ITEM 7.01. Regulation FD Disclosure.

On July 26, 2005, the Company issued a press release announcing a timeline to bring the Company's delinquent Securities and Exchange Commission filings current, and to provide an anticipated timeframe for holding an annual meeting of shareholders. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

ITEM 8.01 Other Events

As previously disclosed, the SEC had questioned the Company's valuation of long-term inventory. The Company, working with its independent auditors, has responded to several follow up inquiries from the SEC regarding this matter and the Company has been recently advised that the SEC has no further comment with respect to the Company's long-term inventory valuation. As a result, the Company announced that it expects to file its Annual Report on Form 10-K for the year ended December 31, 2004 during the week of August 8, 2005. The Company anticipates that once the Form 10-K is filed, the delinquent Form 10-Q for the quarter ended March 31, 2005 and the current report on Form 10-Q for the quarter ended June 30, 2005 will be filed by August 22, 2005. In addition, the Company anticipates that its annual meeting of shareholders will be held before September 30, 2005.

As previously reported in a press release dated June 10, 2005, the American Stock Exchange instituted delisting proceedings against the Company. The Company has appealed this determination and an oral hearing before a Listing Qualifications Panel is scheduled for July 27, 2005. The Company is unable to speculate on the outcome of the hearing and management will continue to keep shareholders apprised of any developments in connection with the hearing.
