Annual Meeting of Stockholders

PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of The Swiss Helvetia Fund, Inc. (the **Fund**) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the **Meeting**), to be held at 11:30 a.m., on Wednesday, June 22, 2011, at The Michelangelo Hotel, Roman Room (Mezzanine Level), 152 W 51st Street, New York, New York 10020. The purpose of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. It is expected that the Notice of Annual Meeting of Stockholders, Proxy Statement and form of Proxy will first be mailed to stockholders on or about May 2, 2011.

About the Fund

The Fund's investment adviser is Hottinger Capital Corp. (**HCC**). The executive offices of the Fund and HCC are located at 1270 Avenue of the Americas, Suite 400, New York, New York 10020. The Fund's administrator is Citi Fund Services Ohio, Inc. (**Citi Fund Services**), and its executive offices are located at 3435 Stelzer Road, Columbus, Ohio 43219.

Voting Information

If the accompanying form of Proxy is executed properly and returned, the shares represented by it will be voted at the Meeting in accordance with the instructions on the Proxy. However, if no instructions are specified on the Proxy, the shares will be voted **FOR** the election of each nominee as a Class II Director, **FOR** the ratification of the Fund's independent registered public accounting firm and **AGAINST** Proposal 3. A Proxy may be revoked at any time before it is voted by written notice to the Secretary of the Fund revoking it, by submitting a properly executed Proxy bearing a later date, or by attending the Meeting and voting in person. Attending the Meeting will not automatically revoke a previously executed Proxy. Shares represented by a Proxy marked to withhold authority to vote for a Director, abstentions and broker non-votes will be included in determining the existence of a quorum at the Meeting, but will not constitute a vote in favor of a proposal. As a result, because they are not votes cast **FOR** a proposal, they will have the effect of a vote **AGAINST** Proposals 2 and 3. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

If a stockholder owns shares of the Fund in violation of applicable law, including the Investment Company Act of 1940, as amended (the **1940 Act**), the Fund may determine that any vote attributable to such shares shall not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the 1940 Act, the acquisition of more than 3% of the Fund's Common Stock by another fund (whether registered, private or offshore) is unlawful. The Fund will invalidate votes cast on behalf of any such fund or by any other stockholder whose holdings are unlawful, that are otherwise properly cast, only after it has obtained a decision through appropriate proceedings in a court or other forum of competent jurisdiction that such votes are not valid. The Fund may suspend the final counting of votes pending such a decision.

The Board of Directors has fixed the close of business on April 15, 2011 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof. On that date, the Fund had 30,688,423 shares of Common Stock outstanding and entitled to vote.

Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Stockholders are not entitled to any appraisal rights as the result of any Proposal.

Management of the Fund knows of no business other than that mentioned in the Notice of Annual Meeting of Stockholders which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed Proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its Annual Report for its fiscal year ended December 31, 2010 and its most recent Quarterly Report to any stockholder upon request. Requests for these Reports should be made in writing to The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020, or by calling the Fund's toll-free telephone number: 1-888-794-7700.

PROPOSAL 1: TO ELECT THREE CLASS II DIRECTORS

The Fund's Certificate of Incorporation provides for three classes of Directors with overlapping three-year terms. The number of Directors currently is eleven and is divided into three classes, composed of four Class I Directors, three Class II Directors and four Class III Directors. Stockholders are being asked to elect three Class II Directors to serve for a three-year term. The Class II nominees, Richard Brealey, Claus Helbig and Samuel B. Witt, III, Esq., are the only nominees to be considered for election as Class II Directors at the Meeting and, if elected, each will serve a three-year term of office until the Annual Meeting of Stockholders in 2014, or until his respective successor is duly elected and qualified. Mr. Didier Pineau-Valencienne, who served as a Class II Director of the Fund for over ten years, has resigned effective immediately prior to the Meeting in accordance with the Fund's retirement policy.

Each of the Class II nominees was first nominated by the Governance/Nominating Committee of the Board of Directors, consisting of the nine Non-Interested Directors (as defined below), three of whom are Class II nominees. Mr. Witt was last elected by stockholders as a Class II Director in 2008 to serve until this Meeting. Messrs. Brealey and Helbig were nominated by the Governance/Nominating Committee of the Board of Directors, and appointed to the Board in 2009 and 2008, respectively. Mr. Brealey previously served as a Director from the Fund's inception in 1987 to 1996. The Board of Directors of the Fund, including all of the Directors of the Fund who are not interested persons (as defined in the 1940 Act) of the Fund (each such Director, a Non-Interested Director), unanimously proposed the Class II nominees for election at this Meeting.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of Proxy to vote each Proxy FOR the election of the three Class II nominees of the Fund listed above. Each nominee has indicated he will serve, if elected, but if any such nominee should be unable to serve, Proxies will be voted for an alternate nominee, if any, designated by the Board of Directors. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director. Each of the nominees is currently a member of the Board of Directors.

Please see page 4 of this Proxy Statement for additional information concerning the Class II nominees.

Required Vote and the Board's Recommendation

In accordance with Delaware law and the Fund's Certificate of Incorporation and By-Laws, Directors are elected by a plurality of the votes cast at the Meeting by the stockholders entitled to vote.

**THE BOARD OF DIRECTORS OF THE FUND, INCLUDING THE NON-INTERESTED DIRECTORS,
UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF THE THREE
NOMINEES AS CLASS II DIRECTORS.**

Certain Information Concerning Directors and Executive Officers

The following tables set forth certain information about each person nominated for election as a Director by the Board of Directors of the Fund, each person currently serving and continuing as a Director and each person who currently serves as an executive officer of the Fund, including his or her beneficial ownership of Common Stock of the Fund. All of the information is as of December 31, 2010. The information with respect to the Directors is separately stated for Directors or nominees for Director who have been determined to be Non-Interested Directors and Directors who are deemed to be interested persons of the Fund under the 1940 Act.

The Fund's officers are elected annually by the Board of Directors at its regular meeting following the Annual Meeting of Stockholders. In addition to the executive officers, the Fund's other officer is Glen Fougere, an employee of Citi Fund Services. Mr. Fougere serves as the Fund's Assistant Secretary.

Additional Information about the Fund's Board of Directors

Board's Oversight Role in Management. The Board's role in management of the Fund is oversight. The Board of Directors provides oversight with respect to the Fund's governance, operations, performance and stockholder relations. In that capacity the Board, directly and through permanent and ad hoc committees, provides oversight of the Fund's investment adviser, HCC, the Fund's independent registered public accounting firm, Deloitte & Touche LLP (D&T), the Fund's administrator and fund accountant, Citi Fund Services, and Fund management.

As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund have the primary responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including HCC's Chief Executive Officer, the Fund's and HCC's Chief Compliance Officers and portfolio management personnel. The Board's Audit Committee (which consists solely of Non-Interested Directors) meets during its scheduled meetings, and between meetings the Audit Committee chair maintains contact, with the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. The Board also receives periodic presentations from senior personnel of HCC or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas. The Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, HCC and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Fund. The Board also receives reports from the Fund's Chief Compliance Officer, counsel to the Fund and HCC and the Board's own independent legal counsel regarding regulatory compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of a fund's board members not be interested persons (as defined in the 1940 Act) of the fund and as such are not affiliated with the fund's investment adviser (Independent Board members). To rely on certain exemptive rules under the 1940 Act, a majority of a fund's board members must be Independent Board members, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Board members. Currently, more than 75% of the Board of Directors, including the Chairman of the Board, are Non-Interested Directors. The Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with HCC, is appropriate in light of the services that the HCC provides to the Fund and potential conflicts of interest that could arise from that relationship.

Information About Each Director's Experience, Qualifications, Attributes or Skills. The Board of Directors believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that the Directors

satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of

investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The Board's Governance and Nominating Committee Charter contains certain other factors considered by the Committee in identifying and evaluating potential Director nominees.

To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with HCC, and also may benefit from information provided by the Fund's and HCC's counsel; both Board and Fund counsel have significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Information about each Director follows (supplementing the information provided in the table above), including some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board believes has prepared them to be effective Directors. Each Director satisfies the Relevant Experience and Country Knowledge requirements and does not have any Conflict of Interest, as such terms are defined in the Fund's Amended and Restated By-Laws and also set forth in the Governance and Nominating Committee Charter, which was attached as Appendix A to the Fund's Proxy Statement dated May 21, 2010.

Board Committees, Meetings and Compensation

The current members of the Audit Committee of the Board of Directors are Mme. Hooper and Messrs. Helbig, Kraynak and West, each of whom is a Non-Interested Director. Mme. Hooper serves as Chair of the Audit Committee. Mr. Witt, as Chairman of the Board of Directors, serves as an ex-officio member of the Audit Committee. In this capacity, Mr. Witt does not have any voting powers and is not counted for purposes of determining a quorum at meetings of the Audit Committee. Each member of the Committee, including Mr. Witt, also is independent under the

listing standards of the New York Stock Exchange (NYSE).

Pursuant to the Audit Committee Charter adopted by the Fund's Board of Directors, the function of the Audit Committee is to assist Board oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; and (iii) the independent registered public accounting firm's qualifications, independence and performance. The Audit Committee has direct responsibility to appoint, retain, determine the compensation of, evaluate and terminate the Fund's independent registered public accounting firm, including sole authority to approve all audit engagement fees and terms, and in connection therewith, to review and evaluate matters potentially affecting the independence and capabilities of the independent registered public accounting firm. The Audit Committee also oversees the accounting and financial reporting processes of the Fund and the audits of the Fund's financial statements as well as the administration of the Fund. The Audit Committee held six meetings during the year ended December 31, 2010. The Fund's Audit Committee Charter is available on the Fund's website at www.swz.com.

The Board of Directors has a Governance and Nominating Committee whose current members are all of the Non-Interested Directors, namely, Mme. Hooper and Messrs. Bock, Boillat, Brealey, Frey, Helbig, Kraynak, West and Witt. As a result of Mr. Pineau-Valencienne's retirement, Mr. West currently serves as Chairman of the Governance and Nominating Committee. Each member of the Committee is independent under the listing standards of the NYSE.

Among other responsibilities, the Governance and Nominating Committee selects and nominates persons for election or appointment by the Board as Directors of the Fund and oversees the annual assessment of the effectiveness of the Board and such other matters of Fund governance as may be delegated to it by the Board or determined by the Governance and Nominating Committee to be appropriate. In evaluating potential nominees, including any nominees recommended by stockholders, the Committee takes into consideration the factors listed in the Governance and Nominating Committee Charter, including character and integrity, experience in business, investment and economic matters in Europe, the United States, or Switzerland or political matters of Switzerland, and whether the Committee believes the person has the ability to apply sound and independent business judgment and would act in the interest of the Fund and its stockholders. The Governance and Nominating Committee will consider nominees recommended by a stockholder if such recommendation is in writing and received by the Fund by the deadline specified below under Stockholder Proposals and otherwise complies with the requirements for such proposals contained in the Governance and Nominating Committee Charter and the Fund's By-Laws. Any such recommendations should be submitted to: Secretary, The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020. The Governance/Nominating Committee held four meetings during the year ended December 31, 2010. The Fund does not provide a copy of the Governance and Nominating Committee Charter on its website, but the current Governance and Nominating Committee Charter was attached as Exhibit A to the Fund's Proxy Statement dated May 21, 2010.

In 2008, the Board of Directors established a Pricing Committee whose current members are Messrs. Bock, Brealey, Helbig and West. Mr. West serves as Chairman of the Pricing Committee, and Mr. Witt, as Chairman of the Board of Directors, serves as an ex-officio member of the Committee. Prior to March 2011, all of the Non-Interested Directors served as members of the Committee. The Pricing Committee assists in the fair valuation of the Fund's portfolio securities for which market prices or quotations are not readily available or are deemed to be unreliable. The Pricing Committee held four meetings during the year ended December 31, 2010.

In 2009, the Board of Directors established an Ad Hoc Benchmark Committee, consisting of Mme. Hooper and Messrs. Kraynak, West and Witt. Messrs. Brealey and Helbig subsequently joined the Committee during 2010. The Ad Hoc Benchmark Committee assists the Board in overseeing the management of the Fund by HCC and the Fund's other service providers. The Ad Hoc Benchmark Committee met ten times during the year ended December 31, 2010.

During the year ended December 31, 2010, the Board of Directors met six times. Each incumbent Director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all Committees of the Board on which he or she served (held during the period he or she was a

Director). The Fund has no formal written policy regarding Directors

attendance at annual meetings of stockholders. The Fund's Directors, however, are encouraged to attend stockholders meetings and all of the current Directors, who were serving at the time, attended the Fund's 2010 Annual Meeting of Stockholders.

In 2010, each Non-Interested Director of the Fund was paid an annual aggregate fee of \$31,988, plus \$1,300 for each meeting of the Board of Directors attended and \$750 for each Committee meeting attended, if held separately. In addition, the Chairman of the Board receives an annual fee of \$12,000, and the Chairs of the Audit Committee, the Governance and Nominating Committee and the Pricing Committee each receives an annual fee of \$5,000. The annual fee of Non-Interested Directors (including the annual fee paid to the Chairs of the Audit Committee, the Governance and Nominating Committee and the Pricing Committee) is adjusted annually, as of each January 1, in proportion to the increase in the Consumer Price Index for the preceding twelve month period. Each Director who is a Non-Interested Director and who is a member of the Audit, Governance and Nominating or Pricing Committees may be compensated for incremental work over and above attending a meeting, including work performed as a member of an ad hoc committee, based upon the value added to the Fund. Finally, the Fund reimburses Non-Interested Directors for certain out-of-pocket expenses, such as travel expenses in connection with Board meetings. During the year ended December 31, 2010, the Non-Interested Directors received from the Fund individual remuneration (exclusive of reimbursed expenses), as follows:

1. The Fund is not part of a fund complex or group, and, accordingly, the Directors do not serve on the board of any other registered investment company in a complex or group with the Directors. The Fund pays all of the Non-Interested Directors' remuneration. Retirement and/or pension benefits are not offered as part of the compensation for Directors.

2. Member of the Governance and Nominating Committee in 2010.

3. Member of the Pricing Committee in 2010.
4. Member of the Audit Committee in 2010.
5. Member of the Ad Hoc Benchmark Committee in 2010.
6. Mr. Bock was elected to the Board of Directors in December 2010.

Sullivan & Cromwell LLP, who have served as counsel to the Non-Interested Directors since 1987, received approximately \$175,362 from the Fund for legal services rendered and disbursements incurred during 2010. Mr. West serves as Senior Counsel to such Firm. No executive officer of the Fund received aggregate compensation from the Fund for the most recently completed fiscal year in excess of \$60,000. Accordingly, no other persons have been included in the compensation table set forth above.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the United States, the Fund's Directors, its executive (and certain other) officers, HCC and certain affiliated persons of HCC and any persons beneficially owning more than ten

percent of the Fund's Common Stock are required to report their ownership of the Fund's Common Stock and any changes in that ownership to the Fund, the Securities and Exchange Commission (the Commission) and the NYSE. Specific due dates for these reports have been established, and the Fund is required to report in this Proxy Statement any failure to file by these dates during 2010. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to the Fund during its most recent fiscal year, Forms 5 and amendments thereto furnished to the Fund with respect to its most recent fiscal year and written representations received from such persons, all of these requirements appear to have been satisfied by such persons during the year ended December 31, 2010.

Security Ownership of Certain Beneficial Owners

As of December 31, 2010, no stockholder, to the knowledge of the Fund, other than 1607 Capital Partners, LLC, 4991 Lake Brook Drive, Suite 125 Glen Allen, Virginia 23060, and Lazard Asset Management LLC, 30 Rockefeller Plaza, New York, New York 10112, beneficially owned more than five percent of the Fund's outstanding shares of Common Stock. 1607 Capital Partners, LLC, on behalf of its advisory clients, filed on February 14, 2011, a beneficial ownership report on Schedule 13G/A with the Commission stating that as of December 31, 2010 it beneficially owned 4,477,101 shares of Common Stock, and Lazard Asset Management LLC, on behalf of its advisory clients, filed on February 11, 2011, a beneficial ownership report on Schedule 13G/A with the Commission stating that as of December 31, 2009, it beneficially owned 4,191,745 shares of Common Stock. Based on such filings, these holdings represented approximately 14.38% and 13.37% of the Fund's outstanding shares of Common Stock, respectively, as of December 31, 2010.

PROPOSAL 2: SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At a meeting held on March 23, 2011, the Audit Committee of the Fund's Board of Directors approved, and the Board of Directors approved and ratified, Deloitte & Touche LLP to act as the independent registered public accounting firm for the Fund for the year ending December 31, 2011. Based principally on representations from D&T, the Fund knows of no direct financial or material indirect financial interest of D&T in the Fund. D&T, or a predecessor firm, has served as the independent registered public accounting firm for the Fund since 1987. No representative of D&T is expected to be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement (if the representative so desires) and to respond to appropriate questions. Neither the Fund's Certificate of Incorporation nor By-Laws requires that the stockholders ratify the appointment of D&T as the Fund's independent registered public accounting firm, but the Fund is doing so as a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Fund's Board of Directors will reconsider whether or not to retain D&T, but may retain such independent registered public accounting firm. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of the Fund and its stockholders.

Certain Information Concerning Deloitte & Touche LLP

(a) *Audit Fees.* The aggregate fees billed for each of the last two fiscal years (the Reporting Periods) for professional services rendered by D&T for the audit of the Fund's annual financial statements, or services that are normally provided by D&T in connection with the statutory and regulatory filings or engagements for the Reporting Periods, were \$43,000 in 2009 and \$50,000 in 2010.

(b) *Audit-Related Fees.* There were no fees billed in the Reporting Periods for assurance and related services rendered by D&T that are reasonably related to the performance of the audit of the Fund's financial statements and are not reported under paragraph (a) above.

There were no fees billed by D&T in the Reporting Periods for services rendered by D&T to HCC or any entity controlling, controlled by or under common control with HCC that provides ongoing services to the Fund (Service Affiliates).

(c) *Tax Fees.* The aggregate fees billed in the Reporting Periods for professional services rendered by D&T for tax compliance, tax advice and tax planning (Tax Services) were \$5,500 in 2009 and \$5,800 in 2010. These Tax Services consisted of review or preparation of U.S. federal, state, local and excise tax returns.

(d) *All Other Fees.* D&T did not provide any additional services in the Reporting Periods other than those services reported in paragraphs (a) through (c) above.

Audit Committee Pre-Approval Policies. The Audit Committee pre-approves D&T's engagements for audit and non-audit services to the Fund and non-audit services to Service Affiliates on a case-by-case basis as required. Pre-approval considerations include whether the proposed services are compatible with maintaining D&T's independence.

Non-Audit Fees. The aggregate non-audit fees billed by D&T for services rendered to the Fund for the Reporting Periods were \$5,500 in 2009 and \$5,800 in 2010 (for the Tax Services described above). There were no fees billed in the Reporting Periods for non-audit services rendered by D&T to Service Affiliates.

Auditor Independence. The Audit Committee considers whether the provision of any non-audit services rendered to Service Affiliates which were not pre-approved (not requiring pre-approval) is compatible with maintaining D&T's independence.

Required Vote and the Board's Recommendation

The selection of the Fund's independent registered public accounting firm will be ratified if approved by a majority of shares present in person or represented by proxy at the Meeting and entitled to vote thereon.

THE BOARD OF DIRECTORS OF THE FUND, INCLUDING THE NON-INTERESTED DIRECTORS, UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2 TO RATIFY THE SELECTION OF DELOITTE & TOUCHE LLP AS THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2011.

REPORT OF AUDIT COMMITTEE

The Audit Committee has exclusive oversight of the Fund's financial reporting process. The Committee operates pursuant to a Charter which has been approved by the Board, a copy of which is available on the Fund's website at www.swz.com. As set forth in the Charter, Management of the Fund is responsible for the (i) preparation, presentation and integrity of the Fund's financial statements, (ii) maintenance of appropriate accounting and financial reporting principles and policies and (iii) maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Fund's independent registered public accounting firm, D&T, is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee has considered and discussed the December 31, 2010 audited financial statements with Management and with D&T. The Committee has also discussed with D&T the matters required to be discussed by Public Company Accounting Oversight Board AU Section 380, *Communication With Audit Committees*, as currently in effect. Finally, the Committee has reviewed the written disclosures and the letter from D&T required by Public Company Accounting Oversight Board Rule 3526, *Communicating with Audit Committees Concerning Independence*, as currently in effect, and has discussed with D&T the auditors' independence.

Stockholders are reminded, however, that the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Committee rely without independent verification on the information provided to them and on the representations made by Management and D&T. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that Management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that D&T is, in fact, independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee determined, and recommended to the Board, that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the year ended December 31, 2010, and filed with the Commission.

PROPOSAL 3: ELECT EACH DIRECTOR ANNUALLY

What is this Proposal?

Mr. Kenneth Steiner, a stockholder of the Fund (the Proponent), is the proponent of the following proposal. The Proponent's address and the number of shares he owns in the Fund will be furnished by the Fund's Secretary upon request. Mr. Steiner's proposal and his accompanying supporting statement submitted to the Fund read as follows:

RESOLVED, shareholders ask that our Company take the steps necessary to reorganize the Board of Directors into one class with each director subject to election each year and to complete this transition within one-year.

If your company took more than one-year to phase in this proposal it could create conflict among our directors. Directors with 3-year terms could be more casual because they would not stand for election immediately while directors with one-year terms would be under more immediate pressure.

Our current practice, in which only a few directors stand for election annually, is not in the best interest of our Company and its shareholders. Eliminating this staggered system would give shareholders an opportunity to register their view on the performance of each director annually. Electing directors in this manner is one of the best methods available to shareholders to ensure that our Company will be managed in a manner that is in the best interest of shareholders.

Arthur Levitt, former Chairman of the Securities and Exchange Commission said, "In my view it's best for the investor if the entire board is elected once a year. Without annual election of each director shareholders have far less control over who represents them."

In 2010 over 70% of S&P 500 companies had annual election of directors. Shareholder resolutions on this topic won an average of 68%-support in 2009.

Increasingly, companies themselves are presenting resolutions seeking shareholder support for this topic. These management resolutions regularly receive votes in the 90%-plus range. This is clearly a trend with companies as they strive to adopt best governance practices.

The merit of this Elect Each Director Annually proposal should also be considered in the context of the need for improvement in our company's 2010 reported corporate governance status.

Please encourage our board to respond positively to this proposal: Elect Each Director Annually Yes on 3.

YOUR FUND IS NOT AN OPERATING COMPANY. WHAT MIGHT BE PERCEIVED AS BETTER GOVERNANCE PRACTICES FOR AN OPERATING COMPANY, LIKE THOSE CITED BY THE PROPONENT, MAY NOT BE BETTER PRACTICES FOR THE FUND.

YOUR BOARD OF DIRECTORS OPPOSES THIS PROPOSAL BECAUSE IT BELIEVES THE PROPOSAL IS NOT IN THE BEST INTEREST OF THE FUND AND ITS STOCKHOLDERS.

The following Statement of Opposition details the reasons why the Board recommends you vote AGAINST the Proponent's proposal.

What is the current structure of the Board of Directors?

The Fund's Certificate of Incorporation, as amended to date (the Charter) and Amended and Restated By-Laws (the Bylaws) currently provide for the Fund's Board of Directors to be classified into

three classes, and the Directors of each class are elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following their election and until their successors are duly elected and qualify. The terms of office of Class I, II and III Directors will expire as of the annual meeting of stockholders to be held in 2013, 2011 (2014, if elected at the Meeting) and 2012, respectively. The current classified board structure has been in place since the Fund's inception in 1987.

How does the Board of Directors Recommend I Vote?

After receiving the Proponent's proposal, the Board of Directors considered his request to declassify the Board of Directors. **The Board has concluded that declassifying the Board of Directors, including on the one-year schedule proposed by the Proponent, is not in the best interest of the Fund and its stockholders. The Fund is an investment company and is subject to different governance standards than an operating company. As such, the Board recommends you vote AGAINST Proposal 3.** The key reasons are:

Investment Companies are not Operating Companies General arguments in support of a declassified board structure of an operating company, which is internally managed with different conflict of interest concerns, do not readily translate into supporting the declassification of a board of an investment company, which is externally managed and overseen by an independent board of directors who has a primary responsibility to oversee the fund's service providers and manage conflicts of interest.

Better Stability and Continuity The Fund's classified board structure is designed to promote stability and continuity in the management of the Fund by ensuring that a majority of the Directors, at all times, have prior experience with, and in-depth knowledge regarding, the Fund and its investment objective, policies and strategies, and that those Directors are well-positioned to make decisions that are best for the Fund and its stockholders. The Board believes that an abrupt change in the Board could impair the Fund's ability to achieve its investment objective. The Board also believes that a classified board creates a more experienced Board that is better able to identify and accomplish long-term goals in supervising management of the Fund.

Better Protection Against Certain Takeovers and Unfair and Abusive Tactics The Fund's classified board structure reduces the Fund's vulnerability to hostile takeover attempts by activist stockholders who may have interests that are not aligned with the best interests of the Fund and all of its stockholders. In a non-classified board structure, activist stockholders could use the threat of a proxy fight to pressure the Board to take actions that produce short-term gains at the expense of strategies aimed at achieving meaningful long-term value for the Fund. The Fund's classified board structure encourages activist stockholders to negotiate at arm's-length with the Board and helps to prevent abrupt changes in the Fund based on the special interests of a select group of stockholders who might seek to implement an agenda contrary to the long-term interests of all stockholders.

Equal Accountability to Stockholders The Board believes that Directors elected under the current classified board structure are no less accountable or responsive to stockholders than they would be if elected annually. A Director has the same fiduciary duties to the Fund, regardless of how often he or she stands for election.

Good Corporate Governance The Board believes that a classified board is consistent with good corporate governance, as the Board believes that good corporate governance depends primarily upon active and independent Directors who are experts in their fields, knowledgeable about critical aspects of the Fund's operations and skillful in serving as competent and alert overseers of Fund management.

These reasons are discussed in greater detail below.

Investment Companies are not Operating Companies. **Investment companies and operating companies are very different types of companies.** Investment companies are externally managed and overseen by an independent board of directors. Operating companies, on the other hand, are internally managed and are not

subject to the same independence requirements as investment companies. As such, the role of a board of directors of an investment company is different in material aspects than the role of a board of directors of an operating company. A primary role of a board of an investment company is to approve the fund's investment advisory arrangements and oversee potential and actual conflicts of interest involving the fund. Operating companies like the S&P 500 companies cited by the Proponent do not have investment advisers and are not subject to the same types of conflicts of interests that a board of an investment company must oversee. The Proponent asserts that that 70% of the S&P 500 companies had annual director elections last year; however, none of the S&P 500 companies is an investment company. **General arguments in support of a declassified board structure of an operating company with an internal and interested management structure do not readily translate into supporting the declassification of a board of an investment company.**

Better Stability and Continuity. Under the Fund's current classified board structure, only those Directors in a single class may be replaced in any one year, and it would require two years to change a majority of the Board. The Board believes that its **Directors, who have experience with the Fund and knowledge regarding the Fund's operations, are a valuable resource in the management of the Fund.** The Board believes that an abrupt change in the Fund's Board could impair the Fund's ability to achieve its investment objective. The Board also believes that a classified board:

enhances the independence of the Non-Interested Directors by providing them with an assured three-year term of office rather than just a one-year term;

strengthens the Fund's ability to attract and retain highly qualified Directors who are willing to make a multi-year commitment to the Fund and its stockholders and to develop a deep understanding of the Fund; and

allows new Directors an opportunity to gain knowledge about the Fund from continuing Directors.

Better Protection Against Certain Takeovers and Unfair and Abusive Tactics. Because only one-third of the Fund's Directors are elected at any annual meeting of stockholders, at least two annual meetings would be required to effect a change in control of the Fund's Board, giving the Board the time and leverage necessary to engage activist stockholders in good-faith, arm's-length discussions and to negotiate the best result for the Fund. Absent the classified Board, an activist stockholder (or group of stockholders) could unilaterally gain control of the Fund by acquiring or obtaining voting control over a sufficient number of shares of the Fund's Common Stock to replace the entire Board with its own nominees at a single annual meeting. **Having a classified board structure does not prevent hostile takeover attempts, but it provides the Board with some protection against abusive tactics and artificial pressures and also provides the Board the time and opportunity to negotiate with activist stockholders and to make reasonable business judgments in the best interests of the Fund.**

Equal Accountability to Stockholders. The Board has implemented broad measures to ensure accountability of Directors, by providing for annual evaluations of Director independence and an annual self-assessment of the Board's performance. In addition, the Fund's By-Laws provide that any Director may be removed for cause by the affirmative vote of at least seventy-five percent (75%) of the shares outstanding and entitled to vote in the election of Directors. For these reasons, the Board believes that **Directors elected to three-year terms are not insulated from their responsibilities and are as accountable to stockholders as Directors who are elected annually.** The Board's fiduciary responsibilities remain the same regardless of the length of term or frequency of election. **A shorter term does not necessarily mean enhanced corporate governance or fulfillment of duties by the Board.**

Good Corporate Governance. The Board believes that **a classified board structure is consistent with good corporate governance**, as the Board believes that good corporate governance depends primarily upon active and

independent Directors who are experts in their fields, knowledgeable about critical aspects of the Fund's operations and skillful in serving as competent and alert overseers of Fund management. **The Fund's current Directors are experienced, qualified and knowledgeable about the Fund and committed to protecting the long-term interests of the Fund's stockholders.**

What is the Required Vote and What Would Happen if Proposal 3 is Approved?

If a quorum of the Fund's shares necessary for the transaction of business at the Meeting is present, Proposal 3 will be treated as approved if a majority of shares present in person or represented by proxy at the Meeting and entitled to vote thereon vote FOR the Proposal. Proposal 3 is not a stockholder vote to approve declassifying the Board of Directors, but rather it proposes that the Fund's stockholders ask the Directors to take action to effect a declassification of the Board of Directors. *If Proposal 3 passes at the Meeting, the Directors would continue to exercise their fiduciary duty to act in the interest of the Fund's stockholders in investigating further the details and potential benefits and detriments of declassifying the Fund's Board of Directors, but would not be obligated to recommend to stockholders a vote to declassify the Board.* In addition, even if the Board concluded that declassifying the Board of Directors was in the best interests of the Fund and its stockholders, it may submit a proposal to a vote of the Fund's stockholders with terms that are different from those contained in the Proponent's proposal (e.g., to declassify as each Director's regular term expired).

In order to take the necessary steps to declassify the Board of Directors, the Directors would need to conclude that such a declassification would be in the best interests of stockholders. Pursuant to its authority, the Board could act to amend the Fund's By-Laws to remove the provisions providing for classification and make any other necessary amendments to provide for the annual election of Directors. However, *the Board cannot be declassified without amending the Fund's Charter, which can only be done through a vote of the Fund's stockholders.* As such, declassification of the Board cannot occur without (i) a separate mailing of a proxy statement to the Fund's stockholders that explains the details of the proposed declassification, and (ii) a separate vote of the Fund's stockholders approving the declassification. A vote of a majority of the outstanding voting securities of the Fund is necessary to approve amending the Fund's Charter. A vote of a majority of the outstanding voting securities of the Fund means an affirmative vote of (a) 67% of the Fund's outstanding voting securities present at a meeting, if the holders of more than 50% of the Fund's outstanding voting securities are present or represented by proxy, or (b) more than 50% of the Fund's outstanding voting securities, whichever is less.

THE FUND'S BOARD OF DIRECTORS RECOMMENDS YOU VOTE AGAINST PROPOSAL 3 BECAUSE IT BELIEVES THE PROPOSAL IS NOT IN THE BEST INTEREST OF THE FUND AND ITS STOCKHOLDERS.

OTHER MATTERS

No business other than as set forth herein is expected to come before the Meeting, but should any other matter requiring a vote of stockholders properly arise, including any question as to an adjournment of the Meeting, the persons named in the enclosed Proxy will vote thereon according to their best judgment in the interest of the Fund.

Stockholders who wish to communicate with the Directors should send communications to The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020, to the attention of the Secretary. The Secretary is responsible for determining, in consultation with other officers of the Fund and Fund counsel, which stockholder communications will be directed to the Director or Directors indicated in the communication.

STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at the Fund's Annual Meeting of Stockholders in 2012 must be received by the Fund on or before December 27, 2011 in order to be included in the Fund's Proxy Statement and form of Proxy relating to that meeting. In addition, the Fund's By-Laws provide that if a stockholder of record entitled to vote desires to bring proposals (including Director nominations) before the 2012 Annual Meeting, written notice of such proposals as prescribed in the By-Laws must be received by the Fund's Secretary, The Swiss Helvetia Fund, Inc.,

1270 Avenue of the Americas, Suite 400, New York, New York 10020, between February 23, 2012 and March 24, 2012.

For additional requirements, stockholders may refer to the By-Laws, a current copy of which may be obtained without charge upon request from the Fund's Secretary. If the Fund does not receive timely notice pursuant to the By-Laws, the proposal will be excluded from consideration at the meeting.

EXPENSES OF PROXY SOLICITATION

The Fund will bear the cost of soliciting proxies on behalf of the Board of Directors. The Fund has engaged Georgeson Inc. to serve as Proxy solicitor at an anticipated cost of between \$20,000 and \$35,000, plus disbursements. In addition to the use of mails, Proxy solicitations may be made by telephone, fax and personal interview by the Fund's officers and officers of HCC. Brokerage houses, banks and other fiduciaries may be requested to forward Proxy solicitation material to their customers to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses incurred in this connection. If you have any questions concerning this Proxy solicitation, please contact Georgeson Inc., Telephone Number: 1-800-561-3947.

Authorizations to execute Proxies may be obtained by telephonic transmitted instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic Proxy is solicited, the stockholder will be asked to provide his or her address, social security number (in the case of an individual) or taxpayer identification number (in the case of a non-individual) and the number of shares owned and to confirm that the stockholder has received the Proxy Statement and Proxy card in the mail. Within 72 hours of receiving a stockholder's telephonic transmitted voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation. Any stockholder giving a Proxy may revoke it at any time before it is exercised by submitting a new Proxy to the Fund or by attending the Meeting and voting in person.

VOTING RESULTS

The Fund will advise the stockholders of the voting results of the matters voted upon at the Meeting in the Semi-Annual Report to Stockholders first following the Meeting.
