This Amendment No. 3 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission (the SEC) on August 11, 2010 (the Initial Schedule TO), Amendment No. 1 filed with the SEC on August 23, 2010 and Amendment No. 2 filed with the SEC on August 27, 2010 by Nabors Industries Ltd., a Bermuda exempt company (Nabors), and Diamond Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Nabors (Offeror). This Amendment relates to the offer by Offeror to purchase all of the outstanding shares of common stock, par value \$0.01 per share (the Shares), of Superior Well Services, Inc., a Delaware corporation (Superior), for \$22.12 per Share, net to the seller in cash, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated August 11, 2010 (as amended to date, the Offer to Purchase), and in the related Letter of Transmittal (which, together with any amendments or supplements to the Offer to Purchase and the Letter of Transmittal, collectively constitute the Offer).

Documentation relating to the Offer has been mailed to Superior stockholders and may be obtained free of charge at the SEC's website at www.sec.gov, and may also be obtained at no charge by directing a request by mail to the information agent for the Offer, Georgeson Inc. at 199 Water Street, 26th Floor, New York, New York 10038 or by calling toll free at (866) 647-8869 or collect at (212) 440-9800 for banks and brokers.

Items 1 through 11.

Pursuant to General Instruction F to Schedule TO, the information contained in the Offer to Purchase, including all schedules and annexes to the Offer to Purchase, is hereby expressly incorporated in this Amendment by reference in response to Items 1 through 11 of this Amendment and is supplemented by the information specifically provided for in this Amendment.

Notwithstanding the foregoing:

- (1) The second paragraph that appears on page 33 of the Offer to Purchase under the heading "Source and Amount of Funds" is amended and restated to read as follows:

Nabors expects to provide sufficient funds to Offeror to satisfy the foregoing financial obligations in the form of a capital contribution. Offeror has no alternative financing arrangements or alternative financing plans. Nabors anticipates funding the purchase of all outstanding Shares and paying related fees and expenses from cash on hand and by issuing additional indebtedness or debt securities. In the alternative, Nabors may draw upon a revolving credit facility, as described herein.

- (2) The following paragraphs shall be added after the second paragraph that appears on page 33 of the Offer to Purchase under the heading "Source and Amount of Funds" :

Nabors expects to fund the purchase of all outstanding Shares pursuant to the Offer and the Merger and to pay related fees and expenses from cash on hand and by its wholly owned subsidiary, Nabors Industries, Inc., a Delaware corporation ("Nabors Delaware"), issuing in a private placement additional debt securities in an aggregate principal amount approximating \$600 million. The debt is expected to be unsecured, fully and unconditionally guaranteed by Nabors, and to have registration rights. It is anticipated that the debt will be resold by the initial purchasers to qualified institutional buyers under Rule 144A and to certain investors outside of the United States under Regulation S of the Securities Act. The interest rate on the debt is not yet known, but it is anticipated that interest will be payable semi-annually each year, beginning in 2011.

The debt is expected to be unsecured and junior in right of payment to any of Nabors Delaware's future secured debt. The debt is also expected to rank equally with any of Nabors Delaware's other existing and future unsubordinated debt and to be senior in right of payment to any of Nabors Delaware's future subordinated debt. Nabors' guarantee of debt is expected to be unsecured and to rank equal in right of payment to all of Nabors unsecured and unsubordinated indebtedness from time to time outstanding.

This Offer to Purchase shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the debt securities in any state in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state. Any such offering, if made, will be pursuant to an offering memorandum. Such debt securities, if offered, will not be registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act of 1933.

In addition, Nabors Delaware received commitment letters with respect to a revolving credit facility from UBS Loan Finance LLC, Citibank, N.A., Deutsche Bank AG New York Branch, Mizuho Corporate Bank (USA), Morgan Stanley Bank, N.A., Bank of America, NA, PNC Bank, National Association, The Bank of Nova Scotia and HSBC Bank USA, N.A. (collectively, "Lenders"). The commitment letters relate to an aggregate principal amount of \$700 million. In addition, the facility would provide Nabors the option to add other lenders and increase the aggregate principal amount of commitments up to \$850 million. The revolving credit facility is expected to mature in four years.

Nabors expects borrowings under this facility to bear interest, at Nabors Delaware's option, at either (x) the Base Rate (as defined below) plus the applicable interest margin, calculated on the basis of the actual number of days elapsed in a year of 365 days and payable quarterly in arrears or (y) interest periods of one, two, three or six months at an annual rate equal to the London Interbank Offered Rate ("LIBOR") for the corresponding deposits of U.S. dollars, plus the applicable interest margin. The Base Rate would be defined, for any day, as a fluctuating rate per annum equal to the highest of (i) the Federal Funds Rate, as published by the Federal Reserve Bank of New York, plus 1/2 of 1%, (ii) the prime commercial lending rate of UBS AG, as established

from time to time at its Stamford Branch and (iii) LIBOR for an interest period of one

2

month beginning on such day plus 1%. Nabors expects the revolving credit facility to contain representations, warranties, covenants and conditions customary to credit facilities of this nature.

The foregoing summary of the proposed revolving credit facility is qualified in its entirety by reference to the term sheet that is an exhibit to the Lenders' commitment letters, a copy of which is filed as Exhibit (d)(3) to the Tender Offer Statement on Schedule TO that Nabors and Offeror have filed with the SEC, which you may examine and copy as set forth in Section 9 Information Concerning Nabors and Offeror. Nabors, Nabors Delaware and the Lenders have not finalized any definitive arrangements or plans with respect to the proposed revolving credit facility. Nabors expects that the funds from any such revolving credit facility would result in net proceeds, together with Nabors' cash on hand, sufficient to purchase all outstanding Shares pursuant to the Offer and Merger and to pay related fees and expenses. Nabors can provide no assurance as to when, or if, such revolving credit facility may be entered into.

- (3) The following paragraph shall be added after the first paragraph that appears on page 37 of the Offer to Purchase under the heading Legal Matters; Required Regulatory Approvals :

Pursuant to the HSR Act, on August 13, 2010, Nabors filed a Premerger Notification and Report Form with the FTC and the Antitrust Division in connection with the purchase of Shares in the Offer and the Merger. The 15-calendar day waiting period, as described above, expired on August 30, 2010.
