The following information supplements and amends the information contained in the Schedule 13D previously filed by Cellco Partnership, a Delaware general partnership doing business as Verizon Wireless ("VW"), and Verizon Communications Inc. (f/k/a Bell Atlantic Corporation), a Delaware corporation ("Verizon"), relating to the beneficial ownership of the common stock, \$0.01 par value per share, of Crown Castle International Corp., a Delaware corporation (the "Corporation"), listed on the cover pages of this amendment.

ITEM 2. IDENTITY AND BACKGROUND

The disclosure previously contained in Item 2 is replaced with the following:

This Statement is being filed by Bell Atlantic Mobile, Inc., a Delaware corporation ("BAM Inc."), and Verizon. Verizon is the indirect parent corporation of BAM Inc.

The principal business address of BAM Inc. is 1095 Avenue of the Americas, New York, New York 10036. Its principal business is holding a membership interest in Crown Atlantic Holding Company LLC, a Delaware limited liability company ("HoldCo"). BAM Inc. obtained a membership interest in HoldCo in connection with a distribution in complete redemption of BAM Inc.'s interest in VW. Subsequently, BAM Inc. obtained an additional membership interest in HoldCo by transfer and assignment from another indirect, wholly-owned subsidiary of Verizon. The directors and officers of BAM Inc. are set forth on Schedule I hereto, which schedule lists for each such person his or her name, business address, present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted, and citizenship, and which are incorporated herein by reference.

Verizon is one of the world's leading providers of communications services. Subsidiaries of Verizon are engaged in the businesses of providing domestic wireline telecommunications services through local telephone services, including voice and data transport, enhanced and custom calling features, network access, directory assistance, private lines, public telephones, customer premises equipment distribution, systems integration, billing and collections, and Internet access services; wireless telecommunications products and services to United States and foreign customers, including cellular mobile service; domestic and international publishing businesses, including print directories and Internet-based shopping guides, as well as website creation and hosting and other electronic commerce service; and international wireline telecommunications investments and lease financing and other businesses. The address of Verizon's principal executive offices is 1095 Avenue of the Americas, New York, New York 10036. The directors and officers of Verizon are set forth on Schedule II

Edgar Filing: CROWN CASTLE INTERNATIONAL CORP - Form SC 13D/A

hereto, which schedule lists for each such person his or her name, business address, present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted, and citizenship, and which are incorporated herein by reference.

During the last five years, neither BAM Inc. nor Verizon, and to the best knowledge of each of them, none of the persons listed in Schedules I and II, has been convicted in a criminal proceeding or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding been or become subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The following is added to the end of Item 3:

BAM Inc. obtained a membership interest in HoldCo in connection with a distribution in complete redemption of BAM Inc.'s interest in VW. Subsequently, BAM Inc. obtained an additional membership interest in HoldCo by transfer and assignment from another indirect, wholly-owned subsidiary of Verizon. On May 1, 2003, pursuant to the terms of the Redemption Agreement (the "Redemption Agreement") between BAM Inc. and HoldCo, HoldCo redeemed a portion of BAM Inc.'s membership interest in HoldCo, representing a 19.155% membership interest, in exchange for the Contributed Shares. In connection with such redemption, BAM Inc., the Corporation, HoldCo and CCA entered into a Letter Agreement (the "Registration Rights Letter") that, among other things, amended certain provisions of the Formation Agreement. The Registration Rights Letter, among other things, provided BAM Inc. with certain rights relating to the Contributed Shares and served as BAM Inc.'s request that the Corporation file a registration statement on Form S-3 to register for sale all of the Contributed Shares. This discussion is qualified in its entirety by reference to (i) the complete text of the Redemption Agreement, attached hereto as Exhibit 4, and (ii) the complete text of the Registration Rights Letter, attached hereto as Exhibit 5.

ITEM 4. PURPOSE OF TRANSACTION

The disclosure previously contained in Item 4 is replaced with the following:

VW acquired shared voting and investment power over the Contributed Shares on March 31, 1999, when CCA contributed the Contributed Shares to HoldCo in connection with the formation of the joint venture contemplated by the Formation Agreement. The discussion of the manner by which BAM Inc. acquired shared voting and investment power with CCA, and subsequently, shared voting and investment power with Verizon, over the Contributed Shares, is incorporated into this Item 4 from the last paragraph of Item 3.

Except as provided below, neither BAM Inc. nor Verizon, and to the best knowledge of each of them, none of the persons named in Schedules I and II, currently has any plan or proposal which relate to, or might result in, any of the events described in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. Pursuant to the Registration Rights Letter, BAM Inc. has requested that the Corporation file a registration statement on Form S-3 to register for sale all of the Contributed Shares. Further, BAM Inc. and Verizon may, from time to time, consider, engage in discussions regarding or consummate, in one, or a series of, public or private sales transactions (i) the sale or other

Edgar Filing: CROWN CASTLE INTERNATIONAL CORP - Form SC 13D/A

disposition of all or a portion of the Contributed Shares, or (ii) the purchase of additional shares of Common Stock of the Corporation.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

The disclosure previously contained in Item 5 is replaced with the following:

BAM Inc. is the beneficial owner of 15,597,783 shares of Common Stock of the Corporation. BAM Inc. has, together with Verizon, shared voting power with respect to 15,597,783 shares of Common Stock, which constitutes approximately 7.15% of the Common Stock of the Corporation outstanding on May 2, 2003 (based on the number of shares outstanding as contained in the Corporation's most recently filed Form 10-Q), and shared dispositive power with respect to 15,597,783 shares of Common Stock. None of the persons listed in Schedules I and II has voting or dispositive power with respect to any shares of Common Stock of the Corporation.
