PROXY STATEMENT

FOR THE 2002 ANNUAL MEETING OF STOCKHOLDERS

GENERAL

RateXchange Corporation, a Delaware corporation, is soliciting this proxy on behalf of its Board of Directors to be voted at the 2002 annual meeting of stockholders to be held on Thursday, May 30, 2002, at 10:00 a.m., Pacific standard time, or at any adjournment or postponement thereof. The 2002 annual meeting of stockholders will be held at The Park Hyatt Hotel, 333 Battery Street, San Francisco, California 94111.

METHOD OF PROXY SOLICITATION

These proxy solicitation materials were mailed on or about May 3, 2002 to all stockholders entitled to vote at the meeting. RateXchange will pay the cost of soliciting these proxies. These costs include the expenses of preparing and mailing proxy materials for the annual meeting and reimbursement paid to brokerage firms and others for their expenses incurred in forwarding the proxy materials. Directors, officers and employees of RateXchange may also solicit proxies without additional compensation.

VOTING OF PROXIES

Your shares will be voted as you direct on your signed proxy card. If you do not specify on your proxy card how you want to vote your shares, we will vote signed returned proxies:

- o FOR the election of the board's eight nominees for director;
- o FOR the approval of the 2002 Employee Stock Purchase Plan; and
- o FOR the approval of RateXchange's change of independent accounting firm.

We do not know of any other business that may be presented at the annual meeting. If a proposal other than those listed in the notice is presented at the annual meeting, your signed proxy card gives authority to the persons named in the proxy to vote your shares on such matters in their discretion.

REQUIRED VOTE

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

Record holders of shares of RateXchange's common stock and record holders of Series A preferred shares, at the close of business on April 22, 2002, the voting record date, may vote at the meeting with respect to the election of eight directors, the approval of the 2002 Employee Stock Purchase Plan and approve the change of RateXchange's independent accounting firm. Each share of common stock and each share of series A convertible preferred stock outstanding on the record date has one vote. At the close of business on April 22, 2002, there were 20,732,349 shares of common stock outstanding and 2,000,000 shares of preferred stock outstanding.

RateXchange's bylaws provide that a majority of the shares entitled to vote, represented in person or by proxy, constitutes a quorum for transaction of business. Assuming the presence of a quorum at the annual meeting, the vote of the holders of at least a majority of the stock having voting power present in person or represented by proxy is required to elect the eight nominees of the board as directors, to approve the 2002 Employee Stock Purchase Plan and approve RateXchange's change of the independent accounting firm. An automated system administered by RateXchange's transfer agent will tabulate the votes. Each is tabulated separately. Abstentions and broker non-votes are counted as present for purposes of establishing a quorum. Broker non-votes, however, will not be considered as part of the voting power present or represented at the annual meeting for purposes of any matter voted on at the meeting. Abstentions will have the same effect as a vote against the proposal to approve the 2002 Employee Stock Purchase Plan.

### REVOCABILITY OF PROXIES

You may revoke your proxy by giving written notice to the Secretary of RateXchange or by delivering a later proxy to the Secretary, either of which must be received prior to the annual meeting, or by attending the meeting and voting in person.

### PROPOSAL 1: ELECTION OF DIRECTORS

The board of directors has nominated eight directors for election at the 2002 annual meeting. If you elect them, they will hold office until the next annual meeting, until their respective successors are duly elected and qualified or until their earlier resignation or removal. Cumulative voting is not permitted. Unless you specify otherwise, your returned signed proxy will be voted in favor of each of the board's nominees. In the event a nominee is unable to serve, your proxy may vote for another person nominated by the board. The board of directors has no reason to believe that any of the nominees will be unavailable.

In addition to the eight nominees of the board of directors, the holders of the outstanding shares of series A convertible preferred stock, voting separately as a class, are entitled to elect two additional directors at the annual meeting. The holders of the preferred stock have not nominated or proposed candidates for board positions.

### VOTE REQUIRED

The affirmative vote of the holders of at least a majority of the stock having voting power present in person or represented by proxy is required to elect the eight nominees of the board as directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" EACH

### EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL AGREEMENTS

Mr. Sledge's employment agreement provided for him to serve as Chairman and Chief Executive Officer of RateXchange I with an annual base salary of \$300,000, an annual incentive bonus of up to 50% of base salary, a 10% interest in RateXchange I, Inc., an expense reimbursement and other employee benefits. Under this agreement, Mr. Sledge's employment may be terminated for cause or upon death or disability so long as we pay all compensation owed as of the date of termination. Mr. Sledge's employment may be terminated without cause if we pay him severance pay equal to one year's annual salary and a bonus payment of \$150,000. In October 2000, Mr. Sledge resigned as Chief Executive Officer, but continued to serve as Chairman at a salary of \$120,000 per year until May of 2001. Upon his leaving our company in May 2001, we issued to Mr. Sledge a 7% convertible note, in an aggregate principal amount of \$400,000, due April 2003. Interest is payable at the maturity of the two-year term. The note may be converted into shares of Ratexchange's common stock on election of Mr. Sledge anytime before their maturity or their prior repurchase by the Company. The conversion rate is 364 shares per each \$1,000 principal amount of the note, subject to adjustment in certain circumstances.

In connection with Mr. Merriman's appointment as our new President and Chief Executive Officer, we entered into an employment agreement with Mr. Merriman. His initial annual salary under his employment agreement was \$300,000. The agreement also included a \$200,000 bonus paid to him on January 2, 2001, expense reimbursement and other employee benefits. Effective March 15, 2001, Mr. Merriman reduced his annual salary to \$1.00, plus a bonus tied to performance. Mr. Merriman's salary was raised to \$150,000 per year after our company secured private financing. Under his employment agreement, Mr. Merriman has been awarded ten-year stock options, which are incentive options to the extent permissible under Section 422 of the Internal Revenue Code of 1986, as amended, to purchase a total of 2,000,000 shares of our common stock at an exercise price of \$3.19 per share, as follows:

- o Options to purchase 500,000 shares vesting on October 5, 2000;
- o Options to purchase 500,000 shares vesting on January 1, 2005, subject to acceleration of vesting upon the completion of a financing for \$15 million and further subject, in either case, to continued employment on such date;
- o Options to purchase 250,000 shares vesting on October 5, 2001, subject to continued employment on that date;

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

- o Options to purchase 250,000 shares vesting on October 5, 2002, subject to continued employment on that date;
- o Options to purchase 250,000 shares vesting on January 1, 2007, subject to acceleration of vesting immediately following the first quarter of positive earnings before interest, taxes, depreciation and amortization after January 2001 and further subject, in either case, to continued employment on such date; and
- o Options to purchase 250,000 shares vesting on January 1, 2006, subject to acceleration of vesting immediately after the common stock has traded on AMEX at a price of \$7.00 per share or more for 30 consecutive trading days, subject, in either case, to continued employment on such date.

The vesting of the stock options will accelerate, and Mr. Merriman will additionally be entitled to receive a payment of \$1.0 million from RateXchange, upon:

- o A sale of all or substantially all of our assets;
- o A merger of our company with another entity where we are not the surviving entity or where our stockholders immediately prior to the merger own less than 50% of our voting stock following the merger; or
- o A change in the membership of the board of directors such that individuals who, as of October 5, 2000, constitute our board of directors cease for any reason to constitute at least a majority of the board of directors; provided that any individual becoming a director subsequent to October 5, 2000 whose election, or nomination for election by our stockholders, was approved by a vote of at least a majority of the directors then comprising the incumbent board shall be considered as though the individual were a member of the incumbent board, but excluding, for this purpose, any individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than our board of directors.

Under Mr. Merriman's employment agreement, Mr. Merriman's employment may be terminated for cause or upon death or disability so long as we pay all compensation owed as of the date of termination. Mr. Merriman's employment agreement may be terminated by us without cause if we pay to Mr. Merriman his base salary for twelve months following termination, any bonus that had been earned but not paid at the time of termination and all other benefits and compensation he would have been entitled to receive under the agreement had his employment not been terminated. All stock options granted to him under his employment also would immediately vest. Mr. Merriman would be entitled to receive the same payments and acceleration of the vesting of his options if he were to terminate his employment for "good reason," as that term is defined in his employment agreement.

Mr. Robert E. Ford joined our company on February 19, 2001 as our Chief Operating Officer. His employment agreement provided for him to receive \$125,000 per year in salary and a \$25,000 bonus upon the close of a strategic round

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

of financing. Mr. Ford also has the opportunity to earn a year-end incentive bonus of up to 50% of his salary. Mr. Ford also received an option to purchase 150,000 shares of the company's common stock, priced at \$2.05 and vesting six months after his employment. He also received an option to purchase 150,000 shares of common stock upon the successful completion of the strategic round of financing completed in November 2001. This option included a strike price of \$0.37, equal to the closing price of the November 2001 financing and vested immediately. If all, or substantially all, of RateXchange's assets are sold or if RateXchange is acquired or merges and owns less than 50% of the company, then Mr. Ford will be entitled to receive a payment of \$300,000. If Mr. Ford is terminated without cause, he will be paid his usual salary for twelve months following termination and a lump sum payment equal to 50% of his then-current salary on the date of termination.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company formed a strategic alliance with Amerex Bandwidth, Ltd. in September 2000. Amerex is an over-the-counter broker, providing customers with voice and electronic brokerage services, market liquidity, price discovery, and data services around the globe. Under the terms of the agreement, Amerex Bandwidth, Ltd. received warrants to purchase 2,300,000 shares of the Company's common stock and also received a monthly payment for expenses associated with their bandwidth brokering services. In 2001, the Company paid Amerex Bandwidth, Ltd. \$699,183.63 in expense reimbursements according to the terms of the alliance agreement. In February 2002, the Company's obligation to pay reimbursement expenses to Amerex ended. Steven Town, Co-CEO of Amerex, joined the Company's board of directors in October 2000.

In March 2001, the Company acquired Xpit.com, Inc. in a merger transaction that resulted in the formation of a wholly owned subsidiary, Xpit Corporation. The shareholders of Xpit.com, Inc. received a total of 2,000,000 shares of series A convertible preferred stock of the Company, \$500,000 in cash and a promissory note from the Company in the amount of \$500,000. In October of 2001 the Company sold its entire interest in Xpit.com, Inc. to Xpit Acquisition, LLC and CQG, Inc. ("CQG") As part of the stock purchase transaction with CQG, the outstanding promissory note was satisfied in full. Michael Boren and David Boren, significant shareholders of Xpit.com, Inc., joined the Company's board of directors in April 2001. Messrs. Boren resigned from our Board of Directors following the CQG stock purchase transaction in October 2001.

For certain other transactions with directors see, "Compensation Committee Interlocks and Insider Participation."

### BOARD COMPENSATION COMMITTEE 2001 REPORT ON EXECUTIVE COMPENSATION

#### General Compensation Policy

The Compensation Committee of the board of directors has exclusive authority to establish the level of compensation paid to the Company's executive officers and administers the Company's stock option plans. Compensation policies of the Committee are designed to attract, retain and motivate highly skilled executive officers by providing compensation that is comparable to that provided by our competitors for key personnel. It is the Committee's policy to offer executive officers competitive compensation that is based upon overall Company performance, individual contributions to the Company's financial success and the scope of responsibilities performed pursuant to particular offices.

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

Currently, the Committee does not use quantitative methods or mathematical formulas to set any element of compensation for a particular executive officer. Instead, the Committee administers the executive compensation system through informal surveys of compensation programs of other similar companies and application of the subjective business judgment of each Committee member. In employing its discretion, the Committee principally considers for each component of an executive's compensation factors such as previous and anticipated Company performance, as well as demonstrated individual initiative and performance. The principal components of the Company's executive compensation include (a) annual base salary, (b) bonus programs and (c) equity awards. Currently, we do not contribute to any retirement programs or pension plans on behalf of our executive officers.

### Base Salaries

Annual base salaries for executive officers are initially determined by evaluating the scope of the responsibilities of the office and the experience and knowledge of the individual officer. A secondary consideration is the competitiveness of the marketplace for executive talent. The Committee establishes base salaries of its executives with the objective of ensuring that the salaries we offer remain competitive with those of similar companies.

11

In establishing the annual base salaries of our executive officers, the Company's Board of Directors specifically assessed the responsibilities of the offices, evaluated the officers' level of experience, skills and knowledge relevant to the Company's business objectives and informally reviewed the compensation for executive officers of comparable companies. The Committee believes that the annual base salaries of our executive officers are appropriate when compared to salaries paid by other companies for the same offices, and in light of both the scope of responsibilities and anticipated performance, as well as previous related work experience and level of skill and knowledge of our officers.

The Committee anticipates that it will periodically review the individual salaries of each of our executive officers. Adjustments to base salaries are made at the discretion of the Committee, which takes into consideration factors such as past and anticipated performance of the Company and the Committee's subjective perception of the individual's performance.

### Bonuses

Executive officer bonuses are designed to provide the Company flexibility in devising incentives for exceptional performance by our executive officers. Generally, cash bonus payouts are tied to achievement of company-wide performance goals, including stock performance. At its sole discretion, the Committee may award annual cash bonuses to the Company's executive officers. The amount of the performance bonus awarded, if any, is tied to both the level of our executive officers' performance and that of the Company.

Nevertheless, bonuses available to our executive officers reflect the specific capitalization and development needs of the Company as a development-stage company. Thus, the Company has utilized the incentive of special cash fundraising bonuses for executive officers, which bonuses are granted in the event the Company obtains certain levels of aggregate net proceeds from borrowing and issuance of debt and equity securities. The Company has also employed special acquisition bonuses as an incentive for our executive

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

officers to identify and consummate certain business combinations that promote the business objectives of the Company.

### Equity Awards

In granting stock options, the Company's goals are to attract, retain and motivate the highest caliber of executives by offering long-term compensation that links a meaningful portion of the executives' total compensation to the best interests of stockholders. Making stock options a significant component of executive compensation provides each executive officer with incentive to manage the Company from the perspective of an owner with an equity interest in the Company. The Committee also believes that, given the emerging market in which the Company operates and the Company's early stage of development, equity-based compensation provides the greatest incentive for outstanding executive performance.

### Chief Executive Officer Compensation

#### Donald Sledge

Mr. Sledge's 2001 compensation, including salary and bonus, was based upon his function as the Chairman of our Board of Directors. Mr. Sledge was the Company's chief executive from February 2000 until October 2000. Mr. Sledge guided the Company by building an executive team, securing private financing and successfully listing the Company on the American Stock Exchange. After resigning from his position as chief executive officer in October 2000, Mr. Sledge remained employed by the Company in his role as Chairman of the Board of Directors until June 2001. In May of 2001, Mr. Sledge left his employment with the Company, but remained a member of the Board of Directors and continues in that role currently.

#### D. Jonathan Merriman

Mr. Merriman's 2001 compensation; including salary, bonus and equity in the Company, was based upon his function as the Chairman and Chief Executive Officer. Mr. Merriman became the Company's chief executive in October 2000 and its chairman in June 2001. Mr. Merriman's compensation was negotiated based upon the then-current compensation being given to executives in similar businesses. Mr. Merriman's equity interest in the

12

Company is earned based upon the performance goals set forth in his employment agreement. See "Employment Contracts and Termination of Employment and Change in Control Agreements."

### \$1 Million Pay Deductibility Limit

Section 162(m) of the Internal Revenue Code of 1986, as amended, prohibits publicly traded companies from taking a tax deduction for compensation in excess of \$1 million paid to the chief executive officer or any of the four most highly compensated executive officers for any fiscal year. Certain "performance-based compensation" is excluded from this \$1 million cap. At this time, none of the Company's executive officer's compensation subject to the deductibility limit exceeds \$1 million. In the Committee's view, the Company is not likely to be affected by the nondeductibility rules in the near future.

### Conclusion

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

In conclusion, a significant portion of the Company's executive compensation is linked directly to individual performance of our executive officers as measured by the accomplishment of the Company's strategic goals and stock price appreciation. The Committee intends to continue the practice of linking executive compensation to Company performance, individual officer performance and stockholder return, realizing, of course, that the business cycle from time to time may result in an imbalance for a particular period.

### COMPENSATION COMMITTEE DURING 2001

Donald Sledge\*  
Steven Town

\* Mr. Sledge did not participate in decisions on his own compensation. Former Committee member Michael Boren participated in the Compensation Committee from April 2001 until his resignation from the Board in October 2001.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2001, the following directors served as compensation committee members: D. Jonathan Merriman, Ronald Spears, Donald Sledge, Steven Town and Michael Boren. Mr. Merriman resigned from the Committee upon his appointment as Chairman of the Board. Mr. Spears' term on the committee expired in April 2001 and he accepted the nomination of the Board of Directors to join the Audit Committee, which nomination was approved by the Board. Currently, our compensation committee is composed of Donald Sledge and Steven Town. Michael Boren resigned from the compensation committee in October 2001 when he resigned from our board of directors.

During fiscal 2001, there were no Compensation Committee interlocks and no insider participation in Compensation Committee decisions that were required to be reported under the rules and regulations of the Securities Exchange Act of 1934.

### PROPOSAL 2: APPROVAL OF 2002 EMPLOYEE STOCK PURCHASE PLAN

This section provides a summary of the terms of the 2002 Employee Stock Purchase Plan and the proposal to approve the plan.

The Compensation Committee of the board of directors approved the 2002 Employee Stock Purchase Plan on March 20, 2002, subject to approval from our stockholders at this meeting. The purpose of the 2002 Employee Stock Purchase Plan is to attract and to encourage the continued employment and service of, and maximum efforts by, the officers and employees by offering those persons an opportunity to acquire or increase a direct proprietary interest in our operations and our future success. In the judgment of the board of directors, an opportunity to participate in the 2002 Employee Stock Purchase Plan will be a valuable incentive and will serve to the ultimate benefit of stockholders by aligning more closely the interests of 2002 Employee Stock Purchase Plan participants with those of our stockholders.

It is the intention of the Company to have the plan qualify as an "Employee Stock Purchase Plan" under Section 423 of the Internal Revenue Code. The provisions of the plan shall, accordingly, be construed so as to extend and

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

limit participation in a manner consistent with the requirements of that section of the Code.

A total of 1,050,124 shares of common stock will be available for issuance under the 2002 Employee Stock Purchase Plan. At April 30, 2002, the closing price of our common stock was \$0.37 per share. There are currently no participants in the 2002 Employee Stock Purchase Plan. Because participation under the 2002 Employee Stock Purchase Plan is subject to the discretion of the Company employees, the benefits or amounts that will be received by any participant or groups of participants if the 2002 Employee Stock Purchase Plan is approved are not currently determinable. At April 30, 2001, there were three executive officers and 22 employees of the Company and its subsidiaries who were eligible to participate in the 2002 Employee Stock Purchase Plan.

### Required Vote

The affirmative vote of the holders of a majority of the stock having voting power present in person or represented by proxy at the Annual Meeting is required to approve the 2002 Employee Stock Purchase Plan. Unless otherwise indicated, properly executed proxies will be voted in favor of Proposal 2 to approve the 2002 Employee Stock Purchase Plan.

The board of directors recommends that stockholders vote "FOR" the approval of the 2002 Employee Stock Purchase Plan.

### Description of the Plan

A description of the provisions of the 2002 Employee Stock Purchase Plan is set forth below. This summary is qualified in its entirety by the detailed provisions of the 2002 Employee Stock Purchase Plan, a copy of which is attached as Annex A to this proxy statement.

Administration. The 2002 Employee Stock Purchase Plan is administered by the Board of Directors, through the recommendation of its Compensation Committee, according to the terms of the plan.

Common Stock Reserved for Issuance under the Plan. The common stock to be issued under the 2002 Employee Stock Purchase Plan consists of 1,050,124 authorized shares of common stock that were returned to RateXchange upon the discontinuation of the business of its subsidiary RMG Partners Corporation. RMG Partners Corporation was capitalized with shares of the Company's common stock. Upon exercise of an option to purchase RMG Partners by BL Partners, LLC, the balance of the shares not earned as compensation by the Chairman of RMG Partners were returned to the Company.

Term of the 2002 Employee Stock Purchase Plan. The 2002 Employee Stock Purchase Plan will continue, perpetually, until the eligible participants have purchased all the authorized shares.

14

Eligibility. Any person who is an employee as of the initial offering date of a given offering period shall be eligible to participate in the 2002 Employee Stock Purchase Plan, subject to the requirements of the plan and the limitations imposed by Section 423(b) of the Internal Revenue Code.

Material Features of the Plan. The plan shall be generally implemented by a series of offering periods of twenty-four (24) months' duration, with new offering periods (other than the first Offering Period) commencing on or about

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

August 15th and February 15th of each year (or at such other time or times as may be determined by the Board of Directors). The first offering period shall commence on August 15, 2002 and continue until August 15, 2004. The Board of Directors of the Company shall have the power to change the duration and/or the frequency of offering periods with respect to future offerings without stockholder approval if such change is announced at least five (5) days prior to the scheduled beginning of the first offering period to be affected.

Each offering period shall generally consist of four (4) consecutive purchase periods of six (6) months' duration. The last day of each purchase period shall be the "Purchase Date" for such purchase period. A purchase period commencing on August 15th shall end on the next February 14th. A purchase period commencing on February 15th shall end on the next August 14th. The first offering period shall have four purchase periods. The Board of Directors of the Company shall have the power to change the duration and/or frequency of purchase periods with respect to future purchases without stockholder approval if such change is announced at least five (5) days prior to the scheduled beginning of the first purchase period to be affected.

A participant shall elect to have payroll deductions made on each payday during the offering period. All payroll deductions made by a participant shall be credited to his or, her account under the plan. A participant may not make any additional payments into such account. On the Purchase Date the accumulated funds for that offering period will be used to purchase shares from the plan. The purchase price will be equal to 85% of the fair market value of a share of common stock on the offering date or on the purchase date, whichever is lower.

Amendment or Termination of the Plan. The board of directors may terminate or amend the plan at any time and for any reason consistent with the terms of the plan.

Adjustments for Stock Dividends and Similar Events. The Compensation Committee will make appropriate adjustments in outstanding awards and the number of shares available for issuance under the 2002 Employee Stock Purchase Plan, including the individual limitations on shares, to reflect common stock dividends, stock splits and other similar events.

### Federal Income Tax Consequences

Under Section 423 of the Internal Revenue Code, employees will not realize taxable income for federal income tax purposes upon the grant of a purchase right under the Employee Stock Purchase Plan or when they complete their purchase for cash and receive delivery of the stock which they are eligible to purchase, provided such purchase occurs while they are employed or within three months after termination of employment. If no disposition of such stock is made within two years after the date of grant or within one year after the date of acquisition, any gain or loss that may be realized on the ultimate sale will be treated as long-term capital gain or loss. Notwithstanding the above, if the purchase price of the stock when acquired is less than 100% of the then fair market value, upon a subsequent disposition of the stock by the employee, including a disposition after the two-year and one-year periods referred to above, or the death of the employee while holding such stock, the employee will recognize compensation taxable as ordinary income in an amount equal to the discount at the time of the acquisition or, if less, the excess of the stock's value at the time of such disposition or death, as the case may be, over the original purchase price. The amount of ordinary income recognized by the employee will decrease the capital gain or increase the capital loss recognized by the employee on the sale of the stock. The employer is not allowed a deduction for the compensation. However, if such stock is disposed of within such two-year or one-year periods, the difference between the market value of such stock at the time of purchase and the purchase price will be treated as income taxable to the employee at ordinary income rates in the year in which the

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

disposition occurs, and the employer will be entitled to a deduction

15

from income in the same amount in such year. The amount of ordinary income recognized by the employee will decrease the capital gain or increase the capital loss recognized by the employee on the sale of the stock.

### PROPOSAL 3: APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon recommendation of the Audit Committee, has appointed the accounting firm of Ernst & Young, LLP to serve as the Company's independent auditors for fiscal year 2002. Previously, the accounting firm of Arthur Anderson, LLP served as the Company's independent auditors for fiscal years 2000 and 2001. Representatives of these firms are not expected to attend the annual meeting. However, if one or more representatives of these firms attend the annual meeting, they will be given the opportunity to comment, if they desire, and to respond to appropriate questions that may be asked by stockholders.

Approval by the stockholders of the appointment of independent auditors is not required but the Board of Directors deem it desirable to submit this matter to the stockholders. If the stockholders do not approve the selection of Ernst & Young, LLP, the Board of Directors will reconsider the selection of independent auditors.

The board of directors recommends that stockholders vote "FOR" the approval of the appointment of independent auditors.

### Fees of Independent Auditors for Year Ended December 31, 2001

Audit Fees (1)	\$201,116
Financial Information Systems Design and Implementation Fees	0
All Other Fees	\$ 36,500

- (1) Includes fees for audits of December 31, 2001 financial statements and reviews of the related quarterly financial statements.

### Information Regarding Change of Independent Auditors

The Audit Committee of the Board of Directors of RateXchange annually considers and recommends to the Board of Directors the selection of the Company's independent public accountants. As recommended by RateXchange's Audit Committee, the Company's Board of Directors decided to no longer engage Arthur Andersen LLP (Andersen) as RateXchange's independent public accountants on April 2, 2002. The Board of Directors engaged Ernst & Young LLP to serve as the Company's independent public accountants on April 2, 2002. The appointment of Ernst & Young LLP is subject to approval by the Company's stockholders at the 2002 annual meeting.

Andersen's reports on RateXchange's consolidated financial statements for the past two years did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. Andersen issued an unqualified report dated February 26, 2002 on RateXchange's 2001 consolidated financial statements.

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

During the Company's two most recent fiscal years and through the date of this report on Form 8-KA, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on Rateexchange's consolidated financial statements for such years; and there were no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

During Rateexchange's two most recent fiscal years and through the date of this report on Form 8-K, Rateexchange did not consult Ernst & Young LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on

16

Rateexchange's consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The following constitute the provisions of the Employee Stock Purchase Plan of RateXchange Corporation

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

1. Purpose. The purpose of the Plan is to provide employees of the Company and its Designated Subsidiaries with an opportunity to purchase Common Stock of the Company. It is the intention of the Company to have the Plan qualify as an "Employee Stock Purchase Plan" under Section 423 of the Code. The provisions of the Plan shall, accordingly, be construed so as to extend and limit participation in a manner consistent with the requirements of that section of the Code.

### 2. Definitions.

(a) "Board" means the Board of Directors of the Company.

(b) "Code" means the Internal Revenue Code of 1986, as amended.

(c) "Common Stock" means the Common Stock of the Company.

By way of illustration, but not limitation, Compensation includes regular compensation such as salary, wages, overtime, shift differentials and commissions, but excludes bonuses, incentive compensation, relocation, expense reimbursements, tuition or other reimbursements and income realized as a result of participation in any stock option, stock purchase, or similar plan of the Company or any Designated Subsidiary.

(f) "Continuous Status as an Employee" means the absence of any interruption or termination of service as an Employee. Continuous Status as an Employee shall not be considered interrupted in the case of (i) sick leave; (ii) military leave; (iii) any other leave of absence approved by the Administrator, provided that such leave is for a period of not more than 90 days, unless reemployment upon the expiration of such leave is guaranteed by contract or statute, or unless provided otherwise pursuant to Company policy adopted from time to time; or (iv) in the case of transfers between locations of the Company or between the Company and its Designated Subsidiaries.

(g) "Contributions" means all amounts credited to the account of a participant pursuant to the Plan.

(h) "Corporate Transaction" means a sale of all or substantially all of the Company's assets, or a merger, consolidation or other capital reorganization of the Company with or into another corporation, or any other transaction or series of related transactions in which the Company's stockholders immediately prior thereto own less than 50% of the voting stock of the Company (or its successor or parent) immediately thereafter.

(i) "Designated Subsidiaries" means the Subsidiaries that have been designated by the Board from time to time in its sole discretion as eligible to participate in the Plan; provided, however, that the Board shall only have the discretion to designate Subsidiaries if the issuance of options to such Subsidiary's Employees pursuant to the Plan would not cause the Company to incur adverse accounting charges.

(j) "Employee" means any person, including an Officer, who is an employee for tax purposes pursuant to Section 3401(c) of the Code, and the regulations thereunder, and who is customarily employed for at least twenty (20) hours per week by the Company or one of its Designated Subsidiaries.

### 4. Offering Periods and Purchase Periods.

(a) Offering Periods. The Plan shall be generally implemented by a series of Offering Periods of twenty-four (24) months' duration, with new Offering Periods (other than the first Offering Period) commencing on or about August 15th and February 15th of each year (or at such other time or times as may be determined by the Board of Directors). The first Offering Period shall commence on August 15th, 2002 and continue until August 15, 2004. The Plan shall continue until terminated in accordance with Section 20 hereof. 22

(b) Purchase Periods. Each Offering Period shall generally consist of four (4) consecutive purchase periods of six (6) months' duration. ### 5. Participation.

(a) An eligible Employee may become a participant in the Plan by completing a subscription agreement on the form provided by the Company and filing it with the Company's Human Resources Department or the stock brokerage or other financial services firm designated by the Company (the "Designated Broker") prior to the applicable Offering Date, unless a later time for filing the subscription agreement is set by the Board for all eligible Employees with respect to a given Offering Period. The subscription agreement shall set forth the percentage of the participant's Compensation (subject to Section 6(a) below) to be paid as Contributions pursuant to the Plan.

(b) Payroll deductions shall commence on the first full payroll following the Offering Date and shall end on the last payroll paid on or prior to the last Purchase Period of the Offering Period to which the subscription agreement is applicable, unless sooner terminated by the participant as provided in Section 10.

### 6. Method of Payment of Contributions.

(a) A participant shall elect to have payroll deductions made on each payday during the Offering Period in an amount not to exceed \$25,000 of fair market value of such stock for each calendar year in which such option is

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

outstanding at any time. (or such other percentage as the Board may establish from time to time before an Offering Date) of such participant's Compensation on each payday during the Offering Period. All payroll deductions made by a participant shall be credited to his or, her account under the Plan. A participant may not make any additional payments into such account.

(b) A participant may discontinue his or her participation in the Plan as provided in Section 10, or, unless otherwise provided by the Administrator, on one occasion only during a Purchase Period may increase and on one occasion only during a Purchase Period may decrease the rate of his or her Contributions with respect to the ongoing Offering Period by completing and filing with the Company a new subscription agreement authorizing a change in the payroll deduction rate. The change in rate shall be effective as of the beginning of the next pay period following the date of filing of the new subscription agreement, if the agreement is filed at least five (5) business days prior to such date and, if not, as of the beginning of the next succeeding pay period.

(c) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) herein, a participants payroll deductions may be decreased during any Purchase Period scheduled to end during the current calendar year to 0%. Payroll deductions shall re-commence, at the rate provided in such participant's subscription agreement at the beginning of the first Purchase Period that is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10.

### 7. Grant of Option.

(a) On the Offering Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on each Purchase Date a number of Shares of the Company's Common Stock determined by dividing such Employee's Contributions accumulated prior to such Purchase Date and retained in the participant's account as of the Purchase Date by the applicable Purchase Price; provided, however, that the maximum number of Shares an Employee may purchase during each Purchase Period shall be \_\_\_\_\_ Shares (subject to any adjustment pursuant to Section 19 below), and provided further that such purchase shall be subject to the limitations set forth in Sections 3(b) and 13.

(b) The fair market value of the Company's Common Stock on a given date (the "Fair Market Value") shall be determined by the Board in its discretion based on the closing sales price of the Common Stock for such date (or,

23

in the event that the Common Stock is not traded on such date, on the immediately preceding trading date), as reported by the American Stock Exchange (AMEX) or, if such price is not reported, the mean of the bid and asked prices per share of the Common Stock as reported by AMEX or, in the event the Common Stock is listed on a stock exchange, the Fair Market Value per share shall be the closing sales price on such exchange on such date (or, in the event that the Common Stock is not traded on such date, on the immediately preceding trading date), as reported in The Wall Street Journal.

8. Exercise of Option. Unless a participant withdraws from the Plan as provided in Section 10, his or her option for the purchase of Shares will be exercised automatically on each Purchase Date of an Offering Period, and the maximum number of full Shares subject to the option will be purchased at the applicable Purchase Price with the accumulated Contributions in his or her account. No fractional Shares shall be issued. Any payroll deductions accumulated in a participant's account that are not sufficient to purchase a full Share shall be retained in the participant's account for the subsequent

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

Purchase Period or Offering Period, subject to earlier withdrawal by the participant as provided in Section 10 below. Any other amounts left over in a participant's account after a Purchase Date shall be returned to the participant. The Shares purchased upon exercise of an option hereunder shall be deemed to be transferred to the participant on the Purchase Date. During his or her lifetime, a participant's option to purchase Shares hereunder is exercisable only by him or her.

9. Delivery. Within 10 days after each Purchase Date of each Offering Period, the number of Shares purchased by each participant upon exercise of his or her option shall be deposited into an account established in the participant's name with the Designated Broker.

### 10. Voluntary Withdrawal; Termination of Employment.

(a) A participant may withdraw all but not less than all the Contributions credited to his or her account under the Plan at any time prior to each Purchase Date by giving written notice to the Company or the Designated Broker, as directed by the Company. All of the participant's Contributions credited to his or her account will be paid to him or her promptly after receipt of his or her notice of withdrawal and his or her option for the current period will be automatically terminated, and no further Contributions for the purchase of Shares will be made during the Offering Period.

(b) Upon termination of the participant's Continuous Status as an Employee prior to the Purchase Date of an Offering Period for any reason, including retirement or death, the Contributions credited to his or her account will be returned to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 14, and his or her option will be automatically terminated.

(c) In the event an Employee fails to remain in Continuous Status as an Employee of the Company for at least twenty (20) hours per week during the Offering Period in which the employee is a participant, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her account will be returned to him or her and his or her option terminated.

(d) A participant's withdrawal from an offering will not have any effect upon his or her eligibility to participate in a succeeding offering or in any similar plan that may hereafter be adopted by the Company.

11. Automatic Withdrawal. If the Fair Market Value of the Shares on any Purchase Date of an Offering Period is less than the Fair Market Value of the Shares on the Offering Date for such Offering Period, then every participant shall automatically (i) be withdrawn from such Offering Period at the close of such Purchase Date and after the acquisition of Shares for such Purchase Period, and (ii) be enrolled in the Offering Period commencing on the same day as such Purchase Date.

12. Interest. No interest shall accrue on the Contributions of a participant in the Plan.

### 13. Stock.

(a) Subject to adjustment as provided in Section 19, the maximum number of Shares which shall be made available for sale under the Plan shall be 1,050,124 Shares. If the Board determines that, on a given Purchase Date, the number of shares with respect to which options are to be exercised may exceed (i) the number of shares of Common Stock that were available for sale under the Plan on the Offering Date of the applicable Offering Period, or (ii) the number

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

of shares available for sale under the Plan on such Purchase Date, the Board may in its sole discretion provide (x) that the Company shall make a pro rata allocation of the Shares of Common Stock available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and continue all Offering Periods then in effect, or (y) that the Company shall make a pro rata allocation of the shares available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Purchase Date, and terminate any or all Offering Periods then in effect pursuant to Section 20 below. The Company may make pro rata allocation of the Shares available on the Offering Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional Shares for issuance under the Plan by the Company's stockholders subsequent to such Offering Date.

(b) The participant shall have no interest or voting right in Shares covered by his or her option until such option has been exercised.

(c) Shares to be delivered to a participant under the Plan will be registered in the name of the participant or in the name of the participant and his or her spouse.

14 Administration. The Board, or a committee named by the Board, shall supervise and administer the Plan and shall have full power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the Plan and not inconsistent with the Plan, to construe and interpret the Plan, and to make all other determinations necessary or advisable for the administration of the Plan.

### 15. Designation of Beneficiary.

(a) A participant may designate a beneficiary who is to receive any Shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to the end of a Purchase Period but prior to delivery to him or her of such Shares and cash. In addition, a participant may designate a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to the Purchase Date of an Offering Period. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective. Beneficiary designations under this Section 15(a) shall be made as directed by the Company's Human Resources Department.

(b) Such designation of beneficiary may be changed by the participant (and his or her spouse, if any) at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such Shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

16. Transferability. Neither Contributions credited to a participant's account nor any rights with regard to the exercise of an option or to receive Shares under the Plan may be assigned, transferred, pledged or otherwise

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 15) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 10.

17. Use of Funds. All Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such Contributions.

18. Reports. Individual accounts will be maintained for each participant in the Plan. Statements of account will be provided to participating Employees by the Company or the Designated Broker at least annually, which statements will set forth the amounts of Contributions, the per Share Purchase Price, the number of Shares purchased and the remaining cash balance, if any.

19. Adjustments on Changes in Capitalization; Corporate Transactions.

25

(a) Adjustment. Subject to any required action by the stockholders of the Company, the number of Shares covered by each option under the plan that has not yet been exercised and the number of Shares that have been authorized for issuance under the Plan but have not yet been placed under option (collectively, the "Reserves"), as well as the maximum number of shares of Common Stock that may be purchased by a participant in a Purchase Period, the number of shares of Common Stock set forth in Section 13(a)(i) above, and the price per Share of Common Stock covered by each option under the Plan that has not yet been exercised, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock (including any such change in the number of Shares of Common Stock effected in connection with a change in domicile of the Company), or any other increase or decrease in the number of Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an option.

(b) Corporate Transactions. In the event of a dissolution or liquidation of the Company, any Purchase Period and Offering Period then in progress will terminate immediately prior to the consummation of such action, unless otherwise provided by the Board. In the event of a Corporate Transaction, each option outstanding under the Plan shall be assumed or an equivalent option shall be substituted by the successor corporation or a parent or Subsidiary of such successor corporation. In the event that the successor corporation refuses to assume or substitute for outstanding options, each Purchase Period and Offering Period then in progress shall be shortened and a new Purchase Date shall be set (the "New Purchase Date"), as of which date any Purchase Period and Offering Period then in, progress will terminate. The New Purchase Date shall be on or before the date of consummation of the transaction and the Board shall notify each participant in writing, at least ten (10) days prior to the New Purchase Date, that the Purchase Date for his or her option has been changed to the New Purchase Date and that his or her option will be exercised automatically on the New Purchase Date, unless prior to such date he or she has withdrawn from the Offering Period as provided in Section 10. For purposes of this Section 19, an option granted under the Plan shall be deemed to be assumed, without limitation, if, at the time of issuance of the stock or other consideration upon

## Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

a Corporate Transaction, each holder of an option under the Plan would be entitled to receive upon exercise of the option the same number and kind of shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the transaction if the holder had been, immediately prior to the transaction, the holder of the number of Shares of Common Stock covered by the option at such time (after giving effect to any adjustments in the number of Shares covered by the option as provided for in this Section 19); provided however that if the consideration received in the transaction is not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in Fair Market Value to the per Share consideration received by holders of Common Stock in the transaction.

The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per Share of Common Stock covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of Shares of its outstanding Common Stock, and in the event of the Company's being consolidated with or merged into any other corporation.

### 20. Amendment or Termination.

(a) The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 19, no such termination of the Plan may affect options previously granted, provided that the Plan or an Offering Period may be terminated by the Board on a Purchase Date or by the Board's setting a new Purchase Date with respect to an Offering Period and Purchase Period then in progress if the Board determines that termination of the Plan and/or the Offering Period is in the best interests of the Company and the stockholders or if continuation of the Plan and/or the Offering Period would cause the Company to incur adverse accounting charges as a result of a change after the effective date of the Plan in the generally accepted accounting rules applicable to the Plan. Except as provided in Section 19 and in this Section 20, no amendment to the Plan shall make any change in any option previously granted that adversely affects the rights of any participant. In addition, to the extent necessary to comply with Rule 16b-3 under the Exchange Act, or under Section 423 of the Code (or any successor rule or provision or any applicable law or regulation), the

26

Company shall obtain stockholder approval in such a manner and to such a degree as so required.

(b) Without stockholder consent and without regard to whether any participant rights may be considered to have been adversely affected, the Board (or its committee) shall be entitled to change the Offering Periods and Purchase Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable, waiting and adjustment periods and/or accounting, and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable that are consistent with the Plan.

Edgar Filing: RATEXCHANGE CORP - Form DEF 14A

21. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

22. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such Shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, applicable state securities laws and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

23. Term of Plan; Effective Date. The Plan shall become effective as of the date of adoption by the Board, which date is set forth below, subject to approval of the Plan by a majority of the stock having voting power present and entitled to vote at a duly held meeting of the shareholders of the Company at which a quorum representing a majority of the shares entitled to vote present, either in person or by proxy. The Plan shall continue in effect until all of the authorized shares are purchased by participants, unless sooner terminated under Section 20 or this Section 23.

24. Additional Restrictions of Rule 16b-3. The terms and conditions of options granted hereunder to, and the purchase of Shares by, persons subject to Section 16 of the Exchange Act shall comply with the applicable provisions of Rule 16b-3. Change of Election

1. I, \_\_\_\_\_, hereby elect to participate in the \_\_\_\_\_ Employee Stock Purchase Plan (the "Plan") for the Offering Period \_\_\_\_\_, \_\_\_\_\_ to \_\_\_\_\_, \_\_\_\_\_, and subscribe to purchase shares of the Company's Common Stock in accordance with this Subscription Agreement and the Plan.

2. I elect to have Contributions in the amount of \_\_\_\_ % of my Compensation, as those terms are defined in the Plan, applied to this purchase. I understand that this amount must not be less than \_\_\_\_\_% and not more than \_\_\_\_\_% of my Compensation during the Offering Period. (Please note that no

fractional percentages are permitted).

3. I hereby authorize payroll deductions from each paycheck during the Offering Period at the rate stated in Item 2 of this Subscription Agreement. I understand that all payroll deductions made by me shall be credited to my account under the Plan and that I may not make any additional payments into such account. I understand that all payments made by me shall be accumulated for the purchase of shares of Common Stock at the applicable purchase price determined in accordance with the Plan. I further understand that, except as otherwise set forth in the Plan, shares will be purchased for me automatically on the Purchase Date of each Offering Period unless I otherwise withdraw from the Plan by giving written notice to the Company for such purpose.

4. I understand that I may discontinue at any time prior to the Purchase Date my participation in the Plan as provided in Section 10 of the Plan. I also understand that, unless otherwise provided by the Plan administrator, I can increase or decrease the rate of my Contributions on one occasion only with respect to each rate change during any Purchase Period by completing and filing a new Subscription Agreement with such increase or decrease taking effect as of the beginning of the calendar month following the date of filing of the new Subscription Agreement, if filed at least ten (10) business days prior to the beginning of such month. Further, I may change the rate of deductions for future Offering Periods by filing a new Subscription Agreement, and any such change will be effective as of the beginning of the next Offering Period. In addition, I acknowledge that, unless I discontinue my participation in the Plan as provided in Section 10 of the Plan, my election will continue to be effective for each successive Offering Period.

5. I have received a copy of the Company's most recent description of the Plan and a copy of the complete "RateXchange Corporation 2002 Employee Stock Purchase Plan." I understand that my participation in the Plan is in all respects subject to the terms of the Plan. I also understand that participation in the Plan does not affect my "at will" employment status or the Company's right to terminate my employment at any time with or without cause.

6. Shares purchased for me under the Plan should be issued in the name(s) of (name of employee or employee and spouse only):

8. I understand that if I dispose of any shares received by me pursuant to the Plan within 2 years after the Offering Date (the first day of the Offering Period during which I purchased such shares) or within 1 year after the Purchase Date, I will be treated for federal income tax purposes as having received ordinary compensation income at the time of such disposition in an amount equal to the excess of the fair market value of the shares on the Purchase Date over the price that I paid for the shares, regardless of whether I disposed of the shares at a price less than their fair market value at the Purchase Date. The remainder of the gain or loss, if any, recognized on such disposition will be treated as capital gain or loss.

I hereby agree to notify the Company in writing within 30 days after the date of any such disposition, and I will make adequate provision for federal, state or other tax withholding obligations, if any, that arise upon the disposition of the Common Stock. The Company may, but will not be obligated to, withhold from my compensation the amount necessary to meet any applicable withholding obligation including any withholding necessary to make available to the Company any tax deductions or benefits attributable to the sale or early disposition of Common Stock by me.

9. If I dispose of such shares at any time after expiration of the 2-year and 1-year holding periods, I understand that I will be treated for federal income tax purposes as having received compensation income only to the extent of an amount equal to the lesser of (1) the excess of the fair market value of the shares at the time of such disposition over the purchase price that I paid for the shares under the option, or (2) 15% of the fair market value of the shares on the Offering Date. The remainder of the gain or loss, if any, recognized on such disposition will be treated as long term capital gain or loss.

I understand that this tax summary is only a summary and is subject to change. I further understand that I should consult a tax advisor concerning the tax implications of the purchase and sale of stock under the Plan.

10. I hereby agree to be bound by the terms of the Plan. The effectiveness of this Subscription Agreement is dependent upon my eligibility to participate in the Plan.
