## Edgar Filing: CAMBREX CORP - Form 8-K

Cambrex Corporation ("Cambrex" or the "Company") is reporting under Item 1.01 that in conjunction with the resignation and termination of employment of Mr. John R. Leone, President and Chief Executive Officer and Member of the Board of Directors of Cambrex since August 23, 2004, from the Company as well as his resignation from the Company's Board of Directors, as disclosed in Item 5.02, below, the Company entered into a Separation and General Release Agreement dated January 4, 2006, effective as of December 31, 2005, with Mr. Leone (See Exhibit 10.1 hereof), which provides for, among other things, (i) payment by the Company of monthly severance payments for the twenty-four (24) month period commencing on January 1, 2006 ("Severance Period") in the amount of \$101,823, provided that such payments will cease if Mr. Leone secures comparable employment during the Severance Period and further provided that Mr. Leone is not required to actively pursue employment, and has no obligation to mitigate any such payments; (ii) the continued vesting of 25,607 shares of restricted stock with one-half of such restricted stock vesting on July 22, 2006 and the balance vesting on July 22, 2007 (on joining the Company Mr. Leone received an award of 38,410 shares of Company restricted stock, one third of which vested on July 22, 2005); such shares represent the unvested portion of restricted stock issued pursuant to Mr. Leone's previously disclosed Employment Agreement dated August 23, 2004 (which was previously disclosed in the Company's Current Report on Form 8-K filed on August 26, 2004 and which is incorporated by reference into this Current Report on Form 8-K, the "Leone Employment Agreement") to compensate for the value of Mr. Leone's forfeited "in the money" options from his previous employer; (iii) the continued vesting of 54,788 shares of restricted stock with one third of such unvested restricted stock vesting on each of July 22, 2006, July 22, 2007 and July 22, 2008 (on joining the Company Mr. Leone received an award of 71,052 shares of Company restricted stock, one fourth of which vested on July 22, 2005); such shares represent the unvested portion of the restricted stock issued pursuant to the Leone Employment Agreement to compensate for the value of Mr. Leone's forfeited pension from his previous employer; (iv) 433,333 options to acquire Company stock; which were outstanding on the date of termination of Mr. Leone's employment, such options are subject to the terms and conditions of the applicable award agreements and equity plans; and (v) continuation of medical coverage for 18 months, life insurance for 12 months, and accidental death and dismemberment insurance for 6 months, on the same terms and conditions applicable to senior executives of the Company during the Severance Period as provided in the Leone Employment Agreement; provided that

such coverage will cease if and at the time, Mr. Leone becomes eligible to receive equivalent coverage from any subsequent employment. The preceding summary of Mr. Leone's Separation and General Release Agreement is qualified in its entirety by the full text of such Agreement, a copy of which is filed herewith as Exhibit 10.1 and is hereby incorporated herein by reference.

As a result of this and certain other organizational changes, the Company expects to record a charge of approximately \$4.1 million in the fourth quarter of 2005. This charge was not included in previous guidance issued by the Company.

Cambrex is also reporting under Item 1.01 that in conjunction with Mr. James A. Mack's election as Acting President and Chief Executive Officer of Cambrex, as disclosed in Item 5.02 below, Mr. Mack will receive annual compensation in the amount of \$240,000, payable at a monthly rate of \$20,000 per month.
