*2010 Bonus Plan*

On January 26, 2010, the Compensation Committee (the Committee) of the Board of Directors of Informatica Corporation (Informatica) approved the allocations, methodologies, and metrics for the payment of bonuses for fiscal 2010, if any, to Informatica's named executive officers.

Aggregate cash bonus amounts range between 70% and 100% of base salary per individual at the target level of achievement. Each individual's actual bonus will be determined by a formula based on the achievement of a variety of performance objectives, including non-GAAP operating income and license bookings, measured on a semi-annual basis, as well as individual goals and, in the case of Mr. Hoffman, a personal annual quota for worldwide license revenues, paid on a monthly basis. It is possible to exceed the target level of achievement for the corporate bonus component and receive a bonus payment in excess of the bonus payment payable at the target level, up to a maximum of 200% of the target bonus amount. Bonus payments are anticipated to be made semi-annually. The Committee determines the actual corporate bonus payments for all of the named executive officers.

*2009 Bonus Payments*

On January 26, 2010, the Committee also approved bonuses for the second half of 2009 for each of its named executive officers in the following amounts:

| Named Executive Officer | Second Half 2009<br>Bonus | Aggregate 2009<br>Bonus |
|-------------------------|---------------------------|-------------------------|

| Earl Fry                | \$ 162,313                | \$ 269,500              |
| Paul Hoffman            | \$ 169,126                | \$ 280,417              |
