ITEM 2.01 COMPLETION OF ACQUISITION

On January 3, 2005, Viewpoint Corporation completed the acquisition of all of the outstanding capital stock of Unicast Communications Corp.

## Edgar Filing: VIEWPOINT CORP - Form 8-K

In exchange for the all of the shares of outstanding capital stock of Unicast, Viewpoint issued an aggregate of 1,084,711 shares of Viewpoint common stock to the selling stockholders of Unicast and paid \$188,000 in cash. Viewpoint is obligated to issue up to an additional 413,223 shares of Viewpoint common stock and to make an additional cash payment of up to \$187,000 on or before July 13, 2005. The number of shares issuable and the amount of cash payable within 190 days following closing will be subject to reduction on terms set forth in the agreement.

Long-term debt issued by Unicast remains outstanding at the Unicast subsidiary level. This debt is comprised solely of the following:

- An unsecured promissory note issued by Unicast dated February 27, 2004 in the principal amount of \$1 million. This promissory note bears interest at 5% per annum, compounding annually, and matures in February 2011. No payments of principal or interest are due until the maturity date.
- A secured promissory note issued by Unicast amended and restated February 27, 2004 in the principal amount of \$2 million. This promissory note bears interest of 5% per annum and is secured by substantially all of the Unicast subsidiary's assets. In connection with Viewpoint's acquisition of all of the outstanding common stock, Viewpoint agreed to become an additional obligor under the secured promissory note and Viewpoint's assets will become additional collateral to secure the obligations if certain contingencies occur, such as Viewpoint's failure to operate the Unicast ad-serving business through the Unicast subsidiary or the ad-serving business fails to achieve certain revenue targets. No payments under the secured promissory note are due until March 2006. At that time, all unpaid principal and interest will be fully amortized and payable in 60 equal monthly installments through March 2011. Concurrently with completion of the acquisition, Viewpoint made a payment of \$250,000 to reduce the amount outstanding under this secured promissory note.

In connection with the acquisition, Viewpoint assumed an obligation to make certain payments on behalf of the selling stockholders in the maximum amount of \$375,000, payable in equal bi-monthly installments over the one-year period following the closing. If the obligation ceases over the course the year or is determined to be less than \$375,000, Viewpoint will pay to the selling stockholders the difference between \$375,000 and the amount payable under the severance obligation.

At the closing of the transaction, the parties entered into a registration rights agreement under which Viewpoint is obligated to file with the Securities and Exchange Commission a

registration statement covering the shares of Viewpoint common stock issued to the selling stockholders of Unicast.

Viewpoint issued a press release announcing completion of the acquisition on January 3, 2005. A copy of the press release is attached hereto as Exhibit 99.1.
