Report of Independent Registered Public Accounting Firm

The Administrative Committee, as Plan Administrator
of the KB Home 401(k) Savings Plan

We have audited the accompanying statements of net assets available for benefits of the KB Home 401(k) Savings Plan (the Plan) as of December 31, 2006 and 2005, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2006 and 2005, and the changes in its net assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2006, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

1. General Description of the Plan

The KB Home 401(k) Savings Plan (the Plan), formerly the Kaufman and Broad Home Corporation Amended and Restated 401(k) Savings Plan, is a defined contribution plan in which all eligible employees of KB Home (the Company) are eligible to participate on the first day of the month following the date of hire.

Eligible employees who elect to participate in the Plan (each, a Participant) may contribute up to 15% of their annual compensation (25% effective January 1, 2007), on a pretax basis, by means of payroll deduction. Participants may also contribute up to an additional 15% of their annual compensation, on an after-tax basis, also by means of payroll deduction. All contributions must be in whole percentages. Pretax contributions are eligible for tax deferred treatment up to the limits provided by the Tax Reform Act of 1986, as adjusted for cost of living.

Effective as of August 1, 2003, each Participant whose designated per payroll period contribution rate is at least 6%, who has attained (or will attain) age 50 before the close of a Plan year and whose contributions for the Plan year will exceed the limits of Internal Revenue Code (the Code) Section 402(s) or other Plan limit, is eligible to make a catch-up contribution in accordance with, and subject to the limitations of, Code Section 414(v).

Unless otherwise elected by the Board of Directors, the Company will match a Participant's pretax contribution up to 6% of annual eligible compensation (for Participants paid on a commission basis, matching eligible compensation shall not exceed \$50,000). Company matching contributions and related investment income vest to Participants over five years.

Plan assets are held in trust by Fidelity Management Trust Company, Inc. (the Trustee). Participants may direct the investment of their contributions among one or more of the several fund options offered by the Plan.

Participants who terminate their employment with the Company may elect to withdraw or rollover their contributions, vested Company contributions, and related investment income. Withdrawals or rollovers (to a separate defined contribution plan or individual retirement account) may be processed without a terminated Participant's consent if the Participant's vested benefits total less than \$5,000. Vested benefits totaling \$1,000 or less will be distributed as a lump-sum payment, and vested benefits totaling more than \$1,000 but less than \$5,000 will be rolled into an individual retirement account. Terminated Participants may keep vested benefits totaling \$5,000 or more in the Plan.

1. General Description of the Plan (continued)

Unvested Company contributions for terminated Participants are forfeited and used by the Company to offset future matching contributions. For the years ended December 31, 2006 and 2005, the Company used \$1,936,723 and \$1,511,312, respectively, of forfeitures to offset matching contributions. The forfeiture balances available to offset future matching contributions were \$952,344 and \$488,357 at December 31, 2006 and 2005, respectively.

The Plan allows Participants to borrow against their vested benefits and to take hardship withdrawals subject to certain limitations.

In the event of Plan termination, benefits of all affected Participants, if not already so, shall become 100% vested and not subject to forfeiture.

On February 8, 2005, the assets from the PTH Holdings, LLC 401(k) Retirement Plan were transferred into the Plan in conjunction with the acquisition of Palmetto Traditional Homes.

2. Summary of Significant Accounting Policies

The financial statements of the Plan are prepared on an accrual basis. Investment income is recorded as earned. Distributions of Plan benefits to Participants who withdraw from the Plan are recorded when distributed. Certain administrative expenses of the Plan, such as recordkeeping fees, are paid directly by the Company, while other administrative expenses, such as loan administration and withdrawal fees and fees related to the unitized stock fund, are paid directly by Plan participants.

The financial statements are based on information provided to the Company and are certified as complete and accurate by the Trustee. Certain adjustments have been made to the financial statements provided by the Trustee in order for them to conform to the accrual basis of accounting. The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that could affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments

Investments are valued at fair value, which is determined daily by the Trustee through reference to published market information using closing prices on the valuation date for mutual funds and common stock and based on closing balances for cash and participant loans.

The fair value of the Plan's individual investments that represent 5% or more of the Plan's net assets as of December 31, 2006 and 2005, were as follows:

4. Tax Status of the Plan

The Plan has received a determination letter from the Internal Revenue Service dated February 28, 2002, stating that the Plan is qualified, in form, under Code Section 401(a) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator

believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

5. Legal Matter

Bagley, et al., v. KB Home, et al.

On March 16, 2007, the plaintiffs, who claim to be former employees of KB Home who participated in the Plan, filed this class action lawsuit against the Company, certain of its current and former officers and directors, and members of the KB Home 401(k) Savings Plan Administrative Committee. In the lawsuit, plaintiffs allege that defendants breached fiduciary duties owed to plaintiffs and the purported class members under the Employee Retirement Income Security Act of 1974 by failing to disclose information, and providing other misleading information, to Participants in the Plan about the Company's alleged prior stock option backdating practices. Plaintiffs also allege that defendants breached their fiduciary duties by failing to remove the Company's stock as an investment option under the Plan. The Plan itself is not named as a defendant. The outcome of the matter, if any, is unknown, but it is not expected to have a material impact on the net assets of the Plan.

6. Reclassifications

Certain amounts in the 2005 financial statements have been reclassified to conform to the 2006 presentation.
