Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 11, 2009, the Compensation Committee of our Board of Directors approved the grant of a total of 991,000 shares of long-term performance-based restricted stock to our executive officers and certain other employees. The grants made to our officers who are subject to Section 16 of the Exchange Act were reflected in Form 4 filings made on June 15, 2009, which reflected 785,000 of the 991,000 shares granted. Grants were made to a total of 53 of our employees.

Our Compensation Committee approved this grant to serve as an incentive to our senior management team to achieve certain, actual fully-diluted earnings-per-share (EPS) targets in fiscal 2011 and/or fiscal 2012, which include certain EPS targets that our Compensation Committee considers to be stretch goals. If a specified EPS target is achieved for fiscal 2011, 50% of the restricted shares will vest. If a higher EPS target is achieved for fiscal 2011, 100% of the restricted shares will vest. If the grant has not fully vested after fiscal 2011, 50% of the shares will vest if a specified EPS target is achieved for fiscal 2012. If none of the shares vested after fiscal 2011, 100% of the shares will vest if a higher EPS target is achieved for fiscal 2012.

We consider the specific EPS targets to be competitively sensitive information during the performance period. The Compensation Committee believes that the EPS targets for fiscal 2011 and 2012 resulting in vesting of 50% of the award represent aggressive goals in excess of our current baseline expectations, and the EPS targets resulting in vesting of 100% of the award at each such date represent goals significantly in excess of our current baseline expectations. In the event that we do not achieve the required EPS targets, the restricted stock will be forfeited. If the recipient's employment is terminated for any reason prior to vesting, the restricted shares will be forfeited. Unlike past restricted stock grants, these awards do not provide for accelerated vesting upon death or disability. However, the restricted shares will vest immediately if the recipient's employment is terminated for any reason other than cause following a change of control or if the restricted stock award is not assumed or replaced by the surviving or acquiring entity on economically equivalent terms, as determined by our Compensation Committee. The recipient of the restricted shares will have the right to vote the restricted shares and receive dividends and other distributions, if any, paid on the restricted shares.
