prior date in the case of certain pre-2007 equity awards) or whose appointment or election was endorsed by a majority of the incumbent members prior to the date of such appointment or election. Except as it pertains to the definition of business combination or similar transactions, persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with Cliffs.

The Cliffs 2007 Incentive Equity Plan and 2012 Incentive Equity Plan also clarify that the following two plan provisions do not apply to the definition of Business Combination : (1) persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with Cliffs; and (2) if a person, including an entity, owns stock in both corporations that enter into a merger, consolidation, purchase or acquisition of stock, or similar transaction, such shareholder is considered to be acting as a group with other shareholders in a corporation prior to the transaction giving rise to the change and not with respect to the ownership interest in the other corporation.

Each of the named executive officers, with the exception of Messrs. Carrabba and Gallagher and Ms. Brlas due to their separation from Cliffs and Messrs. Williams and Hart, has a written change in control severance agreement that applies only in the event of termination during the two years after a change in control. The terms of Mr. Williams and Mr. Hart's employment agreements, which include change in control benefits, are described in greater detail in the Company's Proxy Statement. If one of the named executive officers is involuntarily terminated during the two years after a change in control, for a reason other than cause, he or she will be entitled to the following additional benefits:

(1) A lump sum payment in an amount equal to three times the sum, or two times in the case of Mr. Paradie, of (A) base salary (at the highest rate in effect during the five-year period prior to the termination date), plus (B) annual incentive pay at the target level for the year of separation, year prior to the change in control or year of the change in control, whichever is greater.

(2) Coverage for a period of 24 or 36 months following the termination date, for health, life insurance and disability benefits.

(3) A lump sum payment in an amount equal to the sum of the additional future pension benefits that the executive would have been entitled to receive for two or three years following the termination date under the SERP.

(4) Incentive pay at target levels for the year in which the termination date occurs.

(5) Outplacement services in an amount up to 15 percent of the executive's base salary.

(6) Post-retirement medical, hospital, surgical and prescription drug coverage for the lifetime of the executive, his or her spouse and any eligible dependents at the normal participant cost based on the executive's age at retirement.

(7) He or she will become immediately vested in certain matching contributions under the 2005 VNQDC Plan.

(8) He or she will be provided perquisites for a period of 36 months, or 24 months in the case of Mr. Paradie, comparable to the perquisites he or she was receiving before the termination of his or her employment or the change in control, whichever was greater.

Similar benefits are paid if the executive voluntarily terminates his or her employment during the two years following a change in control by reason of any one of the following occurring and the executive provides notice to Cliffs and Cliffs fails to cure:

- (a) a material diminution in the executive's base pay;
- (b) a material diminution in the executive's authority, duties or responsibilities;
- (c) a material change in the geographic location at which the executive must perform services;
- (d) a reduction in the executive's incentive pay opportunity that results in a material diminution of the executive's potential total compensation; or
- (e) breach of employment agreement, if any, under which the executive provides services.

For purposes of the change in control severance agreements, "cause" generally means termination of an executive for the following acts: (A) conviction of a criminal violation involving fraud, embezzlement or theft in connection with his or her duties or in the course of his or her employment with Cliffs or any subsidiary of Cliffs; (B) intentional wrongful damage to property of Cliffs or any subsidiary of Cliffs; (C) intentional wrongful disclosure of secret processes or confidential information of Cliffs or any subsidiary of Cliffs; or (D) intentional wrongful engagement in any competitive activity.

The following shows the benefits payable to the named executive officers other than Mr. Carrabba and Ms. Brlas, in the aggregate, upon various types of terminations of employment and change in control assuming an effective date of December 31, 2013:

Change in Control without termination: \$10,082,250

Termination without Cause after Change in Control: \$36,243,832

The eleven nominees receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors, whether or not such affirmative votes constitute a majority of the shares voted.

WE URGE YOU TO VOTE FOR THE ELECTION OF OUR NOMINEES PURSUANT TO PROPOSAL 1.

PROPOSAL 2 2014 NONEMPLOYEE DIRECTORS COMPENSATION PLAN

As is discussed in further detail in the Company's Proxy Statement, the Company is providing shareholders with the opportunity to vote on whether or not to approve the 2014 Nonemployee Directors Compensation Plan (the Proposed Directors Plan).

According to the Company's Proxy Statement, on February 11, 2014, the Board unanimously approved and adopted, subject to the approval of Cliffs' shareholders at the Annual Meeting, the Proposed Directors Plan. If approved by the shareholders, the Proposed Directors Plan will replace in its entirety the Cliffs Natural Resources Inc. Nonemployee Directors Compensation Plan, as amended (the Directors Plan). If the Proposed Directors Plan is approved by the shareholders, it will become effective on December 1, 2014, and no further awards will be granted under the Directors Plan after that date. All outstanding equity grants under the Directors Plan will continue in effect in accordance with their terms and the annual equity grants awarded to directors on the date of the Annual Meeting would be pursuant to the Directors Plan but will reduce the number of shares available under the Proposed Directors Plan on a one-for-one basis. If the Proposed Directors Plan is not approved by shareholders, the Proposed Directors Plan will be null and void and the Directors Plan will remain in effect and will be available for issuance of awards. According to the Company's Proxy Statement, as of May 19, 2014, 32,462 common shares remained available for issuance as awards under the Directors Plan.

The affirmative vote of the holders of a majority of shares, present or represented by proxy, at the Annual Meeting and entitled to vote on Proposal 2 will be required to approve the Proposed Directors Plan.

Casablanca intends to vote **AGAINST** Proposal 2, and recommends that all other shareholders do the same. In our opinion, the nonemployee directors compensation program has failed to align compensation with performance and overall shareholder return.

WE URGE YOU TO VOTE AGAINST PROPOSAL 2.

PROPOSAL 3 ADVISORY VOTE ON COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As is discussed in further detail in the Company's Proxy Statement, the Company is providing shareholders with the opportunity to vote, on an advisory basis, on whether to approve the compensation of the Company's named executive officers. According to the Company's Proxy Statement, this Proposal will be presented at the Annual Meeting as a resolution in the following form:

RESOLVED, that the compensation of the named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in this proxy statement, is hereby approved.

As an advisory vote, this Proposal is not binding on the Company. However, the compensation and organization committee of the Board, which is responsible for designing and administering the Company's executive compensation program and practices, expects to consider the outcome of the vote when making future compensation decisions for named executive officers.

The affirmative vote of the holders of a majority of shares, present or represented by proxy, at the Annual Meeting and entitled to vote on Proposal 3 will be required to approve the overall compensation of the Company's named executive officers.

Casablanca intends to vote **AGAINST** Proposal 3, and recommends that all other shareholders do the same. In our opinion, the Company's executive compensation program has failed to align compensation with performance and overall shareholder return.

WE URGE YOU TO VOTE AGAINST PROPOSAL 3.

PROPOSAL 4 AMENDED AND RESTATED 2012 INCENTIVE EQUITY PLAN

As is discussed in further detail in the Company's Proxy Statement, the Company is providing shareholders with the opportunity to vote on whether or not to approve the Cliffs Natural Resources Inc. Amended and Restated 2012 Incentive Equity Plan (the Revised Incentive Plan).

According to the Company's Proxy Statement, on February 10, 2014, the Board unanimously approved and adopted, subject to the approval of Cliffs' shareholders at the Annual Meeting, the Revised Incentive Plan. The Revised Incentive Plan amends and restates in its entirety the Cliffs Natural Resources Inc. 2012 Incentive Equity Plan, as amended, (the 2012 Incentive Equity Plan). If the Revised Incentive Plan is approved by shareholders, it will be effective as of February 10, 2014. Outstanding awards under the 2012 Incentive Equity Plan will continue in effect in accordance with their terms. If the Revised Incentive Plan is not approved by the Cliffs' shareholders, no awards will be made under the Revised Incentive Plan. In addition, Cliffs' ability under the 2012 Incentive Equity Plan to make certain performance awards to certain participants will be limited.

Also, under the modified terms of the Revised Incentive Plan, a change in control shall occur, and as a result, compensatory payments will be triggered, if the individuals who constitute the board of directors as of the date thereof (the Incumbent Board) cease to constitute a majority of the Incumbent Board; *provided, however*, that certain individuals becoming a director subsequent to the date thereof can be approved by a vote of at least a majority of the members of the Incumbent Board and upon such approval, he or she shall be deemed to be a member of the Incumbent Board. However, the Revised Incentive Plan does not allow the Incumbent Board to approve any such individual if his or her election to the board occurred as a result of an actual or threatened proxy contest.

The affirmative vote of the holders of a majority of shares, present or represented by proxy, at the Annual Meeting and entitled to vote on Proposal 4 will be required to approve the Revised Incentive Plan.

Casablanca intends to vote **AGAINST** Proposal 4, and recommends that all other shareholders do the same. In our opinion, the fact that the Revised Incentive Plan does not permit the Incumbent Board to approve the election of any new director elected pursuant to a proxy contest to avoid triggering change in control compensatory payments makes the Revised Incentive Plan an entrenchment tactic undertaken by the Board to position its interests above those of its shareholders.

WE RECOMMEND YOU VOTE AGAINST PROPOSAL 4.

**PROPOSAL 5 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

The Company's Proxy Statement has indicated that the Board has selected Deloitte to audit its financial statements for the fiscal year ending December 31, 2014, based on the recommendation of the audit committee of the Board. Deloitte audited the Company's financial statements for the fiscal year ended December 31, 2013. Deloitte was first engaged by the audit committee of the Board in the fiscal year ended December 31, 2004.

According to the Company's Proxy Statement, the audit committee's policy is to pre-approve all audit and non-audit services provided by the Company's independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval generally is provided for up to one year and any pre-approval is detailed as to the particular service or category of services and generally is subject to a specific budget. The audit committee has delegated pre-approval authority to the audit committee chairman, or any audit committee member in his absence, when services are required on an expedited basis, with such pre-approval disclosed to the full audit committee at its next scheduled meeting.

The affirmative vote of a majority of the shares present, in person or represented by proxy, at the Annual Meeting, entitled to vote on Proposal 5 will be required to ratify the appointment of Deloitte as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

WE RECOMMEND YOU VOTE FOR PROPOSAL 5.

VOTING AND PROXY PROCEDURES

Only shareholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote. Because each Depositary Share represents a 1/40th interest in a share of the Mandatory Convertible Preferred Stock (each of which is entitled to one vote), holders of Depositary Shares will be entitled to 1/40th of a vote per Depositary Share. Shareholders who sell shares of Common Stock or Depositary Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock or Depositary Shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock or Depositary Shares after the Record Date. Based on publicly available information, including the Company's Proxy Statement, we believe that the only outstanding classes of securities of the Company entitled to vote at the Annual Meeting are the Common Stock and the Depositary Shares.

Under Ohio General Corporation Law, Section 1701.55, upon written notice by any shareholder to the President, a Vice President or the Secretary of the Company, not less than 48 hours before the time fixed for the holding of the Annual Meeting, of such shareholder's desire to vote cumulatively for the election of directors, so long as an announcement of such notice is made upon the convening of the Annual Meeting by the Chairman or Secretary or by or on behalf of the shareholder who gave such notice, each shareholder shall have the right to cumulate such voting power at such meeting. On March 5, 2014, Mr. Drapkin, on behalf of Casablanca Capital, delivered written notice, in accordance with Ohio General Corporation Law, to the Company's President and Chief Executive Officer providing that he desired to vote cumulatively for the election of directors at the Annual Meeting. Under cumulative voting, a shareholder may cast for any one nominee as many votes as shall equal the number of directors to be elected, multiplied by the number of his or her shares. All such votes may be cast for a single nominee or may be distributed among any two or more nominees as he or she may desire. Because we have given notice to the Company of our intention to cumulate our votes, all shareholders will have the right to cumulate their votes in the election of directors and the cumulative number of votes a shareholder may cast in director elections will be equal to the number of shares held by such shareholder on the Record Date multiplied by eleven (the number of directors to be elected at the Annual Meeting). A shareholder may distribute all of the votes to one individual nominee, or distribute such votes among any two or more nominees, as the shareholder chooses.

We are also hereby soliciting discretionary authority to cumulate the votes represented by your proxy. As a result, unless you provide explicit instructions to the contrary in the space provided on the **GOLD** proxy card, the persons named as proxies on the **GOLD** proxy card will have the authority to cumulate votes at their discretion to elect the maximum number of our Nominees for whom authority is not otherwise specifically withheld, including, but not limited to, by means of prioritizing such Nominees to whom such votes may be allocated. If you do not specifically instruct otherwise, the proxy being solicited hereby will confer upon the proxy holders the authority to cumulate votes represented by your proxy for the maximum number of our Nominees (for whom authority is not otherwise specifically withheld) including, but not limited to, the prioritization of such Nominees to whom such votes may be allocated. You may withhold your authority to vote for one or more Nominees by marking the "FOR ALL NOMINEES EXCEPT", in which case we will retain discretion to allocate your votes among our other Nominees unless you specifically instruct otherwise. If you wish to withhold authority to cumulate votes with respect to one or more Nominees, you must submit a proxy card by mail and should mark the corresponding box under Proposal 1 on the enclosed **GOLD** proxy card and disclose the name of any particular Nominee(s) you wish to withhold authority to cumulate votes for on the back of the enclosed **GOLD** proxy card in the space provided. Under no circumstances may the proxy holders cast your votes for any Nominee from whom you have withheld authority to vote. If it is necessary for us to prioritize among the Nominees and allocate votes, we intend to provide for the election of the maximum number of our Nominees, and will provide instructions as to the order of priority of the Nominees in the event that fewer than all of our Nominees are elected at the Annual Meeting.

If you wish to provide vote allocation instructions, you must submit a proxy card by mail and should mark the corresponding box under Proposal 1 on the enclosed **GOLD** proxy card and disclose the number of votes you wish to allocate to any particular Nominee on the back of the enclosed **GOLD** proxy card in the space provided. You do not need to check the **FOR ALL NOMINEES** box to allocate votes among all of the Nominees. If you provide vote allocation instructions for less than all of the votes that you are entitled to cast, the proxy holder will retain discretionary authority to cast your remaining votes and to allocate such votes among our other Nominees other than for any Nominee for whom you have withheld authority by marking the **FOR ALL NOMINEES EXCEPT** box. Because cumulative voting will be invoked, in the event that a shareholder votes for all six of the Nominees on the **GOLD** proxy card, the use of discretionary authority to cumulate votes may result in that shareholder's shares being voted for fewer than six Nominees. If you provide vote allocation instructions for more than the number of votes that you are entitled to cast, the proxy holder will subtract the excess votes from the Nominee or Nominees to whom you have allocated the fewest votes.

Shares of Common Stock and Depositary Shares represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted cumulatively **FOR** the election of the Nominees to the Board, **AGAINST** the vote regarding the Proposed Directors' Plan, **AGAINST** the advisory vote on executive compensation, **AGAINST** the vote regarding the Revised Incentive Plan **FOR** the ratification of the appointment of Deloitte as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014, and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

According to publicly available information, the current Board intends to nominate nine candidates for election as directors at the Annual Meeting. This proxy statement is soliciting votes to elect only our Nominees, Robert P. Fisher, Jr., Celso Lourenco Goncalves, Patrice E. Merrin, Joseph Rutkowski, Gabriel Stolar and Douglas Taylor. Accordingly, the enclosed **GOLD** proxy card may only be voted for our Nominees and does not confer voting power with respect to the Company's nominees. You can only vote for the Company's nominees by signing and returning a proxy card provided by the Company or by requesting a legal proxy and casting your ballot in person by attending the Annual Meeting. Shareholders have the right to vote cumulatively in Proposal 1 and, unless otherwise instructed, the shares represented by this proxy will be voted cumulatively in favor of one or more of the Nominees, at the proxy holder's sole discretion, in order to elect as many of the Nominees as possible. The Participants intend to vote all of their shares of Common Stock cumulatively in favor of the Nominees in order to elect as many of the Nominees as possible.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

According to the Company's Proxy Statement, holders of a majority of the outstanding shares entitled to vote must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. Votes cast by proxy or in person at the Annual Meeting will be tabulated by an inspector of election.

If your shares are held in the name of a brokerage firm and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to a proposal that is not a routine matter, the brokerage firm cannot vote the shares on that proposal. This is referred to as a broker non-vote. Under the rules and interpretations of the NYSE, there are no routine proposals in a contested proxy solicitation. Because Casablanca has initiated a contested proxy solicitation, there will be no routine matters at the Annual Meeting for any broker accounts that are provided with proxy materials by Casablanca.

Abstentions and broker non-votes will have no effect with respect to the election of directors (Proposal 1). Abstentions will have the effect of votes against, and broker non-votes will have no effect with respect to, the vote regarding the Proposed Directors' Plan (Proposal 2); the advisory vote regarding the compensation of the Company's named executive officers (Proposal 3); the vote regarding the Revised Incentive Plan (Proposal 4); and the ratification of Deloitte as the Company's independent registered public accounting firm (Proposal 5).

VOTES REQUIRED FOR APPROVAL

Election of Directors The eleven nominees receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors, whether or not such affirmative votes constitute a majority of the shares voted. See page [] for a discussion of the effect of cumulative voting.

Okapi will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. It is anticipated that Okapi will employ approximately 36 persons to solicit Cliff's shareholders as part of this solicitation.
